AVOID BACK STRAIN

Lifting
Don't bend over with legs straight or twist while lifting. Avoid trying to lift above shoulder level. These positions may cause injury.

Standing/Walking
Don't stand in one position too long. Don't bend forward with straight legs, or walk with poor posture. Don't wear high-heeled or platform shoes when standing or walking for long periods of time.

Driving
Don't drive sitting far back from the wheel. Stretching for the pedals and wheel decreases low back curve and produces strain.

Sitting
Don't sit in a chair that's too high or too far from your work—avoid leaning forward and arching your back. Don't slump.

Sleeping
Don't sleep or lounge on soft, sagging, non-supporting mattresses or cushions. Swayback and leg strain will result, especially when sleeping on your stomach.

AVOID SWAYBACK!

Seasons end for Lobos, Lady Lobos in first and second rounds in state finals

By Nathaniel A. Lopez
Copper Basin News

The Hayden baseball team started off last week with a victory over Lincoln Prep. The Lobos got a lead in the first inning, and by the third inning they were up by three runs. Hayden's defense played a solid game, only allowing one run to get passed them in the first inning. The game ended with a 5-1 score.

On Friday, May 7, the Lobos traveled to compete in the first round of the 1A baseball state championship playoffs. They were matched up to play against Anthem Prep. Starting off with a rough 0-0 first inning, the Lobos were able to post 3 runs in the second inning. Anthem Prep was down by one at the start of the sixth, but by the bottom of that inning they were up by two runs. The Lobos were unable to come back in the sixth or seventh, resulting in a 3-5 loss.

The Lobos close out their season with an even 8-8 record.

The Lady Lobos started their week off by defeating Valley Union, and continuing their winning streak. The final score of the game being 20-2.

On May 7, the Lady Lobos competed in the first round of the 1A softball state championship playoffs, where they faced off against Mogollon. The Lady Lobos once again ended the night with a victory, with a final score of 21-4. The following day, the girls competed in the quarterfinals, where they faced off against Williams. Unfortunately the Lady Lobos were unable to best Williams, resulting in a 20-3 loss, concluding their quest for state, and ending their season.

The Lady Lobos ended their season with a 7-10 record.

Congratulations to both teams for making it to the playoffs.

Paths to great careers.

Bearcats head to the semi-finals on Friday after two stellar victories in the playoffs; Lady 'Cats end season in first round

By Nathaniel A. Lopez
Copper Basin News

The Ray softball team began last week with a victory over Fort Thomas.

The game started with the Lady Bearcats leading with a one run lead. By the top of the third, Fort Thomas was able to catch

up making it a 2-2 tie. Although, the tie only lasted until the Lady Bearcats took bat, scoring three runs for the third inning, followed by a five-run fourth inning and an eight-run fifth inning. Fort Thomas was unable to catch up, resulting in a 19-9 final score. Isabella

Wernett lead the team with 4 hits. Jocelyn Ruiz is credited with the victory for Ray, pitching all six innings, allowing nine runs on 6 hits, while striking out 11.

On Friday, May 7, The Lady Bearcats traveled to compete in the first round of the 1A softball state championship playoffs. Their match-up was against Superior. This would be the third time that they played against Superior, with a 1-1 record against them. The Lady Bearcats started off slow, not posting any runs until the third inning, putting them behind by five. The girls were unable to close the gap, which resulted in a 3-22 loss for the Lady

Bearcats, ending their journey to the finals, and closing out their season.

The Lady Bearcats ended their 2021 season with a 4-9 record.

As for the Bearcat baseball team, their week didn't start until their May 7, first round state playoff game against Mohave Accelerated. The Bearcats came out hot, with a three-run first inning, followed by a five-run second, a six-run third, and a five-run fourth. The Bearcats didn't let Mohave Accelerated put one run up on the board. The game concluded by the bottom of the fifth, with a 19-0 victory for the Bearcats. Johnavon Pace and Derek Figueroa lead the team at the plate with 3

hits each, Figueroa with 7 RBIs and Pace with 3. Isaac Dowler-Robles pitched all five innings, allowing one hit while getting seven strikeouts.

The following day, the boys continued their quest to make it to the state championship finals. The Bearcats played Tempe Prep in their quarterfinals match-up. Starting off a little slow, and down by one run at the top of the second, the Bearcats were quick to reverse the score difference. The boys walked away victorious, with a final score of 12-5.

"After finishing the regular season with a tough loss and a cancellation, these boys came out and played some great baseball

in the first two rounds of the playoffs," said assistant coach Scott Warren. "The pitching performances by Isaac, Jack, and Tracon were outstanding. The hitting was phenomenal, up and down the line-up. I'm really proud of every one of these young men and how they have played. Now we have to carry that energy and grit into the semifinals."

The Bearcats will face Bagdad in the semifinals on Friday, May 14.

Wildfire season is one more reason for drivers to use extra care; don't let your vehicle be the cause of a wildfire

PHOENIX - As warm, dry weather settles into our state, the Arizona Department of Transportation is urging drivers to use extra care with their vehicles to reduce the chance of igniting a wildfire.

Motorists should take preventative measures to reduce the risk that a spark from a vehicle or trailer doesn't result in dry vegetation catching fire. A few tips include:

- Dragging chains while something is being towed can cause sparks; Check and fasten the chains before starting your trip.
- Make sure nothing is hanging under your vehicle or dragging on the pavement.
- Check tire pressure before traveling. If a tire is with less air pressure, the tire can cause sparks.
- Do not park where there is tall grass since the heat from the bottom of the vehicle can cause a fire.

In some areas of the state, ADOT overhead message boards will carry wildfire safety reminders with some listing AM radio frequencies that offer more localized wildfire information.

For more information on preventing brush fires, visit FocusOnDriving.com. The Arizona Interagency Wildfire Prevention website provides information about active fires.

Shop at Home: Kearny Life Center

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 60 businesses in the Copper Corridor.

Deemed an essential business, Kearny Life Center was able to stay open through the hardest part of the pandemic.

Kearny is fortunate to have not one, but two excellent Chiropractors! Doctors Glenn Azzari and Victor Khoury's Kearny Life Center is celebrating 20 years of personalized chiropractic care to residents of the Copper Corridor.

Dr. Victor Khoury DC was raised in New York and moved to Phoenix in

1985. He has always been interested in healthcare and was looking into a holistic, natural, and non-invasive way to helping sick people get well. Chiropractic was the perfect fit. He graduated from the Los Angeles College of Chiropractic and has been licensed in Arizona since 1996. His undergraduate degree is from Arizona State University so he is a Sun Devil. Ask him about his interesting job while he was a student at ASU.

Dr. Glenn Azzari was raised in the colorful state of New Jersey, and graduated from the Life University in Mariette, Georgia. He is a fan of the Georgia Bull Dogs teams, and a scratch golfer.

He started his practice in Fountain Hills but came out to help Michael Cole way back in 2000. Good things happened and the Kearny Life Center is celebrating its 20th year of providing high-quality personalized Chiropractic healing to the entire Copper Corridor area. Congratulations!

The chiropractors hired Taylor Deepe to take over helping as receptionist, insurance billing, record keeping and general office duties.

Kearny Life Center is located at 384 Alden Rd. in Kearny. Dr. Azzari is here every Monday and Dr. Khoury is here every Thursday. Office hours are 10:30 a.m. to 12:30 p.m. and 2-5 p.m. Call for an appointment at 520-363-7734. Editor's Note: This article was written by Gerry Kaufhold. Thanks, Gerry.
