OBITUARIES

Betty A. Borquez

Betty A. Borquez, 80 of Phoenix, cherished mother, grandmother, sister, aunt and friend to all, suddenly passed and made her transition to our Heavenly Father on April 9, 2016.

Betty was born on July 31, 1935 in Hayden, Arizona. Betty was preceded in death by her beloved father, Arturo Borquez, mother Alicia Saenz, step-father Marcos Saenz, and brother Rolando (Rollie) Saenz.

Betty is survived by her only son, David, and grandson, David Jr, to whom she devoted her life. Betty is also survived by her two sisters, Mary Dee Stump (the late Robert Bracamonte and the late William Stump) of Kearny, and Olivia (Joe) Lopez of Phoenix. She is also survived by a niece, five nephews, and many great and great-great nieces and

nephews who loved their auntie very much.

Betty grew up in the small mining town of Hayden, Arizona. She moved to Phoenix as a young adult and dedicated her life to her family. Betty thoroughly enjoyed being a caretaker first to her mother Alicia, then to her step-father Marcos. Betty also enjoyed the company of her younger brother Rollie. She was an excellent cook, and so much so, that Rollie made his way to her home for dinner

more times than not. Her greatest joy in life was spending time with her son and grandson. They were the loves of her life.

Services to celebrate Betty's life were held on Tuesday, April 19, 2016 at St. Mary's Basilica, 231 N. 3rd St., Phoenix, Arizona 85004. Interment and graveside services were held at St. Frances Catholic Cemetery, 2033 N. 48th St., Phoenix, AZ 85008.

Arturo A. Lopez

Arturo A. Lopez passed away on April 17, 2016, in Tucson. Arturo was born in Ray on Nov. 15, 1954. He was a Hayden High School graduate.

Arturo is survived by his loving mother, Ramona; his lifelong companion, Nina Contreras; his children, Javier and Angelina; brother, Cornelius (Ceci); Josie (Frank); Micaela (Denny) and Jerri (Chacho).

He had a very interesting start in life. All of his siblings were born at home, but, by the time Arturo was to be born, the local doctors did not make house calls. So, Arturo was born at the Ray Hospital and when it was time to come home to Hayden (San Pedro) his mom was given a baby wrapped up tightly, because of the cold. Once mom and baby arrived home, it was time to change baby's diaper. What a surprise the new mom got when she discovered that she was given a girl, not a boy, baby. The baby girl was immediately returned to the Ray Hospital in trade for Arturo.

Services for Arturo will be at St. Joseph Church in Hayden on Thursday, April 21. Visitation will be from 8 a.m. - 9:30 a.m., Rosary at 9:30 a.m., and Mass at 10 a.m.

Support for the Town Continues with Rotary Benefit, Auction; Items Sought

This is a wonderful town. When something adverse happens, everyone bands together to do something about it. This past weekend many people (especially children) joined in a long march to raise funds for Matthew York's medical costs. Other events to help support him and his family have taken place, and more are in the works.

When the Gila River fire took place, it was heartening to see the way people worked together to support each. This support continues, with the Winkelman Natural Resource Conservation District (WNRCD) taking the lead to clean up the tamarisks and replant with noninvasive species. I hope to say more about this later. We also have the continuing support of Arizona State University to make the river area safer and more productive.

And last year, when our municipal swimming pool reached the end of its years, the whole community banded together. We went a full year without the use of our pool, but with the help of the Rotary Club and several donors, our pool has been rebuilt and is ready for a new season. Our Town Manager, Anna Flores, has interviewed and hired the pool

manager and lifeguards, and we will have a full season.

The support of the Rotary Club continues. On Saturday, May 14, the club is planning a special benefit for the pool. There will be a steak dinner and a community auction (and maybe some music as well), all for the benefit of our swimming pool. The new pool requires an increased level of maintenance, and it costs more for people to serve as lifeguards and workers.

The auction last year brought in more than \$10,000 to help cover the cost of repairs. More than that, the auction was a great, fun event! People turned out in droves, and the contribution of items to be auctioned made for a great evening.

Items for the auction may be taken to the General Kearny Inn. Our generosity will benefit the whole community, and the children of Kearny will especially benefit.

