## OBITUARY

# Rex Gennicks

Heaven gained an amazing angel on Monday, May 4, 2020 in Scottsdale, AZ. Rex Gennicks was born April 26, 1950 in Linton, Indiana to Ruby Marie (Lynch) and Elza Eugene Gennicks, the youngest of four. In 1968, upon graduation from high school, Rex received an appointment for academics and football to West Point Military Academy and an offer to play football on a full ride scholarship to Kansas State University, but turned both down due to previous responsibilities.

On Nov. 29, 1969, Rex married Donna Jean Mowery. They began their life together in Linton, both working at the General Electric plant until 1974 when they relocated to Arizona. He had various jobs throughout the years in this area and had too many friends to count, many that began as coworkers. Rex worked as a Deputy for Pinal County in the Oracle/San Manuel area and also as a Gila County Deputy in the Dripping Springs/Winkelman area. He also spent many years as an EMT on the Kearny Ambulance. Even though these were his second jobs and part time, he loved them and counted them as hobbies. He worked as a Boilermaker and then as a Safety Engineer for

ASARCO. He retired after 35 years and went to work as a State Mine Inspector for the State of Arizona. Upon his retirement from the state he found his dream job working for Rural Electric in Mesa. He made the comment many times that he wished he'd found them years ago. He loved working there right up until the end.

Rex was a very active member of The Church of Jesus Christ of Latter-day Saints. He held various callings throughout the years, but always said his two favorite by far were teaching Primary with the little kids and working many years with the youth. He was very involved with Boy Scouts and over the years took the young men on numerous trips hiking, water skiing, camping and snow tubing to name a few. He loved teaching them new things. Rex also greatly enjoyed the few years he spent sharing his love for football and basketball as Assistant Coach for Ray High School.

Rex had many hobbies. He loved playing on The Bulldogs slow pitch softball team through the late 70's and 80's, swimming, being outdoors, reading Zane Grey and Louis L'Amour, hunting anything, and of course watching his kids and grandkids participate in any sport or activity. Above all these, his most loved time was spent with his family around him, laughing, joking, grilling, and playing a good old fashioned game of dominos.

Rex was preceded in death by his father, Gene; mother, Marie; two older brothers, Frank Gennicks and Larry "Turk" Gennicks; and his in-laws Everett and Icy Mowery, whom he loved like his own parents. He is survived by his older sister, Roma Lee Baker; his wife of 50 years, Donna Jean; children, Nichole Lyn (Rick) Sosa, Jeremiah Lee (Felicia), Sara Marie (Ken) Acevedo and Elza Winton (Beth); a daughter, Michelle Dawn; and we can't forget his faithful 4-legged sidekick his beloved Lab "Jet", as well as 18 grandchildren, three great-grandchildren, and numerous nieces and nephews. He will always be remembered as a hard-working, loyal, teasing, honest, outspoken, stubborn, ornery, loving man.

There will be no viewing/visitation but a small private family service has been planned for Saturday, May 16, 2020 at 10 a.m. Immediately following, there will be graveside services at the Kearny Cemetery, where family and friends are welcome to attend. Afterwards, a small get together will be held at, a later to be announce location, where anyone is welcome to stop by and see the family, listen to his favorite music, and share a favorite story about him. In lieu of flowers the family has requested that donations be made to the National Kidney Foundation of Arizona or Autism Speaks.

## CLOUDS

Want to go on an ed-venture? No need for a fancy GPS for this one; you just need to go outside and look at the sky: day or night; morning, noon or evening. We can look at the sky to view the stars or the moon but our imagination gets the chance to really let go when we look at clouds.

A few basic vocabulary words can help you talk about the clouds. **Cumulus** means heap. Those are the type of clouds that look like a bunch of cotton balls piled on top of each other. **Stratus** means layer.

