Harry Grizzle Named Interim Chief

Harry Grizzle, the Deputy Chief for Law Enforcement in the Pinal County Sheriff's Office, will begin as Interim Chief for the four towns of Kearny, Hayden, Mammoth, and Winkelman. He has been in law enforcement since he was 20 years old, and has held every rank in all Bureaus of the Sheriff's Office. He is a holder of the Medal of Valor, and is a graduate of the FBI National Academy.

He has volunteered to serve in our midst up to 90 days, and Pinal County will cover his salary. Meanwhile, the Task Force to recommend a regional police force

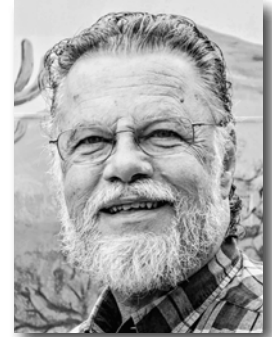

will continue its work with a meeting on Monday, May 16. Deputy Chief Grizzle will start work the middle of May. Let's all be sure to greet him warmly.

I remember this time last year, when the Rotary Club stepped up to organize the benefit auction and steak fry for our town pool, which had closed because of its deteriorating condition. It was a magical night, and Bill Dunn delighted everyone with his humor and auctioneering skills. Well, this Saturday, May 14, from 5-7 p.m. at the General Kearny Inn, the community auction and steak fry for the

pool is making its return, with all proceeds going toward the town pool. The Rotary Club is seeking the donation of items for the auction. The call is out for donated items to be auctioned off. Simply bring your donation to the General Kearny Inn, preferably by this Friday, May 13.

The pool is restored and ready for a full season. The pool surface and all its innards have been refinished or replaced, and the pool is also ADA (American Disability Association) compliant. Last summer without a pool was a very long summer

Many people have asked me about getting a new recycling operation. Pinal County has willingly worked with us and we will have a new facility. The county has asked that it be in an enclosed yard, so our delay lies in acquiring the materials and putting up a new fence. Rest assured, for it is coming! LETTER TO THE EDITOR

Cross Removal from Hwy. 60 & Hwy. 177

First, I would like to thank Supervisor Pete Rios for the attention and concern provided, to highlight blatant disregard ADOT and the State of Arizona have shown in removing memorials from Hwy. 60 and Hwy. 177.

About a week ago, Richard Mathews a friend, brought me my brother's cross which had been chopped off just above ground level, rather than being properly removed. Richard had discovered it when he went to pick up his daughter's memorial which had also been removed. Neither of us were given any prior notice in any local media about the removal of these long standing memorials. My brother's cross had been in the location beside Hwy. 177 since shortly after his death in 1983. In those 33 years we had never received any complaints or concern about the placement of his cross.

Fast forward to yesterday (adding insult to injury), my son who works at a mine near Miami, AZ, notified me that a notice of removal has been placed on my Mother's cross, dated May 3, 2016 (pictures included). Her cross had been placed in that area in early 2000. It was carefully removed by the contractor when that stretch of Hwy. 60 was widened several years ago. This removal was announced and we were given information on where to pick up the cross. At that time, we were instructed, that once construction was complete the cross could be reinstalled as long as it was not inside the fence along side the Hwy. 60. As you can see from the pictures provided, the cross was reinstalled as instructed, outside the fence (off of state land) along Hwy. 60 near Miami.

The zealously with which these memorials

are being removed from this stretch of rural highways made me further question the stated purpose of the removal, "to remove distractions". As I returned home I checked along the highway for any other potential "distractions". None of the signs or memorials which did not contain a cross or religious symbol had been touched or received notice of removal. It is beginning to appear that this is "less a matter of roadside distractions and more an issue of religious freedom or freedom of expression."

Thank you for standing up for our constitutional rights.

Who would think the rural roadsides of Arizona would need defending!!!

Queen Valley

Editor's Note: Not long after we received Mr. Wittig's letter to the editor, we received the following note from Supervisor Pete Rios. He writes,

Dear Editor,

This letter is simply to express a big thank you to your local newspapers and other statewide media that carried the story on the removal of Memorial Highway Crosses.

Because of the media's interest in this story and the response from the public to call the Governor's office, the Az. Dept. of Transportation will be reviewing their policy on highway markers. If they are not a hazard to the motoring public they will be allowed to be displayed.

/s/ Pete Rios

Pinal County Supervisor

Wittig crosses along state highways were targeted by ADOT for removal.

Aguirre named 2016 CAC Student Employee of the Year

PINAL COUNTY, Ariz. – Central Arizona College recently named Edward Aguirre the 2016 Student Employee of the Year.

Aguirre, who attends classes at the Aravaipa Campus, began taking courses at CAC his sophomore year of high school. He is studying to become a nurse and will transfer into the CAC to NAU concurrent enrollment nursing program this fall to pursue an Associate Degree of Nursing and Bachelor of Science in Nursing. His goal is to become a nurse practitioner and create a safe practice where any person, regardless of identity can receive quality health care.