ASU Design School to offer final presentation on Gila River, Shipman Fires recovery April 28

On Thursday, April 28, Dr. Chingwen Cheng, an Assistant Professor of Landscape Architecture at The Design School of the Herberger Institute for Design and the Arts and Senior Sustainability Scientist at the School of Sustainability at ASU, will lead a final review regarding ASU's School of

Sustainability's plans to recover the Gila River area west of Kearny.

Several presenters and reviewers will take part, starting at 10 a.m. and ending at 4 p.m., minus the noon lunch break.

This is part of a series of meetings on a topic near and dear to the heart of locals, which started with a meeting

at the General Kearny Inn on Jan. 20, when the Winkelman Resource Conservation District (WNRCD) and Bill Dunn spearheaded the discussion of the Kearny River Fire Recovery Project, which addresses the issues facing the Kearny area after both the Kearny River Fire and the Shipman Fire.

As it was pointed out, from the beginning, before funding can be asked for to alleviate the challenges faced, a plan needs to be in place. For the best plan to be in place, community interest and input is called for. Part of that community involvement came in the form of 14 Senior Design students from Arizona State University (ASU). At this first meeting, the afternoon was much given over to appraising these students, as fully as possible, of the needs of the community as well as the needs of the wildlife, vandalism prevention, the lay of the land in general and an exhaustive host of related subjects.

On Feb. 24, Dr. Cheng and the ASU students returned to Kearny to present their preliminary assessment of the site

and to receive further input from the community as to design elements. This was followed by a March 30 meeting to present the preliminary designs.

To attend the final review of the proposed design come to the Design School at ASU, 810 S Forest Mall in Tempe. The time is from 10 a.m. - 4 p.m. with a noon lunch break. There will be parking in the ASU Visitor parking lot, off S. Myrtle Ave., at the rate of \$1.50 per 2 hours, maximum, and in the Tempe Public Parking, off S. Forest Ave, at the rate of \$2 per hour with a \$10 maximum.

Enter the Design School North building, then take the elevator on the left or the stairs to the second floor. Cross the bridge to the South building. Room 226 will be on your right hand side.

For more information contact Chingwen Cheng at 480-452-6705 or Chingwen.Cheng@asu.edu. To learn more about the Winkelman Natural Resource Conservation District and possibly join them as a local "cooperator" go online to: <http://wnrcd.org/>

Ray's Galka signs with Maryville University

By Andrew Luberd
Copper Basin News

Ray four-year varsity multi-sport athlete Stormee Galka recently signed her National Letter of Intent to continue her academic and athletic career at Maryville University, which is located in St. Louis, Missouri.

Galka, a pitcher and centerfielder for the Lady Cats' third-ranked softball team, signed to continue her softball career with the Saints over offers from other schools, including one she received as a junior from Paradise Valley Community College.

"They have a physical therapy program that I am interested in and Coach Kelly, who coached in the Olympics, has a great record," Galka told the *Copper Basin News* about her decision to sign with the Great Lakes Valley Conference school. "Those two things are what attracted me and were part of my decision to choose (Maryville)."

The Lady Cats' star has won multiple awards in multiple sports, including All-Division IV Softball 1st Team and Section VI Softball Player of the Year last season. She figures to be a repeat honoree in one if not both categories again this year.

Stormee's mother, Rikki Galka, is also her coach in both volleyball and softball. Rikki told the *Copper Basin News* she's "excited" for her daughter.

"(Stormee) has worked hard to get to this point," Rikki said in a text message. "I hope she takes the opportunity at hand and gets the most out of it. I am very proud of her."

Stormee said she's looking forward to change and the next chapter of her life, even if it is in a distant city and one different in size compared to Kearny.

"I'm going to miss everybody (at home), but I'm excited to see that part of the country and experience new things," she said.

Rikki admitted there's an inkling of sadness knowing her daughter is moving far away, but she also knows the opportunity for her daughter was too good to pass up.

"Yes, it is (sad), but she will have a great coach and she has met a lot of (her teammates)," Rikki said "She texts with them often, so I feel it is a great opportunity for her to grow as an individual."

"It's such a short time period in her life but a very critical one for her to grow and work hard, both in class and on the field," Rikki added. "I feel good about her decision."