This type of cloud is stacked flat with lots of layers. Sometimes it is just one big flat cloud that stays a long time and rains soft and slow. It is pretty rare to get that around here but other places get them for weeks and it really bums you out. **Cirrus** means curl of hair, and it looks like a horse's tail as it runs. You see these clouds first when the weather is about to change. **Nimbus** means rain. If a cloud is a rain cloud it will have the word nimbus in it.

When the monsoons start, we get

to see lots of cumulo-nimbus clouds. These are the puffy white clouds that build higher and higher until the bottoms turn dark gray and the rain finally falls out. When they start to form you can see the flat bottom. If you pay attention to the flat parts of the clouds you can see the different layers of air. Have you ever seen puffy white clouds racing along below layers of gray clouds? This shows you the different air layers. They have different densities because of temperatures. Things with different

densities settle in layers, just like the oil and vinegar in Italian salad dressing. Thunderclouds are sandwiched between two layers of air. You can see their flat bottoms and their flat tops stretching out like anvils.

Clouds form when warm, moist air meets a layer of cool dry air. Sometimes parts of the air with high pressure meet low pressure areas. This makes the warm moist air rise up into the colder parts of the atmosphere. If you have trouble remembering how that works, just think about when you make your own clouds from your breath on a cold winter day. Your warm, moist breath comes out and the water condenses into a cloud when it hits the cold air outside your body.

The lowest clouds are called fog, which forms on or near the earth, and the highest clouds, cirro-stratus float at higher than 20,000 feet. There is a lot to learn about the atmosphere and the water cycle.

### NAME THOSE CLOUDS

### CLOUD-RELATED ACTIVITIES

1. Make up a story: If you lay on your back and look at the sky, you can find out a great deal about each other by "seeing" things in the clouds. You can make up stories about the things you see.
2. Write a poem.
3. Paint a picture: There is nothing more challenging and at the same time nothing easier than drawing a cloud. You can use blue construction paper and white chalk for the novice in the family. Tear or cut a piece of paper into a lumpy-bumpy shape. Rub white chalk onto the edges. Use a piece of tissue (Kleenex) to wipe the chalk onto the blue construction paper. Move it to another spot and repeat. Use other colors for sunset, sunrise, or storm.
4. Create a model: Cotton balls glued on clear plastic can make good models of clouds. Go online and find examples of the different kinds of clouds and try to make all of them. Hang them together as a mobile and challenge yourself to place the different types of clouds at the correct layer of the atmosphere.

## OBITUARY

# Ruby Chavez Alderete

Ruby Chavez Alderete, 69, loving mother and daughter, went to be with our Lord and Savior, Wednesday, March 25, 2020, at University Medical Center in Tucson, Arizona.

Ruby was born Dec. 30, 1950, in Hayden, Arizona to Cruzita and Guillermo Chavez, raised in Hayden-Winkelman and graduated from Hayden High School in 1969. She was one of six children born to Guillermo and Cruzita Chavez. Ruby raised three children, Jessica Quesada (Ben), Freddie Alderete (Krystal) and Steven Alderete (Jessica).

She is also survived by her siblings, whom she cherished, Guillermo Chavez Jr., Gloria Valdez (Anselmo), Isabelle Bufanda (Bobby), Bobby Chavez (Sherry) and Valerie Chavez; countless Tios and Tias; 12 grandchildren, Brianna, Cassandra, Alyssa, Melanie, Yarasette, Benjamin, Raquel, Christopher, Maricela, Rico, Steven, and Rodolfo; and many nieces and nephews. She adored her grandchildren and was discouraged to not see them often and would let them know.

She was preceded in death by her grandparents, her mother and father, and a stillborn son, Christopher Steven.

Ruby was very outgoing, outspoken and willing to look after or assist anyone when needed. She was a very creative woman. She loved to sew, paint, cook, bake,

crochet, bead and create flower arrangements and wreaths. She made the best red chili for her Christmas tamales! She was a Brownie and a Girl Scout leader for many years. In her earlier years she went to beauty school and graduated. She was a beautician for many years. She also worked at Circle K in Globe, where she met and eventually married Frederico Alderete.