Through his work as an office assistant, Aguirre believes he has developed a strong work ethic and multiple professional skills.

“I am thankful for this award. Students always felt comfortable approaching me with questions or concerns,” stated Aguirre. “I loved helping students and staff, and I enjoyed working under pressure and creating results. I worked corroboratively with the Aravaipa campus dean on multimedia projects, administrative support on College for Kids, and outreach coordinators by speaking with local high school students and facilitating new student orientations.”

Ann Mitchell, Coordinator of Student Employment commented, “Edward Aguirre is a champion for Central Arizona College. We are pleased to present him with this honorable award. The experience he has gained while attending classes and working as a student employee will benefit him throughout his career.”

LETTER TO THE EDITOR

Local educator urges voters to approve Prop 123

Arizona voters will have an important vote on May 17 to determine the increase in long term funding for Arizona Schools. Proposition 123 is a referendum that will ask Arizona voters on Tuesday, May 17 to consider an increase to K-12 school funding. If the Proposition is passed, it will infuse \$3.5 billion over 10 years into the K-12 education

system. Some of the funding will be released to schools immediately if the PROP 123 is passed.

The majority of funding will come from the increased payout from the State Land Trust (from 2.5% to 6.9%) via Proposition 123. An additional \$625 million will be appropriated from the state's general fund for K-12

education (\$50 million for five years and \$75 million for the next five years). The purpose of the PROP 123 is the Governor's plan to settle the lawsuit between the State and Arizona schools over lack of mandatory inflationary funding increases over the past years.

Ray Lady Bearcats win Championship;

By Andrew Luberda
Copper Basin News

It's never easy to beat the same team twice.

Those words proved to be true in Monday night's 2016 AIA Division V Softball State Championship Game between top-seed Ray and No. 2-seed Santa Cruz at Arizona State's Farrington Stadium.

The two teams met earlier this season on Mar. 25 and the Lady Cats made it look easy, defeating the Dust Devils 11 – 2 in game that was highlighted by Ray's seven-run seventh inning.

Ironically, it was another seven-run inning on Monday night by the Lady Cats that proved to be the difference in a game much closer than the previous one between the teams. Ray scored seven runs in the decisive third-inning

and held off Santa Cruz in the late innings to win its first State Championship in 21 years, 7-5.

Santa Cruz struck early, scoring a pair of unearned runs in the first inning.

Ray pitcher Stormee Galka walked the leadoff hitter before an error gave the Dust Devils a pair of base-runners. Two infield outs plated the first two runs of the game to give Santa Cruz a 2 – 0 lead.

The score remained that way until Ray's half of the third. Ashely Ortiz, Janae Ruiz and Galka hit consecutive singles off of Santa Cruz starter Taylor Gil. Tara Lorona was the next hitter and the freshman shortstop drove in all three runners with a bases-clearing triple to give Ray a 3 – 2 lead.

"I just knew I had to put the ball in play," Lorona said after the game about her key at bat. "I knew I had to get a

base-hit and the triple only made it better."

Senior Savannah Willis followed with a single, scoring Lorona to make it 4 – 2.

The bases were loaded again after Daniella Hinojos was hit by a pitch and Ema Alverado walked. Gil retired the next two hitters before Ashley Ortiz hit two-out, two-run single, increasing the Lady Cats' lead to 6 – 2. Ruiz, one of three Ray hitters to bat twice in the inning, drove in the seventh run with an RBI-single.

All told the Lady Cats sent 12 hitters to the plate and plated seven of them in the third.

"We knew to try to be picky (against Gil)," Ortiz told AIA reporter Les Willsey. "Just watch the ball. Both pitches I hit were down the middle."

Santa Cruz scored a pair of runs on three hits in the fourth to make it 7 – 4 and the Dust Devils had a chance

The Ray Lady Bearcats won the Division V State Championship on Monday night at Arizona State University.

seven-run third inning is the difference

to do some damage in the fifth, when they loaded the bases with no outs. Galka walked the fourth batter of the inning to allow a run, but the Player of the Year candidate retired the next three hitters in order to work out of the no-outs, bases-loaded jam surrendering any more runs.

Galka gave up a leadoff hit in the seventh, but the runner

was erased on a double-play line out by the next Santa Cruz hitter. The State Championship clinching out came on a fly ball to center field.

Ray's left-handed senior starter finished the complete-game victory, allowing five runs – three earned – on eight hits with two walks and eight strikeouts.

A Final Review of the ASU Kearny Project

By **Gerry Kaufhold**
Special to Copper Area News

Since January, the Copper Area News has been covering the Kearny River Fire Recovery Project.

Bill Dunn and the Winkelman Natural Resource Conservation District (WNRCD), the Town of Kearny, and local residents worked with 14 seniors from Arizona State University's Herberger Design School. Dr. Chingwen Cheng and her PhD candidate, Mohsen Garshasby, coordinated this project.

