# Kearny man killed during officer involved shooting

The Pinal County Sheriff's Office provided a photo of the Samurai-type sword used during an officer involved shooting in Kearny.

Pinal County Sheriff's Detectives are investigating an officer-involved shooting that proved fatal for a Kearny man.

On Friday, May 8, Kearny Police Department requested the assistance of the PCSO-Criminal Investigations Bureau following a shooting that occurred in the 59700 block of E. Bidegain Pl., Kearny.

According to Tim Gaffney, PCSO Public Information Officer, detectives learned that at 11:03 p.m., a woman called 9-1-1 to report that her husband had returned to their house. The dispatcher reported hearing yelling and screaming in the background. The husband was later identified as Shaun Johnson, 35.

Kearny Police Officers told detectives that they had contacted Johnson earlier in the evening after he had been asked to leave a local bar; he had reportedly been causing a disturbance.

As KPD officers arrived in the neighborhood, they met the woman as she was walking down the street with her children. She told officers that her husband, Johnson, was inside the residence.

According to PCSO, as two KPD officers approached the residence, Johnson charged out at them, swinging a Samurai sword. "The officers gave repeated verbal commands for him to drop the sword," PCSO Sheriff Paul Babeu said, "but he refused." Johnson turned and ran behind the residence still carrying the sword. As officers chased after him, they rounded a corner and Johnson was waiting for them with the sword above his head in a striking stance.

"An officer who was 6 to 8 feet away from him feared for his safety and fired four rounds from his department issued handgun, striking Shaun in the chest," Babeu said. "(He) received emergency medical attention at the scene,

but was pronounced deceased."

The case remains under investigation by PCSO detectives. PCSO Detectives are continuing with the investigation at this time.

## LETTER TO THE EDITOR

### Rose Law Group and the county supervisors

On April 24, 2015, the Rose Law Group sponsored a breakfast at their law office in Scottsdale for Pinal County Supervisors House and Smith.

The Group spokesperson released a written announcement concerning the breakfast that stated: "Rose Law Group has always supported District 4 Supervisor, Anthony Smith and District 5 Supervisor, Todd House as they have such a business friendly balanced approach to governance. We... are so happy to have them as County Supervisors....While there is no cost to attend (the breakfast), if you feel inclined to contribute to their campaigns as we do (Todd House campaign donation-2014-\$1000.00), contributions are limited to 2,500 per individual."

In February, 2015, the Rose Law Group argued for the approval of eight outdoor marijuana grow areas and approximately ten marijuana dispensaries in Pinal County. Supervisors House and Smith voted to approve a change to a zoning ordinance that can bring about the open grow farms, even though the Pinal County Planning and Zoning Commission voted 9-1 against the ordinance change, and the Pinal County Sheriff's Office and multiple citizens

# CHAMPIONS!! Panthers defeat Miners to win State Championship

By Andrew Luberda  
Superior Sun

Superior softball head coach Martin Navarrette proved to be prophetic after the fifth-seeded Panthers won the Division IV State Softball Championship on Monday, defeating defending back-to-back champion San Manuel 3 – 0 at Arizona State University's Farrington Stadium.

After watching his team defeat San Manuel and Ray on consecutive Friday's in April, Navarrette knew his team was playing as well as it had all season.

"It's the best time to be peaking – going into the playoffs – and I expect big things going in," he told the Superior Sun after a 6 – 2 victory over Ray on April 24.

Then at last week's Sports Awards Banquet, the night before facing fourth-seeded Ray in the quarterfinals, he told those in attendance, "Let's beat Ray – and you (*Superior Sun* reporter) can put that in the paper."

And, of course, the Panthers defeated Ray 5 – 4 to reach the semi-finals versus top-seeded Veritas Prep, a team with arguably one of the best pitchers in the state.

Instead it was Panthers' ace starting pitcher Ivie Lopez who looked like the best pitcher in the state, throwing a complete-game three-hit shutout in the 1 – 0 victory and advancing the Panthers to the state championship game.

Lopez, a junior, who Navarrette called a

pitcher "nobody wants to face right now" at last week's banquet, was on her game again against the Miners, one of the best hitting teams in the state. Thanks to some outstanding defensive plays from shortstop Gabby Salcido, Lopez stifled the Miners, throwing a four-hit shutout against the two-time defending champs. She finished with six strikeouts in the game.

"I was relaxed to start, but a little more when we got a run to start the game," Lopez told AZPreps365.com reporter Les Willsey after her performance in the championship game. "Having a run to fall back on before they batted gave me a boost."

Lopez threw shutouts in three of the four games in the state playoffs, again making her head coach appear prophetic.

"She took the sticks out of their hands today," Navarrette told AZPreps365.com about his ace. "Their No. 2-3-4 hitters couldn't get anything going. She did a great job against them. ....The last four or five games we've been calling pitches for her. She seemed more relaxed, and in the tournament she's been right on it."

The Panthers got on the scoreboard early on a first-inning RBI single by team Co-MVP Cierra Navarrette that scored Jalisa Murray, who had reached on an infield single to start the game.

The score remained that way until the sixth when Phalicittee Thomas, who Navarrette announced as the Offensive

The Lady Panthers celebrate their win over San Manuel.

Player of the Year at the banquet, hit a two-run homerun, scoring Alicia Arriola who had singled.

