# Local Residents to Assist Town with Fundraising for Pool

I grew up not knowing how to swim. There was no pool in Seligman, Arizona, and the railroad charged so much for the water they brought in with tank cars that no one had a lawn except the railroad superintendent. I didn't learn to swim until I went to the University of Arizona, which had a swimming

requirement!

I'm glad we have a pool and that our children can learn to swim. And I want us to keep that pool, which is in need of huge repair. The town cannot fund the repairs from its budget, and so far our requests for grants have not been successful. The swimming season is close upon

us, and I fear that we will not be able to open this summer.

But the news is not all bad. The people of Kearny know how much the pool means to everyone, and caring people are responding.

On Saturday, May 9, the Rotary Club steak cookout at the General Kearny Inn from 5 p.m. until 7 p.m. will be dedicated to the newly-established pool fund. Mother's Day is that Sunday, so this would be a great way to treat Mom and benefit the community as well.

And as they say on television, "And that's not all!" There will be an auction at 7 p.m. of donated items. So far there have been donations of a painting by a local artist, ten bales of hay, a gift certificate from Norm's Hometown Grocery, items from the NAPA store, Gold Canyon candles, two Coleman folding chairs, and Younique and Pampered Chef products. Do you have something to

# Ray Unified Governing Board forced to slash the budget

By Mila Besich-Lira  
Copper Basin News

At a special school board meeting last week, parents, students and community leaders from the Ray Unified School district pleaded with the board not to cut the JRTOC program that is offered at Ray High School. The drastic cuts are coming due to a budget deficit of \$110,000 which will affect the budget for the 2015-16 school year.

Several parents and students asked the board to give them more time to raise funds to keep the program. Parent Michael Hing urged the board to think "creatively like he had to do when he was Mayor of Superior." He also reminded the board to consider the value of the public service that that ROTC provides in the community, not just the cost of the program. Several students also commented about how the program and the teachers involved with the program positively affect their lives.

School Superintendent Curt Cook and Business Manager Joann Wormwood reviewed the budget process and explained how the deficit came to be. Due to a declining enrollment and decreased funding from the state, the district will be facing a \$110,000 deficit. Cook explained that they did several calculations to determine which programs could be cut to meet the shortfall. At this time with only 15 students participating, ROTC is the most expensive program to run. To fund the program for a year, it costs the district \$68,952 which means the program costs \$3,500 per student. ASARCO does

contribute about \$10,000 to the program annually, Cook has submitted a letter to the company asking for \$25,000 for the program next year.

Programs like Art and Band cost considerably less per student because more students participate in the programs. The board members all expressed their concern to have to cut any programs but due to the budget shortfall. The board encouraged parents to bring ideas

forward to Cook that could possibly help maintain the program.

The board adjourned into an executive session. Before entering executive session they explained that they would not be taking any action on the budget cuts at this meeting. The Ray Unified School Governing Board will meet on Tuesday, May 12, at 6 p.m. to vote on budgetary cuts for the school year.

## CAC budget presented to governing board

Pinal County, AZ – Central Arizona College presented its proposed budget for the 2015-2016 fiscal year during the April 21, 2015 Pinal County Community College District Governing Board meeting.

Governing Board members were shown a breakdown of Pinal County's current sources of revenue. CAC receives only 14% of local tax revenues. This means that for every \$1 of a taxpayer's tax bill, only 14 cents is allocated to support the county's community college district. School districts receive the largest portion at 41% and the county government receives 25%.

"Since 2008, state funding has been reduced by 65%. This year's threat of removing all funding is a sign of the future. Rather than funding community colleges, the state is moving toward a system that is entirely locally controlled," stated Chris Wodka, CAC Chief Financial Officer. "The College needs a sustainable funding source to plan for the future."

