LETTERS TO THE EDITOR

Reader has issue with supervisor response

I would like to respond to Spvsr. Rios' article dated 4-22-15. In it, Rios made some claims that I can and will prove that he is being untruthful. He implied that I had accused him of colluding with other supervisors publicly and I will now call him out on it. I challenged him in a previous letter to the editor to show proof of my accusation and he responded by using superfluous and generic claims that I had sent emails to others with the accusation. But did NOT produce one single copy of any alleged email. This is a typical response that I would expect from a politician that is purposefully, being disingenuous. By obfuscating and redirecting the focus of the issue, he shows his true colors along with never producing one piece of evidence. But, Mr. Rios, the challenge still remains: As once stated, "show me the money"!

On another issue, that is even more revealing of the true character (or lack thereof) of Mr. Rios is that in the same article, he stated that he had been invited by the Oracle Neighborhood Watch, that I was a member of (actually, I'm the Coordinator) to attend a mtg. And that shortly thereafter, he had been dis invited and implied that I had something to do with the "un-inviting". Mr. Rios, you sir, are being blatantly untruthful as well as inept, as you apparently didn't do your research into this issue. To prove it, all I have to do is to advise you that YOU WERE NEVER INVITED TO A NEIGHBORHOOD WATCH MTG. Nor were you ever uninvited to said mtg. And this can be verified by the assist. coord. Cyrus Miller Jr. and/or the membership.

The facts are, that another grp. in Oracle, called We The

Rose Law Group and the county supervisors

On April 24, 2015, the Rose Law Group sponsored a breakfast at their law office in Scottsdale for Pinal County Supervisors House and Smith.

The Group spokesperson released a written announcement concerning the breakfast that stated: "Rose Law Group has always supported District 4 Supervisor, Anthony Smith and District 5 Supervisor, Todd House as they have such a business friendly balanced approach to governance. We...are so happy to have them as County Supervisors....While there is no cost to attend (the breakfast), if you feel inclined to contribute to their campaigns as we do (Todd House campaign donation-2014-\$1000.00), contributions are limited to 2,500 per individual."

In February, 2015, the Rose Law Group argued for the approval of eight outdoor marijuana grow areas and approximately ten marijuana dispensaries in Pinal County. Supervisors House and Smith voted to approve a change to a zoning ordinance that can bring about the open grow farms, even though the Pinal County Planning

People, invited you and then un-invited you. I am aware of this only because a member of that grp. told me of this situation (not that I blame them for turning you away). I am not a member of that grp. and don't attend their meetings although I support their cause. You and anyone of your few supporters can verify this with their leader Jane O'mahen or her secretary Laura. Frankly, any member of that grp. will corroborate it.

Also, maybe you could enlighten us as to who supposedly sent you an email uninviting you to their

mtg. It does truly seem amazing all of these so-called mysterious emails that you are receiving from equally mysterious people.

But the bottom line here, is that Mr Rios is either intentionally attempting to conjure (Rios' own words directed at me) up falsehoods or he is extremely inept. Maybe a little of both. It will be my endeavor to expose him to the public, as they surely deserve better.

Sincerely,
/s/ Ron Thompson

Kearny man killed during officer involved shooting

Pinal County Sheriff's Detectives are investigating an officer-involved shooting that proved fatal for a Kearny man.

On Friday, May 8, Kearny Police Department requested the assistance of the PCSO-Criminal Investigations Bureau following a shooting that occurred in the 59700 block of E. Bidegain Pl., Kearny.

According to Tim Gaffney, PCSO Public Information Officer, detectives learned that at 11:03 p.m., a woman called 9-1-1 to report that her husband had returned to their house. The dispatcher reported hearing yelling and screaming in the background. The husband was later identified as Shaun Johnson, 35.

Kearny Police Officers told detectives that they had contacted Johnson earlier in the evening after he had been asked to leave a local bar; he had reportedly been causing a disturbance.