Stormee credits her time as a Ray High School student-athlete for preparing her for what's next in her life.

"The time spent at Ray has helped me grow as a leader," she said. "It's going to be sad to leave, but I'll always feel like I am part of a family in a small town."

Ray's Stormee Galka (front center) signed her NLI with Maryville University.

Lady Cats extend winning streak to five

By Andrew Luberda
Copper Basin News

The third-ranked Ray softball team extended its winning streak to five games and improved to 15 – 3 on the season after one-sided wins against Miami and San Carlos last week.

Stormee Galka, the Maryville University commit, went 2-for-3 including a homerun and drove in three runs in a 15 – 0 win against the Braves last Friday. The senior sensation showed why she was a highly coveted two-way collegiate recruit after surrendering only one hit in three innings pitched with four strikeouts.

Galka, who has appeared in 18 games this season as a pitcher, has allowed two or fewer hits in 11 of

them, including three no-no's and six one-hitters. She fanned seven or more opposing hitters in seven of her appearances. And, by the way, she's hitting .531 with 31 RBI and owns a 1.349 OPS. She's struck out a measly two times in 69 plate appearances.

Daniella Hinojos pitched a scoreless and hitless inning in relief, walking one and fanning two Braves' hitters. She also had two hits and two RBI at the plate.

Janae Ruiz, a sophomore, had three hits in as many plate appearances and drove in three runs in the win. In addition to Galka and Hinojos, Savannah Willis also had two hits. The senior catcher also drove in a run. Freshman Tara Lorona had a hit and two RBI in the game.

The Lady Cats have four games remaining before the state playoffs begin. Head coach Rikki Galka believes her

team can compete for a state championship.

"The teamwork we display," Galka answered when asked what makes her team a title contender. "We work hard at it and never quit."

Upcoming schedule: Apr. 19 vs. Ft. Thomas, Apr. 22 at Alchesay (2 p.m.), Apr. 26 vs. Pima, and Apr. 27 at Superior. All games are scheduled for 4 p.m. unless otherwise indicated.

No. 8 Vandals end Cats' winning streak

By Andrew Luberda
Copper Basin News

The eighth-ranked Miami baseball team pulled a mild upset against sixth-ranked Ray, defeating the visiting Cats last Tuesday, 14 – 4. The loss ended the Ray's modest four-game winning streak.

The Cats didn't let the loss carryover to their next game as evidenced by their 18 – 6 against San Carlos last Friday.

A 10-run fourth inning by the Cats blew the game open. Ray hit six doubles in the game, including one by Jaden Pace, who had three hits in the game. The freshman also drove in a run. Older brother Jordan Pace had two hits in the game, both of them doubles. Noah Warren and Fabian Valenzuela had two hits in the game, including a double each. Warren also drove in two runs. Anthony Acuna hit the Cats' other double and drove in two runs.

Brett Fackiner was the winning pitcher after a tossing a complete game. The junior allowed six runs – three earned – on seven hits with two walks and four strikeouts.

Upcoming schedule: Apr. 19 vs. Ft. Thomas, Apr. 22 at Alchesay (2 p.m.), Apr. 26 vs. Pima, and Apr. 27 at Superior. All games are scheduled for 4 p.m. unless otherwise indicated.

Round Mountain Sunrise Challenge set for June 4

Globe – Globe Rotary Club, the City of Globe and Gila County Division of Health & Emergency Services present the 15th Annual Round Mountain Sunrise Challenge on Saturday, June 4. Once again, National Trails Day will be recognized by a challenging 5K event at the City of Globe's Round Mountain Hiking Park.

The event will begin with registration from 5 to 5:45 a.m. on June 4. The race will begin at 6 a.m. Individuals wishing to compete for time in the 5K event are warned that this is a challenging course and they would be well advised to try the route in advance, although it is not a requirement.

Major upgrade of Pinal County transportation infrastructure unveiled at five public meetings

By James J. Hodl
Copper Area News

An effort to sell Pinal County residents on a 20-year plan to improve transportation throughout the county primarily by building new roads and improving existing roads – and to fund these projects through a 0.5% increase in the county sales tax – moved into high gear recently.

