Superior Police Report

According to state law, police may arrest suspected offenders by two methods. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damage amounts are estimates.

Items are given to The Superior Sun by the Superior Police Department and reflect information available at the time the report is compiled.

Local districts to announce today if closure eminent due to #RedForEd teacher walk out; Superior moves to half days

Protesting Arizona Governor Doug Ducey's plan to increase pay for teachers that many believe to be unsustainable, Arizona Educators United (a union for teachers) has voted to stage a walk out beginning Thursday, April 26.

Copper Corridor school districts are in support of the #RedForEd walk out, but some haven't yet announced that they will close.

Oracle School District Superintendent Dennis Blausler posted a letter to the district website (www.osd2.org) stating: "At this point we do not know how many Oracle School District employees will participate, nor do we know if we will have adequate staffing to keep the school or any school services open. At this time we do not know what the duration of the walkout will be. It is likely that any school days canceled due to the walkout will have to be made up.

"We ask that you consider an alternative plan for your student(s) in the event that our school is forced to close.

"In the event that we are unable to hold school, we will use all of our modes of communication to alert families to the closures including our parent alert system, emails, phone

calls, district and school websites, and social media."

The school announced that as of this time, the 8th grade promotion date will not change.

Ray School District in Kearny will not announce until Wednesday whether a closure will be needed. The school board met Tuesday night to make a final decision, but the outcome of that meeting was not known at press time.

"The safety and education of your children is our number one priority. In the event the district cannot ensure this priority due to a lack of staff members coming to work, the school district would close its schools. A final decision for possible closure will be made by noon Wednesday, April 25, 2018. We ask that you consider an alternative plan for your children in the event of closure," Ray Superintendent Curt Cook told parents on the district website (www.rayusd.org).

The Superior School Board voted Monday night in a special meeting to move to half-days starting Thursday so that classified staff doesn't lose pay and so parents don't have to find child care for a full day.

Hayden-Winkelman School District will be closed,

confirmed Superintendent Jeff Gregorich in a phone call with Copper Area News.

Likewise, Mammoth-San Manuel Schools will also be closed starting Thursday.

In a letter sent home with students and posted to the district website and Facebook, Superintendent Julie Dale-Scott said, "While the last thing we want to do is close our schools, we cannot appropriately supervise or instruct students and ensure student safety; therefore, all 3 Mammoth-San Manuel schools will be closed Thursday, April 26. At this time, we do not know how long schools will be closed. If a change at the state or local level indicates that we are able to re-open our schools, we will inform you immediately via our REMIND service, Facebook and our website. (www.msmsud.org)"

In addition to closing for the school day, all junior and senior high school athletic practices and competitions will be cancelled as will all field trips scheduled for April 26.

All school districts have emphasized that for each day that school is closed, a make up day at the end of the school year calendar will be scheduled.

Arriola, Lady Panthers snap top-ranked Ray's winning streak

By Andrew Luberda
Copper Area News

A coach's decision resulted in Superior ace Kiki Arriola making her only start in two meetings against top-ranked and defending state champion Ray last Friday, and the senior right-hander was at her best in a one-hit, complete-game shutout victory.

The No. 2-ranked Panthers snapped Ray's 13-game winning streak with a 6 – 0 win.

The teams split their two games during the regular season and the rubber game is likely to take place on May 7, at Arizona State's Farrington Stadium, home of the 1A State Championship game.

Arriola, who is now 15 – 0 with a 1.04 ERA on the season, was not in the circle for the previous meeting between the teams on Apr. 3, a 12 – 3 Lady Cats' victory.

Before Friday's game against the defending champs, Superior head coach Martin Navarrette remained

undecided about who would take the circle, saying he was "torn."

Admittedly, with the benefit of hindsight, Navarrette made the right choice.

Arriola was aided by a nine-hit, six-run performance by the Lady Panthers' offense against Ray ace Daniella Hinojos, who surrendered at least five earned runs in a game for only the third time this season. Of Superior's nine hits, four were of the extra-base variety, including three doubles – one apiece by Arriola, Lindsay Ketron, and Tori Juarez. Freshman McKenna Duarte's triple accounted for the other extra-base hit.

Analysse Juarez went 2-for-3 as did Duarte, who also drove in a run.

Hinojos, a junior, suffered only her second loss of the season, during which she has racked up 20 wins. Despite Friday's uncharacteristic performance, the junior still owns a minuscule 1.47 ERA.