As KPD officers arrived in the neighborhood, they met the woman as she was walking down the street with her children. She told officers that her husband, Johnson, was

inside the residence.

According to PCSO, as two KPD officers approached the residence, Johnson charged out at them, swinging a Samurai sword. "The officers gave repeated verbal commands for him to drop the sword," PCSO Sheriff Paul Babeu said, "but he refused." Johnson turned and ran behind the residence still carrying the sword. As officers chased after him, they rounded a corner and Johnson was waiting for them with the sword above his head in a striking stance.

"An officer who was 6 to 8 feet away from him feared for his safety and fired four rounds from his department issued handgun, striking Shaun in the chest," Babeu said. "(He) received emergency medical attention at the scene, but was pronounced deceased."

The case remains under investigation by PCSO detectives. PCSO Detectives are continuing with the investigation at this time.

The Pinal County Sheriff's Office provided a photo of the Samurai-type sword used during an officer involved shooting in Kearny.

Marsha Alice South, 63, of Oracle, passed away in her sleep on May 6, 2015.

Born Marsha Poss in Quinn, SD on July 3, 1951, she moved with her family to Arizona in 1957. In 1970, she married Dale South in Oracle where they lived and raised their family. Together, they were active members at Living Word Chapel.

She enjoyed sewing, crafting, and reading. She studied American Sign Language at Pima Community

College, and enjoyed working with and interpreting for the deaf community at the Arizona Relay Service.

Marsha was preceded in death by her son, Jeremy South; her brother, Claude Poss; her beloved husband, Dale South; and her father, Robert Poss. Marsha is survived by her mother, Alice Poss; her daughters, Kristina (Tom) Myers and Stacy (Kevin) Goldstein; four grandsons, Jeffery Myers, Michael Myers, Riley

Goldstein, and Ethan Goldstein; a granddaughter, Jourdan Myers; as well as many aunts, uncles, cousins, nieces and nephews.

There will be a small graveside service for close family members. A celebration of life will be announced at a later date.

Debra Kay Funderburg

Debra Kay Funderburg, 53, joined the Lord on April 30, 2015, after losing her battle with cancer. Debra passed away very peacefully at her home in Oracle.

She was born in Cottonwood, AZ, to parents Mary and Ivan Funderburg. Shortly after Debra was born, her family moved to Tucson where she grew up and lived most of her life. In 2005, Debra moved to Oracle. She always wanted to live in a small town; she ended up falling in love with Oracle and all the people.

Debra went to the University of Arizona for a degree in Graphic Arts. She was an art teacher and worked with special needs students for the Tucson Unified School District. That work became her passion. Debra loved helping people and making them laugh; she was a very caring, giving and loving person.

Debra loved to rock climb when she

was younger. She loved camping, fishing, tubing down the Salt River, being next to the ocean and the Grand Canyon. She loved spending time with her family, her loving husband-to-be Andy Miller, her best friends Pattie and Jeff, all her friends and most of all her daughter, Sedona Funderburg.

It was Debra's wish for her ashes to be laid to rest in Sedona, Arizona, in the beautiful red mountains, where she and Andy planned to spend the rest of their lives. Debra will always be in our hearts and be very deeply missed, but never forgotten. We will treasure the memories we had with her and thank her for letting us be a part of her beautiful life.

She is survived by her beautiful daughter, Sedona Funderburg; loving husband, Andy Miller; brothers, Bruce (Leanna) Funderburg and David Funderburg;

sister, Gloria Funderburg; parents, Mary and Ivan Funderburg; brothers-in-law, Thom (Diana) Miller, Dan (Carissa) Miller and Jerry (Letha) Miller; nephews, Josh Funderburg, Zacary Miller, Josh Miller, Jerry Michel Miller, Thomas Miller, Seth Miller, Jacob Miller and Levi Miller; nieces, Hiedi Funderburg, Rhnea Funderburg, Holly Miller and Rachel Miller; and great-niece, Sofia.

