Walking 800 miles for the Arizona Trail

By John Hernandez
Copper Area News

The Arizona National Scenic Trail is an 800 mile plus continuous recreational trail that stretches from Mexico to Utah. The trail links mountains, deserts, forests, canyons, historical sites, communities and people. The Arizona Trail Association is a member non-profit organization that works to maintain and promote the trail. Their mission is to develop public awareness, education and support for the Arizona Trail; encouraging and coordinating management of the trail; and creating an organization to achieve the vision and mission. The Arizona Trail is in need of

public support.

The Arizona Trail Association is currently involved in a fundraising campaign to support the future of the Arizona National Scenic Trail. The funds will go toward trail maintenance and protection; repairing segments of trail damaged by wildfire and erosion; installation of steel gates that keep motorized vehicles off the trail; and map printing and distribution. The campaign is called the Arizona Trail Trek and is a celebration of the trail and connecting Gateway Communities one step at a time with a goal of raising \$20,000.

The Arizona Trail Trek involves an Arizona Trail Association member hiking the entire 800 miles while stopping in 14 Gateway Communities along the trail for community events. The through hike is an interactive hike which began March 14 and is expected to be completed May 31. It also includes selected hikes and backpacking trips

along highlighted areas of the trail and on-the-trail updates by Sirena Dufault who not only will be talking the talk about the Arizona Trail but she is walking the walk, all 800 plus miles.

Sirena Dufault is the Gateway Community Liaison for the Arizona Trail Association. She is also an avid hiker and backpacker. Sirena also has fibromyalgia, a chronic pain illness which she contracted in 1997 after being hit by a car. She was bedridden for a while but found that being out in the sun and hiking helped with the pain. She has not had a flare up in 10 years. In 2008-2009, she did a section hike of the Arizona Trail to help raise awareness about fibromyalgia. Sirena was in Oracle Sunday, April 6 for one of the Gateway Community events. The event was at El Rancho Robles. There was live music, food courtesy of the Patio Café and Arizona Trail Ale provided by "That Brewery" of Pine, Ariz. Both

of these businesses are partners with the Arizona Trail Association and help support and promote it. Sirena was there answering questions about the Trek and promoting the Arizona National Scenic Trail, Gateway Communities and the new Arizona Trail Guidebook.

Sirena said she was excited to be back in the Copper Corridor area. "It is like a second home to me," she said. She has spent a lot of time working with the Copper Corridor Economic Development Coalition. She said that this part of the trail is "really spectacular". Sirena was the Trail Steward for Passage 16c, and was responsible for maintaining a 5.5 mile section along the Gila River. She has built relationships with people in the Gateway Communities and enjoys working with them promoting the Arizona Trail and tourism in the area. The Trek has generated interest among the public

and organizations such as the Arizona Office of Tourism, Pinal County, and Arizona Highways Magazine. Twenty-eight hikers joined her at the start of the Trek at the Mexican border. Forty people signed up to hike with her in Tucson. "It has been fantastic!" "It is an amazing experience,"

Sirena said.

The hardest part of the hike has been on days when she felt tired and did not want to hike but because she knew she had a schedule to keep, she would force herself to continue. Once walking on the trail, she was fine. She said she feels good and relaxed now. She has completed one-fourth of the trail. Sirena is scheduled to be in Kearny at Old Time Pizza from 5 to 8 p.m. on April 11 and in Superior at Porter's Café from 5 to 8 p.m. on April 15. You can follow Sirena's adventures on the trail on her blog: desertsirena.wordpress.com. Join her on the trail or at a Gateway Community event. Help support the Arizona Trail! Kearny Library receives grant

Kearny - Kearny Public Library has recently received two Book Grants. The Libri Foundation Grant provided over \$1,000 worth

The Plot of the Bible

I'm writing to you now, but it's not too tough (so no writer's block with me at this moment) because I'm just going to make one point and end in a couple of paragraphs. If I were writing a story of some length, I would have to take into consideration what characters, settings, plot, and themes to include.

Last week I asserted that the Bible must have God as its ultimate author because it has statements about the future, and some of those statements have come true. So what are some of those statements? What is the story-line of the Bible?

