# Kearny Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law.

Only criminal citations are listed. All damages are estimates.

**Apr. 6**  
Extra patrol was requested on the 400 block of Fairhaven. Two verbal warnings were issued for illegal U-turn on Alden Rd. A domestic disturbance was investigated at Breezeway Trailer Park. Citizen assist with a civil standby on the 300 block of

Hartford. A verbal warning was issued for loud music.

A citation was issued for illegal residential parking.

**Apr. 7**  
Extra patrol was requested on the 300 block of Essex.

A citation was issued for waste of finite resource.

**Apr. 8**  
A domestic disturbance was reported on the 400 block of Jamestown.

**Apr. 9**  
A citation was issued for noise disturbance (barking dog).

**Apr. 10**

A citation was issued for illegal residential parking. Ericka Michelle Putman, 35 of Kearny, was arrested for driving with a suspended license/no proof of insurance/no proof of current registration.

A written warning was issued for a tail light violation.

A written warning for issued for an illegal stop violation.

**Apr. 11**  
Robert A. Mancha, 32 of San Bernardino, Cal., was arrested for possession of marijuana. He was cited and released.

A citation was issued for speed.

Continued on page 12

## OBITUARIES

# Jordyn Seth William Avelar

Jordyn Seth William Avelar earned his angels wings and entered eternal life on Good Friday, April 3, 2015 in Oro Valley at 2:43 PM.

His spirit is carried on by his wife Paige Avelar; son Ryder; parents, Pete and Tani Avelar of Mesa and, David and Lori Belliveau of Superior; sisters: Brytni (Shawn) Lindsay of Superior an Cori Lynne (Adam) Croy of Panama City Beach, Fla; brothers: Joshuah (Bonnie) Landspurg of Gilbert and Jacob Ewing of Mesa. His sister Alyssa paved his way to eternity in 2005.

Jordyn was an extremely personable soul and was actually known as "The Mayor" in his childhood neighborhood. He knew where everybody in the neighborhood lived and made friends with everybody in the neighborhood from age 8 to 80. No one was a stranger to Jordyn. His parents and siblings knew that his gift of gab would charm a snake and could easily sell ice to inhabitants at the North Pole. He would also give the shirt off of his back to help a stranger in need. As his final unselfish deed, Jordyn had his organs donated to Donor Network of Arizona.

His Celebration of Life was held at Tumbleweed Park, 2250 S. McQueen Rd in Chandler, Az on April 19, at the McDowell Mountain Pavilion from 10 a.m. - 2 p.m. In lieu of flowers, the family requests donations be made online to [www.gofundme.com/r4bwkk](http://www.gofundme.com/r4bwkk) (Support for Paige and Ryder).

# James 'Jim' Acton

Coach James (Jim) Acton, age 78, entered into rest on April 15, 2015 surrounded by loved ones.

He was born on July 21, 1936 in Tucson, AZ.

He is survived by his wife, Anna Acton; daughter Teri Acton and sons James and Scott (Claudia); two stepchildren Sergio and Veronica; three brothers and three sisters and eight grandchildren.

A memorial service will be held at the Church of Jesus Christ of Latter-day Saints in Kearny, AZ at 10 a.m. on Saturday, April 25, 2015.

# Pinal County reviews response to measles outbreak

FLORENCE - In January, the Pinal County Public Health Services District (PCPHSD) found itself in the middle of a developing international story.

Four members of a Kearny family following a December trip to Disneyland had contracted the measles virus. None of them had received their MMR vaccination. "Measles is one of the easiest diseases to spread," Public Health Director Tom Schryer said. "I consider ourselves fortunate that it didn't spread to more people that came in contact with that family."

PCPHSD released a media statement on January 22, alerting the Town of Kearny that a family had contracted the disease. It became a race against the clock for the staff at PCPHSD to investigate every place the family visited and to contact every person who might have been near them when they were out in public.

"Data became extremely important," Assistant Director of Public Health for Operations Kore Redden recalled. "We had to find out those people who had come in contact with this family and determine their vaccination status because measles

is easily spread to those who are not vaccinated."

