LETTERS TO THE EDITOR

Supervisor Rios responds to Sheriff Babeu

I read with great interest the letter to the editor from Sheriff Paul Babeu.

As an elected official, he does have the right to place his staff where he feels they are needed most. But I sincerely hope the sheriff is not playing politics in trying to coerce the supervisors into giving him more money in this next budget.

Sheriff Babeu has asked for more funding throughout the past two years. One request was for \$12 million. That was simply impossible to fulfill. We ended up agreeing on giving him a portion of what he asked for in early 2013.

I will be candid when I say one of the biggest priorities for this board is public safety. Over 60 percent of our general fund goes toward public safety expenditures from the sheriff to our constables. Public safety is a concern for residents across the county, not in just one area. The sheriff feels that San Tan Valley deserves more of a

priority than other areas. I disagree with this move.

Taxpayers have been quite vocal that they want to see accountability when it comes to our spending of their money. I agree. It is important that we manage our resources carefully and get the biggest bang for the buck. That is why I am in favor of Supervisor Cheryl Chase's suggestion that we go through the sheriff's budget line by line and see where the money is going and offer suggestions where he could get the most for your money.

The sheriff has other avenues to pursue for additional revenue.

There are RICO and grant funding sources available to the department. It would be prudent to look at these areas and see if the sheriff can fund more of his needs through these monies.

I look forward to working with my fellow supervisors and the sheriff to see if we can find more efficient and effective ways way to help fund law enforcement throughout all of Pinal County.

Thank you,  
/s/ Pete Rios  
District 1 Supervisor

Free social media class to be held

First, a huge shout out "THANK YOU" to the Chamber of Commerce and all their volunteers for hosting a wonderful Pioneer Days festival. And CONGRATULATIONS on the reopening of Buzzy's! The very first customers served by Buzzy's when they reopened were the Jason Chiquete family. This was because the Chiquetes launched a special Facebook page titled Operation Rebuild Buzzy's.

The Copper Basin Sportsmens' club used Facebook to build up support for their Well Armed Woman classes and local firearm safety classes. The CBSC was able to enter a float in the Pioneer Days parade, and they've posted photos on their Facebook site.

Facebook is becoming a very useful tool for people, community organizations, churches and businesses to "get the word out" about what they are doing.

And the Copper Corridor Economic Development Coalition (CCEDC) is actually providing a FREE OF CHARGE class that is open to all that specifically helps you better understand and utilize all forms of Social Media to promote your cause, your interests, or your business. This FREE CLASS will be held on TUESDAY, April 8, 2014 beginning at 11 a.m. local time. Mila Besich Lira will be the instructor.

Come one and all to the Church of the Good Shepherd "Little Gallery" located on school hill on Tuesday, April 8 at 11 a.m. to LEARN MORE FOR FREE right here in colorful downtown Kearny, Arizona!

Final note: This is the FOURTH of FOUR FREE Classes that are being put on by the Business Success Center that is funded through the Copper Corridor Economic Development Coalition. # Mota found innocent in shooting

The trial of San Manuel resident David Arnaldo Mota in what was called a deadly road rage incident in Oro Valley ended last week after jurors found him innocent of all charges.

Mota was charged with first degree murder, drive by shooting, and aggravated assault in the incident that occurred on Feb. 28, 2013 that resulted in the death of 22 year old Joshua Switalski. The shooting occurred around 8 p.m. when it is alleged that Mota fired two shots at Switalski's vehicle after being involved in a verbal altercation with

Switalski and his girlfriend while both vehicles were traveling north on Oracle Road near First Ave. in Oro Valley.

Mota's defense attorney, Natasha Wrae, argued that his actions were justified. Switalski, she said, scared Mota by shouting obscenities and racial epithets at Mota and the passenger in his vehicle. Wrae contended that Mota shot his weapon only to scare Switalski and never intended to hit him.

The prosecutor, Deputy Pima County Attorney Bruce Chalk, pointed to the fact that Mota failed

to call police after the incident as reason for his guilt. He also cited Mota's fleeing to side streets as proof that the shooting was not in self-defense.

Mota's trial began March 18. The jury returned the not-guilty verdict late Wednesday, March 26.

# Edna Boger released from prison

Edna Barcelo Boger has been released from federal prison on an early release. Her official release was March 25, 2014. She completed a two year sentence for Conspiracy to Embezzle by Bank Employees. Boger will be on supervised probation for a term of three years and must pay restitution in the amount of \$344,802.50.

