## OBITUARY

# Mildred 'Midge' Bryant Cole

Mildred "Midge" Bryant Cole (Johnson), 83, passed away on March 25, 2022, in Tucson, Arizona.

Midge was born June 28, 1938, in Pleasant Ridge, Kentucky. In 1945, Midge and her family moved to Globe, Arizona so her older brother could recover from tuberculosis. The family settled in Superior, Arizona where she graduated high school with honors in 1955. Also in 1955, she married Richard Maine, making their home in Superior. She attended ASU graduating with honors, receiving a bachelor's degree in elementary education.

For 16 years she taught in Superior, Globe and Miami. She also received a Reading Specialist Endorsement and master's degree from the University of Arizona.

In 1967, they adopted son Richard "Richie", in 1968 their son Paul was born, followed by Roy in 1969, and John in 1971. In 1973, Midge and Richard divorced making her a single mom to four rambunctious boys.

In 1975, she received her principal's certificate from Arizona State University and was hired as principal of Pitman Elementary School in Holbrook, AZ. In the late 70s, she helped plan and design the new Park Elementary School. She later

earned her superintendent's certificate from Northern Arizona University. She remained a principal until her retirement in 1991, completing 32 years in education. She loved her entire career in education but considered her 16 years in Holbrook as a principal the most rewarding.

Midge was a member of the First Baptist Church in Holbrook serving in many roles and in several teaching positions. She served the longest as a Sunday school teacher for ladies, who like herself, attended church alone. Her focus was using her skills to teach and mentor the ladies in their faith.

Being a single mom raising four active boys by herself was not easy and often proved to be quite challenging. However, she would say that her favorite time in her life was raising her boys in Holbrook.

In 1987, Midge met Jim Cole and married in 1988. Jim was an amazing partner and a true gentleman. In 1991, however, Midge had her greatest setback in life when she lost her 24-year-old son Richie following a year-long illness. Midge and Jim eventually built their dream home in Sonoita, Arizona.

In retirement she served the Sonoita area by volunteering with the Elgin school, Elgin club, fairgrounds, and the VFW. Midge and Jim were founding members of the Sonoita Hills

Community Church where Jim served in various roles until his death in 2008. Midge served in various leadership roles through 2021. She maintained teaching her ladies Bible study until the very end.

She is survived by sons, Paul (Kim) Maine, Roy Maine and John (Ruby) Maine; stepdaughters, Sue Cole and Connie (Gary) Cole; stepson, Jim (Michele) Cole, 15 grandchildren, 26 great-grandchildren, two great-great-grandchildren and many loving nieces and nephews.

She was preceded in death by her parents, Guy and Christine Bryant; brothers, Guy Bryant and Paul Bryant; sister, Martha Jean Crutchfield; husband, James Cole; son, Richard Maine; and stepdaughter, Anna Taylor. She will be greatly missed by friends and family alike.

Her memorial will be at 10:30 a.m. on Saturday, April 9, at the Elgin Elementary School in Sonoita, AZ. In lieu of flowers please make donations in her honor to the Sonoita Hills Community Church, PO Box 98, Sonoita, AZ 85637

#### 30 Deadline Extended for Scholarships

The Gila County Gem and Mineral Society has great news: we are not only extending the deadline to apply for our scholarship, but we have decided to offer 2 scholarships. If you are a graduating student that will be doing their studies in any STEM related field, you are eligible for the scholarship. We are selecting two graduating students from Miami, Globe, Superior, Hayden, Kearny, Ray, San Carlos or Young. If you are homeschooled and you are from any of these areas, you are also eligible. Each Scholarship is for \$500.00. Deadline is now April 30, 2022 at 11:59 MST. You can get the application from the guidance counselor of your school or download it from our website at [gilagem.org](http://gilagem.org). Please send your completed application in 1 PDF file to [scholarship2022@gmail.com](mailto:scholarship2022@gmail.com).

# Investing elevated in the Town of Superior, Arizona

Superior has recently received a total of \$4.25 million appropriation from the federal government for two important projects for the future of this small rural desert community.

Mayor Mila Besich and Councilman Gilbert Aguilar recently returned from a visit to Washington, DC, with the fruits of hard work on the part of the Arizona Congressional delegation to secure funding for the Superior Multi-Gen and Enterprise Center and for the restoration of natural habitat(s) of Queen Creek. In the omnibus bill signed by President Joe Biden on March 15, a total of \$4.25 million was approved for these two projects.

Two million dollars will help fund the Superior Multi-Generational

and Enterprise Center. Developing a multigenerational center was a key strategic goal Superior's Town Council set in 2016 to ensure that the Town continues to invest in and expand the community's economic development and quality of life assets. To achieve this overarching goal, the Town purchased the original Superior High School – a local historic treasure. By providing a space for education, health, creativity and culture to flourish, Superior is strengthening a resilient and socially connected community.

“Superior has the potential to grow exponentially in the future. Because of Congressman O'Halleran's leadership and hard work, and that of U.S. Senators Kelly and Sinema to fund

our Workforce, Entrepreneurship and Innovation Center, we will be able to grow good, high-paying jobs that will enable our Town to build a stronger, more diverse and sustainable economy. We applaud our Arizona Congressional Delegation for their efforts,” said Superior Mayor Mila Besich.

The importance of preservation efforts is multi-fold. Investing in local economies and communities is an important first step, while investing resources in land and water is paramount. For communities in the Southwest U.S., water is the most precious resource of all.

In addition to the appropriation for the Multi-Generational Center,

## Arnett Canyon in full bloom

Recently a group of local hikers enjoyed a Saturday hike on the Arnett Canyon segment of the LOST Trail.

While the Telegraph Fire and post fire flooding really impacted the canyon,

burning Saguaros and flooding almost destroying trail alignment, this spring the trail is full of new vegetation including large swaths of the Globe mallow flower. These bright orange

flowers line the trail in many areas and recent rains has increased the amount of water in the creek.

Get out and enjoy the outdoors before the heat of summer arrives.

opponents in the Williams Black Hawks last Friday.

Following a long bus ride north, the boys' game began with Williams taking an early lead and the Panthers struggled to break past Williams' defense. It wasn't until the fourth

inning that Marcos Galindo and Zach Duarte were both able to post runs to the board.

The game ended in Williams favor with a final score of 2-13.

The Lady Panthers spent their entire game trying to

catch up to Williams. The girls pulled themselves to a 4-4 tie by the beginning of the seventh inning, but they let Williams get 1 run through, giving them the game. The final score was 4-5.

Danika Bryant and Juliana Navarro lead the team at the plate, both had 2 runs each.

Up next for Superior: On Thursday, Superior will be in Hayden for 4 p.m. games against the Lobos and Lady

Lobos. On Friday, April 8, the Lady Panthers head to Joseph City for a 2 p.m. game against the Wildcats. On Tuesday, April 12, the boys will head to San Manuel for a 4 p.m. game against the Miners.

## INVESTING

Continued from page 4

with Congressman Greg Stanton's leadership, \$2.25 million in funding has been set aside from the bipartisan Infrastructure Investment and Jobs Act (IIJA) - Army Corps of Engineers for the restoration of Queen Creek. These funds will be dedicated to restoring and sustaining this important waterway. The project will include installing a reclaimed water pipeline and rehabilitate existing infiltration at the Queen Creek Restoration Project.

The headwaters of Queen Creek are in Superior and securing funding to restore this critically important body of water is yet another example of the Town's stewardship and determination to ensure Superior is able to accommodate quality economic development alongside mining activity, while also safeguarding this important body of water for generations to come.