Because Measles is highly infectious, PCPHSD committed most of their staff to the investigation and response. Director Schryer said "We worked with schools, healthcare providers, the infected family and used the State immunization registry to determine who was at risk based on their contact with the family or lack of vaccination and then did all we could to immunize those who were susceptible."

One set of employees proved to be extremely invaluable to the investigative

process.

School Health Liaisons are placed in many public schools throughout Pinal County. It's a program that offers health education for students and help with any health-related issue the school sees as a need.

"The School Health Liaisons were one of the keys to helping us out during this outbreak," Schryer noted. These people are official county employees. They are trusted by school staff, students along with parents and that reaps huge benefits for us

# Kearny pool in need of major repairs

By Mila Besich-Lira  
Copper Basin News

Summer just isn't summer for kids in Kearny without meeting up with their friends at the swimming pool for a day of fun in the sun. But this year, summer may be very different for Kearny residents who use the pool.

With more than \$220,000 in pool repairs needed, it may

be a while before the pool can be opened.

Town Manager Anna Flores reported that the fiberglass in the pool needed to be replaced in order for the pool to remain safe and they also checked to make sure there were no other structural damages to the pool. Fortunately for the community there was no structural damage found at the pool but they did determine that the plumbing was in need of repairs and replacements. The cost to fix the fiberglass and plumbing is going to cost \$220,000, and if the funds are raised in time the pool can be repaired and open in time for the summer swim season. The funds for these repairs are not available in the town budget; with decreasing revenues and other infrastructure costs it is not possible of the town to fund these repairs with their budget.

To help fund the repairs the town received \$8,000 from Resolution Copper and from ASARCO to help with some of the initial inspections. Engineers from Resolution Copper also helped with some of the initial inspections. The town has applied for three different grants to help fund the repairs but have not heard a response on those applications as of press time. The Kearny Rotary, the GKI and Misitas Enterprises have taken up the task of fundraising for the repairs, the trio has started a Go Fund Me account and will also host a steak dinner and dance with a live band on May 9, 2015.

You can help get the pool reopened in time for this summer by donating online at: <http://bit.ly/1J5Rvvs>.

# Hayden Chief Tartaglia resigns; Gila County Sheriff's Office assisting

By Mila Besich-Lira  
Copper Basin News

In March, the Hayden Town Council accepted the resignation of Chief Louie Tartaglia. Tartaglia had been with the department a little less than a year.

In a special meeting called by the council following his initial resignation, Vice Mayor Maria Munoz said, "He is resigning on his own and was not fired or chased off by the council."

The council meeting minutes reflected confirmation from Mayor Bobby

Smith that the council did not ask Chief Tartaglia to resign. Tartaglia left Hayden to pursue other law enforcement opportunities.

With the absence of a chief of police, the Hayden council voted to have Gila County Sheriff's Office provide an interim chief

until a new chief can be hired. GCSO Lieutenant Keith Thompson is now serving as the interim chief.

Mayor Smith explained during the April council meeting that they would be interviewing chief candidates in the coming weeks.

## Public Notice

Arizona Water Company (the "Company") has released its 2014 Water Quality Report (Consumer Confidence Report) for its Winkelman water system, PWSID 04-003. The Company will not be mailing a copy of the report to its customers, because Arizona Administrative Code R18-4-117, granted a mailing waiver to small water systems with a population less than 10,000 people. Copies are now available: at the San Manuel office located at 460 Avenue A; via mail by sending a request to Arizona Water Company, P. O. Box 120, San Manuel, AZ 85631-0120; via our website at [www.azwater.com](http://www.azwater.com); or by calling the local office. The entire report is also printed in the newspaper today. The Company recommends that customers serving more than one housing unit post a copy of the 2014 Water Quality Report in a conspicuous place.

