COVID-19 – Social Distance to Save Lives

Superior has been a strong and resilient community and is even more so today. Throughout history, there are many stories of how Superior has overcome many challenges. Economic booms and busts, World Wars, natural disasters, Superior has withstood these cataclysmic events, always recovering and emerging even stronger than before. Most importantly, the people of our community have unfailingly rallied to support one another.

By now, I am sure you have heard plenty about the coronavirus pandemic and the COVID-19 disease. While

it might be tempting to think that this virus affects only urban areas or that it is more hype than fact, I am urging all residents – young and old – to do your very best to follow the CDC's guidance for this disease by practicing social distancing, maintaining good hygiene and most importantly, washing your hands frequently and not touching your face.

The COVID-19 disease is highly contagious and affects the respiratory system. The symptoms include a cough, high fever and fatigue. Across the globe, the death toll is rising exponentially each day and the United States, Arizona and Superior will not be exempt from the tragic realities of this disease. By practicing social distancing and good hygiene, we can help thwart the spread of the coronavirus. In so doing, everyone has a role in protecting themselves, their families and friends and doing our best to not cripple our health care system. With the global pandemic, there simply are not enough medical resources to help every patient heal. Even now, several months into this pandemic, there is an acute shortage of respirators and other medical personal protective equipment, such as masks, face shields, gowns and gloves.

MAYOR'S MINUTE

By Mila Besich
Special to the Sun

To protect our residents and do our part to fight the community spread of this disease, I declared an emergency on Thursday, March 12, 2020. This entailed cancelling the Apache Leap Mining Festival and all public events on Town Property with attendance over 100 people. Since then, Governor Doug Ducey has issued a variety of Executive Orders that mandate compliance from all Arizona communities.

The Governor's most recent order requires our local gyms and bars to close completely. Restaurants must also close their dining rooms, but can continue to serve food through carry out, delivery and to-go orders. The coronavirus is not only a menace to our health, but also a real threat to our local economy. I encourage everyone to find ways to support our local restaurants and retail

GREAT SAVINGS AT SAVE MONEY MARKET

We would like to let the community know that through these trying times, Save Money Market will continue to remain open and continue to serve our community. As you know, there have been some shortages of products due to panic buying, and we thank you for your patience as things slowly get back to normal with our supply lines. Our big shipments have finally resumed, and our store is now 80 percent restocked, which means we have plenty of meat, cheese, milk, and eggs. Unfortunately, there is still a shortage of rice, pinto beans, and paper products, but we are confident in time the shipment of these items will also get back to normal.

We would like to thank our staff at Save Money Market for all their hard work. We would like to thank the community for their tremendous support with special thanks going out to Vice Mayor Michael Alonzo, Councilman Bruce Armitage and his wife Tweedy, and Louie Rabago from Red Bear Outfitters. And thank you, Mayor Mila Besich and the Superior Chamber, for being so thoughtful and bringing in lunches for our staff.

We would like to give a special shout out to Mayor Mila Besich for hearing our concerns and all her behind the scenes efforts in ensuring that all our deliveries continued uninterrupted. And finally, a big thank you to the National Guard for coming in and shoring up the distribution lines.

Superior is a strong community and we will all stick together and get through this as we have many times before with all the trials and tribulations we have weathered in our past. Please remember to be kind and patient with each other and to check in on your friends and neighbors.

Thank you again for all your support.

Arizonans ordered to stay at home, stay healthy and connected through April 30

On Monday, Governor Doug Ducey issued a Stay at Home order in an effort to add another level of social distancing. This order came after a letter signed by several Mayors of Arizona asked the Governor to issue the Stay at Home order.

Town of Superior Mayor Mila Besich joined Mayor Ana Tovar of Tolleson, Mayor Coral Evans of Flagstaff, Mayor Ginny Dickey of Fountain Hills, Mayor Valorie Molina of Guadalupe, Mayor Mark Mitchell of Tempe, Mayor Kate Gallego of Phoenix, Mayor Regina Romero of Tucson, Mayor Thomas McCauley of Winslow, Mayor Alexis Hermosillo of El Mirage

and Mayor Sandra Moriarty of Sedona in preparing and signing the letter. The Governor issued his Executive Order about 90 minutes after the letter from the Mayors made it into the news. In a written statement to local media outlets, Mayor Besich stated, "Our rural communities, do not have enough EMS or healthcare resources to manage the realities of the COVID-19 virus. We ask the Governor to act with urgency to protect all Arizonans."

