## OBITUARIES

# Curtis Lee Thomas Hightower

Curtis Lee Thomas Hightower, "Curt", passed away on Saturday, Feb. 12, 2022, at his home in Kearny, AZ. Curt was born on April 18, 1962, in Ajo Arizona to Terry Thomas and Dorothy Hightower. He was later lovingly adopted by Bob Hightower.

Curt graduated from Ajo High School in 1979, where he lettered in track and field. Curt attended Central Arizona College where he graduated with a degree in Heavy Equipment Operating in 1983. Curt joined the US Army in 1986 where he earned the rank of Sergeant, specializing in parts and equipment. During his service he was in Desert Storm and served three years with the 82nd Airbourne unit stationed in Vicenza, Italy. Curt worked many years for Aims Construction where he retired as drill and blast foreman.

Curt's hobbies included playing golf, riding his quad in the desert, watching NASCAR and was a member of the Elks Lodge. He had a big heart and was always willing to help people out.

Curt is preceded in death by his fathers, Terry Thomas and Bob Hightower. He is survived by his son, Terry

Hightower of Winkelman; daughters, Casandra Wade (Thomas) of Kearny and Amber Johnson (Jorden) of Goddard, KS; grandchildren, George and Cassidy Wade, Misty and Lilly Hightower, and Jacob and Wyatt Johnson. Curt also is survived by his mother, Dorothy (Dee) Hightower of Ajo, AZ, sister, Lora Cash of Tempe, and brothers, Allen Hightower of Gilbert, and Roy Hightower of El Paso, TX.

Memorial Services for Curt were held Saturday, April 16, 2022, at the Lighthouse Assembly of God Church by Pastor David Wade. Burial Services were held by Glenda Kermode in Ajo on Monday, April 18, 2022, at the Ajo, AZ Cemetery.

The family was assisted with exceptional service by Griffith Mortuary.

# Dusti Renae McEuen

Dusti Renae McEuen (Womack), 51, of Kearny, Arizona, passed away April 9, 2022. Renae was born Sept. 2, 1970, to Dusty and Vicki Womack in Phoenix, Arizona. She was the middle child of three children and spent most of her life in Kearny, Arizona.

Renae was a free spirit with an infectious laugh and a love for all things Stevie Nicks. She doted on her children and grandchildren, enjoyed reading and loved the color purple, wolves, dragonflies, and the Native American culture. Renae worked as a dental assistant in Phoenix, Arizona and then locally, as a dispatcher at Copper Basin Railway, taking great pride and joy in both.

Renae is survived by her two children, Leah Wade (Adam) and Dillon Womack (Shandon); parents Dusty Womack (Barb) and Vicki Palmer; brothers Mike Womack (Jennifer) and Ron Brenner (Angie); grandchildren Seth,

Benjamin, and baby Kayden (due on September 2nd, Grandma Nae's birthday); grandmother Reva Barnes; and numerous aunts, uncles, nieces, nephews, and cousins.

She was preceded in death by her grandparents William and Patricia Hudson and William and June Whelchel; aunt Georgia Carroll; uncle Barry Whelchel; and cousin Kyle Goodridge.

A celebration of life will be held Saturday, April 23, 2022, at 11 a.m. at the Living Word Chapel in Kearny, Arizona and her ashes will be spread "up in the pines" at a later date by friends and family.

# Hayden Police seek information on shooting in Winkelman Flats

One person was injured early Sunday morning after a shootout at the Winkelman Flats Park.

According to Hayden Police Interim Chief Brian Marquez, police were dispatched to the Park at 2:30 a.m. on Sunday, April 17, in response to a shooting that had just occurred. Upon arrival, responding officers secured the scene and began an immediate search for the suspect and any potential victims.

Officers learned that one victim had sustained a gunshot wound from a shooting that took place inside the park. The victim was transported to a hospital by ambulance with wounds that were significant but considered non-life threatening at this time. The suspect, however, fled on foot prior to the officers' arrival.

"Through their initial investigation, officers learned the victims and suspect had earlier engaged in some type of altercation, which later led to a confrontation with a large group," Marquez told the Copper Basin News. "During the confrontation, the suspect

produced a firearm and shot the known victim and possibly others. There were other shooters that exchanged gunfire with the suspect."

The Arizona Department of Public Safety Air Unit (Ranger) was called to search for the suspect and additional victims, but none were located.

The Hayden Police Department processed the scene, interviewed witnesses, and immediately begin investigative follow-up.

"Officers will continue to work to conduct their investigation," Marquez added.