The plot of the Bible is simply, "A man is coming; that man came, and he is coming again!" The "man" is Jesus the Christ.

He came once to die for our sin to satisfy justice and to make it possible for us to be forgiven. That this is clearly the statement of the Old Testament as well as the new

is uncontested. Not only was Christ's death and resurrection foretold in explicit detail (Psalm 22; Isaiah 53), but even the very date of His eventual death was foretold (Daniel 9:24-26). What remains to be played out in this story is Christ's second coming, and the way things are aligning in a way consistent with Scripture leads me to think the story is soon coming to its great climax.

of books received by the library, for a donation of \$350, which was provided by the Friends of the Kearny Library; thanks, in main part, to donation from the community.

The Kids Need to Read Book Grant provided 12 cases of books. In addition, there are several hundred more books that the Kearny Library is free to use in whatever way seems best.

"As a result we now have books for our Library collection itself, plus enough doubles that we can use as prizes in our gift bags for the Summer reading Program which begins May 29 and runs for five weeks," says a library representative. They continued, "We wish to thank the Friends of the Library and those who support the Kearny Library for enabling us to get these grants."

In other Library news, National Library Week runs from April 14 - 17. During this time, the Kearny Library will hold their annual poster contest for grades 1 - 6. The kids will draw posters that represent the theme "Libraries are the Heart of Every Community". The top three winners out of each grade then receives a gift bag with prizes and a book which the Kids Need to Read Book Grant has also provided for.

Library Director, Janet Danilow, and Assistant Librarians, Vickie Lechuga and Meaghan Seller, are excited about the new additions to the Kearny Library. The books on the table are part of 67 books the Libri Foundation Grant provided.

Memorial Gathering for Audrey Marie Mercado

The family of Audrey Marie Mercado invites you to join us in a gathering of friends and a remembering of her life. Yesterday, April 8th, would have been her 31st birthday.

Although over a year has passed since we lost our daughter, sister, mother, and friend, her essence is still strong in our hearts and somehow grows deeper with each passing season. This is why we ask you to please come share your smiles and stories, and your laughter and tears with us, and to enjoy the natural beauty of the arboretum, and the beauty of being alive, with Audrey's family and friends this Sunday, April 13th.

Visitors for this event will have their arboretum fees waived if they mention Audrey's gathering. There will be a BBQ and you are welcome to bring potluck dishes.

Fifth-ranked Lady 'Cats suffer close loss to top-ranked Miners

By Andrew Luberdia
Copper Basin News

The Ray softball team had its chance to beat the defending state champions and current top-ranked San Manuel Miners last Friday night, but they fell just short in a 1-run loss, 3 – 2. Despite the loss, the 'Cats showed they are capable of competing with the best in the state, and perhaps, being the best.

Player of the Game Stormee Galka pitched brilliantly, limiting the high-scoring Miners to three runs on three hits. None of the runs were earned. She

also had nine strikeouts in the game.

Galka helped herself at the plate by going 1-for-2 and driving in one of the 'Cats two runs in the third inning to give them a 2 – 0 lead heading into the fourth.

The Miners took advan-

tage of the Bearcats' errors to score two runs in the fourth inning to tie the game. They scored another run in the sixth to earn the victory.

"The errors killed us," Ray head coach Rikki Galka said after the game.

Savannah Willis and Ymari Contreras each recorded a multi-hit game for the 'Cats.

Upcoming schedule: Apr. 10 vs. Duncan (4:00 p.m.). Apr. 12 Noel Morris Memorial Tournament. Game times and opponents TBD.

Ray's Jacob Pace at the plate.

Sixth-ranked Bearcats lose to San Manuel

By Andrew Luberdia
Copper Basin News

The sixth-ranked Ray baseball team dropped a sectional game to the fourth-ranked Miners last Friday, 12 – 8. The contest featured a matched up of two undefeated teams in Section VI.

The loss ended the 'Cats three-game winning streak. Earlier in the week, they defeated Miami (AZ) and Pima.

Both the Miners and the Bearcats have state championship aspirations and this game provided both teams the opportunity to measure up against, what could be, their stiffest competition.

