No. 5 Panthers win tenth game of the season

By Andrew Luberda
Superior Sun

The fifth-ranked Superior baseball team won its tenth game of the season last Friday, defeating visiting Mogollon, 12 – 7. Edgar Galindo and Austin Navarrette, both juniors,

had big games at the plate to lead Superior.

Galindo had two hits, including a homerun, and drove in five runs in the win. Navarrette went 3-for-4 with three RBI. Nicolaus Cruz had two hits, one of them a double, and two RBI. Eli Olmos hit a triple, one of the Panthers' three extra-base hits in

the game.

On the mound, Cruz pitched three-and-a-third innings in relief of starter Steven Ybarra to pick up the victory. The junior allowed one run on two hits with two walks and four strikeouts. Ybarra, a freshman, had perhaps his roughest outing so far

this season, allowing six runs on six hits in three-and-two-thirds. He did, however, strike out five Mogollon hitters during his short stint.

Upcoming schedule: Apr. 5 at Duncan and Apr. 7 vs. Miami. Both games are scheduled for 4 p.m.

Defending state champs in familiar spot atop state rankings

By Andrew Luberda
Superior Sun

The defending Division V state champion Superior softball team found itself atop the first rankings release of the season last week and the Lady Panthers remained the No. 1 team in the state

in the most recent rankings that were released earlier this week.

After Telesis Prep forfeited the scheduled Mar. 29 game, the Lady Panthers defeated Mogollon last Friday, 15 – 2.

Senior shortstop Gabby Salcido had her biggest game to date after going 3-for-3,

including a double and two homeruns, with four RBI in the Lady Panthers' 12th win of the season. Phalicitee Thomas had two hits, one of them a double, and drove in two runs. Keanna Torres, a senior, contributed with a hit and two RBI.

Ivie Lopez earned her seventh win of the season, pitching a five-inning complete

game. The Lady Panthers' ace allowed two runs – none earned – on one hit with a walk and five strikeouts.

Upcoming schedule: Apr. 5 at Duncan, Apr. 7 vs. Miami, Apr. 8 vs. Apache Junction (3:45 p.m.). All games are scheduled for 4 p.m. unless otherwise noted.

Latin Night coming to the Kearny Elks

Saturday, April 23, is on the verge of becoming a night the Copper Communities will remember, as Arabella and Empower Empire Promotions host 'Latin Night' with Power Drive Band at the Kearny Elks Lodge #2478.

The idea for the creation of this event came from a night of conversation at the dinner table with family members talking about the good old days, when the dances at the Mammoth Ballroom, Hayden's Verdugo Hall, Superior's Magma Club and Sonora, Ray were the happening places. Couples dressed in style and traveled to these places to dance to live music, and everyone had a good time, enjoying life, music and friends. This era changed with the times, these nights became few, some even came to a complete end. Alejandro Estrada and Arlene Villaflor, CEOs of both companies, decided to create a night where residents from these areas could relive those good times again. In addition, this night would allow the younger generations, including Estrada and Villaflor, to experience a time that lives so fondly in the memories of many residents.

Event planning got underway that included looking for the right venue, the right band and getting the idea out through social media. The responses from former area residents and those with family ties to these towns were overwhelmingly positive. This motivated Villaflor and Estrada to take steps in making this a reality.

Who better to bring the right music than Power Drive Band? Rudy Barcelo, manager, was contacted about the idea they had, and, after explaining their purpose for creating this event, Power Drive enthusiastically made themselves available. For those who have not had the privilege of hearing or dancing to Power Drive, they are very well known in Arizona and have performed all over the Phoenix area, at the El Zocalo Mexican Grill in Chandler, Vee Quiva Casino, Fort McDowell Casino, Wild Horse Pass Casino, Casino Arizona and many other music festivals in Arizona.

As words got out through social media, it was evident that this idea was generating so much excitement, which led members of the Kearny Elks Lodge #2478 to express their interest in being the venue of choice. With Power Drive's commitment and the Kearny Elks Lodge as venue, plans were moving right along. The next move was reaching those that might not engage in social media, so they set out going door-to-door, personally inviting residents.

Estrada shared, "Some of the most valuable feedback came from the older generation. Many told us personal stories that included how they dressed up, how much fun they had and how excited they were about attending 'Latin Night' now that they had a personal invitation. Their smiles said it all. Villaflor agreed.

Villaflor remarked, "Our goal is to keep this going as long as possible, and we have many more ideas."

Estrada added, "Instead of people having to travel to Tucson or Phoenix just to enjoy a night out. What could be better than enjoying it closer to home? It can be very expensive for rural residents to travel to the city for a night of dancing."

In addition, Villaflor and Estrada value higher education and have set another goal to achieve with future events. They aspire to award a special scholarship to outstanding academic applicants graduating from the Copper Communities.

"Our scholarship will be a little different," Villaflor stated. Estrada expressed, "We understand that higher education is technology-driven, and would like to be instrumental in helping a young adult start college with a laptop. Our message to the youth is that you can inspire yourself. Empower yourself and others by creating that inner drive that keeps you moving forward, no matter what challenges you might encounter. Set your mind and keep it set. Dream wide awake and make your dreams a reality. Most importantly, remember to pay it forward."

