## OBITUARIES

# Harold Eugene 'Gene' Burkey

I would like to say "Thank You" to everyone who visited, sent money, called, or sent food during the loss of my husband, Gabriel Avenetti. Loss is such a hard thing to endure. Having friends and relatives close by always helps. Thanks to Fr. Alex for the beautiful service and to Griffith Mortuary for their services as well. There are too many people to mention and I might miss someone, but I just want everyone to know how much I appreciate everything you all did for Gabriel and how truly blessed he was for having friends like you. May God bless each and every one of you.

Lorna, Jesse,  
Maria Avenetti

Harold Eugene "Gene" Burkey, 84, passed away peacefully on March 30, 2016 in Chandler, Arizona.

Gene, husband of Wilma Rice Burkey and father to Michael Burkey, Jeannine

Shaw and Lynn Gregory was formerly a resident of Anaconda, Montana and in later years, Sahu-

rita and Kearny, Arizona and finally retiring to Sun Lakes, Arizona. Gene worked in the copper mining and smelting industry for more than 40 years.

Gene was a dedicated Sportsman,

distinguishing himself in high school basketball, softball, track, football and in later life golf, bowling, sports officiating, hunting and fishing. An outgoing personable man, he made many friends and

will be much missed by his family, including his grandchildren, great-grandchildren and all whose life he has touched. Eventually, if you're tempted to play a round with Gene on the Celestial Golf Course, be

warned not to bet against him ... just saying.

Memorial services will be held on Saturday, April 9, at 2 p.m., at Chandler United Methodist Church in Chandler, Arizona, 450 E. Chandler Heights Rd.

# Wilfredo Diaz Lopez Sr.

Wilfredo Diaz Lopez Sr., "Freddie", 64, was born on October 16, 1951 in Riobiedras, Puerto Rico to Leonardo Torres and Maria Elena Lopez.

Freddie passed away suddenly on Tuesday, March 29, 2016 in Kearny, AZ. He was 64 years old. He enjoyed being outdoors cooking out, fishing or just having a good time with family and friends. He was an outgoing, spirited man with a laugh or smile for whoever happened to cross his path. He was known by everyone and loved by most.

Freddie served three years in the United States Army and was very proud of all the honors he was awarded. He was very proud to let all know that he served in the Vietnam War and proudly wore his hats wherever he went. He would grow to tell his kids the stories of his adventures whether they were good memories or bad.

Freddie moved to Kearny, AZ in 1983 with his then small family which would then become a huge brood of Lopezes. He was always a hardworking man and held many jobs before settling down at the Asarco Ray Mines where he then retired as a heavy equipment operator. He always did whatever he could to take care of his family. He enjoyed everything life threw his way and always has a story or a proud moment to share with whoever would listen.

Freddie is preceded in death by his parents and infant daughter Maria Lopez.

He leaves behind his three brothers and one sister, Adalberto (Barbara) Lopez of Kearny, Ernesto Lopez of Reading, PA, Juan Antonio Lopez of Puerto Rico, and Tammy Flores of Tucson. He also leave behind his children: Juan Antonio Lopez of North Carolina, Wilfredo Jr. (Esperanza) Lopez of Phoenix, Tony Lopez of Kearny, Yvette (Patrick) Monitjo of Hayden, Reggie Lopez of Globe, Mannie Lopez of Globe and Jose Lopez of Coolidge; and many nieces, nephews, and grandchildren.

Services for Freddie will be held on Friday, April 8, 2016 at Griffith Mortuary in Kearny, AZ. Viewing will be at 1 p.m. followed by a funeral service at 2 p.m., and reception to follow at the General Kearny Inn patio.

# Tentative Plans for Fire Recovery Presented

Last Friday afternoon the landscape architecture students from Arizona State University met with interested Kearny residents and people from the whole Copper Basin to present their tentative proposals on recovery and development following the Gila River fire. There were four separate presentations from the four teams who worked with Dr. Chingwen Cheng, a sustainability scientist with the university.

The results were varied, thorough, and well-presented. Afterwards the students listened to remarks from the people, taking notes on new information, and getting ready to adjust

their plans before the final report on April 28. There were different approaches from the four groups, and there was also a remarkable overlap of goals which could be achieved.

This last Monday another group of ASU students met with a group which is surveying tourism needs in the Copper Corridor. Liz Harris Tuck and members of the Copper Corridor Economic Development Coalition are heading up this effort.

On Tuesday our Town Manager, Anna Flores, meet with me and with Brad Mecham, the senior Community Development Planner with Central Arizona Governments. The Town of

Kearny has received a \$35,000 federal grant to develop a 10-year plan, and this plan will contain a substantial economic development component. The 10-year plan will also present a substantiated list of needs for the town, which is a requirement for the town to receive future grants. This plan will take months to work out, and will involve residents and town government in a variety of ways.