Between March 21 and April 5, the Pinal Regional Transportation Authority (PRTA) held five public meetings where citizens saw the plan unveiled and could learn how these road projects would benefit them. Meetings were staged in the towns of Apache Junction, Coolidge and Maricopa; the communities of San Tan Valley and SaddleBrooke.

Nearly all of the proposed transportation projects are in western Pinal County, where about 88% of the county's population resides, according to Andy Smith, director of PRTA and transportation planning manager with Central Arizona Governments (CAG). The plan was created with a big assist from Phoenix-based Dibble Engineering.

The major new road proposed is the North-South Corridor that will run 51 miles, connecting U.S. 60 in Apache Junction with Interstate 10 southeast of Eloy.

Although the exact route of the North-South Corridor has not yet been determined, it will likely run just east of San Tan Valley, through Florence, and to the east of Coolidge and Eloy. A 5-mile road extending State Route 24 from Maricopa County to the North-South Corridor north of San Tan Valley also is planned.

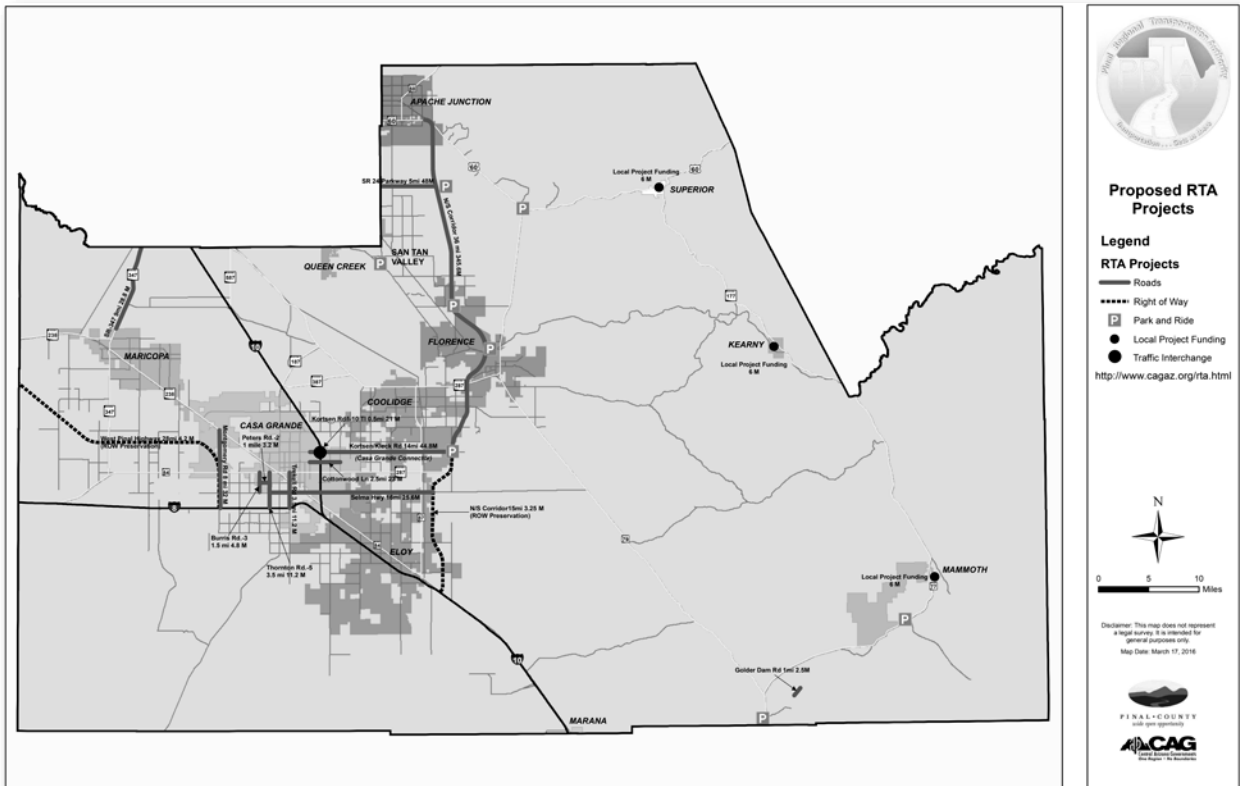

Additional road improvements include the widening of State Route 347 from the Maricopa County border to the town of Maricopa, Selma Highway running through Eloy and Casa Grande, and assorted streets in Coolidge and Casa Grande. Another new road will divert traffic south of Maricopa to Interstate 8.

