Pinal County to suspend issuance of open burn permits starting in April

FLORENCE, AZ –Starting April 2, Pinal County Air Quality begin issuing only three-day open burning permits. All permits will expire May 1 and Pinal County will suspend the issuance of all open burning permits on April 27.

Burn permits allow for the disposal of plant material by open burning during limited daytime hours.

Additionally, State law prohibits open burning in Area

A from May 1 thru Sept. 30. The Pinal County portion of Area A includes Apache Junction, Queen Creek, Gold Canyon, San Tan Valley and portions of Florence.

The annual cycle of rising temperatures will quickly dry seasonal vegetation, leading to an acute wildfire risk in the desert and upland areas of the County.

The suspension on burn permits will continue until the

summer monsoons arrive and mitigate the dual risks to public safety and public health.

Additional information on the Pinal County Air Quality program can be found at www.pinalcountyaz.gov or by calling the Pinal County Air Quality Division at 520-866-6929. It's also advised to check with your local fire department regarding fire conditions.

CASA of Gila County calls community to action for Child Abuse Prevention Month

(Globe, AZ) – In honor of National Child Abuse Prevention Month, CASA of Gila County is issuing a call to action for residents of Gila County to stand against child abuse and take action to support children who have been abused or neglected.

Children come into the child welfare system through no fault of their own. “The needs of Gila County’s children coming into care are more complicated than ever before, and life in foster care can be chaotic,” said Emily Leverance, CASA Coordinator. “Every child deserves the support of caring, consistent adult with the training to help them heal and thrive.”

Throughout the month of April, CASA

of Gila County is calling on members of the community to help our program serve more of Gila County’s most vulnerable children. We are asking community members to volunteer as Court Appointed Special Advocates.

Without intervention, the odds are stacked against children in foster care. A

Archaeologists, tribal monitors talk about Resolution Copper Cultural Resource Studies in Superior April 10

The Superior Community Working Group (CWG) will hear a presentation about Native American cultural resource studies and monitoring being conducted for the Resolution Copper Project at the next CWG meeting on Wednesday, April 10, at 6 p.m. in the Superior Chamber of Commerce meeting room. Guest speakers will be LeRoy Shingoitewa and Scott O'Mack from Westland Resources, who are overseeing the work currently underway, mostly by Native American tribal members and specialists.

The CWG includes residents and stakeholders from the Town of Superior, Queen Valley, Hewitt Station, Globe, Kearny, Winkelman, the San Carlos Community and around the area. The group deals with the social and environmental issues, science and policy, and the pros and cons of the proposed Resolution Copper Project. Topics

include environmental impacts, health, safety, natural resource issues, engineering, water quantity and quality, geology, economics, air quality, community investments, recreational changes and other related subjects.

Meetings are held at the Superior Chamber of Commerce at 165 W. Main St. in Superior from 6-8 p.m., most often on the second Wednesday of each month. The public is welcome, and time is reserved on the agenda for everyone's comments, questions, and discussion.

More information about the CWG as well as agendas, meeting summaries, and past presentations are available for public review at the Superior Chamber of Commerce offices and at the Superior Public Library at 99 North Kellner Avenue, as well as online at <http://SuperiorAZCWG.org/>

child with a Court Appointed Special Advocate (CASA) volunteer, however, will leave the foster care system two-and-a-half months earlier, on average, compared to a child without a CASA volunteer. Studies show children with a CASA volunteer receive more services that are critical to their well-being than children without an advocate, and those children are more likely to achieve educational success.

"CASA volunteers are a constant for the child in a time of chaos," said Leverance, "A child may have multiple social workers, attorneys, therapists and foster placements throughout the life of the case but only one CASA volunteer, which can make all the difference for

the child's future."

CASA of Gila County is a member of the National Court Appointed Special Advocate Association (National CASA), a nationwide network of programs in nearly 1,000 communities. At the heart of the movement are nearly 77,000 highly trained volunteers who advocate for the best interests of more than 250,000 of America's children who have been abused or neglected. In Southern Gila County, there are 6 volunteer advocates fighting for the best interests of 5 children, but 70 more children need the care and support of a CASA volunteer.

Ray softball team atop the state rankings

By **Andrew Luberda**
Copper Basin News

The Ray softball team has won its last four non-tournament games, including all three games last week in lopsided fashion, and as a result has taken over the top spot in the 1A state rankings.

The Lady Cats, who knocked off then

No. 1 Superior on Mar. 20 (1 – 0), defeated Baboquivari (14 – 0), San Tan Foothills (17 – 1) and Duncan (16 – 0) at home last week.

In the win against Duncan last Friday, senior Amy Kenyon went 2-for-3, including a double and a homerun, and drove in four runs. Sophomore Chelsea Boyd-Flores also went 2-for-3 with four

RBI's, slugging a triple for one of her two hits. Julie Meza, a senior, hit two doubles – two of the nine extra-base hits by Ray in the game – and drove in two runs. Senior Daniella Hinojos was 3-for-4 with three RBI's. Tara Lorona also had three hits to go along with an RBI.

Hinojos was again stellar on the

mound, throwing a complete-game shutout for her eighth win of the season and eighth complete game. The senior ace allowed a lone hit without issuing a walk and whiffed six in five innings pitched.

Up next: Apr. 5 at Arizona Lutheran Academy and Apr. 9 vs. Hayden. Both games are scheduled for 4 p.m.

The Ray girls softball team and coaches were happy about their big win over Duncan last week.

Bearcats start new winning streak

By Andrew Luberda
Copper Basin News

After having its seven-game winning streak snapped by then top-ranked Superior on Mar. 20, the fifth-ranked Ray baseball team started a new streak by winning three-straight games.

The Cats defeated Baboquivari (4 – 2), Duncan (12 – 2) and NFL Yet Academy (20 – 1) all at home.

In Monday's lopsided win against NFL Yet, Derek Figueroa, Alec Carrillo and Tracon Naranjo combined to throw five innings pitched with seven K's, led by Figueroa's four.