### ARIZONA WATER COMPANY

– 2014 ANNUAL WATER QUALITY REPORT FOR WINKELMAN, ARIZONA, PWSID #04-003 –

This report contains important information about your drinking water.  
*Este informe contiene información importante sobre su agua potable.  
Tradúzcalo o hable con alguien que lo entienda bien.*

Arizona Water Company provides groundwater to its Winkelman customers from wells located throughout the Winkelman area.

All water samples are collected by state-certified employees of Arizona Water Company or by the Arizona Department of Environmental Quality ("ADEQ"). Samples are analyzed by state-certified independent laboratories and the results are forwarded to ADEQ. The following report provides detailed information about the quality of the water delivered to customers. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards and regulations.

#### DETECTED WATER QUALITY CONSTITUENTS - GROUNDWATER

Primary Standards						
Microbiological	Units	MCLG	MCL	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent
Total Coliform Bacteria	**	0	1*	0 - 1	2014	Naturally present in the environment
Water Quality Constituent						
Units	MCLG	MCL	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent	
Inorganics						
Arsenic	ppb	0	10	5	2012	Erosion of natural deposits; runoff from orchards; runoff from glass and electronics production wastes
Barium	ppm	2	2	0.03	2012	Discharge of drilling wastes; discharge from metal refineries; erosion of natural deposits
Fluoride	ppm	4	4	1	2012	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories
Radiological						
Alpha Emitters	pCi/L	0	15	3	2009	Erosion of natural deposits
Disinfectant / Disinfection Byproducts						
Water Quality Constituent	Units	MCLG (MRDLG)	MCL (MRDL)	Average Level Detected	Range of Levels Detected	Sample Year
Chlorine Residual	ppm	(4)	(4)	1.3	0.4 - 2.6	2014
Haloacetic Acids (five)	ppb	NA	80	7	3 - 10	2014
Total Trihalomethanes	ppb	NA	80	48	18 - 75	2014
Additional Constituents (Unregulated)						
Sodium	ppm	NS	NS	160	160	2012
Lead and Copper Monitoring						
Water Quality Constituent	Units	MCLG	Action Level	90 <sup>th</sup> Percentile of Sample Results	Number of Samples That Exceeded the Action Level	Sample Year
Copper	ppm	1.3	1.3	0.1	0	2013
Lead	ppb	0	15	1	0	2013

Your drinking water complies with the United States Environmental Protection Agency's ("USEPA") safe drinking water standard for arsenic, though it contains low levels of arsenic. USEPA's safe drinking water standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low

## Public Notice

levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

Note: In addition to the constituents listed in this report, Arizona Water Company conducted monitoring for over 100 additional constituents and the results show none of those constituents were detected in the water. Data presented are from the most recent testing done in accordance with applicable regulations. Some constituents are monitored less frequently than once a year because either their concentrations do not change frequently or they are not likely to be detected. Therefore, some of the water quality testing data contained in this report, although representative, may be more than one year old. If you have questions about this water quality report please contact Regina Lynde, Environmental Compliance Supervisor, Arizona Water Company, P. O. Box 29006, Phoenix, Arizona 85038-9006, telephone (602) 240-6860 or e-mail [mail@azwater.com](mailto:mail@azwater.com).

In 2000, ADEQ completed a Source Water Assessment of the water sources used by Arizona Water Company's Winkelman water system. ADEQ reviewed the adjacent land uses that may pose a potential risk to the water sources. ADEQ determined that activity on an adjacent land use poses a high risk to two water sources. Arizona Water Company ensures the safety of your drinking water by regularly monitoring water sources in accordance with state and federal regulations.

Residents can help protect water sources by practicing good septic system maintenance, taking hazardous household chemicals to hazardous material collection sites, and limiting pesticide and fertilizer use. The complete Assessment is available for inspection at ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007, between the hours of 8:00 a.m. and 5:00 p.m. Electronic copies are available from ADEQ at [dml@azdeq.gov](mailto:dml@azdeq.gov). For more information visit ADEQ's Source Water Assessment and Protection Unit website at: [www.azdeq.gov/enviro/water/dw/swap.html](http://www.azdeq.gov/enviro/water/dw/swap.html).