The Stay at Home order starts at 5 p.m. on Tuesday, March 31, 2020 and will remain in effect until April 30. The order does allow essential workers to get

to and from work or to volunteer and allows people to tend to errands such as picking up prescriptions, grocery shopping or doing any other task or errand at an "essential business". Bars, gyms and movie theaters are still closed across the state and restaurants may continue their operations with take out and delivery orders. The order also encourages Arizonans to get out and exercise and recreate in the outdoors, such as biking, hiking, walking or enjoying local parks. Another focus added into this order included a reminder and encouragement for everyone to stay connected digitally, via their phones and the internet.

The Governor's orders did not change any of the essential businesses that are allowed to be open during the "Stay at Home" order. This new order continues to recommend social distancing and also limits groups from gathering of more than 10 people. One of the big questions being asked of the Governor's office, is why are beauty services such as salons,

barbers, nail salons and spas considered essential along with golf courses, pawn shops, and gun stores. The order also does not require employers to provide an employment letter proving that a person is employed by an essential business. In neighboring, California, residents are not allowed to leave their city or county boundaries and they must also have a letter proving that they are an essential employee.

Local leaders have been growing concerned by the high use of the public lands in the area, which are now becoming high use areas for camping and outdoor living for those wanting to avoid living in the more urban areas during this time of social distancing. The Tonto National Forest closed many congregate camping locations including the Picket Post Trailhead on the Arizona National Scenic trail but did not close the Oak Flat Campgrounds. Picnic areas at Roosevelt lake and areas in the Pinal Mountains and Sierra Ancha mountains have been closed.

School closures affect JTED programs

Arizona's public schools have all had to adjust for the realities of schools closures due to the COVID-19 Virus Pandemic. The precautionary methods to help flatten the curve of the outbreak in Arizona has called for social distancing and the realities of implementing the strategy has been difficult for all schools but it proves even more difficult for the Joint Technical Education programs such as the Cobre Valley Institute of Technology and the Pima Joint Technical Education District, since the courses taught at those schools require some on the job training and clinical testing.

Both schools have deployed an online program. Students can access their coursework and engage with their teachers.

The challenge comes when students need to complete the actual job training. For nursing students in these programs, the ability to complete the job training components are non-existent at this time due to the COVID-19 virus, and it is unclear how the State licensing department will handle the clinical aspect. With the high demand for health care workers, these students are the future

workforce and may be needed much sooner rather than later. In a normal course, the students in the Certified Nursing Assistant program would do their on the job training at a nursing home or at a local hospital, but that part of their program is not available right now due to the virus.

This policy and technical lessons for other industry trades such as cosmetology and welding are also affected by the school shut down and social distancing procedures. Cosmetology students are not able to practice their technique or work hours at the school salon during this crisis. Interim Superintendent Mike O'Neal explained that CVIT is waiting on clarity from the state.

"If we need to have our students come back next year to complete the clinical and on the job training, we will do that at no extra cost," O'Neal said.

School districts across the state are waiting on policy revisions and graduation requirements now that the COVID-19 virus has affected the rest of the school year. Schools should be receiving more official word from the State of Arizona during this week.

High School students (10th - 12th) can jump start their careers by enrolling in CVIT's Central Campus Programs located on Gila Community College or Central Arizona College Aravaipa campuses. All tuition, books, and certification fees are paid for by CVIT. Students can earn college credit and industry certification while learning entry level skills.

**Receive up
to \$3,000 to
further your
education.**

The Resolution Copper Scholarship Program offers eligible high school seniors up to \$3,000 toward furthering their education. Applications and guidelines are available at the main office of your local high school and on our website at resolutioncopper.com/sharing-success/scholarships. **Applications are due to Resolution Copper by April 15, 2020.**

For more information, email info@resolutioncopper.com or call 520.689.3409.

A Note from the Superintendent

Governor Ducey and Superintendent Hoffman have made the decision to close school until the end of May. This includes the cancellation of our Panther spring sports programs. This also includes all spring assemblies and banquets. We will be working with our administration, staff, and seniors to find possible alternative solutions to graduation.

The Superior Unified School District will continue serving a combined breakfast and lunch to all children ages 18-under in the Superior Unified School District boundaries until May 22. Families must call the high school office (520) 689-3000 ext. 3101 by 10 a.m. to request a meal(s). Meal(s) can either be picked-up through a drive-through service behind the high school kitchen (11 a.m.) or delivered to a designated bus stop. Meal(s) will begin to be delivered by 10:50 a.m. each day. Families can request to be served on multiple days. If you are picking-up a meal(s) please enter through the main entrance of the District parking lot and then proceed west along the front of the high school through the bay gates. Cars

will stop behind the kitchen, receive their meal(s), and exit out the opposite bay gates by the tennis courts. Students must be present at all times in order to receive a meal. This is a Department of Education requirement.

The Superior Unified School District will continue to provide alternative forms of instruction to its students. This will include independent study options for JFK Elementary and both online and independent study options for students at Superior Jr/Sr High School. There are also online resources that parents can use to support their child's education as well. Please visit our District website or you can also email your child's teacher.