Boger and Rachel Leigh White both plead guilty to the Conspiracy to Embezzle charge resulting from a surprise cash audit of the San Manuel branch of Bank of the West on Aug. 24, 2009. The branch vault and teller drawers were short \$689,605.97 in cash. White and Boger admitted that they had taken the missing money from their

cash drawers over the previous seven years. White and Boger concealed the thefts by force balancing the drawers and the vault. They also manipulated the branch's automated teller system to show the money was in the vault. Because they were solely responsible for the vault, their scheme went undetected for years.

# Knights of Columbus to host annual golf tournament

The Knights of Columbus' 12th Annual Charity Golf Tournament to benefit high school scholarships is Saturday, April 5 at SaddleBrooke Ranch West golf course, milepost 93 on Highway 77, just north of Oracle Junction.

Sign ups will be at 7 with tee off at 8 a.m.

"This is promising to be our best tournament ever," said tournament director John Wahlmeier.

The cost is \$75 and includes lunch and a golf cart.

"To raise money for high school scholarships, we will auction off a round of golf for four at the brand new Casino del Sol golf course. We will also auction off a round of golf for four at the renowned Omni golf course," he added.

"For the first time, we will auction off four reserved seat tickets to an Arizona Diamondbacks game," Wahlmeier said.

"These are only a few of our auction items. And we have tons and tons of raffle prizes too. If you buy a raffle ticket you are pretty sure to win something," Wahlmeier said.

The Knights will offer two "Hole in One" contests at no cost to players. One is for a golf cart from Golf Cars of Arizona and the second is for three days and two nights in Laughlin, Nevada according to Wahlmeier.

The Knights will award prizes for First and Second place, closest to the pin, longest drive, longest putt and most accurate drive. They will offer Mulligans too.

"A hallmark of our tournament is our surprise prize," Wahlmeier said.

"One year it went to the worst score, once it went to the exact middle score. Who knows what it will be this year. You don't have to be a great player to win a great prize in our tournament," Wahlmeier added.

Pictured (l to r) are Bob Muller, Dofie Mendibles, Joyce McClung, Grand Knight Jerry Bribiescas, Frank Gonzales and Bernie Finch.

## Local Knights make donation to Tri-Community Food Bank

Local Knights of Columbus presented their second \$300 check to Tri-Community Food Bank Treasurer Joyce McClung last week. Along with more than a half ton of food donated last November, the monetary donations

come from the Knights of Columbus Supreme's "Food for Families" program.

# Traffic jam in Oracle

On Thursday, March 27, 2014, the driver of a rig and trailer took the curve off Linda Vista Road onto American Avenue a little too sharply, high centering the trailer loaded with automobiles. ## Pinal County to suspend issuance of open burn permits beginning April 29

FLORENCE, AZ - Starting April 2, Pinal County Air Quality will only issue three-day open burning permits. All permits will expire by May 1 and Pinal County will suspend the issuance of open burning permits on April 29.

Burn permits allow for the disposal of plant material by open burning

during limited daytime hours.

Additionally, State law prohibits open burning in Area A from May 1 thru September 30. The Pinal County portion of Area A includes Apache Junction, Queen Creek, Gold Canyon, San Tan Valley and portions of Florence.

This year's winter rains

contributed to wildflower, brush and native plant growth, which will soon dry. The annual cycle of rising temperatures will quickly dry seasonal vegetation, leading to an acute wildfire risk in the desert and upland areas of the County.

The suspension on burn permits will continue until

the summer monsoons arrive and mitigate the dual risks to public safety and public health.

Additional information on the Pinal County Air Quality program can be found at [www.pinalcountyaz.gov](http://www.pinalcountyaz.gov) or by calling the Pinal County Air Quality Division at 520-866-6929.

### Key Dates:

As of April 2, 2014, Pinal County Air Quality will only issue 3-day open burning permits.

Pinal County Air Quality will suspend the issuance of all open burning permits starting April 29, 2014 and continuing until further notice.

All open burning is

prohibited by State law in the Apache Junction, Queen Creek, Gold Canyon, San Tan Valley, and portions of Florence from May 1 through Sept. 30.

# Miners win 23rd Annual Hayden Softball Tournament

By Andrew Luberda  
San Manuel Miner

The San Manuel softball team extended its winning streak to 9 games and in the process, captured the Hayden Softball Tournament Championship.

The Miners defeated Douglas in the Championship Game, 3 – 2. The tournament took place last weekend.

The Miners benefitted from an outstanding pitching performance from Lyana Waddell in the championship

contest. She pitched a complete game allowing 4 H and 2 ER.

The normally potent Miners' offense was limited by Douglas and held to only 3 runs in the game. It was only the fourth time this year that they've been held to 3 runs or fewer in a game.