#### The USEPA and ADEQ require Arizona Water Company to provide the following information:

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some constituents. The presence of constituents does not necessarily indicate that water poses a health risk. More information about constituents and potential health effects can be obtained by calling the USEPA's Safe Drinking Water Hotline (800-426-4791).

Some people may be more vulnerable to constituents in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. USEPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial constituents are available from the Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radiological material, and can pick up substances resulting from the presence of animals or from human activity.

Constituents that may be present in source water include:

- Microbials, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganics, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organics, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radiological material, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, USEPA prescribes regulations which limit the amount of certain constituents in water provided by public water systems. FDA regulations establish limits for constituents in bottled water which must provide the same protection for public health.

#### DEFINITIONS, ABBREVIATIONS, AND UNIT DESCRIPTIONS:

- CDC = United States Centers for Disease Control and Prevention
- FDA = United States Food and Drug Administration
- MCL = Maximum Contaminant Level, the highest level of a constituent that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
- MCLG = Maximum Contaminant Level Goal, the level of a constituent in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- MRDL = Maximum Residual Disinfection Level, the highest level of a drinking water disinfectant allowed in drinking water
- MRDLG = Maximum Residual Disinfection Level Goal, the level of a drinking water disinfectant in drinking water below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of using disinfectants to control microbial constituents.
- NA = None adopted
- ND = None detected
- NS = No standard
- pCi/L = Picocuries per liter
- ppb = Parts per billion, or micrograms per liter (µg/l)
- ppm = Parts per million, or milligrams per liter (mg/l)
- \* = No more than one sample may be Total Coliform - Positive
- \*\* = Number or positive samples

# SPORTS

## Three wins results in undefeated season for RJH Softball

The RJH softball team looking to stay undefeated going into Saturday's Championships in Eloy had one home game and two away games remaining on the schedule. The first team up was the Superior Panthers. The Panthers in the first inning were able to send five batters to the plate, but the Bearcat defense would not yield a run. The Bearcat offense was able to send 13 batters to the plate resulting in nine runs led by a Destiny Gonzales single and Julie Meza triple. The second inning for the Panthers was a 3-up, 3-down. The second attempt at batting the Bearcats sent 12 batters to the plate resulting in eight runs, led by a Julianna Hong single, Shelby Yocum double, and Julie Meza triple. The third inning for the Panthers introduced them to the Bearcat infield defense and catcher Tara Lorona's arm as she picked off a Panther base runner, three batters no runs scored. The Bearcat offense sent 11 batters their turn at bat resulting in six more runs, led by a Tara Lorona single and a Daniella Hinojos single. The Panthers last at bat resulted in five batters at the plate. The third and fourth batter put a little spark in the offense resulting in two runs scored. The final score a 23-2 win for the Bearcats. Offensively the team was led by Julie Meza (2-2, 2 triples), Shelby Yocum (2-2, double), Tara Lorona (1-2), Daniella Hinojos (1-2), Destiny Gonzales (1-2), and Julianna Hong (1-3). On the mound Daniella Hinojos (2K, 4W, 0H) and Ameer Kenyon relieving (0K, 1W, 0H) took the win. Game ball went to Julie Meza for her offense (2 triples).

The second game the Bearcats traveled to Miner Country. Getting first at bat the Bearcats started right were they left off in the Superior game. Led by a Daniella Hinojos single and home run, Ameer Kenyon double, Shelby Yocum home run, and sending 17 batters to the plate to score 12 runs for a quick start. The Miners first attempt batting was 3-up, 3-down. The second inning the Bearcat offense sent nine batters to the plate scoring five runs led by a Tara Lorona double, Daniella Hinojos double, and Julie Meza home run. The Miners were able to kick start their offense sending six batters to the plate resulting in two runs scored. The third inning the Bearcat offense began to slow down sending only four batters to the plate resulting in one single and one run being scored by Julianna Hong. The third at bat

