Rep. David Cook working on bill to help small towns and counties gain additional HURF dollars

For the past several years, the State Legislature has been reallocating Highway User Revenue Funds (HURF) from the Cities, Towns and Counties to fund the Arizona Department of Public Safety. This has put an extreme amount of pressure

New president for CVIT board

Cobre Valley Institute of Technology- CVIT would like to thank Louie Rabago for his service as a Governing Board President. Mike Fane took his place as a board president and Franiceen Gregovich- Benton moved to a position of clerk. CVIT is grateful to all board members for serving the children of Copper Corridor Communities. on all the communities but the smaller ones often get hit twice as hard because they have limited growth and sales tax revenue.

Rep. Cook introduced HB 2514 this year into the legislature that will increase HURF funding to small towns and cities that have a population under 7,500 and counties with populations under 250,000. The bill passed through the House of Representatives and is now awaiting approval in the Senate. If approved in the Senate, the Governor will need to sign the bill.

The bill will allow for a one time boost in funding creating two funds in the HURF budget to allocated these funding increases. Rep. Cook realized early in his term that the current funding received by these small towns, did not stretch far enough for many substantial projects to be completed. His hopes is that this one time funding stream

will help the small towns and counties to accomplish a significant road project or two. For the Pinal County communities of Superior, Kearny and Mammoth, this funding would be an additional boos to the \$300,000 they will received from the Pinal RTA.

If approved the communities of Miami, Globe, Kearny, Hayden, Mammoth, Winkelman and Superior will all see increases to their HURF budgets in the 2018-19 budget year. Each of the 44 communities that meet the population requirement will receive an additional \$100,000 along with a percentage increase based on populations. This would mean an additional \$134,837 for Mammoth, \$107,935 for Winkelman, \$114,563 for Hayden, \$168,779 for Superior, \$140,845 for Miami and \$269,162 for Globe. HURF funds can only be used for road maintenance, repair and other public road way work.

Velasquez held on \$2 million bond

Brittany Velasquez remains in jail following her arrest and subsequent charge of two counts of murder after her two children were discovered dead in her vehicle last week. She's being held on a \$2,000,000 secured bond.

A non-witness preliminary hearing was scheduled for Tuesday, April 3, in the Pinal County Superior Court in front of Judge Henry Gooday.

Last week, Superior Police were called to her residence in the 100 block of N. Richard Ave. for a report of two unresponsive children. Both children, ages 2 years old and 10 months, were found in the vehicle strapped into their car seats and pronounced dead.

Pinal County Sheriff Mark Lamb, at a joint press conference with Superior Police last week, said that

evidence at the scene indicated foul play.

"We will be releasing more information as the autopsy and toxicology come back which will give us a clearer idea of what we're dealing with," said Lamb.

Results from autopsies performed on the children will not be available for several months, according to Navideh Forghani, the Public Information Officer for PCSO.

Superior Interim Police Chief Christian Ensley said that the police department has had contact with Velasquez about seven or eight times over the past two years, one contact in early January this year resulting in a report to Child Protective Services. Ensley said CPS took no action on that report.

"This is a serious incident. This is a small community," Ensley said. "This (type of case) is unheard of for us."

No other information was available at press time. *Copper Area News* will continue to follow this case and report as information is made available.

Offense rolling for No. 2-ranked Lady Panthers

By Andrew Luberda
Superior Sun

The second-ranked Superior softball team headed into Tuesday's matchup versus top-ranked Ray with its offense running on all cylinders. The Lady Panthers won three-straight games last week, all of them by run-rule.

Superior averaged more than 12 runs and surrendered only one per game in victories against Ft. Thomas (13 – 1),

Baboquivari (14 – 1) and Hayden (11 – 1).

Junior Korrina Romero led the Lady Panthers' offensive attack, going 4-for-4, including a double and a triple, with four RBI in the 14 – 1 victory against Baboquivari last Thursday.

The Lady Panthers pounded out 16 hits, including five extra-base knocks.

Tori Juarez, a Glendale Community College commit, had two hits and two RBI in the win. Freshman McKenna

Duarte also had two hits with a pair of RBI. Lindsay Ketron and Analyse Juarez – the latter, one of three Lady Panthers committed to GCC – also had two hits apiece.

Senior ace Kiki Arriola, also a Glendale Community College commit, allowed a run on a lone hit with eight strikeouts and a walk for her 8th win of the year against no losses.

Up next: Apr. 6 at San Tan Foothills and Apr. 9 vs. Coolidge. Both games are scheduled for 4 p.m.

No. 5 Panthers use 7-run first to Rout Apaches

visiting Ft. Thomas last Tuesday.

Sophomore Gabe Otero doubled and drove in three runs in the win. Freshmen Nathan Duarte and Ally Hing combined for three hits and three RBI while Jesus Castellanos, a junior, added two hits and an RBI.

On the mound, junior southpaw Steven Ybarra earned the victory, tossing a five-inning complete-game shutout, in which he allowed only two hits with 10 strikeouts and a walk.

God Can Help With the Struggle of Life

Life can be a struggle – we’ve all realized that at one time or another. Most have dealt with someone they disagreed with to a point beyond frustration that turns into anger. The battle between good and evil is a daily part of our lives.

Ephesians 6:12 – “our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of the dark world and against the spiritual forces of evil in the heavenly realms.”

We must learn how to fight spiritually, winning battles in the natural/physical and spiritual realms. This takes a solid knowledge of the Bible and a sincere faith and trust in God; and the ability to pray hard and declare God’s Word over situations.

The power of Almighty God is the strongest thing available to us. What we pray over and declare in the spiritual