The Primary Tax Rates for fiscal year 1994-1995 through fiscal year 2014-2015 were shared during the meeting. In years when the College did not need

to levy the full amount, it did not. However, over the last four years CAC has made cuts and deferred maintenance of at least \$43 million at the Signal Peak Campus alone where major remodeling and repairs are needed for science labs, residence halls, the gym and library. Since 2012 the College has made significant reductions including but not limited to: closing of the Coolidge and SaddleBrooke centers; shifting to a four-day work week to save on utilities and part time wages; staffing limitations at the new campuses, reducing the number of vice presidents; decreasing employee benefits; closing the Signal Peak Campus Pool; eliminating the Police Training Academy; and reducing scholarships.

"This is not a sustainable trajectory. We are left with two options: we must borrow or raise revenue," explained Wodka. "While the college could borrow money, the taxpayers would pay interest and the college would lose operating dollars."

CAC is proposing to create a "pay-as-you-go" program that would allow the college to refurbish SPC in phases starting with the science labs.

"With an increase in Science, Technology, Engineering and Math (STEM) programming it is critical for the college to improve our facilities to provide a quality education for students that will prepare them for tomorrow's workforce," stated Doris Helmich, President.

CAC's administration is proposing an increased tax levy that would sustain the college and invest in Pinal County's future.

With the proposed tax levy, the increased cost to a property owner whose home is assessed at \$100,000 would be \$86.04 per year. This equates to \$7.17 per month or \$1.65 per week. Even with this proposed increase, CAC's tax rate would be below many of the local school districts who do not serve the entire county as CAC does.

"Taxpayer support to the college is an investment in the economic development of Pinal County. An educated workforce attracts industry to an area thus sharing the tax base and lowering taxes," stated Helmich.

An Economic Modeling Study completed in December 2014 shows that CAC and its students add \$212.7 million in income to Pinal County each year. For every \$1.00 spent, taxpayers see a return of \$1.30 in the form of higher tax receipts and avoided social costs. State and local governments see an annual rate of return of \$6.90 and students gain \$6.00 in lifetime income.

# Winkelman plays host to annual River Fest

Saturday at the Winkelman Flats was just about perfect for the annual River Festival hosted by the Copper Corridor Economic Development Coalition.

The event featured several birding walks in some of the most pristine birding habitats along the San Pedro River and was capped off with a whole day of entertainment, amusements, festival food, vendors and outdoor demonstrations.

Allen Denoyer from Archaeology Southwest has a demonstration.

Advocates for Snake Preservation sought to educate Festival goers.

# Central Arizona College has 4th annual car show

By **Nina Crowder**  
Copper Basin News

The Central Arizona College (CAC) Aravaipa campus hosted another successful car show with food and fun for all to enjoy. The CAC Science Club sold Egee's and the San Manuel Rotary cooked hamburgers, hot dogs and several other items. There were several amazing vehicles to look at while listening to great music and visiting with several people out enjoying the day.

Thank you to the sponsors for their support: Aaron Franco, State Farm, Michelle Castro, State Farm, La Casita Mexican Restaurant, Mammoth, Maria's Mexican Restaurant, Hayden, Merle's Automotive, Globe, Oracle Inn Steakhouse, RR Jake, Romo's Mexican Restaurant and Salt and Pepper. The contributions from these sponsors help make events like these possible.

Antiques, hot rods, motorcycles were all at the CAC Car Show for enjoyment.

It doesn't matter what type of car you might be interested in there are many to choose from that will peak your interest. All the hard work and time that goes into the restored vehicles are just amazing! If you have any interest in learning about the cars there are many educational opportunities. Most of the vehicle owners are happy to talk about

their vehicles and explain what they have done and what they plan to continue to do.

After speaking with some of the attendee's they found it to be inspiring to work on their own vehicles. This can certainly be a great hobby and also a great investment if the owner decides to sell at some point. One of the motorcycle

owners that had a side cart even gave rides around the parking lot to different people who asked. It was certainly a fun atmosphere and enjoyable day for all in attendance.

Thank you again for the sponsors and for Central Arizona College for allowing the Car Show to be held at their Aravaipa facility.

Aravaipa's car show was small but the vehicles were impressive.

## RJH Bearcats win Central League championship

The RJH Softball team after completing an undefeated season traveled to Eloy holding the #1 seeding for the Central League Championship.