Dr. Cheng and her group traveled to Kearny several times to seek community input, conduct surveys, and lead interactive workshops that helped our residents tell the ASU Students what the folks in Kearny wanted.

On Thursday, April 28, the students presented a quartet of distinct proposals. Four professors from design colleges and Kearny Mayor Sam Hosler carefully reviewed and rated each presentation.

All proposals included designs for low-cost wetlands to be created south of Kearny and west of the airport bordering the

Gila River floodplain. Wetlands are effective during floods because they disperse incoming waters into numerous detention basins. This reduces the velocity of the incoming flood stream, slows down how fast the waters rise, and ultimately reduces the damage. One of the student teams showed computer simulations of 25, 50 and 100-year flood events to demonstrate how their wetlands proposal would basically keep even a 100-year flood from getting beyond the railroad tracks.

Several student teams envisioned a single beach area behind the Pioneer Park baseball fields and south of the suspension bridge along the Gila River. This area is already a natural beach used by many residents. The proposals showed improved road access, a few paved parking spaces, and areas for picnic tables with native trees for shade.

All designs included plans for removing existing Salt Cedar trees and creating 40-to-200 foot wide trail areas that act as firebreaks while also connecting existing trails up and down the river. One design provided three types of trails for pedestrians, horses, and motor-powered ATVs. They all provided lists of local

vegetation and native trees that would be introduced to replace and block re-growth of the invasive Salt Cedar

trees. Chris Postel suggested that the WNRCD might work with their affiliated group in Safford to plant and germinate

seeds for planting in these firebreak areas.

Three of the groups presented “above and beyond” concepts for an improved park on Tilbury Drive next to the Kearny Library. Plans included serpentine walkways, benches with trees for shade, signage with educational information, improved lighting and upgrading Wi-Fi access to the library.

The team lead by Yuri Lechuga-Robles suggested a “Hollywood”-sized sign, dramatically up-sizing the existing KEARNY sign at the top of Tilbury Hill. Mitchell Buglewicz’s team had an idea to provide shade trees at the existing Town Lake that would

not interfere with the pond liner.

Sam Reidhead of ASARCO drove up from Tucson, and Betty Wagner of Aravaipa also attended the day-long event.

A CD-ROM of the complete presentations will be made available, and the wall-sized posters used in the presentations will also be provided to the Town of Kearny. Thanks to all who participated!

with a pair of RBI. Janae Ruiz and Savannah Willis each had two hits and, of course, Lorona had a game-high three RBI.

“It’s the most rewarding and it feels good,” Ray head coach Rikki Galka answered when asked what it was like to see her team reach the goal it set in February. “I said many times this is my team. This team is the best I’ve coached at Ray. They came together as a family and they took care of each other. They wanted it and they never gave up.”

Galka was asked to describe her feelings about bringing the first state championship since 1995 back to Kearny.

“It’s just awesome because our school is a small school and we have pride, we work hard and it feels good to do something for our school and our community,” she responded. “These kids deserve it. They’ve worked hard since day one – for years.”

Monday night all the hard work finally paid off.

Congratulations, Ray Lady Bearcats’ players, coaches, and staff!

The Arizona State Board of Nursing recently released 2015 annual pass rates for nursing assistant training programs throughout Arizona. There were approximately 4,491 first-time candidates in 2015. Candidates are required to

score a minimum of 75% on the written exam and 80% on the skills test to pass and become a Certified Nursing Assistant. The 2015 Arizona average first-time pass rate was 86% for the written exam and 76% for the skills test.

Spring 2016 GCC Gila Pueblo Campus Nursing Assistant students and instructors.

Gila Community College's Gila Pueblo Campus in Globe had 44 nursing assistant students test in 2015 with 95% passing the written exam the first time and 86% passing the skills test the first time. The GCC Payson Campus had 31 nursing assistant students test in 2015 with 90% passing the written exam the first time and 87% passing the skills test the first time.

Gila Community College congratulates their students and their instructors for these outstanding results. CNA Instructor, Anjanette Bolinger, says "we instructors here at Gila Community College strive to provide the best educational experience for our students. The nursing assistant program is the foundation for all nursing in our community, and the nursing students have and will continue to lead with strength, compassion, and love."

The next Nursing Assistant (NUR 100) classes will be offered this fall. Anjanette Bolinger will be teaching NUR 100 Mondays, Tuesdays, and

Wednesdays from 8:30 am to 11:20 am, August 22nd through October 12th at the Gila Pueblo Campus in Globe. Deborah Eldredge will be teaching NUR 100 Wednesdays and Fridays from 5:30 pm to 8:50 pm August 24th through December 15th at the Payson Campus. Students can enroll in one of these classes by calling the Gila Pueblo Campus at 928.425.8481 or by visiting the campus at 8274 South Six Shooter Canyon Road in Globe or by calling the Payson Campus at 928-468-8039 or by visiting the campus at 201 North Mud Springs Road in Payson.