for the Miners was a little exciting with the top of the Miner batting order up. The Miners were able to load the bases but a 4-4,4-3 double play by Destiny Gonzales strengthened the Bearcat defense resulting in no runs scored for the Miners. The fourth at bat the Bearcats sent 12 batters to the plate resulting in eight runs scored, led by singles by Julianna Hong, Ameer Kenyon, Shelby Yocum, and Destiny Gonzales, a Daniella Hinojos triple, and home runs by Tara Lorona and Julie Meza. The Miners last at bat was their most productive of the game sending 12 batters to the plate resulting in six runs scored. The final score 26-8 in favor of the Bearcats. Offensively the Bearcats were led by Daniella Hinojos (4-4, double, triple, HR), Julianna Hong (3-3), Julie Meza (2-3, 2 HR), Tara Lorona (2-3, double, HR), Ameer Kenyon (2-3, double), Shelby Yocum (2-4, HR), and Destiny Gonzales. On the mound Daniella Hinojos (3K, 1W, 0H) and Ameer Kenyon relieving got the win. Game ball went to Daniella Hinojos for her offense (single, double, triple, and HR).

The third game had the Bearcats traveling to Braves Country. Batting first the Bearcats sent 17 batters to the plate, scoring 12 runs led by a Tara Lorona double and triple, Shelby Yocum HR, Julie Meza triple, Danielle Barajas double, and singles by Julianna Hong and Daniella Hinojos. The Braves first at bat, seven batters were able to score 4 runs with 2 outs through fielding and throwing errors. A quick visit to the pitchers mound from Coach Hinojos to help shake off the rust from the bus ride and everything was back to normal. The second inning the Bearcats sent five batters to the box and scored three runs led by a Tara Lorona HR and Daniella Hinojos double. The second at bat for the Braves was a 3-up, 3-down. The third inning the Bearcats sent four batters to the plate with no runs scored. The same result for the Braves four batters no runs scored this inning. The fourth and final inning the Bearcats sent nine batters to the plate, scoring five runs led by a Julia Lorona HR, Danielle Barajas triple, Julie Meza double, and Daniella Hinojos single. The Braves final at bat, four batters led to no runs scored. The final score 20-4 in favor of the Bearcats. Tara Lorona (3-3, double, triple, HR), Daniella Hinojos (3-3, double), Julie Meza (2-2, double, triple), Danielle Barajas (2-2,

double, triple), Shelby Yocum (1-2, HR), Julie Lorona (1-1, HR), and Julianna Hong (1-3) led the team. On the mound Daniella Hinojos (3K, 2W, 1H) and Ameer Kenyon (1K, 0W, 1H) got the win. Game ball went to Tara Lorona for her offense (double, triple, and HR).

Congratulations to the RJH softball team in finishing the regular season undefeated, scoring 15.5 runs/game as a team and allowing 3.1 runs/game as a defense. This Saturday the RJH softball team will travel to Eloy as the number one seed for the Central League Championships.

RJHS Lady Cats are undefeated. Up next are the playoffs.

## Jr. Bearcats open playoffs this week

By Andrew Luberd  
Copper Basin News

After a 24 – 4 victory at San Carlos last Wednesday and an 8 – 5 win at San Manuel last Thursday, the Jr. Bearcats baseball team finished the regular season with a 6 – 2 record, good enough for the third seed in the upcoming playoffs that begin on Thursday, Apr. 23.

The Jr. Cats jumped out to a 4 – 0 lead against the Braves thanks to first-inning doubles by Jaden Pace and Jayden Lagunas. Anthony Lopez followed, scoring

the fourth run of the inning on an inside-the-park homerun.

Lopez cleared the bases in the second inning with a grand slam, his second homerun in as many innings.

Lagunas, who was the winning pitcher, was followed in relief by Danny Garcia, who was making his first appearance of the season. Garcia didn't disappoint, fanning four Braves' hitters in only two innings of work.

As stated previously, the playoffs will be on April 23 with the finals scheduled for April 25 at Eloy.