Memorial services will be held at the Living Word Chapel in Oracle on May 16, 2015, at 11 a.m. All are welcome to celebrate Debra's beautiful life. The family will also have a private gathering.

and Zoning Commission voted 9-1 against the ordinance change, and the Pinal County Sheriff's Office and multiple citizens groups and individuals also strongly voiced their opinions not to approve the firm's effort. According to news reports, Smith and House labeled this open grow marijuana effort as the "grand experiment."

The associated nuances of the Rose Law Group sponsored breakfast and the critical political issues now facing Pinal County are, at least to me - a taxpayer and Pinal County citizen - bothersome. For the record, I am opposed to the legalization of marijuana, as I am equally opposed to the recent raising of Pinal County property taxes. There are those who suggest that legalization of marijuana will lower property taxes, and perhaps that is true, but I doubt it. I propose however, that the connective costs to Pinal County taxpayers as a result of the negative effects (especially on our youth) of the legalization of marijuana will be - ultimately - colossal in both financial and societal perspectives.

Gila and Pinal County Boards of Supervisors Combine Forces to Help Hayden Senior Center

According to a 2014 Census Bureau report – Statistics show in 2010, there were 40.3 million people aged 65 and above in the U.S. That is 13 percent of the United States population.

That number, to no one's surprise, is growing. The trend is very evident here in the Copper Corridor.

We are very fortunate to have people who are working to ensure our elderly and most vulnerable in our communities are fed and nourished. The Hayden Senior Center is one of those groups who supplies many seniors within both Gila and Pinal Counties with a warm meal. Some of them gather for lunch at the senior center, the vast majority have their meals delivered to them.

Since the revaluation of ASARCO LLC copper company and huge reductions in their property value and cut-backs by the State of Arizona in revenue sharing funds, both the county and the Town of Hayden have taken a huge hit to their budgets and have been struggling. A trickle-down effect of the loss in revenue from the property taxes and revenue sharing has been an enormous budget deficit in town operations, including the Senior Citizen Center.

I was honored to see my counterparts on the Gila County Board of Supervisors donating \$30,000 to help keep the Senior Center operating and to serve this area's senior population. It was a very generous and wise use of their scarce public funds.

As I was aware that many of the seniors

fed and cared for by the Hayden Senior Center were from Pinal County, I placed an agenda item on the Pinal County Board of Supervisor's agenda for a donation to the Senior Center as well.

In the month of March, 2,600 congregate and home delivered meals were served to area seniors – more than half of those meals were delivered to Pinal County residents across the Copper Corridor, ranging from Superior to SaddleBrooke. Many of these meals are delivered to people who are homebound and cannot travel. For many of our seniors this will be the only meal they will have for the day. Staff from the Hayden Senior Center also do welfare checks on these folks to ensure their safety.

The original motion that I requested was for \$10,000, but thanks to my fellow board members understanding the seriousness of this issue, they unanimously supported and approved my amendment to increase the amount to \$20,000 for the Senior Center. Paraphrasing my fellow board member Steve Miller: Government takes over the role that the

private sector will not.

Simply put, this is our role. It is a moral imperative that we are doing all we can to help our seniors and most vulnerable.

LETTER TO THE EDITOR

Sun Life grateful to legislators for their bipartisan support for health care

When we talk about healthcare, it's important to remember that even though more Americans have health insurance coverage these days, millions of people still struggle to find a place to go for regular preventative care. A key part of the solution lies in our nation's Community Health Centers, which have provided quality, affordable care for 50 years.

Recently, Sun Life Family Health Center in Pinal County, and many like it across the nation, faced an uncertain future and a massive funding cut that could have hurt patients and cost jobs. Yet, thanks to the leadership of Senators John McCain, Jeff Flake and many others, we can now continue our mission to serve patients for another 50 years.