San Tan Valley will see Gantzel Road extended south of Bella Vista Road to Hunt Highway.

In southeastern Pinal County, Golder Dam Road near SaddleBrooke and Oracle will be widened.

The PRTA transportation plan also calls for creation of Park and Ride lots throughout the county. According to Smith, these lots will serve as hubs where individuals can park their autos for the day while joining carpools with people working at the same places to commute to their final destination. Smith hopes that existing (or new) transit systems will eventually link to these hubs to take people to their jobs by bus or light rail. At least one is

TRANSPORTATION

Continued from page 9

targeted for San Tan Valley near intersection of Combs and Gary Roads.

Although hinted last Fall, the PRTA plan includes no proposals for creating public transportation systems in Pinal County at this time. However a dial-a-ride program, where residents who do not drive can call for rides to a local hospital or other locations, is proposed.

Although no big transportation projects are proposed in eastern Pinal County, PRTA promises to provide a minimum \$300,000 annually each to the towns of Superior, Kearny and Mammoth to fund local road projects from revenues collected by the proposed county sales tax hike.

Speaking at the meetings, Smith said the transportation improvements included in the PRTA plan are necessary to keep up with the rapid growth in county population. Between 2000 and 2015, the number of people living in Pinal County grew from 180,000 to more than 400,000. Vehicle traffic has increased dramatically, resulting in severe rush hour congestion on many roads leading into Maricopa and Pima counties, and an increase in traffic accidents and fatalities.

The current system of roads is inadequate, Smith noted. There is a desperate need for a high-capacity route to get from northern to southern Pinal County. There are inadequate connections to Interstate 10 from local routes and businesses. Many east-west routes in the county are two-lane or dirt roads. And San Tan Valley, which has more than 88,000 residents, as only two major roads for travel (Ironwood/Gantzel Road and Hunt Highway).

Road improvements haven't kept up with population growth since the economic recession hit in 2008. Federal highway fund has been flat since then, causing the county's Highway Trust Fund to fall short. And to balance the Arizona state budget, the legislature shifted highway funding to other government programs.

Yet Pinal County needs to improve its transportation system to spur economic development and create new jobs. When selecting a site for starting or relocating a business, the executives look at the transportation infrastructure, especially as it relates to quickly getting their products to market. Enticing businesses to locate in Pinal County will not only create new jobs by also enable county residents to work closer to home and not have long commutes to jobs in adjoining counties, Smith noted.

The North-South Corridor could attract the businesses and retail areas on the east side of San Tan Valley that

also could create the tax base the community needs to eventually incorporate as a town, one local resident said at the San Tan Valley meeting in the former Mountain Vista Middle School.

For regular citizens, new and wider roads will increase the flow of traffic, resulting in shorter commutes and less wasting of gasoline when stalled in slow traffic.

To boost transportation infrastructure improvements, the Pinal County Board of Supervisors last August voted to create PRTA with a representative from each town in the county on its management board. The first order of business was to draft the transportation plan that was recently finalized.

In November, PRTA is asking voters to approve its transportation plans and to provide funding for the

proposed projects by approving a 0.5% increase in the county property tax for the next 20 years. According to Smith, this will cost a typical Pinal County family about \$88 per year. But PRTA expects the sales tax hike to be a harder sell in Superior and Mammoth, where the local sales tax is already 10.7%.

By 2036, the tax hike is expected bring in a minimum \$500 million to fund proposed projects.

Pinal County would not be alone in taxing residents for transportation improvements. Voters in Maricopa, Pima, Gila and Coconino counties have already approved such taxes, he explained.

PRTA and CAG have filed to have the referendum on the transportation plan and the 0.5% sales tax increase put on the November 8 ballot.

