Velasquez held on \$2 million bond

Brittany Velasquez remains in jail following her arrest and subsequent charge of two counts of murder after her two children were discovered dead in her vehicle last week. She's being held on a \$2,000,000 secured bond.

A non-witness preliminary hearing was scheduled for Tuesday, April 3, in the Pinal County Superior Court in front of Judge Henry Gooday.

Last week, Superior Police were called to her residence in the 100 block of N. Richard Ave. for a report of two unresponsive children. Both children, ages 2 years old and 10 months, were found in the vehicle strapped into their car seats and pronounced dead.

Pinal County Sheriff Mark Lamb, at a joint press conference with Superior Police last week, said that evidence at the scene indicated foul play.

"We will be releasing more information as the autopsy and toxicology come back which will give us a clearer idea

of what we're dealing with," said Lamb.

Results from autopsies performed on the children will not be available for several months, according to Navideh Forghani, the Public Information Officer for PCSO.

Superior Interim Police Chief Christian Ensley said that the police department has had contact with Velasquez about seven or eight times over the past two years, one contact in early January this year resulting in a report to Child Protective Services. Ensley said CPS took no

Brittany Velasquez

action on that report.

"This is a serious incident. This is a small community," Ensley said. "This (type of case) is unheard of for us." No other information was available at press time. *Copper Area News* will continue to follow this case and report as information is made available.

Pinal County Sheriff Mark Lamb stands at the podium to address reporters following the arrest of Brittany Velasquez last week. Immediately to his right is Superior Interim Police Chief Christian Ensley.

depending on interruptions by weather.

The meeting at the airport was to begin coordinating aerial safety. Shai Labelle Trop, Project Manager

said that for BHP and Airobotics, safety and the avoidance of collisions is their major concern. The take off and landing area for the drone is approximately three miles from the highway.

The Mammoth Public Library stays busy and is a community hub for entertainment, reading, computer use including job searches, and more. Congratulations on being named one of the top rated libraries in the country!

Rep. David Cook working on bill to help small towns and counties gain additional HURF dollars

For the past several years, the State Legislature has been reallocating Highway User Revenue Funds (HURF) from the Cities, Towns and Counties to fund the Arizona Department of Public Safety. This has put an extreme amount of pressure on all the communities but the smaller ones often get hit twice as hard because they have limited growth and sales tax revenue.

Rep. Cook introduced HB 2514 this year into the legislature that will increase HURF funding to small towns and cities that have a population under 7,500 and counties with populations under 250,000. The bill passed through the House of Representatives and is now awaiting approval in the Senate. If approved in the Senate, the Governor will need to sign the bill.

The bill will allow for a one time boost in funding creating two funds in the HURF budget to allocated these funding increases. Rep. Cook realized early in his term that the current funding received by these small towns, did not

stretch far enough for many substantial projects to be completed. His hopes is that this one time funding stream will help the small towns and counties to accomplish a significant road project or two. For the Pinal County communities of Superior, Kearny and Mammoth, this funding would be an additional boost to the \$300,000 they will receive from the Pinal RTA.

If approved the communities of Miami, Globe, Kearny, Hayden, Mammoth, Winkelman and Superior will all see increases to their HURF budgets in the 2018-19 budget year. Each of the 44 communities that meet the population requirement will receive an additional \$100,000 along with a percentage increase based on populations. This would mean an additional \$134,837 for Mammoth, \$107,935 for Winkelman, \$114,563 for Hayden and \$269,162 for Globe. HURF funds can only be used for road maintenance, repair and other public road way work.
