Cross Removal from Hwy. 60 & Hwy. 177

First, I would like to thank Supervisor Pete Rios for the attention and concern provided, to highlight blatant disregard ADOT and the State of Arizona have shown in removing memorials from Hwy. 60 and Hwy. 177.

About a week ago, Richard Mathews a friend, brought me my brother's cross which had been chopped off just above ground level, rather than being properly removed. Richard had discovered it when he went to pick up his daughter's memorial which had also been removed. Neither of us were given any prior notice in any local media about the removal of these long standing memorials. My brother's cross had been in the location beside Hwy. 177 since shortly after his death in 1983. In those 33 years we had never received any complaints or concern about the placement of his cross.

Fast forward to yesterday (adding insult to injury), my son who works at a mine near Miami, AZ, notified me that a notice of removal has been placed on my Mother's cross, dated May 3, 2016. Her cross had been placed in that area in early 2000. It was carefully removed by the contractor when that stretch of Hwy. 60 was widened several years ago. This removal was announced and we were given information on where to pick up the cross. At that time, we were instructed, that once construction was complete the cross could be reinstalled as long as it was not inside the fence along side the Hwy. 60. As you can see from the pictures provided, the cross was reinstalled as instructed, outside the fence (off of state land) along Hwy. 60 near Miami.

The zealousness with which these memorials are being removed from this stretch of rural highways made me further question the stated purpose of the removal, "to remove distractions". As I returned home I checked along the highway for any other potential "distractions". None of the signs or memorials which did not contain a cross or religious symbol had been touched or received notice of removal. It is beginning to appear that this is "less a matter of roadside distractions and more an issue of religious freedom or freedom

Local educator urges voters to approve Prop 123

Arizona voters will have an important vote on May 17 to determine the increase in long term funding for Arizona Schools. Proposition 123 is a referendum that will ask Arizona voters on Tuesday, May 17 to consider an increase to K-12 school funding. If the Proposition is passed, it will infuse \$3.5 billion over 10 years into the K-12 education system. Some of the funding will be released to schools immediately if the PROP 123 is passed.

The majority of funding will come from the increased payout from the State Land Trust (from 2.5% to 6.9%) via Proposition 123. An additional \$625 million will be appropriated from the state's general fund for K-12 education (\$50 million for five years and \$75 million for the next five years). The purpose of the PROP 123 is the Governor's plan to settle the lawsuit between the State and Arizona schools over lack of mandatory inflationary funding increases over the past years.

Thank you for standing up for our constitutional rights.

Editor's Note: Not long after we received Mr. Wittig's letter to the editor, we received the following note from Supervisor Pete Rios. He writes,
Dear Editor,

This letter is simply to express a big thank you to your local newspapers and other statewide media that carried the story on the removal of Memorial Highway Crosses.

Because of the media's interest in this story and the response from the public to call the Governor's office, the Az. Dept. of Transportation will be reviewing their policy on highway markers. If they are not a hazard to the motoring public they will be allowed to be displayed.

Aguirre named 2016 CAC Student Employee of the Year

PINAL COUNTY, Ariz. – Central Arizona College recently named Edward Aguirre the 2016 Student Employee of the Year.

Aguirre, who attends classes at the Aravaipa Campus, began taking courses at CAC his sophomore year of high school. He is studying to become a nurse and will transfer into the CAC to NAU concurrent enrollment nursing program this fall to pursue an Associate Degree of Nursing and Bachelor of Science in Nursing. His goal is to become a nurse practitioner and create a safe practice where any person, regardless of identity can receive quality health care.

Through his work as an office assistant, Aguirre believes he has developed a strong work ethic and multiple professional skills.

“I am thankful for this award. Students always felt comfortable approaching me with questions or concerns,” stated Aguirre. “I loved helping students and staff, and I enjoyed working under

pressure and creating results. I worked corroboratively with the Aravaipa campus dean on multimedia projects, administrative support on College for Kids, and outreach coordinators by speaking with local high school students and facilitating new student orientations.”

Ann Mitchell, Coordinator of Student Employment commented, “Edward Aguirre is a champion for Central Arizona College. We are pleased to present him with this honorable award. The experience he has gained while attending classes and working as a student employee will benefit him throughout his career.”

About CAC

For more than 45 years, Central Arizona College has been serving and educating the diverse communities of Pinal County. With eight campuses and centers located strategically throughout the county, CAC provides accessible, educational, economic, cultural, and personal growth opportunities for those of all ages.

Nature art workshop, Scarborough talk highlight big weekend at Oracle State Park

Local artist Aviva Gold will present a workshop that guides participants in creation of a personal art piece on Saturday, May 21, at Oracle State Park. The following day, widely known geologist Bob Scarborough will give a program on “Geology of the Catalina Mountain Region” and lead a trail walk. Both events are free with park admission.

Art Medicine Woman and internationally acclaimed author, artist, and therapist, Gold is a master facilitator of “Drawing from the Source.” No art experience is necessary, but reservation is required for the 2 p.m. workshop, due to limited space. Her workshop begins outside with participants taking a short solitary walk or sitting quietly to take in the surrounding beauty. Participants then create a spirit drawing in oil pastels and nature materials that expresses their experience. Presented with the support of Friends of Oracle State Park.

Scarborough’s program begins at 9:30 a.m., and covers the geology of Oracle State Park, San Pedro River Valley, Galiuro range, and local mountains. Reservation suggested.

Oracle Sate Park park is open 8 a.m.–5 p.m. on Saturdays and Sundays; park admission is \$7 per car at the main gate on Mt. Lemmon Rd. in Oracle.

Reservations are made by calling the park office at 520-896-2425. Up-to-the-minute Oracle State Park event information is always posted on the state parks website: www.azStateParks.com/Parks/ORAC.

Be sure to mark your calendar for a Live Music and Star Party event on Saturday, June 25. Details will be posted on the website.

Guided tours of the historic Kannally ranch house are scheduled for 11 a.m. every Saturday and Sunday. The 45-minute tour visits rooms and patios extending down the hillside. The multi-level Mediterranean-Revival style house, built in 1929-33 by one of the earliest cattle ranching families in Oracle, is listed on the National Register of Historic Places. An exhibit of impressionistic-style cowboy paintings by self-taught artist Lee Kannally is on display in the living room and dining room.

For information about all 28 Arizona State Parks, the Trails and Off-Highway Vehicle Programs, and the State Historic Preservation Office, call 800-285-3703. Campsite reservations can be made online at AZStateParks.com or by calling the reservation call center at 520-586-2283. San Manuel High School's Top Ten honored

Celebrating the cream of the crop and the top of the heap, last week the Mammoth-San Manuel Education Foundation sponsored a special dinner at Nonna Maria's Restaurant in Oracle for this year's Top Ten students. Students brought their families and were allowed to invite one of their teachers, one who influenced and inspired them, to the dinner. Members of the Mammoth-San Manuel School Board also attended the dinner. And the Top Ten are, from left: front, Peter West, Stephanie Morris, Mariah McBride, Michaela Esquivel, Nicole Encinas, and Morgan Fisher; back, Ashley Vargas, Theresa Sweeney, Sabrina Robles, and Jacob Reidhead. Congratulations to all these hard working young men and women!