These are encouraging signs for Kearny and the Copper Basin. We are working on improving our water infrastructure right now, and we are beginning work

# Bearcats ranked No. 6 after surprising start

By Andrew Luberda  
Copper Basin News

The Ray baseball team is ranked sixth in the most recent rankings that were released earlier this week.

After a lopsided loss against American

Leadership Academy last Tuesday, the Bearcats closed out the week with consecutive wins versus San Manuel and Hayden last Thursday and Friday, respectively.

Noah Warren had two hits and four RBI in the Cats' 19 – 6 win against rival Hayden. One of the junior's two hits was a triple, which was

one of three Cats' extra-base hits in the game.

Jaden Pace, a freshman, was 4-for-4 with two RBI. Fabian Valenzuela was 2-for-3 with three RBI. Austin Huffman, Anthony Lopez, and Brett Fackiner each recorded multi-hit games in the Cats' 11th win of the season.

Fackiner, the pitcher of record, and Warren

combined to pitch five innings. Warren tossed two scoreless innings in relief, allowing only a hit with four strikeouts in the short outing.

**Upcoming schedule:** Apr. 5 at Mogollon and Apr. 8 vs. Duncan. Both games are scheduled for 4 p.m.

# Second-ranked Lady Cats win two of three last week

By Andrew Luberda  
Copper Basin News

The second-ranked Ray softball team defeated American Leadership Academy and Hayden while suffering a one-run loss to perennial state title contender San Manuel last week.

Galka, the pitcher of record, did not allow a hit in three innings pitched. She walked one and struck out seven Patriots' hitters in the win. Hinojos tossed two innings in relief, allowing only a hit with two strikeouts. Hinojos did not walk a batter in the outing.

Hinojos, a freshman, drove in two runs and senior Ashley Ortiz drove in three more to lead Ray's offense. Both Hinojos and Ortiz along with Savannah Willis and Janae Ruiz hit doubles in the game. Galka and Nepeese Avechucos each had two hits.

**Upcoming schedule:** Apr. 5 at Mogollon and Apr. 8 vs. Duncan. Both games are scheduled for 4 p.m.

# Latin Night coming to the Kearny Elks

Saturday, April 23, is on the verge of becoming a night the Copper Communities will remember, as Arabella and Empower Empire Promotions host 'Latin Night' with Power Drive Band at the Kearny Elks Lodge #2478.

The idea for the creation of this event came from a night of conversation at the dinner table with family members talking about the good old days, when the dances at the Mammoth Ballroom, Hayden's Verdugo Hall, Superior's Magma Club and Sonora, Ray were the happening places. Couples dressed in style and traveled to these places to dance to live music, and everyone had a good time, enjoying life, music and friends. This era changed with the times, these nights became few, some even came to a complete end. Alejandro Estrada and Arlene Villaflor, CEOs of both companies, decided to create a night where residents from these areas could relive those good times again. In addition, this night would allow the younger generations, including Estrada and Villaflor, to experience a time that lives so fondly in the memories of many residents.

Event planning got underway that included looking for the right venue, the right band and getting the idea out through social media. The responses from former area residents and those with family ties to these towns were overwhelmingly positive. This motivated Villaflor and Estrada to take steps in making this a reality.

Who better to bring the right music than Power Drive Band? Rudy Barcelo, manager, was contacted about the idea they had, and, after explaining their purpose for creating this event, Power Drive enthusiastically made themselves available. For those who have not had the privilege of hearing or dancing to Power Drive, they are very well known in Arizona and have performed all over the Phoenix area, at the El Zocalo Mexican Grill in Chandler, Vee Quiva Casino, Fort McDowell Casino, Wild Horse Pass Casino, Casino Arizona and many other music festivals in Arizona.

As words got out through social media, it was evident that this idea was generating so much excitement, which led members of the Kearny Elks Lodge #2478 to express their interest in being the venue of choice. With Power Drive's commitment and the Kearny Elks Lodge as venue, plans were moving right along. The next move was reaching those that might not engage in social media, so they set out going door-to-door, personally inviting residents.

Estrada shared, "Some of the most valuable feedback came from the older generation. Many told us personal stories that included how they dressed up, how much fun they had and how excited they were about attending 'Latin Night' now that they had a personal invitation. Their smiles said it all. Villaflor agreed.

Villaflor remarked, "Our goal is to keep this going as long as possible, and we have many more ideas."

Estrada added, "Instead of people having to travel to Tucson or Phoenix just to enjoy a night out. What could be better than enjoying it closer to home? It can be very expensive for rural residents to travel to the city for a night of dancing."