Drawing the first game of the Championships, at 9 a.m., the host Eloy Blue Devils, were staring at them across the field. In what was a matchup from last year's semi-final game, the Bearcats were up for the test.

The Blue Devils were up to bat first and the Bearcat defense retired them 1-2-3. The Bearcats were able to score 7 runs in the first inning going through the lineup one time. The 2nd inning the Blue Devils sent five batters to the plate, with 0 runs scored. The second time at bat the Bearcats were able to once again go through their lineup scoring another 7 runs. Eloy's batting in the 3rd inning resulted in a 3 up 3 down. The Bearcats third at bat was an uncharacteristic 3 up 3 down. The Blue Devils last attempt at the plate they sent 3 batters and 3 batters were retired. Due to the run rule the Bearcats

did not bat in the 4th inning. Final score Bearcats 14, Blue Devils 0.

The second game of the day, at 1:15 p.m., put the Bearcats against the Superior Panthers. The Panthers batted first and were able to send 7 batters to the plate resulting in 2 runs. The Panthers winning 2 games prior to reaching the championship looked to challenge the undefeated Bearcats. A team huddle and quick cheer got the Bearcats ready to open the flood gates it would seem.

The Bearcats first at bat resulted in 22 batters going to the plate scoring 19 runs. 3 triples and 2 doubles led the attack. The Panthers tried to respond in the 2nd inning sending 7 batters to the plate resulting in 2 more runs. The Bearcats answered with 2 more insurance runs. The Panthers final at bat they were able to send 7 more batters to the plate resulting in 2 more runs. The run rule was enforced and after 3 innings the final score Bearcats 21, Panthers 6.

Congratulations to the following players that made the All-Tournament team:

Daniella Hinojos (pitcher/shortstop, batting), Tara Lorona (Catcher, batting), Julie Meza (shortstop/3rd base, batting),

Amee Kenyon (3rd base, batting), Shelby Yocum (1st base, batting), and Julia Lorona (Utility, batting).

## Jr. Bearcats' season ends after second round loss in CJHL playoffs

By **Andrew Luberd**  
Copper Basin News

The Ray Jr. High baseball team advanced to the second round of the CJHL playoffs after holding off San Manuel last Thursday, 4 – 3. Unfortunately, the second round is where the Jr. Cats' season ended after an 11 – 1 loss to High Desert Middle School last Saturday.

Ray starting pitcher Tyler Goodwin pitched out of a bases loaded jam in the top of first, getting a flyout and two strike outs to keep the Miners from scoring the first runs of the game.

The Miners took a 1 – 0 lead in the second before Ray tied it when Jando Felix scored on a wild pitch. The Jr. Cats scored three more runs in the inning on RBI hits by Theo Alvarado and Jaden Pace.

Strong defensive play behind Goodwin preserved Ray's lead until the fourth inning, when San Manuel cut the lead Jr. Cats lead to one, 4 – 3. Danny Garcia came on in relief of

Goodwin to shut down the Miners to earn the save and send the Jr. Cats to the second round where they faced No. 2-seed High Desert last Saturday.

Ray scored first against the Tigers thanks to a leadoff triple by Jaden Pace and a sacrifice RBI by Skylar Hughes. But the Tigers answered in their half of the first, tying the game 1 – 1 on two hits in the inning.

High Desert added another run in the third and two more in the fourth to take a 4 – 1 lead. They blew the game open in the fifth with a three-run homerun the key hit in a seven-run inning that doomed the Jr. Cats, effectively ending their season.

"We had a great successful season," Ray head coach Frank Lechuga wrote in an email to the Copper Basin News. "The players deserve a lot of credit for all their hard work and dedication, both on and off the field. It has been a privilege to be able to coach a great bunch of young men."

## Lopez, Lady Panthers shutdown top-ranked Lady Cats

By Andrew Luberda  
Copper Basin News

One week after defeating two-time state champion and fourth-ranked San Manuel, junior pitcher Ivie Lopez and her Superior teammates knocked off the top-ranked Ray last Friday, 6 – 2. The loss was the Lady Cats' first in sectional play and ended their ten-game winning streak. The win was the sixth-ranked Lady Panthers' fourth-straight.

