"There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians"

—David Brinkley

Mayors from across Pinal County presented a letter to Governor Doug Ducey and the Pinal County Board of Supervisors requesting that COVID-19 positive cases by zip code be released. Mayor Debra Sommers (Kearny), Mayor Joe Dietz (Mammoth) and Mayor Mila Besich (Superior) signed onto the letter asking for the data to be released.

On Sunday, April 12, 2020 the Arizona Department of Health Services released the data by zip code. For the Copper Corridor, the areas showing cases are the Mammoth, San Manuel, Superior and Kearny zip codes showing 1-5 cases as positive in each zip code. You can track the data online: <https://bit.ly/3eiXZub>

The data is critical to allow first responders to know how many positive cases could be in their service community. Last week there was concern that an employee at Family Dollar in Kearny contracted COVID-19, after a brief stay in the hospital the patient was released and it was confirmed via a Facebook post that he did not have COVID-19.

While the data may show that there are not any positive cases in communities, the virus is still listed as widespread across the state and everyone is reminded to continue to practicing physical distancing, wearing masks, limiting activities outside of the home, washing hands and staying home if you do not feel well. There are still not enough testing kits to test everyone and many may be carrying the virus but be asymptomatic.

This data should be a reminder that the precautions everyone is taking, is working to help flatten the curve and stopping the spread of COVID-19.

Let's Learn Something New!

PHENOMENAL PHENOLOGY

“Citizen scientists” from the general public help professional scientists by observing and reporting information to websites. **Phenology** (“fee-nol-o-gee”) is a huge part of citizen science. Phenology is the study of life cycle (biological) events connected to seasonal changes. A **phenophase** is a specific event in a plant or animal’s life cycle, such as flowering, fruiting, **hibernation**, and **migration**. As desert dwellers, we’re familiar with indications that winter is ending and summer is coming. Some may be welcome – new **leaves** on the cottonwoods, the bright pink bloom on a hedgehog, turkey vultures soaring again in the sky. Some maybe not so welcome – the full-blown dust devil or rattlesnake that crosses your path. Not all seasonal changes are biological. For example, a dust devil is not alive. In the coloring page below, which one of these seasonal events is NOT* a phenophase?

The USA National Phenology Network (NPN) is a nationwide organization dedicated to providing citizen scientists (including kids) training and opportunities to contribute to phenological monitoring. Nature’s Notebook is one project of the NPN and a current effort that we in southern Arizona can help with is called Flowers for Bats. You observe and report the flowering of agave and saguaros, which will be useful for the study of lesser long-nosed bats who use these flowers. Check this out, sign up and find other ways to participate by going to usanpn.org/natures_notebook

PHENOLOGY SCRAMBLE

Unscramble the bold words from the first paragraph

1. EPYHOGLNO _____
2. AELSVE _____
3. MRTIGAION _____
4. SAEPOPEHHN _____
5. ENNOIRHBAIT _____

*RIGHT! – the rain is not alive (but it is an important event you could observe and report as a citizen scientist, just not on a **Phenology** site.)

Town of Kearny Announces RAD Change of Service

The Town of Kearny and RAD have announced a change of service for residential and commercial customers. Effective April 15 your new weekly trash and recycling day moving forward is Wednesday. Bulk services changed on March 1 to the second Thursday of each month and may be scheduled before noon on the day prior to your area pick-up date. Commercial services are every Wednesday, starting April 15. Please place both garbage and recycling carts out the night prior or by 6 a.m. on your service day. Allow 3 feet between each cart and 10 feet away from cars, mailboxes, landscape or other items that may interfere with service and 2 feet away from the building. Face cart so lid opens toward the street (handles toward building). Do not overfill or place additional garbage on top. Lids must be fully closed. This reduces airborne trash on windy days. Questions? Call Customer Service at 480-983-9100.

San Manuel VFW Meetings Canceled

Due to COVID-19, all VFW Post 2767 (San Manuel) meetings are canceled. They will resume when the crisis has passed.

Family First Offices Closed Due to COVID-19

Family First has changed the way they do business, as all of us in America have had to do lately! They have closed their offices for a two-week period, staying closed through March 30. While they hope to re-open on March 31, they will evaluate at that time steps needed. They are available to all their regular clients as well as anyone in the community as needed by a phone call. The phone number for Oracle is 520-896-9545; Winkelman 520-664-5795.

San Manuel Elks Wednesday Night Tacos

Wednesday night Tacos at the San Manuel Elks Lodge has been canceled until Fall. Thanks to everyone who has supported us for these past months.

Tri-Community Food Bank is Open

The Tri-Community Food Bank located at 108 Redwood Drive in Mammoth continues to be in business. We are observing social distancing. Hours are 9 a.m. - noon Monday, Wednesday, Thursday and Saturday and the 2nd, 4th and 5th Tuesday of each month. To be eligible you must show proof of address that you live near or in Mammoth, San Manuel and Oracle and have an income within the federal poverty guidelines. The thrift shop is closed and is not accepting donations. Call 520-487-2010 for more information.

Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

Supervisor's Shred-A-Thon Event Postponed

The planned Shred-A-Thon event, hosted by Pinal County Supervisor Pete Rios and the Pinal County Attorney's Office, has been postponed. A date has not yet been announced. The postponement is due to the current health crisis.

APRIL

23-24 Superior Food Bank

The Superior Food Bank will be distributing the food boxes on Thursday and Friday, April 23-24. We open at 3 p.m. each day. NOTICE: we are doing it differently this month. We will be doing a 'drive-through' method this time. You will line up to the north on Lobb and Porphyry, and proceed to the building. We have signs and plenty of people on hand to guide you. This should go faster than the other way with all the extra people coming. Thank you for your patience.

Accepting God's Divine Peace

In Colossians 1:2 we read - 'To God's people ... Grace to you and Shalom/peace from our Father God.' Grace is described as Divine favor, while Shalom relates to the wholeness of God's peace in our hearts. Regardless of life's issues, we are able to rest in Him.

We all need Divine favor in our lives. It is what gives us the encouragement we need to move forward. It is knowing, not hoping, that God is for us and not against us. Despair and regret are common ailments in our lives, but they are NOT from God.

Divine peace allows us to remain calm in the toughest of situations. It gives us strength for tomorrow, because Almighty God is in charge of the situation, and watching over us to make certain all goes well.

We are children of the Most High God. He loves and cares for us each day. We are not forgotten or ignored. Our strength will increase as we wait upon the Lord. No need to worry, He has you covered!

Volunteers help with senior citizen food delivery

Saint Mary's Food Bank provides a supplemental Senior Citizen Food box delivery program through the Pinal County Health Department. Last Wednesday, the truck was met by the Pinal County Health Department staff along with volunteers from Resolution Copper, Augie Hing from Save Money Market, Delores Hatfield from the VFW and Darrin Lewis from Superior Lumber.

The volunteers helped to load the boxes for the Seniors and helped to ensure that physical distancing is met. The food boxes are delivered once a month.

To find out if you qualify for a Senior Citizen food box, you can stop in at the next delivery to submit your name and information to see if you qualify. Currently due to COVID-19 there is a waiting list to add more clients to the list but new applicants who qualify will be added to the waiting list.