The suspect was described as an unknown male adult, wearing dark clothing with a beard or face mask that fled on foot to the east of the scene.

Marquez thanked Kearny Police, Cobre Valley Ambulance, Pinal Rural Fire and Medical District, Arizona Rangers (Pinal Company), Department of Public Safety, and DPS Helicopter Ranger 1 for their assistance at the scene.

Anyone with additional information is asked to contact Officer Brandon Gomez at (520) 363-5566 or email at bgomez@townofhaydenaz.gov.

## Organ donation awareness picnic to be held Saturday in memory of Jax Formo

Donate Life Community Awareness Picnic in memory of Jax Ethan Formo will be held this Saturday, April 23, at the Hayden Golf Course. In attendance will be Donate Life of Arizona to register anyone interested in becoming an organ donor and William's Syndrome of Arizona to share information about genetic diseases.

The event will begin with a 5K Run/Walk at Leonor Hambly K-8 School at 10 a.m. When participants arrive at the Hayden Golf Course, registration for Los Gila Rivers Baggers Cornhole and Co-Ed volleyball tournaments will commence, and play will begin approximately at 11:30 a.m.

Entertainment includes a performance by "Pink Ladies" at 12:30 p.m. Guest speakers will share their stories of either being a recipient and/or a loved one's gift of donation at 1 p.m. Superior Dance Company will take the stage at 3 p.m. A car show by Peligrosos Car Club of Superior will be present

throughout the day. Other events include a cakewalk, jumping castle and face painting. Music will be provided as well as a concession stand.

Numerous raffles will be held throughout the day with a chance to win one of the following prizes: permanent eye-make-up of your choice by Marlisse Quijada, Hunter's Retreat 2-night stay in Greer, AZ by Joseph and Jaimie Lopez, Tattoo Artist Juan Luis Castillo one-hour session, Mary Kay gift basket by Joyleign Wormwood, one-hour massage by Mia Canisales, hair product baskets by Antonette Quesada and Total Concepts, donated quilt, gift certificate to CheetoVibez Smoke Shop, Old Time Pizza, Arizona DBacks, Buzzy's, Mountainside Coffee Café and La Casita.

Final note, all monies raised will be donated to Donate Life and William's Syndrome of Arizona in memory of Jax Ethan Formo. Come out and join the picnic to promote the importance of organ donation!

# Firefighters host 'fill the boot' fundraiser

Copper Basin residents showed their appreciation for local volunteer fire departments by attending last weekend's Fill the Boot fundraiser.

The event, co-hosted by the Winkelman and Kearny Volunteer Fire Departments, raised more than \$2,000 to be shared equally between the departments and will be used for unexpected safety needs, equipment, or rainy-day requirements over and above what the towns provide.

"The men and women on our volunteer firefighter teams put their lives on the line each time the fire bell demands their attendance," said Kearny Councilman Tom O'Connor, who attended the fundraiser. "Safety clothes, gear and vehicles are required to be ready at all times without question. The battle against something that doesn't care about you or me or anything at all can only be

fought by winners and our towns have the best!"

This will not be the last chance to honor plus offer your appreciation and of course some cash.

"We owe our support to our firefighters in both towns as well as all firefighters throughout the world," O'Connor added. "Our town dollars only go so far and hopefully at least meet the minimum needs. These events provide the much-needed padding for those just in case moments."

Saturday's event, organized by Kearny Fire Captain Gary Stepke, provided something fun for all ages including a cornhole tournament, seeing friends and enjoying a beautiful full moon.

According to Captain Stepke, the boot will remain in place for the duration.

Thank you to all our Firefighters; you are the best!

# Hayden High School business class hands check for \$140 to support students and family

In the early morning of April 6, a fire broke out in the Smith house in Hayden. The electrical fire spread quickly throughout the house, and they were not able to retrieve personal items.

The day following the fire, the Hayden High School Business Club, which recently opened the Howl Thrift Store, quickly had a meeting and voted unanimously to help. The Howl Thrift Store is open to the public and located in the Hayden High School. It provides used clothing and more at super low prices. All the money raised over the next month will be donated to the Smith family.

Anyone interested in visiting the Lobo Thrift Store or donating to help the Smith family recover can contact the Hayden High School.

Hayden High School business students from left to right helping the Lobo Family after fire are Ismael Guzman, Amariz Ochoa, Octavio Aragon, Jayden Smith, Alayah Smith, Mia Stacy, Dayanara Chavez, and Niana Gallego.