She was an avid bowler and very good at it, and she loved to go dancing. She was a stay at home mom while her children were growing up. She worked as a janitor at Asarco for many years. She made holidays special with her cooking, gifts and her gatherings. Ruby was a doting daughter. She took great care of her mother and father up until their passing.

Ruby has touched so many lives. She would give you her opinion whether you wanted it or not. She was a loving mother, daughter, wife, sister, cousin, Godmother, and devote Catholic. She will be greatly missed and loved. If you knew her she had an impact on your life. Her memory will live on through her family and friends. We love you very much and you were taken too soon.

Services will be held at a later date.

## Graduation parade on May 16

On Saturday, May 16 a parade is being held for all current Senior 2020 graduates and eighth grade 2020 promoters, hosted by the Ray Bearcats Parent -Teacher Organization (PTO).

Line-up will begin at 6:30 p.m. at the Kearny park. The parade will start from downtown Tilbury Drive and end uptown on Alden Road.

Contact Ray Bearcats PTO through email at [raybearcatspto@gmail.com](mailto:raybearcatspto@gmail.com), or by phone at 520-366-4461 for information about joining or just enjoying the parade. The Ray Bearcats PTO is a non-profit organization and always looking for volunteers. Using the same information,

contact them if you are interested in becoming a volunteer.

Melissa Day, Ray Bearcats PTO president said, "The Ray Bearcats PTO have been making some changes with meeting schedules since the COVID-19 pandemic. Our attendance has decreased significantly, so we are trying to change dates and times of our meetings to increase attendance."

Whether it is as a volunteer, graduate or simply an appreciative watcher, save the date for the parade and invest in some community pride. Let's make this next school year one to remember.

Go Bearcats!

# Copper Corridor: preparing to reopen safely

COVID-19 has changed how everyone operates their businesses, how we gather our household supplies and groceries, how we socialize and how our local non-profits and faith-based organizations serve the community.

The Copper Corridor has not been immune to the impacts of COVID-19, and thankfully our early, proactive actions to cancel large public events and physical distancing, increased hygiene and sanitation measures provided an important layer of protection over our community. While we have had a few positive cases, we have not encountered the devastation that other communities across the state, nation and world have experienced.

On Friday, beauty salons, barbershops and retail merchants were all allowed to open with new physical distancing protocols and increased sanitation measures. On Monday, May 11, restaurants began opening their dining rooms with a limited capacity, increased sanitation and of course, physical distancing.

While many residents are eager to

have the Stay at Home order lifted, if we adhere to State of Arizona and CDC guidelines, we not only protect ourselves but those around us. When we maintain our physical distancing, practice good hygiene, wear a face covering and limit our attendance in large groups, we can keep our local businesses open and community running safely.

During the past seven weeks, we all have adopted new habits by shopping more frequently at our local stores rather than traveling out of town for supplies. We also have ordered more goods online. By shopping locally first and buying what we need here in the Copper Corridor and supplementing with online shopping, these two behaviors contribute significantly to a strong economic recovery. This also limits exposure to COVID-19.

Navigating our lives through this pandemic is not easy. Understandably, anxieties are high. For many, financial security and health conditions have been challenged. Let us have patience with our family, friends and neighbors as we all determine what our new normal will be.

# Looking back at the service of Anna Flores; Kearny's Town Manager retires

By Mila Besich  
Copper Basin News

Earlier this year, Kearny Town Manager, Anna Flores announced that she would be retiring in May. A diligent and steadfast leader, Anna has always had a passion for community service.

She credits her love for community service to her parents.

"They always encouraged us to serve our community," she said.