The teams will meet again on April 29, 2014, at San Manuel. That game is scheduled to begin at 2:00 p.m.

Upcoming schedule: Apr. 10 vs. Duncan and Apr. 14 vs. Gilbert Classical Academy. Both games begin at 4:00 p.m.

Copper Corridor teams well represented in AIA rankings

By Andrew Luberdia
Copper Basin News

The AIA released its first rankings, or "seedings," and statistical leaders of the season last week. Several teams and players from the Copper Corridor are among the state's leaders.

San Manuel (1st), Superior (2nd), and Ray (5th) occupy three of the top five spots in the Division IV softball state

Lobos lose to Panthers

By Andrew Luberdia
Copper Basin News

The Lobos returned to action after a week off and played one of their better games of the season, even in defeat.

The Lobos suffered a one-run loss to the Panthers, 3 - 2. The three runs allowed to the Panthers were the lowest number given up by the Lobos over the past four games. Their opponents had been averaging over 14 runs per game.

The offense continues to be a work-in-progress for the Lobos. The game against Superior marked the seventh

seedings.

In baseball, San Manuel (4th) and Ray (6th) take up two of the top six teams in Division IV. The top 24 teams qualify for the state playoffs. As of Apr. 7, Superior's seeding was 21st. If the playoffs started today, the Panthers would qualify.

Several softball players are ranked at, or near, the top of several statistical categories and are broken down by school: Ray - Stormee Galka (ERA, HR, Runs, Stolen Bases, K's,

time in their last eight games that they have scored three runs or less.

They'll need to score more runs to get back in the win column.

Upcoming schedule: Apr. 10 @ Bowie (4:00 p.m.), Apr. 12 @ Desert Christian (12:00 p.m.), Apr. 14 vs. Miami (4:00 p.m.) and Apr. 15 vs. San Carlos (3:45 p.m.).

and Wins), Savannah Willis (Catching and Stolen Bases), and Lucy Sainz (Stolen Bases).

Superior - Hunter Flanagan (Batting Avg.) and Ivie Lopez (Wins).

San Manuel - Lyana Waddell (ERA, K's, and Wins), Alyssa Cuellar (HR), and Felicia Medina (RBI, Runs, and SLG Pct.).

The baseball players ranked at, or near, the top of statistical categories include:

Local teams take top three spots in annual Knights golf tourney

Team Taylor took top honors again at last Saturday's Knights of Columbus Charity Golf Tournament at Saddlebrooke Ranch Golf Club. The tournament benefits local high school

scholarships, as well as other education projects. Steve, Paul, Bruce and Bekki Taylor finished with a 55, three strokes ahead of San Manuel Superintendent John Ryan's team which

included John Tesanovich, Jim Dennis and Jeff Hart. Ryan's team, with a 58, edged out the team of Hud White, Mark Vigil, Ralph Flores and David Garcia, who finished with a 59. "Although the top three

teams were local, we were very gratified to see teams coming from so many places," said tournament director John Wahlmeier. Teams came from Globe and Kearny as well as from the oldest KofC Council in Tucson, Council 1200, on south Tucson Boulevard and the Roy Champeau Council near Shannon and McGee according to Wahlmeier.

"I hope golfers put us on their calendars for next

year too," Wahlmeier said. "We have our tournament the first Saturday each

April, and we always have a lot of fun helping local kids," he added.

CALL 811

Before You Dig!

One simple call to 811 gets underground utility-owned lines marked for FREE.

Whether you're a homeowner or professional excavator, every digging job requires a call -- even small projects -- so be sure to:

- Call 811 at least two days before starting any digging project
- Wait for the site to be marked
- Respect the marks
- Dig with care

Not calling can be life threatening and costly. You can harm yourself or others, disrupt natural gas service to an entire neighborhood, and potentially be responsible for injuries, repair costs, and criminal penalties.

If you ever suspect a natural gas leak, call **911** and Southwest Gas at **1-877-860-6020** immediately, whether you're our customer or not.

For more information about natural gas pipeline safety, visit swgas.com/safety or call **1-877-860-6020**.