They heard us when we joined thousands of advocates in Washington and met with our senators and representatives to urge passage of legislation that would avert our "funding cliff." In a rare bipartisan act, they passed H.R. 2, which ensures that access to care at health centers like ours are not put at risk and will

continue health center mandatory funding for another two years. As a result, Sun Life will continue to save the healthcare system money by keeping patients out of emergency rooms and by more effectively managing chronic conditions. We can also help people stay healthy, and create jobs in our communities.

All too often, as a nation, we have been cynical about government and our leaders in office. Today, however, we at Sun Life are grateful. Thank you Senator McCain, Junior Senator Flake, and State Representatives Ann Kirkpatrick (D), Martha McSally (R), Raul Grijalva (R), Paul Gosar (R), Matt Salmon (R), Ruben Gallego (D), Trent Franks (R), and Kyrsten Sinema (D) for your bipartisan vote that protects funding for health centers and ensures future generations have access to care when they need it.

Thank you,

BHP makes donation for Project Graduation

The San Manuel Elks' Project Graduation got a big boost from BHP last week. Grace Gonzales (center) and Gerald Brunskill (right) presented a check for \$5,000 to Project Graduation Co-Chair Tom Miller in support of the event. Miller told the San Manuel Miner that it takes more than \$15,000 to host Project Graduation, most donations coming from local companies like BHP. Project Graduation is an all night lock-in party for all local graduating seniors plus one of their friends on the night of graduation. The Elks provide food, soft drinks, movies, games and lots of prizes to entice the kids to stay the entire night. In the morning, several laptop computers and sometimes other big ticket items are given away in a random drawing. The top prize, of course, is a car. This year's car is a 2000 Pontiac Grand Prix.

Scholarship Opportunity

As a proud member of National Foundation for Women Legislators (NFWL), I am excited to announce that this organization is partnering with the National Rifle Association to sponsor an academic scholarship for female students who will be attending college or are currently attending college.

Winners receive a \$3,000 college scholarship and an expense-paid trip to attend NFWL's Annual Conference. At the Conference, these young ladies speak, receive leadership training, and network with lawmakers. For several winners in prior years, their NFWL scholarship made the difference in funding their attendance at college. Nearly all winners have found their passion for public leadership ignited or strengthened.

I am excited about this scholarship and encourage all female students in Pinal County to apply. I would like to see a young woman from Pinal County win this scholarship.

This year, the eighteenth annual Bill of Rights Essay Contest of NFWL and the National Rifle Association will award six female high school juniors and seniors with a \$3,000 college scholarship. The six winners will receive a trip to the 2015 NFWL Annual Conference, September 11-15 in Oklahoma City, OK.

To find out more information about this scholarship, please go to this URL: <http://goo.gl/V1oz72>.

Miners denied softball 'three-peat'

By Andrew Luberd
San Manuel Miner

One first caused another for the third-seeded Lady Miners softball team in Monday's Division IV State Championship game versus fifth-seeded Superior.

For the first time this season the Lady Miners were shutout, resulting in them not being crowned as state champions for

the first time in three years.

Superior sophomore pitcher Ivie Lopez threw a complete-game four-hit shutout against San Manuel, one of best of hitting teams in the state with a .442 batting average.

The Miners were trying for their 10th state softball championship.

"We're better hitters than that," San Manuel head coach Deanne Brewer told azcentral sports after the 4 - 0 loss. "It's

an honor to be here, obviously. We're just a little disappointed because we thought we'd come out a little better."

The Miners had their best opportunity to score some runs off Lopez in the sixth, when they loaded the bases with two outs, but the threat ended when Nicole Encinas lined out sharply to Superior shortstop Gabby Salcido.

Miners' ace pitcher Lyana Waddell pitched well, holding the Panthers to only

one run through five innings. She allowed only three runs on seven hits in the game while striking out four. A two run homer off the bat of Superior' Phalicitee Thomas in the sixth inning was the big blow in the game.