Alyssa Cuellar connected for a homerun to account for one of the Miners' scores. Felicia Medina and Mariah McBride were responsible the team's other RBI in the game.

The Miners will look to extend their winning streak this

week with games against Ft. Thomas and San Carlos before a showdown at Ray on April 4. Like the baseball teams, San Manuel and Ray are two of the top softball teams in Division IV. The game at Ray is scheduled for 4:00 p.m.

## Miners' baseball team splits two games last week

By Andrew Luberda  
San Manuel Miner

The San Manuel baseball team was defeated by Pusch Ridge Christian Academy last Tuesday,

8 – 2. The Miners' took out the frustration of the loss by crushing Duncan on the following day, 21 – 0.

The Miners have scored at least 20 runs in 3 different games this

year. They scored 20 runs against Tohono O'Odham in the season opener and scored 26 versus Imagine Prep Coolidge in their second game of the year.

After games against Ft. Thomas

and San Carlos on April 1 and April 3, respectively, the Miners will travel to Ray to battle the Bearcats on April 4.

The game versus Ray will be a matchup of two of the top teams

in the state in Division IV. The Bearcats should provide a good measuring stick for the Miners with almost half the season passed.

The game at Ray is scheduled for 4:00 p.m.

## Three players from Copper Corridor receive honors

By Andrew Luberda  
Copper Area News

# Helping Hands aid Christian youth center

By John Hernandez  
San Manuel Miner

Last Saturday, March 22, a large group of kids and adults were lending a helping hand to Jesse Walker and the Mammoth Christian Youth Center. The group of volunteers included 16 kids and three adults from Bailey, Colorado Crow Hill Bible Church. They had come to Arizona to serve the New Life Bible Fellowship "Helping Hands Ministry" out of Tucson. Volunteers from New Life and the Tri-Community pitched in to help with yard work, minor repairs and painting at the Mammoth Christian Youth Center.

The Mammoth Christian Youth Center works with youth 12-18 years old in Mammoth and San Manuel. They offer free van transportation for kids in San Manuel. It is a non-denominational Christian youth group but even kids with no religious background can participate in their programs. "Sharing my faith is important to me," said Jesse Walker who runs the youth center. "We do a lot of practical things in the community," such as helping families in need of clothing or food, family counseling, and teaching kids life skills. "Kids get in trouble when they are not moving forward with life skills such as education, driving, work ethic, etc.," said Jesse. The youth center has helped 120 students in the past five years but the numbers are down as people have been moving out of the area.

The youth program has helped many students get their GEDs by encouraging them and helping them study. They also have some generous donors that pay the \$80 GED fee for those families that can't afford it. They have helped kids with their driving skills and test. Sex abstinence courses and drug and alcohol prevention classes are made available to the youth at the center.

The youth center also has many fun activities that are supervised by their staff. Some of these activities include bowling, camping, and sleep overs. They have a church

camp in Prescott that the kids can attend by working their way to camp. The kids do volunteer work in the community and participate in fundraisers. It teaches them to give back to the community and instills a work ethic.

The Mammoth Christian Youth Center is in need of funds. They are a 501-3C non-profit organization. All donations go toward activities for kids in the local

community. They also collect aluminum cans that can be dropped off at 610 Old Highway 77 in Mammoth. If you would like to donate make checks payable to Mammoth Christian Youth Center or MCYC, P.O. Box 682, Mammoth, AZ 85618. If you would like to volunteer or have more questions contact Jesse Walker at 520-975-2653.

# Sierra Oaks Community School to close

By **John Hernandez**  
San Manuel Miner

The Sierra Oaks Community School in Oracle will be closing their doors at the end of this school year. The closure is due to budget challenges that cannot be overcome.

Administrator Lynn Eggleston said, "Small

schools are not making it and the state is making it harder for small schools to stay open." The economy played a big role in the dwindling of enrollment over the years with families moving out of the area. This year's enrollment was 32 students.

Sierra Oaks is a public charter school that opened its doors in 2002. "It has been 12

years of a great journey," said Lynn. "Sierra Oaks offered a safe haven for kids in the community where they could be themselves and felt comfortable." "I feel confident that wherever our students go they will be successful." Lynn said she would like to thank the community for its support. "When I think of all the families and kids that have graduated and come back to say hi and thank us, it will be hard to let go of the kids, staff

and families."

The historical building that houses the school is up for sale. It was once a doctor's office. It is located at 650 W. Linda Vista Rd. The school will be holding an auction of school items and equipment sometime in June. The last day for Sierra Oaks Community School will be May 22, 2014. On May 21 there will be a final performance by the students at the Oracle Community Center at 6 p.m.