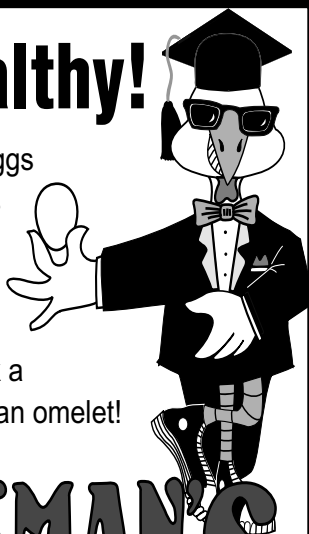

To kick off 'Latin Night', a horseshoe tournament will begin at 11 a.m. Registration will begin Saturday morning at 10 a.m. Entry fees are \$10 per person with double elimination. This tournament is an event for all ages and prizes will be presented to the winners. Drinks will be sold both inside and outside the venue.

The 'Latin Night' dance, itself, is an 18 years and older event and all must show I.D. and sign in for a wristband. The wristband must be shown to purchase alcohol from both beer bottles and bar (and, of course, you must be of legal drinking age). The bar will open at 7 p.m. and the dance is from 9 p.m. to 1 a.m. Door entries are \$20 for singles and \$30 for couples.

Villaflor and Estrada are looking forward to seeing the citizens of the Copper Corridor communities come out and enjoy a night of dancing after a long week of hard work. "Salud! You deserve it!", they both expressed.

In Your Biz

Food, we need it, we want it and we crave it. Superior is home to many family owned and operated restaurants and over the years there have been more food options for everyone to consider. Seven years ago, Lucy Wing opened the doors to the Jade Grill to give back to the community.

What brought you back to Superior to open a restaurant: Lucy explained that she and her family wanted to give back to the community of Superior because the community supported their parents businesses which allowed them to send all 11 children to college. “We were not able to come back to Superior to use our degrees, so we wanted to give back by opening a restaurant” Lucy returned to Superior after 42 years in New York where she developed her career in culinary arts. She is well known for developing many recipes and for writing

the book “Grilling for Dummies” in the Dummies series of books. The Jade Grill is a endeavor of the entire Wing family, her brother who is an architect designed the building, her sister who is a dietician helped to develop the menu and recipes along with another sister who is a Doctor. The graphics for the menus and logo were designed by one of her nieces. “It was my idea to open the restaurant, so I am the one who runs the day to day operations” explained Lucy.

What makes the Jade Grill unique: The Jade Grill is an Asian Barbecue restaurant, and this type of food does not exist anywhere in the nation and the restaurant has become a destination restaurant for food lovers across the state and even the nation. The meats in the recipes are marinated and smoked over wood not charcoal outside, that is how real barbecue is done, Lucy explained.

This type of cooking is much more healthy than traditional Chinese food which uses a lot of oil to prepare the foods.

The Kitchen at the Jade Grill is designed to allow the foods to be prepared with the freshest ingredients. There isn't a walk in refrigerator which means that her ingredients must be purchased regularly and not stored for long periods of time which walk in refrigerators allow. The kitchen at the restaurant is larger than the actual dining room which allows for special washing and prep areas for the vegetables and meats to ensure that there is no cross contamination. The foods are fresh and made to order and they do not use MSG in any of the recipes. There are also many foods that can be made for gluten free, vegan and vegetarian dietary needs.

The restaurant is also very eco-friendly, with paper straws and no styrofoam.

Advice to fellow business owners and future business owners: “Be patient with your business, it takes time to get started. Have a bucket full of money and prepare for long days and long

Jade Grill

nights, especially if you are pursuing a restaurant business.

The Jade Grill is located on US Highway 60 and is open Wednesday through Sunday.

Cards of Thanks

I would like to say "Thank You" to everyone who visited, sent money, called, or sent food during the loss of my husband, Gabriel Avenetti. Loss is such a hard thing to endure. Having friends and relatives close by always helps. Thanks to Fr. Alex for the beautiful service and to Griffith Mortuary for their services as well. There are too many people to mention and I might miss someone, but I just want everyone to know how much I appreciate everything you all did for Gabriel and how truly blessed he was for having friends like you. May God bless each and every one of you.

SUSD recognizes Employees of the Month

The Superior Unified School District recognized the employees for the month for February and March. Daryl Workman and Michael Diaz Gonzalez were recognized for the month of February and longtime teacher Virginia Contreras was the employee of the month for March. The employees are nominated by their colleagues at the district.

Daryl Workman is a teacher at the Superior Junior/Senior High school. His nomination reads, "Mr. Workman is a hard working individual who cares about students and their education. He is always willing to help out and has stepped up during his first year of employment with the District."

Michael Diaz Gonzalez is the Transportation Director for the district.

Michael works diligently to maintain the District fleet and ensure that all vehicles are ready for use. He is always willing to volunteer his time to help the students of the district. Recently he has taken on extra duties sponsoring the Robotics Team and the Junior Class. His positive attitude and demeanor is felt by staff, students, and parents.

Virginia Contreras has been a teacher for the district for over 40 years. This year she has taken on an additional challenge by stepping up to teach the third grade. This was a significant undertaking and she has taken it on with grace and professionalism. Mrs. Contreras is conscientious and caring; her students always know that they are her priority.