In two starts against Superior, Hinojos' pitching line is:

14 IP, 15 H, 9 R, 7 ER, 8 W, 11 K.

Assuming the teams meet, as expected, the third time will be the charm for one of them.

Superior Pantherettes Alicia Kiki Arriola ERA 0.70 11-0 100 K.

Bearcats walkoff Superior, sweep season series

By Andrew Luberda
Copper Area News

The No. 2-ranked Ray baseball team scored two runs in the bottom of the seventh against No. 7 Superior for a 6 – 5 walkoff victory in Kearny last Friday. The Cats defeated the Panthers in both regular season games between the teams by identical 6 – 5 scores.

The Bearcats touched Superior southpaw starter Steven Ybarra for three runs early to grab a 3 – 0 lead after three complete. The Panthers erased the three-run deficit in the fourth, plating four unearned runs against Ray starter Richard Valenzuela. Cats' freshman Derek Figueroa came on in relief, allowing a hit and a run in the fifth before shutting down the Panthers' offense over the final 3-and-two-thirds, during which he fanned eight Superior batters.

Ray got to Ybarra again in the fifth, scoring a run to pull

within 5 – 4 entering the sixth inning.

The Panthers' junior left hander allowed four runs – three earned – on five hits during the six-inning outing. He whiffed 11 Ray batters and walked three in the loss. He was lifted after reaching his pitch limit and followed in relief by Jesus Castellanos.

Ray benefitted on an error by the Superior defense in their half of the seventh, which allowed the tying run to score on a sacrifice fly off the bat of freshman Cody Hickingbottom. Later in the inning, with two outs and runner at the corner bases, junior Anthony Lopez came through with a double for the game-winning hit.

Lopez' double was one of three extra-base hits by the Cats. Fabian Valenzuela also doubled while Richard Valenzuela hit a triple. Fabian Valenzuela drove in a game-high three runs.

Ybarra, a junior, did his best at the plate to help his own cause, going 2-for-4 with a pair of doubles. Freshman

Adam Navarrette had the Panthers' only other hit in the game.

Superior head coach Manuel Ortega said his team has had “an up and down season.”

This loss marked the fifth of their nine on the season that was by a lone run.

“Our problem has been starting too late and not putting a full game together,” Ortega said. “We need to make the simple plays and put the ball in play more to be successful.”

Meanwhile, second-ranked Ray just wrapped up a 17 – 3 season and the 1A East Region Championship. The Cats were undefeated in the region (8 – 0).

It wouldn't surprise many if a third matchup between the rivals takes place before the season is complete.

“If we can put it all together, we can best anyone in the division,” said Ortega, looking ahead to the state playoffs.

Ditto for Ray.

Atlas Mining & Manufacturing Co.

A new business has opened on US 60, Atlas Mining and Manufacturing Co. The store features a wide variety of equipment and tools for those working in the mining and construction industries as well as tools for everyday use. Owner, Eli Doose opened his Superior store just a few weeks ago.

He has been entrepreneur since 2001, his original store, Atlas Mining and Manufacturing is located in Colorado. The

company also manufactures steel for the mining and construction industries. The store stocks a variety of brands of tools, supplies and other items that are needed by the mining and construction industry and has access to many other brands online. Just a few of the brands you can identify quickly in the store are: Bosch, Midwestern, 3M, and NLT. If they do not have what you need in stock they can usually have the order within twenty-four hours. Steel orders can also be shipped into town overnight. This type of store will also stock items that can be used by local municipalities and school districts such as spray-paint and cleaning supplies.

Eli explained that he steadily followed

the progress of the Resolution Copper project for many years prior to purchasing a building on Highway 60 in Superior. While much of the stock in the store accommodates the mining industry, the average consumer who does carpentry work or other basic construction will find a variety of tools to help them complete the job at hand. In addition to tools and supplies, there is a wide variety of safety equipment from hard hats, safety vests,

and work boots.

His advice to fellow and future entrepreneurs: "Be patient. Work hard, stay ahead of your competition."

The store does plan to increase the inventory to include other basic household repair tools and supplies. The store is open 6:30 a.m. to 7 p.m. Monday through Friday and is located at 785 W. Highway 60. You can also learn more about them at www.ammcindustries.com.

You Are Not Alone.

We are here to care for you.