## Top-ranked Lady Cats extend winning streak

By Andrew Luberda  
Copper Basin News

The Ray softball team, the state's best according to the most recent AIA rankings, won its eighth-straight game last week after defeating 13th-ranked Desert Christian last Tuesday. The Lady Cats last loss was on Mar. 28 versus Rincon University.

Gabbi Montano, Stormee Galka, and Savannah Willis each had two hits versus the Eagles. Galka's two hits included a double and a triple. Willis, a junior, also hit a triple in the win.

Galka, a junior, allowed only one run on four hits,

striking out seven and walking two in the complete-game win, her 13th of the year.

The Lady Cats, who are 10 – 0 in sectional play, will play three-straight ranked teams – all of them in their section – after a game on April 22 versus Gilbert Classical Academy. They'll play No. 8 Hayden, No. 6 Superior, and No. 4 San Manuel in succession with a chance to clinch the sectional title and an automatic bid, and likely top-seed, in the state tournament.

Upcoming schedule: April 22 vs. Gilbert Classical Academy, April 23 at Hayden, April 24 at Superior, and April 28 vs. San Manuel. All games are scheduled for 4 p.m.

## RAY ATHLETES OF THE WEEK

Ray Booster Club Athletes of the Week are: (first photo) from left, Shannon Pitner (HS track), Ashley Ortiz (HS softball), Elisia Rodriguez (HS softball), Jeron Coleman (HS track); (second photo) Romeo Varley and Brittany Smith (JH track); and (third photo) Derek Pacheco (HS baseball).

## Sixth-ranked Bearcats defeat Braves

By Andrew Luberda  
Copper Basin News

The sixth-ranked Ray baseball team improved to 8 – 1 in sectional play after a 6 – 1 victory at San Carlos on April 10. The Bearcats are now in sole possession first place in Section VI. An automatic berth in the state tournament goes to each of the six section winners in Division IV.

Douglas McPeak went 3-for-4 with three RBI versus the Braves. Destr Yocum also had three hits while his younger brother, Cole, finished with two hits.

Senior Jacob Pace earned the complete-game win, his first of the year. The right-hander allowed only one run on three hits while striking out 14 Braves' hitters.

Upcoming schedule: April 23 at Hayden, April 24 at Superior, and April 28 vs. San Manuel. All games are scheduled for 4 p.m.

Please bring the child's birth certificate, proof of residency, immunization record and the child to be tested. Staff will also be available to screen children who will be 3 years of age by Sept. 1 for developmental delays. For more information, please call 520-356-7876 ext. 2202.

### MAY

### 30 Play Golf and Help Restore a Vintage Fire Truck

The Superior Fire Truck Restoration Committee is having a benefit Golf Tournament on May 30, 2015 at Queen Valley Golf Course. Registration is at 6 a.m. with the shotgun start at 7 a.m. The format is 3 man scramble and the cost is \$40 a player in advance and \$45 on the day of the tournament; cost for a team is \$120. Various raffles, prizes and food and beverages will be available for purchase. Proceeds will benefit the restoration of the 1947 Pierce Fire Truck from the Superior Fire Department. Contact information is Jerry Campos Sr. at 602-616-7137 or Roy Chavez at 520-827-9133.

## ON THE AGENDA

**PREGNANCY CARE CENTER HOURS:** The Pregnancy Care Center in Winkelman, located at Fourth and Thorne Avenues in Winkelman, is open on Tuesdays from 10 a.m. to 4:30 p.m. You can call (520) 356-6015 for a confidential appointment.

**KEARNY SENIOR CITIZENS:** The Kearny Senior Citizens group meets every Wednesday at 10 a.m. at Constitution Hall. The group talks about trips to different places in Arizona as well as other subjects. A potluck dinner is held after the social hour on the last Wednesday of the month. New members are needed. Come down and join the group. From May through August, the group meets only on the last Wednesday of the month.

**LOBO BOOSTERS:** For Lobo Booster Club membership and information, please call Michelle Gonzales at 480-888-6598.

**KEARNY ELKS LODGE # 2478:** Kearny Elks Lodge # 2478 meetings are held the first and third Tuesdays of the month at 7 p.m. The lounge's schedule is Monday, Wednesday, Thursday, Friday and Saturday, 5 - 8 p.m.