In addition, Villaflor and Estrada value higher education and have set another goal to achieve with future events. They aspire to award a special scholarship to outstanding academic applicants graduating from the Copper Communities.

"Our scholarship will be a little different," Villaflor stated. Estrada expressed, "We understand that higher education is technology-driven, and would like to be instrumental in helping a young adult start college with a laptop. Our message to the youth is that you can inspire yourself. Empower yourself and others by creating that inner drive that keeps you moving forward, no matter what challenges you might encounter. Set your mind and keep it set. Dream wide awake and make your dreams a reality. Most importantly, remember to pay it forward."

To kick off 'Latin Night', a horseshoe tournament will begin at 11 a.m. Registration will begin Saturday morning at 10 a.m. Entry fees are \$10 per person with double elimination. This tournament is an event for all ages and prizes will be presented to the winners. Drinks will be sold both inside and outside the venue.

The 'Latin Night' dance, itself, is an 18 years and older event and all must show I.D. and sign in for a wristband. The wristband must be shown to purchase alcohol from both beer bottles and bar (and, of course, you must be of legal drinking age). The bar will open at 7 p.m. and the dance is from 9 p.m. to 1 a.m. Door entries are \$20 for singles and \$30 for couples.

Villaflor and Estrada are looking forward to seeing the citizens of the Copper Corridor communities come out and enjoy a night of dancing after a long week of hard work. "Salud! You deserve it!", they both expressed.

# Miami workshop scheduled for ADOT's Long-Range Transportation Plan; workshop replaces Globe meeting postponed in February

PHOENIX – Community members, businesses and stakeholders are invited to provide their input and ideas to shape the long-range vision for Arizona's transportation system during a workshop in Miami next week. The workshop, scheduled

for April 13 from 9 to 11 a.m., replaces a February workshop originally scheduled in Globe but postponed due to construction along US 60. It will be held at Bullion Plaza Gym at 150 N. Plaza Drive in Miami. The meeting is part

of a series of statewide workshops hosted by ADOT. These "Think Ahead About Transportation" workshops are the foundation to begin updating ADOT's Long-Range Transportation Plan, also known as What Moves You Arizona, which

is updated every five years. The Long-Range Plan looks 25 years down the road to determine the best mix of investment to preserve, modernize and expand the state transportation system with the resources available.

While ADOT's Long-Range Transportation Plan is not project-specific, it identifies priorities based on current and projected transportation funding over the next 25 years. Because limited revenues will not meet all current and future transportation needs, it's up to the public, policymakers and communities to tell ADOT

what's important to them. Visit [azdot.gov/whatmovesyourarizona](http://azdot.gov/whatmovesyourarizona) for more information on ADOT's Long-Range Transportation Plan. You can leave a

comment at [azdot.gov/whatmovesyourarizona/comments](http://azdot.gov/whatmovesyourarizona/comments). The final version of the plan is expected to be complete in early 2017.

## Cards of Thanks

I would like to say "Thank You" to everyone who visited, sent money, called, or sent food during the loss of my husband, Gabriel Avenetti. Loss is such a hard thing to endure. Having friends and relatives close by always helps. Thanks to Fr. Alex for the beautiful service and to Griffith Mortuary for their services as well. There are too many people to mention and I might miss someone, but I just want everyone to know how much I appreciate everything you all did for Gabriel and how truly blessed he was for having friends like you. May God bless each and every one of you.

# Kearny Little League games ongoing

It's the crack of the bat, the smell of hot dogs and popcorn. It's the overwhelming urge to cheer your favorite player into a run at home base.

Baseball is the penultimate American pastime.

And what could be better than heading over to the Little League field to see your son or daughter, your nephew or niece, your grandchild or your neighbor take the field?

Kearny Little League had its opening ceremonies for T-ball a couple of weeks ago and the season is in full swing for our youngest players. The T-ball season, although short, has some of the cutest players on the field.

Games are held at the Kearny Little League Field, near Pioneer Park. Game times are:

- Thursday, April 7, 6:30 p.m.
- Tuesday, April 12, 5 and 6:15 p.m.
- Wednesday, April 13, 5 and 6:15 p.m.
- Thursday, April 14, 6:30 p.m.
- Monday, April 18, 6:30 p.m.
- Tuesday, April 19, 5 and 6:15 p.m.

Hayden-Winkelman Little League will have its opening ceremonies on Tuesday, April 19, at 5:30 p.m. at the Hayden Little League Field. The first coach pitch game will begin at 6:30 p.m. The concession stand will be open.

So grab your lawn chairs, fill your coolers with soft drinks, and head over to the baseball field for some good old fashioned fun!

We're rooting for all our local players!