TOWN OF WINKELMAN Public Hearing Regarding Use of CDBG Funds

The Town of Winkelman is expected to receive approximately \$264,835 in FY2016 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. The 2014 Special Income Survey indicated 86% of Winkelman's population is at or below 80% of the Area Median Income. Community wide projects would benefit approximately 304 of the 353 town residents per the 2010 Census population. A Special Income Survey is required for each new funding cycle to assure qualification for receiving CDBG funding. Based on citizen input as well as local and state planning objectives several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at the Regular Town Council Meeting on May 9, 2016 at 7:00 p.m., at Winkelman Town Hall, 206 Giffin Ave., Winkelman, AZ 85192 to discuss the potential projects. It is expected that the Town Council will select the final projects at this hearing and adopt applicable resolutions. The potential CDBG projects are named and described as follows:

1. Community Development Strategy Plan, \$45,000 = community wide 304 beneficiaries
2. Street Improvements: \$264,835 for asphalt repairs and replacement for approximately 3 blocks of 4th Street to benefit a residential area with approximately 22 housing units and approximately 66 persons, 86% of whom are at or below 80% of Area Median Income.
3. Other Community Development.
4. Owner-Occupied Housing Rehabilitation: \$219,000 for approximately 4 owner occupied housing units whose owners are at or below 80% of Area Median Income.
5. Community Center & equipment
6. Firefighting Equipment
7. Sidewalks ADA Removal of Barriers
8. New Rental Housing (apartment units)
9. Develop new Truck Stop

Senior Electrical Engineer

- Excellent opportunity to play a leading role at the Resolution Copper mine.
- Opportunity to manage projects and provide engineering support at Resolution Copper mine
- Leading mining and metals company offering outstanding personal development & career opportunities - Superior

Rio Tinto is a leading global mining and metals company. Our focus is on finding, mining and processing the Earth's mineral resources in order to maximize value for our shareholders. Everything we do is done with the future firmly in mind, so our employees are rewarded with opportunity, an open and diverse culture and a responsible working environment in which they can go further.

We are a diverse team of talented, enthusiastic individuals who foster a culture of inclusion. No matter how they may differ, our people share one thing in common. It's a belief that work is more rewarding when we are accepted and valued for our differences, not judged by them. We all have something to contribute, and it's this contribution that makes for a great organization and fulfilling career.

The Opportunity
 We are looking for a Senior Electrical Engineer to safely deliver technical support across maintenance, operations and project areas. Accountable for embedding processes and systems, to risk manage current and optimize future assets.

What the role entails
 This role is a great opportunity to be involved in one of the world's most exciting underground mining projects. Working a 5 days on /2 off roster and reporting to the Chief Electrical Engineer, you will be:

- Developing the electrical safety standards for the site and practicing good risk management discipline for all tasks.
- Planning relevant safety requirements into all activities, tasks and projects based on assessed hazards, identified critical risks and mitigating actions.
- Supporting the surface and underground maintenance and operations teams, and developing electrical maintenance strategy for the site.
- Implementing major maintenance activities on critical electrical assets (including transformers, switchgear, substation, relays, motors and drives).
- Providing technical support to the projects studies teams. Execution of projects, through complete lifecycle.
- Engagement and performance management of contractors and suppliers

What you will need for this role
 To succeed in this role, you will have:

- Bachelor degree in Electrical Engineering
- Experience with fixed plant heavy industry or mining equipment
- Detailed technical knowledge of hoisting, instrumentation, and power systems
- At least seven years of experience
- Broad knowledge of electrical standards associated with mining
- Practical experience in commissioning and fault finding
- Experience with EPCMs and project management
- Experience in maintenance and operation of electrical plant

So if this sounds like you and the opportunity you are looking for, apply at RioTinto.com.

Community turns out for March for Matthew

The community cares about Matthew York. And on Saturday, April 16, friends, family and classmates all turned up in front of the Pinal County Courthouse in Kearny to show him just how much they care. The March for Matthew was part of an overall

fundraising campaign for the young boy, and included either a two or five mile walk around the town of Kearny. Supporters also sold Kooshies, bracelets and Scratch 'N Give tickets all to raise money for the family. All proceeds went to Matthew's family.

Matthew, who is 8, was recently diagnosed with two forms of leukemia. He is currently undergoing treatment at Phoenix Children's Hospital.

Our prayers and thoughts are with the young man and his family.