Anna has worked for the Town of Kearny for eight years. Originally, she started as the Town Clerk and then served for a year as the Interim Clerk/Manager for a year then she was hired as the Town Manager. She has enjoyed her tenure with the Town, learning about all the facets of town operations, from water systems, infrastructure, economic development and the daily administration. She worked under the leadership of the late former Mayor Sam Hosler and current Mayor Debra Sommers. Prior to working for the Town of Kearny she worked for the Ray Unified School District and was the guidance Counselor at the Superior Junior-Senior High School.

While reflecting back on her career with the Town of Kearny, she explained that her biggest accomplishment to date has been figuring out solutions to the water problems in Kearny. She explained that the judge wanted a permanent solution to the water shortages with the Globe Equity Water District allocations.

"We focused and found a way to repair and the four water tanks that are not part of that allocation, she said. "I am really proud of that."

One of the attributes that has made Anna a stellar community servant is her gratitude for others. Throughout her interview she shared her appreciation for the Mayor and Council, the staff and the community.

"Everyone has always been so supportive and I am going to miss working with all the different departments and agencies that have helped us," she told the Copper Basin News.

She is looking forward to spending more time with her

family and enjoying her hobbies in her retirement.

"I am so grateful for my family. They have supported me throughout my entire career especially in my role as Town Manager," she added.

As a Town Manager, the job is often a 24/7 job. There is always something to be working on or planning. Many times a manager in a small town will wear several hats to ensure the Town is meeting its goals. Fires, pandemics, infrastructure problems, the Town Manager is usually the person making sure the tasks get done. Anna explained that she will miss the busyness of managing the multiple projects such as USDA and CDBG grants and she will miss working on local programs like the Easter Egg Hunt and helping the Library and Senior Center.

She attributes much of her success to education and her family putting a great emphasis on earning a degree.

"I was a late bloomer, but I completed my degree," she said.

As Town Manager she never stopped learning, as the job required her to learn a lot about infrastructure, and how the water systems operated, and how to navigate through all the federal programs. She is also a graduate of the first Hispanic Leadership Institute Copper Corridor program, and is a constant advocate encouraging others to attend their program and further their education. Her favorite projects were always with the library, because it is a special place for everyone.

Her key to success on the job? "I was never afraid to ask questions or call another community to ask for more information," she explained.

She is a lifelong resident of the Copper Basin and has been married to her husband, Tino Flores, for 42 years. They have a daughter, two sons and four grandkids. They can't wait to spend more quality time together. She also plans to remain active in the community as a member of the Infant Jesus of Prague Catholic Church, and serves an elected member of the Cobre Valley Institute of Technology. She will maintain a position representing Kearny on the Pinal Regional Transportation Authority.

Anna's last day with the Town of Kearny will be Thursday, May 21. The Kearny Town Council hired Jeff

McCormick as the new Town Manager. He started the position on May 4, which will give him time to learn the ropes from Anna.

Copper Basin News wishes you the happiest of retirements, Anna! You have been a pleasure to work with throughout your career and we will miss you!

## Cobre Valley Regional Medical Center and Clinics to offer 'blitz testing' for COVID-19

Cobre Valley Regional Medical Center will be testing everyone that would like to be tested for COVID-19 on Saturday, May 16. Billing will be processed through your insurance or a self-pay discount price will be offered upon scheduling, with payment due at the time of service.

This testing will be done by appointment only. An appointment can be arranged by calling the main hospital

number, 928-425-3261.

The testing will take place inside the hospital facility and it is required that everyone entering the hospital must wear a face mask/cloth covering, except for children 2 years of age and under. It is critical that CVRMC preserves PPE. If you cannot provide your own mask, one will be provided.

Places and times of testing:

- CVRMC, 5880 S. Hospital Dr., Globe, Saturday, May 16, from 8 a.m. to 5 p.m.
- Superior Clinic, 1134 W. US Hwy. 60, Superior, Saturday, May 16, from 8 a.m. to 4 p.m.
- Kearny Clinic, 100 Tilbury Dr., Kearny, Saturday, May 16, from 8 a.m. to 4 p.m.

