## Town of Kearny Announces RAD Change of Service

The Town of Kearny and RAD have announced a change of service for residential and commercial customers. Effective April 15 your new weekly trash and recycling day moving forward is Wednesday. Bulk services changed on March 1 to the second Thursday of each month and may be scheduled before noon on the day prior to your area pick-up date. Commercial services are every Wednesday, starting April 15. Please place both garbage and recycling carts out the night prior or by 6 a.m. on your service day. Allow 3 feet between each cart and 10 feet away from cars, mailboxes, landscape or other items that may interfere with service and 2 feet away from the building. Face cart so lid opens toward the street (handles toward building). Do not overfill or place additional garbage on top. Lids must be fully closed. This reduces airborne trash on windy days. Questions? Call Customer Service at 480-983-9100.

## Family First Offices Closed Due to COVID-19

Family First has changed the way they do business, as all of us in America have had to do lately! They have closed their offices for a two-week period, staying closed through March 30. While they hope to re-open on March 31, they will evaluate at that time steps needed. They are available to all their regular clients as well as anyone in the community as needed by a phone call. The phone number for Oracle is 520-896-9545; Winkelman 520-664-5795.

## Tri-Community Food Bank is Open

The Tri-Community Food Bank located at 108 Redwood Drive in Mammoth continues to be in business. We are observing social distancing. To be eligible you must show proof of address that you live near or in Mammoth, San Manuel and Oracle and have an income within the federal poverty guidelines. The thrift shop is closed and is not accepting donations. Call 520-487-2010 for more information.

## Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

## Supervisor's Shred-A-Thon Event Postponed

# Candidates qualify for municipal elections

Throughout our Towns, Cities, State and Nation the majority of everyone's focus has been on COVID-19 and its impacts on community health and the economy. Despite the defined focus on the virus, the regular and day-to-day work continues for the local communities of the Copper Corridor.

Incorporated communities of Kearny, Hayden, Mammoth, Superior and Winkelman all have scheduled municipal elections. Most of the races are un-contested with the exception of the Kearny and Mammoth Mayoral races.

Here's your local run down of who's running in each community.

**Kearny:** Debra Sommers, incumbent faces opponent Jaime Ramsey for the Mayor's seat. There are three council seats up for election: Samantha Misita, Rose Bradford and David Herrera are seeking election to the three seats. Misita and Bradford are incumbents. Sheila Stephenson will not seek re-election.

**Hayden:** Dean Hetrick will seek re-election as Mayor of Hayden. He is running unopposed. There are three council seats

up for election in August. Councilmember Bernardo Cruz and Rosalinda Lopez will seek re-election. A third candidate did not apply for the open seat, that seat will be open for appointment in January. Currently the Town of Hayden has a vacant council seat that has not been filled. Hayden has a mayor and six council seats.

**Mammoth:** This will be the first election where the voters of Mammoth will directly elect their Mayor. Prior to this election, the Council appointed a member of the council as Mayor. Incumbent Mayor

Joe Dietz will be running against Patsy Armenta for the top position in Mammoth. There are three council seats open in this election cycle. Incumbents Al Anaya and Michael Martinez will seek re-election. Also running for the three seats will be Joe Brewer and Terry Adams. Francis Amparano will not seek re-election to the Mammoth Town Council.

**Superior:** The Town of Superior has three Council seats up for election. Running to maintain their council positions are: Councilmembers Bruce Armitage, Olga Lopez

and Vanessa Navarrette. Navarrette and Armitage are completing their first terms on the Council. Lopez was recently recognized for sixteen years of service by the Arizona League of Cities and Towns. In Superior, the Mayor's term is a four-year term.

**Winkelman:** There are two council seats up for election in Winkelman. The Town of Winkelman does not elect its Mayor directly, and has a five-member board. The two open seats are currently held by current Mayor Louis Bracamonte and Vice Mayor Anita Hinojos. Both Bracamonte and Hinojos will seek re-election and neither is facing any opponents. After the election the Town Council appoints and votes for the Mayor and Vice-Mayor positions.

# Kindness Counts: getting people back to work and making masks in Kearny

The communities of the Copper Corridor have not been exempt from the ravages and changes that the COVID-19 pandemic has created. Schools have closed, businesses shuttered, work routines changed, all in an effort to find our “new normal”. The Copper Basin area has been hit harder than most with the governor’s stay home executive order coming on top of the ongoing strike at ASARCO.

In Kearny, owners of the Kearny Retail Center (uptown across from the county building) recently toured the area to see the extent of the economic devastation the two events have caused.

Gabby Wagoner with Osselaer Management Group, wrote in an email to Copper Basin News, “During a recent tour of the town, we had a candid conversation with several residents who were part of the mine strike. It was clear these men wanted nothing more than to return to work.

“We wanted to send a message that we cared about them, the town and all who may be struggling at this time. Doing our part to keep the Center, clean, freshly painted and in a good state of repair sends a message

that we care about Kearny and this important area of Arizona.”

The center is now receiving a fresh coating of stucco and work should begin soon on the roof.

“We all stand together in doing our part to contribute in making the community stronger for the future,” Wagoner added.

There are others in the community who are doing their part in the ongoing pandemic.

One of these volunteers is Judy Jones. She has made more than 100 masks for people in the area. Some of Norm’s IGA employees are wearing masks she has made.

Judy is a native of the area. She was born in the town of Ray. Sewing comes naturally for her. She learned from her mother when she was in the third grade and has been sewing ever since.

Since there was a need for the masks she went right to work. Her intentions were not to charge, but people insisted that they pay because the masks were hard to come by. Any money she receives, she donates to the Church of the Shepherd Methodist Church.

Other people have provided fabrics and elastic. Beth Burns of Kearny donated lots of fabrics and John Barlett from Mesa, whose mom still lives in Kearny, donated elastic for the masks.

She makes two styles of masks in many different colors and designs. She also makes lap blankets for the veterans hospital.

Judy says she is always looking for something to do.

“I can’t just sit around twiddling my thumbs and watch the paint peel,” she said.

Judy wanted to say that there are others in the community who are making masks. She said she is not the only one.

If you have a talent for sewing and want to help, there are several websites with patterns you can use. Here are a few we found:

Workman just finished the front of the Kearny Retail Center from one end to the Cactus Mini Mart. The veterinarian’s office down the street also got nice coat of stucco. Workers are stuccoing the front of the Kearny Retail Center. James Austin with Sun State will be working on the roof soon. James Carnes | CBN