**COPPER BASIN SPORTSMEN'S CLUB:** The Copper Basin Sportsmen's Club provides a shooting and archery range that is ideal for family use. The club meetings are on the third Wednesday of every month at 7 p.m. at Constitution Hall.

**MASONS TO MEET:** Ray-Winkelman Masons Lodge #24 will hold its regular meeting at 318 Fairhaven Road, Kearny, on the second Tuesday of each month at 7:30 p.m. All Masons are invited. The Order of the Eastern Star meets the second Thursday of each month.

**ROTC BOOSTER CLUB:** The Ray High School ROTC Booster Club meets on the second Monday of the month at Ray High School in Room 314. The club is open to anyone who would like to help raise funds for ROTC.

## ANNOUNCEMENTS

**SAN MANUEL SENIOR CENTER:** Come to the San Manuel Senior Center for fun times. At 8 a.m. on Mondays, Wednesdays and Fridays, there is an exercise program at the San Manuel Elks. Canasta is held every Wednesday at noon; we will teach you if you don't know how to play. The Red Hat meetings are held at 1 p.m. every second Friday of the month, for those 50 years of age or up. A potluck luncheon will take place on the second Thursday of each month, at noon. Bring a dish to share. There is a \$1 fee for utilities. Board meetings are held the first Thursday of each month at 6 p.m.

**MAMMOTH SENIOR CITIZENS:** Mammoth Senior Citizens will meet Tuesday evenings at 5 p.m. for a light dinner, games and activities. They also meet Thursdays at noon for lunch and will deliver a Mexican meal to businesses and individuals for a \$5 donation. Meetings are held at the Charles Clark Community Center in Mammoth. Please call Wednesday if you would like a meal delivered on Thursday. For more information or to order, call Nancy at 487-2666 or 520-240-5289 or Wanda at 487-0248. All seniors in the Tri-Community are invited.

# Norm's Hometown Grocery keeps it local

By John Hernandez  
Copper Area News

Norm and Myra Warren were both born and raised in the Kearny-Ray area. They have lived here nearly all their lives and raised their family here. They have five children and 11 grandchildren. Both of their parents still live in town. Their roots, friends and family ties are deep in the community. Norm and Myra are the new owners of what was once Gordon's IGA. Their store is now named Norm's Hometown Grocery. They are proud of their hometown and the name reflects this.

The Warrens took over the grocery on April 1. Yes, "April Fool's Day," they laughed. "It was always a dream that I would own my own store," said Norm. Myra always wanted to own her own business so when Norm was asked if he was interested in buying Gordon's IGA, they thought long and hard about it. We had known that Gordon's was selling out. Rumor was they going to shutdown like they did in San Manuel but the truth was they were always going to sell it. Norm and Myra felt it was "better for someone with local interests and experience" to own the store. "Norm knows how to run the store well," said Myra.

Norm has 35 plus years working for Gordon's IGA, 28 of those years as manager. He started as a carryout boy at age 16. He has worked every department except the meat department. Gordon's always supported the community but lived in Tucson. The Warrens are part of the community and will continue to support it. "We are blessed to have this opportunity," said Myra.

"We will definitely make some changes," said Norm. "We have a lot of ideas but will take it slow. We want to try new products and revamp some departments." Norm's Hometown Grocery will remain members of the Independent Grower's Alliance (IGA). If customers have a special request for a new product we will do our best to get it in the store and try it out. They will be lowering prices for several categories of products. Store hours are Monday through Saturday, 7 a.m. to 9 p.m. and Sundays, 8 a.m. to 8 p.m.

The Warrens said they will continue to run ads in the newspapers. They have a website where customers can look at weekly special coupons for free or greatly reduced items. The website is normsgro.com. They are also on Facebook. Norm's Hometown Grocery wants the local people to know they are still here for them and really need their support. Norm and Myra said they want to thank their loyal customers in Kearny and those from the Hayden-Winkelman area that have supported the store over the years.