The Miners stranded 10 runners on base during the game, further failing to help their cause.

San Manuel finished its state runner-up season with a record of 23 - 7.

State Science Fair Winner!

Rachel Nehmeyer, granddaughter of San Manuel resident, Roger Wilson, recently won the Middle School Excellence award and 2nd place Grand award in Animal and Plant Sciences at the Southern Arizona Research, Science and Engineering Fair (SARSEF) for her entry, *Harvested H2O: Hype or Health?*, in March. She then went on to win the state's 2nd place award in Plant Sciences at the Arizona Science and Engineering Fair in Phoenix in April. Rachel's project tested a variety of water harvesting techniques, and her results supported the benefit of rainwater harvesting for plant health. She plans to continue investigating different aspects of water harvesting and its benefits for our desert communities. She is a 7th grade student at Casas Christian and the daughter of Edna (Wilson) and Leonard Nehmeyer, both graduates of San Manuel High School.

Alec Newman achieves rank of Eagle Scout

By **John Hernandez**
San Manuel Miner

It's been a long wait since the last Scout from the Tri-Community reached the pinnacle of Scout ranking, but Alec Newman has done it.

Alec earned the rank of Eagle Scout and was honored at the Troop 822 Eagle Court of Honor held at the San Manuel Elks Lodge on Sunday May 3, 2015.

Alec became the first young man in 16 years to attain the rank of Eagle Scout in San Manuel.

The event started with a luncheon. Following the opening by troop 822 Patrol Leader Michael Garcia and the

presentation of the colors and pledge of allegiance. Dr. Jane Newman gave the invocation.

Doug Rivard administered the Eagle Scout oath and presented Alec with his badge. Alec was then presented a neckerchief and medal by his parents, Terry and Cheryl. Alec then presented them with parent pins. Alec also presented a mentor pin to John Eckert who was also an Eagle Scout. Four other Eagle Scouts were in attendance for the presentation.

Following the ceremonies, everyone enjoyed dessert and drinks.

Congratulations to Alec and his proud parents.

Mammoth STEM School holds pet show to raise money, collect donations for Tri-Community Food Bank

The First and Second Grade class had a Pet Show at Mammoth Elementary STEM School on Wednesday, May 6th 2015. Our class wanted to have a Pet Show because everybody wanted to share their pets with each other. We asked for donations of \$0.50 or a can of food to give to the Mammoth Food Bank. It was both fun and a community service.

We worked on getting the Pet Show ready for about two weeks. First we made posters that told about the Pet Show. These posters were advertising for our Pet Show. We put the posters outside around the school so that people would want to come.

Next, we made posters to explain about our pets that we were bringing. They told the pets name, what they like to do, who they belong to, and what kind of animal they are. On the morning of the Pet Show, these posters were hung at the pets' spot.

Before the Pet Show started, we took chairs outside so parents could sit down. We set up a desk outside to keep track of who brought a donation of \$0.50 or a can of food for the Mammoth Food Bank. When the parents got to the school we had to put the pets down. Dogs and a rooster were outside. Inside, we separated the hamster and the rat from the tortoise and salamander.

After everything was set up, the students from Headstart to sixth grade came. Teachers, parents, and school staff also came to see the pets. We showed them the dogs, puppies, and rooster first. Then we showed them the hamsters, salamander, desert tortoise and the rat.

Everyone that came was happy. They liked to see the pets. The Mammoth STEM preschoolers favorite animals were the puppies. "I think it went great because everyone got to see the pets and some of them were laughing," said

second grader Gyannah. Not only was it exciting, but we raised 126 cans of food and \$27.00 for the Mammoth Food Bank.

The first and second graders at Mammoth Elementary STEM school would like to thank Nina Crowder, the teachers and staff, and the students for coming to their

Pet Show. They really appreciate that their parents brought their pets and stayed to watch the Pet Show as well.