Lopez held a Lady Cats' team, which entered the game hitting .421 as a team and averaging almost 10 runs per game, to only one earned run on just six hits. She struck out 10 while allowing one walk. She was dominant.

"We didn't have offense today," Lady Cats' head coach Rikki Galka said after the game. "Ivie pitched well today. She had a good game."

Ray starting pitcher Stormee Galka was equally effective against a potent Superior lineup, holding them to only two runs during the game's first five innings. Galka helped herself on the mound, turning a couple of double-plays to get out of jams.

Superior junior Gabby Salcido went deep in the sixth, giving the Lady Panthers' a 3 – 1 lead before the flood gates opened with three Ray errors leading to three more runs.

The Lady Cats' lone weakness this season has been its defense and it showed up again during Friday's game. Rikki Galka attributes some of the difficulties to the youth on her team but acknowledges the normally high-scoring offense has been able to overcome the poor defensive play.

"We really haven't had to face coming from behind," she said. "We've been lucky (in that regard)."

Against teams like Superior and San Manuel, both state title contenders along with the Lady Cats, the defense behind Stormee Galka has to improve if Ray is to win the State Championship.

"We have to work hard at practice," Stormee Galka told the Copper Basin News. "You can tell we don't work hard at practice because we have that many errors."

Rikki Galka was asked if she was confident there was enough time to see her team's defense improve before the state playoffs begin later this week.

"Yes," she responded confidently and without hesitation.

Five of the nine teams in Section VI are ranked in the top 15, according to the AIA rankings. So the Lady Cats are battle tested after having played in the toughest section in the state, regardless of division.

Can they parlay their regular season success into a state championship?

Only time will tell, but an improved defense would make the challenge a little easier.

Check the AIA website ([www.azpreps365.com](http://www.azpreps365.com)) for playoff matchups, times, and locations, which will be released later this week.

## Bearcats closing in on section title

By Andrew Luberda  
Copper Basin News

The sixth-ranked Ray baseball team maintained its hold on first place in the Section VI standings after lopsided wins against Gilbert Classical Academy and Hayden last week.

Now 9 – 1 in sectional play, the Cats can clinch the sectional championship and an automatic berth in the state tournament with a win at home on Apr. 28 against seventh-ranked San Manuel. A loss to the Miners would not prevent the Cats from winning the sectional title, depending on the results of other games that could impact the standings.

In last Wednesday's 10 – 0 win against Gilbert Classical Academy, Dstry Yocum went 2-for-3, including a triple, and drove in three runs. Sophomore Jordan Pace hit his first homerun of the season and had two RBI. Derek Pacheco also had two RBI in the Cats' win.

Senior Robbin Newman, making his first start of the year, pitched a complete-game shutout, limiting the Spartans to only five hits. He struck out four in what was his first win of the season.

The Cats will play their final regular season game at home on Apr. 29 before the state playoffs this weekend. Check the AIA website (www.azpreps365.com) for playoff matchups, times, and locations, which will be released later this week.

Then, at 8 p.m., the music of Kearny's favorite band, PRIMO, will begin. With strong Kearny roots, and

members Henry "Duke" Corral, David Corral, Steve Garcia, Billy Avelar and Joey Corral are coming home. The

cover charge will be dedicated to the pool repair.

This will be a splendid Mother's Day weekend and will leave a lasting legacy for the town. And, again, "That's not all!" A fund for contributions to save the Kearny pool has been established at the Ray Federal Credit Union, and there is also a crowd-funding site on the internet. Search GoFundMe and, on the search line, type in our 85137 zip code. The "Save the Kearny Town Pool" site will appear.

We need to raise the far North side of \$200,000 to repair our pool. No doubt our efforts will take more than this great Mother's Day weekend set of events to reach our goal.

Yes, we have been bruised as a town. The Bank of the West closed, our town's water system is rickety at best (and repairs are very expensive) and our school has a shrinking population and a corresponding shrinking budget. Thank you, Rotary Club and Chris and Samantha Misita, for moving us in a positive direction. We will do what we can do, with what we have, to make this town better.