New signs have been ordered and as soon as the Warrens are settled, a grand opening will be held. Look for the date for the grand opening of Norm's Hometown Grocery on Facebook or in the paper.

Myra and Norm Warren are the new owners of the IGA grocery store in Kearny.

## Please Help with Survey

remind all Kearny residents of the financial survey being conducted in order for the Town of Kearny to receive a \$224,000 Community Development Block Grant. The survey will determine if Kearny fits the "Low/Moderate" income category which allows us to fund systemic items such as fire hydrants and the ten-year plan required by the State of Arizona.

The surveys, which are totally confidential, may be acquired at the library and at Town Hall. You may fill them out on site or may take them home to complete and return (or mail in with the supplied stamped envelope). Wide participation is needed to make Kearny a better place. Please do your part by filling out the survey completely and getting it in.

As you read this, I am in Japan with my wife, Carol, visiting our son, his wife, and our grandson. Japan has

# CVIT Governing Board Vacancy for Hayden-Winkelman

GLOBE - Gila County School Superintendent Linda O'Dell has announced the time line and process for appointment of a board member to the CVIT Governing Board from Hayden-Winkelman.

Registered voters living in the Hayden-Winkelman Unified School District are eligible to apply. Potential board members

are required to complete an application document as part of the appointment process. Governing board applicants must also submit a letter of interest and three letters of reference, and participate in a personal interview.

Application packets are available at the school district office during regular business hours, Monday through Thursday. Application materials are also available at the Gila County Schools Office at the courthouse in Globe, Monday through Friday, 8:00 AM – 5:00 PM or online at [www.gilacountyesa.org](http://www.gilacountyesa.org). The deadline for submission of application documents is 5:00

PM, Monday, May 4, 2015.

The term of the person appointed to fill the CVIT governing board vacancy for Hayden-Winkelman will expire in December, 2016, which is the end of the regular term. An election will be held for this position as part of the 2016 General Election. The person appointed and other interested parties from the Hayden-Winkelman Unified School District can run for election to the new four-year term at that time. Contact Holly Sow or Linda O'Dell at (928) 402-8784 for additional information about the governing board application and appointment process.

# MEASLES

Continued from Page 3

as a public health entity. They are our eyes and ears in the communities we serve.”

The cost of the handling the outbreak:  
 1,547 staff hours  
 \$51,571.85 in salary and ERE  
 \$34,429.35 in vaccines and other supplies  
 \$86,001.00 Total cost

Schryer emphasized that this response to the measles outbreak expanded past the scope of public health. Many county departments had a role to play in assisting the department stop this outbreak. Members of the Emergency Management, Finance and Communications were named for their efforts in helping Public Health.

“We don’t have a very large staff,” Schryer explained. “We have a lean and very effective staff and we have a reason for that. Maintaining this lean staff allows us to use grant money to invest in the infrastructure that helps handle outbreaks like this”.

Schryer added the key to keeping everyone focused to the job at hand is clarity and setting priorities.

“All of us have a regular 8 to 5 job and there are duties that have to be completed day in and day out,” Schryer stated. “Public Health leaders have to give clarity to the staff to help them understand what

is most important at this time, clearly public safety was most important”.

There was an added bit of pressure put on PCPHSD and the Arizona Department of Health Services due to the timing of the outbreak. The Super Bowl was just around the corner and the last thing the most watched championship game in the world needed was to have Measles as the pre-game show.

“This was one of the reasons we stepped up our efforts,” Schryer said. “This game was a year in the planning and every federal agency was in on the planning. They wanted it to go off without a hitch.

And in the end, it did.”

Schryer gave his thanks to the public health staff who handled this outbreak while he was out on medical leave. He stated “It is a testament to the strength and talent of our staff that they did a fantastic job when without me, it makes me very proud that we have such a great staff from top to bottom”.

“One of the core reason county government exists are for issues like this,” Schryer concluded. “We keep people alive that could have died or suffered permanent health impacts from this very preventable disease.”