The District office and both school site offices will remain open on a limited basis during the closure. We are grateful for your patience and support. We will continue to keep you informed as best as we can. Feel free to contact the District office or each school site if you have any questions.

Sincerely,
/s/ Stephen Estatico
SUSD Superintendent

COVID-19 VIRUS UPDATE

To our Valued Members:

In response to the recent events and concerns regarding COVID-19 (coronavirus), we are taking steps to help minimize the spread of any and all viruses and illnesses. Arizona Governor Doug Ducey issued an executive order Monday that defines which businesses and operations are considered essential amid the state's COVID-19 outbreak. Ray Federal Credit Union is considered an essential business and will maintain business hours and operations with as little disruption as possible.

For the protection of the public and our employees we are limiting members in our lobby to one at a time for transactions. Our loan department will serve members on an appointment only basis. We are asking members to use ATM's, Debit Cards, and electronic services whenever possible. Many things can be handled safely by phone or email reducing exposure between members and staff. Our Annual Business Meeting scheduled for Tuesday March 31, 2020 has been cancelled and will be rescheduled when public health concerns subside.

Ralph Dubois III, Chairman of the Board of Ray Federal Credit Union reminds us "Our credit union is financially solid, has strong capital reserves, is well managed, and has the resources to help members with their financial needs now." Members who need assistance may call our main number 520-363-5681 or if you prefer email us at support@rayfcu.org. Rest assured we are putting measures in place to promote public safety and minimize inconvenience so we can continue to best serve you.

We are proud to serve you and we thank you for being a valued member.

Town of Kearny Announces RAD Change of Service

The Town of Kearny and RAD have announced a change of service for residential and commercial customers. Effective April 15 your new weekly trash and recycling day moving forward is Wednesday. Bulk services changed on March 1 to the second Thursday of each month and may be scheduled before noon on the day prior to your area pick-up date. Commercial services are every Wednesday, starting April 15. Please place both garbage and recycling carts out the night prior or by 6 a.m. on your service day. Allow 3 feet between each cart and 10 feet away from cars, mailboxes, landscape or other items that may interfere with service and 2 feet away from the building. Face cart so lid opens toward the street (handles toward building). Do not overfill or place additional garbage on top. Lids must be fully closed. This reduces airborne trash on windy days. Questions? Call Customer Service at 480-983-9100.

MEXICAN GRAY WOLF

Find more wolf coloring pages at: <http://www.supercoloring.com/coloring-pages/mammals/wolf>

FUN FACTS ABOUT WOLVES

1. Wolves mate for life. They stay together until the end!
2. Wolves tend stay in packs and, together, they can take large prey like deer and moose. Alone, wolves only hunt small prey, like rabbits and squirrels.
3. Packs can be as big as 30 wolves or as small as 2. Generally, packs are about 7 or 8 wolves strong.
4. Wolves can be gray, black, or white. Red wolves are a different species.
5. The howls that are iconic of the animal actually have multiple different uses. If a wolf is howling alone, it may calling out for its pack. If it is a group of wolves, it maybe declaring their territory.

MORE RESOURCES FOR PARENTS

There are many companies online that are offering help to parents who find themselves in the role of homeschool teachers.

We have found a wonderful resource at Audible.com. They are offering free stories for children and have selections for all ages. Our suggestion this week is: White Fang by Jack London. You can find this story and more at: <https://stories.audible.com/start-listen>.

Dear Parents,

Because of the recent school closures, Copper Area News Publishers wanted to create a page for our younger readers, a page all their own that brings a little fun and a little learning to them.

This week we are featuring Fun with Wolves. We have a coloring page (courtesy of Paint the World Super Coloring), a super fun math puzzle, and some fun facts compiled by our reporter/photographer Lauren Carnes all about wolves.

We've enlisted help for future issues from the local school districts. So keep an eye out for more from our "Let's Learn Something New" page.

Public Notice

The voters of the Town of Superior in 2003 adopted an alternative expenditure limitation - home rule option. The purpose of this election is for the continued use of the alternative expenditure limitation. Pursuant to A.R.S. §41-563.01, the Town Council of Superior voted to approve the proposed alternative expenditure limitation - home rule option at its Special Meeting on March 12, 2020. The vote for approval was Five (5) For and None (0) Against. At the primary election to be held on August 4, 2020, the voters of the Town of Superior will vote on the question of an alternative expenditure limitation - home rule option. With voter approval, the town shall be limited to the expenditure of estimated available revenues whether such expenditures are less than or exceed the State imposed limit. As an example, in 2021-2022, the state-imposed limitation plus applicable constitutional exclusions will allow expenditures of \$1,963,744.00. Under the proposed alternative expenditure limitation, we estimate expenditures of \$7,773,486.00. If the voters approve, the additional expenditure authority will be used for all local budgetary purposes including Administration, Street/Building Maintenance, Public Safety, Sewer/Refuse Service, Capital and Special Projects. Revenues received from federal, state and local sources will be used to fund such expenditures. The town property tax shall be limited to the amount prescribed in the Arizona State Constitution. By order of the Town Council of Superior, Arizona Signed: /s/ Ruby Cervantes, Town Clerk