# Ray Schools to host Pre-Kindergarten registration and child find

Ray School District will have its Pre-Kindergarten registration forms available online at rayusd.org or registration can also be done at the Elementary School Office Monday through Thursday from 8 a.m. to 4 p.m.

In order to register your child for Pre-Kindergarten for 2022-2023 school year they must be four (4) years of age prior to Sept. 1, 2022. You must have a complete immunization record and a birth certificate in order to register for school. If you do not have a birth certificate you can get one for a small fee, from the Bureau of Vital

Statistics in the state in which your child was born. Those addresses are available at the Elementary School Office. Your child's physician or clinic may also provide an immunization record.

The Ray School District also offers a Pre-Kindergarten Program for students with special needs. This provides services to children, ages 3 and up with disabilities. If you suspect your child has a disability, please contact Elementary Office.

The tuition cost for 2022/2023 school year is \$100 per

semester which averages out to approximately \$1.80 per day. Tuition must be paid in advance of each semester (before Aug. 5, 2022 for the first semester and before Jan. 3, 2023 for the second semester). If payment is not made by the first day of each semester, your child will not be eligible to attend. Refunds must be requested by Sept. 7, 2022 for the first semester and Feb. 3, 2023 for second semester.

If you have any questions, you can call the Elementary Office at 520-363-5527 ext. 101.

## Public Notice

Arizona Water Company (the "Company") has released its 2021 Water Quality Report (Consumer Confidence Report) for its Winkelman water system, PWSID 04-003. The Company will not be mailing a copy of the report to its customers, because Arizona Administrative Code R18-4-117, granted a mailing waiver to small water systems with a population less than 10,000 people. Copies are now available: at the Oracle office located at 470 E. American Avenue; via mail by sending a request to Arizona Water Company, P. O. Box 5209, Oracle, AZ 85623; via our website at [www.azwater.com](http://www.azwater.com); or by calling the local office at 520-385-2226. The entire report is also printed in the newspaper today. The Company recommends that customers serving more than one housing unit post a copy of the 2021 Water Quality Report in a conspicuous place.

### ARIZONA WATER COMPANY

– 2021 ANNUAL WATER QUALITY REPORT FOR WINKELMAN, ARIZONA, PWSID NO. 04-003 –

This report contains important information about your drinking water.  
Este informe contiene información importante sobre su agua potable.  
Tradúzcalo o hable con alguien que lo entienda bien.

Arizona Water Company provides groundwater to its Winkelman customers from wells located throughout the Winkelman area.

All water samples are collected by state-certified employees of Arizona Water Company or by the Arizona Department of Environmental Quality ("ADEQ"). Samples are analyzed by state-certified independent laboratories and the results are forwarded to ADEQ. The following report provides detailed information about the quality of the water delivered to customers. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards and regulations.

### DETECTED WATER QUALITY CONSTITUENTS - GROUNDWATER

Lead	ppb	0	15	ND	0	2019	Internal corrosion of household water plumbing systems; erosion of natural deposits

Your drinking water complies with the United States Environmental Protection Agency's ("USEPA") safe drinking water standard for arsenic, though it contains low levels of arsenic. USEPA's safe drinking water standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other

## Public Notice

health effects such as skin damage and circulatory problems.

Note: In addition to the constituents listed in this report, Arizona Water Company conducted monitoring for over 80 additional constituents and the results show none of those constituents were detected in the water. Data presented are from the most recent testing done in accordance with applicable regulations. Some constituents are monitored less frequently than once a year because either their concentrations do not change frequently, or they are not likely to be detected. Therefore, some of the water quality testing data contained in this report, although representative, may be more than one year old. If you have questions about this water quality report please contact Regina Lynde, Environmental Compliance Manager, Arizona Water Company, P. O. Box 29006, Phoenix, Arizona 85038-9006; telephone (602) 240-6860 or e-mail [mail@azwater.com](mailto:mail@azwater.com).

In 2000, ADEQ completed a Source Water Assessment of the water sources used by Arizona Water Company's Winkelman water system. ADEQ reviewed the adjacent land uses that may pose a potential risk to the water sources. ADEQ determined that activity on an adjacent land use poses a high risk to two water sources. Arizona Water Company regularly monitors drinking water sources to make sure your drinking water complies with the Safe Drinking Water Act.

The complete Assessment is available for inspection at ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007, between the hours of 8:00 a.m. and 5:00 p.m. Electronic copies are available from ADEQ at [recordscenter@azdeq.gov](mailto:recordscenter@azdeq.gov). For more information visit ADEQ's Source Water Assessment and Protection Unit website at: [www.azdeq.gov/node/735](http://www.azdeq.gov/node/735).