"This was my second home run this year," Thomas told AZPreps365.com. "The first one was at our home field against the Miami Vandals. That one was nice, but this one was way bigger."

The Panthers' final win of the season gave them their second State Championship,

the last one coming in 2007. They ended the season with a 10-game winning streak, including the last three of the playoffs against teams that were ranked No. 1 at one time during the season – fourth-seed Ray, top-seeded Veritas Prep, and third-seeded San Manuel.

"We had the toughest road to get here," Navarrette told azcentral sports. "We earned it."

## Panthers' season ends after loss to Ray

By Andrew Luberda  
Superior Sun

The 10th-seeded Superior baseball team entered last Friday's quarterfinal matchup versus second-seeded Ray looking to avenge two regular season losses to the Bearcats. Unfortunately, for the Panthers, the third time was not the charm as they saw their season end in a 5 – 1 loss.

Superior, which finished its season 14 – 8, defeated San Pasqual Valley and Northland Prep before losing to Ray, a team that will play for the state championship on May 16.

After falling behind 2 – 0 in the first inning, the Panthers cut the lead in half in the bottom of the first on an RBI hit by Elias Olmos.

The score remained that way until the fourth, when Ray scored three runs to increase their lead to 5 – 1.

Superior ace Rickey Longoria pitched six innings and allowed only two hits in the game but surrendered seven walks, giving the Cats additional opportunities to score runs.

Bearcats' starter Douglas McPeak limited the Panthers to only three hits in the game, one each from Olmos, Matthew Zavala, and Nicolaus Cruz.

# Three vie for top spots in SHS Class of 2015

By Mila Besich-Lira  
Superior Sun

Since this cohort of students began their educational journey at Superior Unified School District, their teachers and school administrators have commented that this is one of the most competitive classes in both academics and athletics. It is no surprise that Lindsay Duarte and Hunter Flanagan have tied for the role of class Valedictorian with Matthew Zavala earned the title of Salutatorian.

These three spent most of their high school years being honored for class awards and as they advanced in their schooling they were recognized with

academic scholarships and other awards recognizing them for their achievements. The three will give their speeches at the SHS Commencement Exercises on Friday, May 22 at 7 p.m.

Lindsay Duarte is the daughter of Billy Duarte and Carmen Chaidez. Following graduation Lindsay will attend Grand Canyon University where she will study to become an Occupational Therapist. She was inspired to become an Occupational Therapist after she had the opportunity to work with disabled children. "I want to serve a higher purpose," she explained.

Hunter Flanagan is the daughter of Michael and Lillian Flanagan. Hunter will attend Arizona State University where she

will work to earn her Bachelor's degree in Nursing. She has not decided on a nursing specialization at this time and looking forward to learning more about which field she will pursue in nursing. "I have always wanted to work in the medical field and help people in their everyday lives," she explained. Hunter has taken classes from the Cobre Valley Institute of Technology (CVIT) which has helped her begin her nursing career

Matthew Zavala is the son of Michael and Kathy Zavala. Matthew has decided to attend Arizona State University where he will major in Mechanical Engineering. Matthew a self proclaimed comic book nerd said he was inspired to become a mechanical engineer because he wants to do what Tony Stark (Ironman) does. "I want to do that," he said. After completing his degree, he would like to be employed by Raytheon. Matthew also completed the welding program from CVIT, he plans to use his welding certification to work part time while he is attending the university.

The Superior Sun sat down with these students on their last official day of high school. As we passed through the lunch

room, underclassmen were hugging them and saying their goodbyes. They were handing out invitations and, of course, enjoying their last day of school. But despite their excitement about the day and the state tournament play in the evening, they had some words of wisdom for future SHS students and graduates and shared some memories about school.

For Matthew one significant moment was sliding into home plate to win the baseball game vs Ray at home. "Anytime we beat Ray or San Manuel is a good memory," Hunter explained.

"There are just too many good memories to pick just one," said Lindsay. "I am going to miss being with my friends every day." Matthew said he is going to miss the teachers, friends and the teams he has played with.

When asked what advice they would give to underclassmen and upcoming high schoolers, they had lots to offer.

"Take advantage of all the clubs and programs," said Matthew.

"Challenge yourself and get out of your comfort zone," said Hunter.

Overall the three said, "Have fun in high school and make the most of it."

Lindsay Duarte, Matthew Zavala and Hunter Flanagan are the top of heap of excellent graduates. The three will deliver their Valedictory and Salutatory speeches on Friday, May 22, at the SHS Commencement. Mila Besich-Lira | Sun

## MARIJUANA

Continued from page 4

groups and individuals also strongly voiced their opinions not to approve the firm's effort. According to news reports, Smith and House labeled this open grow marijuana effort as the "grand experiment."

The associated nuances of the Rose Law Group sponsored breakfast and the critical political issues now facing Pinal County are, at least to me - a taxpayer and Pinal County citizen - bothersome. For the record, I am opposed to the legalization of marijuana, as I am equally opposed to the recent raising of Pinal County property taxes. There are those who suggest that legalization of marijuana will lower property taxes, and perhaps that is true, but I doubt it. I propose however, that the connective costs to Pinal County taxpayers as a result of the negative effects (especially on our youth) of the legalization of marijuana will be - ultimately - colossal in both financial and societal perspectives.