Public Notice

Invitation to Submit Ballot Arguments
Deadline May 6, 2020.
Superior - Town Clerk Ruby Cervantes announced the proposition number for ballot measure appearing on the August 4, 2020 Primary Election and invites interested parties to submit arguments to be included in the Publicity Pamphlet that will be distributed prior to the August 4, 2020 Primary Election.
The proposition that will appear on the August 4, 2020 ballot is listed below.

**PROPOSITION 443
REFERRED TO THE PEOPLE BY THE
TOWN COUNCIL OF SUPERIOR**
OFFICIAL TITLE: A RESOLUTION PROPOSING AN EXTENSION OF THE ALTERNATIVE LOCAL EXPENDITURE LIMITATION FOR THE TOWN OF SUPERIOR.

DESCRIPTIVE TITLE: Pursuant to the Arizona State Constitution, this proposal extends the alternative expenditure limitation for the Town of Superior for the next four years. Annually, the Town Council will determine the amount of the alternative expenditure limitation for the fiscal year after at least one public hearing. This alternative expenditure limitation replaces the state-imposed expenditure limitation.

A "YES" vote shall have the effect of extending an alternative expenditure limitation for the Town of Superior.

A "NO" vote shall have the effect of not allowing the Town of Superior to continue an alternative expenditure limitation and to require expenditures of the Town to be limited by the state-imposed expenditure limit.

Arguments for or against ballot measures may be filed with the Town Clerk no later than 5 p.m., Wednesday, May 6, 2020. Arguments may be submitted to the Town Clerk, P.O. Box 218, 199 N. Lobb Ave., Superior, Arizona 85173. A \$200 fee must accompany each argument submitted and each argument must not exceed 300 words. Arguments must be signed by the submitting person. Arguments submitted by organizations shall be signed on behalf of the organization by one of the executive officers of the organization authorized to take the action, or if a political committee, by the Chairperson or Treasurer. No person or organization shall submit more than one argument for each ballot measure to be voted on. For more information, call the Town Clerk's Office at 520-689-5752.

Hyperbaric Oxygen Therapy Now Available at the CV Wound Center!

What is Hyperbaric Wound Therapy?

Hyperbaric oxygen therapy involves breathing pure oxygen in a pressurized room or tube. Hyperbaric oxygen therapy is a well-established treatment for decompression sickness, a hazard of scuba diving. Other conditions treated with hyperbaric oxygen therapy include serious infections, bubbles of air in your blood vessels, and wounds that won't heal.

In a hyperbaric oxygen therapy chamber, the air pressure is increased to three times higher than normal air pressure. Under these conditions, your lungs can gather more oxygen than would be possible breathing pure oxygen at normal air pressure.

Your blood carries this oxygen throughout your body. This helps fight bacteria and stimulate the

release of substances called growth factors and stem cells, which promote healing.

Conditions for Treatment

Hyperbaric oxygen therapy is used to treat several medical conditions. And medical institutions use it in different ways. Your doctor may suggest hyperbaric oxygen therapy if you have one of the following conditions:

- Anemia, severe
- Brain abscess
- Bubbles of air in your blood vessels (arterial gas embolism)
- Burn
- Decompression sickness
- Carbon monoxide poisoning
- Crushing injury
- Deafness, sudden
- Gangrene
- Infection of skin or bone that causes tissue death
- Non-healing wounds, such as a diabetic foot ulcer
- Radiation injury
- Vascular wounds
- Skin graft or skin flap at risk of tissue death
- Wounds that won't heal

During Hyperbaric Therapy

Hyperbaric oxygen therapy typically is performed as an outpatient procedure and doesn't require hospitalization. If you're already hospitalized and require hyperbaric oxygen therapy, you'll remain in the hospital for therapy. During hyperbaric oxygen therapy, the air pressure in the room is about two to three times normal air pressure. The increased air pressure will create a temporary feeling of fullness in your ears — similar to what you might feel in an airplane or at a high elevation. You can relieve

that feeling by yawning or swallowing. For most conditions, therapy lasts approximately two hours. Members of our health care team will monitor you and the therapy unit throughout your treatment.

After Hyperbaric Therapy

You may feel somewhat tired or hungry following your treatment. This doesn't limit normal activities.

Call the Cobre Valley Regional Medical Center Wound Center for more information regarding Hyperbaric Wound therapy.