### The USEPA and ADEQ require Arizona Water Company to provide the following information:

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some constituents. The presence of constituents does not necessarily indicate that water poses a health risk. More information about constituents and potential health effects can be obtained by calling the USEPA's Safe Drinking Water Hotline (800-426-4791).

Some people may be more vulnerable to constituents in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. USEPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial constituents are available from the Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radiological material, and can pick up substances resulting from the presence of animals or from human activity.

Constituents that may be present in source water include:

- Microbiological, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganics, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organics, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radiological material, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, USEPA prescribes regulations which limit the amount of certain constituents in water provided by public water systems. FDA regulations establish limits for constituents in bottled water which must provide the same protection for public health.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Arizona Water Company is responsible for providing high quality drinking water but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the USEPA's Safe Drinking Water Hotline or at <http://www.epa.gov/lead>.

### DEFINITIONS, ABBREVIATIONS, AND UNIT DESCRIPTIONS:

Action	=	The concentration of a constituent which, if exceeded, triggers treatment or other requirements which a water system must follow.
Level	=	United States Centers for Disease Control and Prevention
CDC	=	United States Food and Drug Administration
FDA	=	Maximum Contaminant Level; the highest level of a constituent that is allowed in drinking water. MCLs are set as close to the MCLGs using the best available treatment technology as is economically and technologically feasible.
MCL	=	Maximum Contaminant Level Goal, the level of a constituent in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MCLG	=	Maximum Residual Disinfection Level, the highest level of a drinking water disinfectant that is allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
MRDL	=	Maximum Residual Disinfection Level Goal, the level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial constituents.
MRDLG	=	None detected
NA	=	None detected
ND	=	No standard
NS	=	None detected
pCi/L	=	Picocuries per liter
ppb	=	Parts per billion, or micrograms per liter (µg/L)
ppm	=	Parts per million, or milligrams per liter (mg/L)
PWSID	=	Public Water System Identification

# Hayden comes out on top of local rivalry

By Nathaniel A. Lopez  
Copper Basin News

On April 12, the Hayden-Ray rivalry was once again put to the test when the Hayden baseball and softball team hosted Ray.

The softball game began with a 1-1 first inning. The score remained unchanged for the second and third innings. The fourth inning saw the Lady Lobos gain a 1-run lead. The Lady 'Cats started the fifth inning by scoring 1 run; but Hayden's response to that was to score 7 runs. Ray spent the last two innings trying to catch up, but were only able to post 3 additional runs. The game ended with a final score of 9-5.

The boys baseball game

also began with a 1-1 first inning. The Lobos were able to start creating their score gap in the second inning, posting 6 runs, while the Bearcats were unable to score. During the third inning, Ray was able to get 3 runs, but Hayden kept a strong score gap, scoring 4 runs. The fourth inning began with the Bearcats being unable to score, and the Lobos adding 1 more run to their score. No runs were scored in the fifth inning. Ray was able to secure 3 runs in the sixth inning, but were still behind by 5 runs. The Lobos ended the game by scoring 5 runs in the sixth inning, making the final score 17-7.

While those games ended

the Bearcats' and Lady Bearcats' week of games, Hayden still had a couple more games to play for the week.

The Lady Lobos found a win on April 13 against NFL Yet Academy, with a 24-1 final score. On April 16, the Lobos and Lady Lobos traveled to compete against Mogollon. Both teams suffered losses against Mogollon. The final score to the girls' game was 6-16, and a close 7-8 for the boys' team.

**Up next for Hayden:**  
On Wednesday, April 20,

the boys head to McQueen Park in Mesa for a 4 p.m. game against Lincoln Prep. On Friday, April 22, the Lady Lobos will be in Gilbert for a 3 p.m. game against Leading Edge Academy. On Saturday, April 23, the JV boys will host the St. David Tigers at 3 p.m.

**Up next for Ray:** On Wednesday, April 20, the Ray Bearcats will travel to Morenci for a 4 p.m. game; the Lady 'Cats will host Morenci at the same time. On Thursday, April 21, Ray will host Superior for 4

p.m. games. On Saturday, April 23, the Bearcats travel to Baboquivari for a double-header at 1 and 3 p.m. On Monday, April 25, the Lady 'Cats will host St. John Paul II Lions for a 3:45 p.m. game. On Tuesday, April 26, Ray hosts Leading Edge Academy-Gilbert (softball) and Lincoln Prep (baseball) for 4 p.m. games.