## Summer Hours for Hayden

The Town of Hayden Public Works Department has begun its summer hours. The hours are from 6 a.m. - 2 p.m. Monday through Friday. Please plan on having garbage available for pick up one hour earlier.

## Scholarship Offered for Superior Grads

Club Social de Damas is once again offering its annual scholarship to Superior High School senior graduates. Please contact the High School office to request an application or if you have any questions you may call Olga Lopez at 520-827-4119. Please do it as soon as possible.

## Town of Kearny Announces RAD Change of Service

The Town of Kearny and RAD have announced a change of service for residential and commercial customers. Effective April 15 your new weekly trash and recycling day moving forward is Wednesday. Bulk services changed on March 1 to the second Thursday of each month and may be scheduled before noon on the day prior to your area pick-up date. Commercial services are every Wednesday, starting April 15. Please place both garbage and recycling carts out the night prior or by 6 a.m. on your service day. Allow 3 feet between each cart and 10 feet away from cars, mailboxes, landscape or other items that may interfere with service and 2 feet away from the building. Face cart so lid opens toward the street (handles toward building). Do not overfill or place additional garbage on top. Lids must be fully closed. This reduces airborne trash on windy days. Questions? Call Customer Service at 480-983-9100.

## Eagle One Veteran Outreach

## Family First Offices Closed Due to COVID-19

Family First has changed the way they do business, as all of us in America have had to do lately! They have closed their offices for a two-week period, staying closed through March 30. While they hope to re-open on March 31, they will evaluate at that time steps needed. They are available to all their regular clients as well as anyone in the community as needed by a phone call. The phone number for Oracle is 520-896-9545; Winkelman 520-664-5795.

## San Manuel Elks Wednesday Night Tacos

Wednesday night Tacos at the San Manuel Elks Lodge has been canceled until Fall. Thanks to everyone who has supported us for these past months.

## Tri-Community Food Bank is Open

The Tri-Community Food Bank located at 108 Redwood Drive in Mammoth continues to be in business. We are observing social distancing. Hours are 9 a.m. - noon Monday, Wednesday, Thursday and Saturday and the 2nd, 4th and 5th Tuesday of each month. To be eligible you must show proof of address that you live near or in Mammoth, San Manuel and Oracle and have an income within the federal poverty guidelines. The thrift shop is closed and is not accepting donations. Call 520-487-2010 for more information.

## Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

## Supervisor's Shred-A-Thon Event Postponed

# REOPENING BUSINESS

Continued from page 5

For some, limiting their exposure by staying home will continue. For others, relief will be found by being able to travel freely and conduct errands and business as before. Let us all be respectful of each other's wishes. Whichever may be your personal preference, please move forward responsibly and safely.

People are asking, "When will our lives get back to normal?" Normal is a setting on our washing machines; COVID-19 will be a part of our lives until there is a vaccine.

Most assuredly, COVID-19 has changed our lives and we must all work together to reopen the Copper Corridor and the State of Arizona

safely. Please continue your new healthy habits, physical distancing, washing your hands frequently, wearing a face covering when in public spaces and staying home if you are not feeling well.

We will continue to get through this together, and we will be stronger than before.

# Boyce Thompson Arboretum lifts temporary restrictions; visitation is limited to 500 guests per day

Boyce Thompson Arboretum (BTA) has updated the temporary limitations on visitation with regard to the national state of emergency over COVID-19. The new limitations are effective immediately and will remain in place until further notice; any changes to this policy will be made in accordance with guidelines from federal, state and local health officials.

The safety of visitors, members, staff and volunteers is of utmost importance, and BTA has implemented the following limitations and restrictions to help prevent the spread of the virus:

Visitation is limited to 500 people per day, first-come, first-served each day of the week.

All visitors are asked to observe signage and adhere to social distancing protocols.

Members and visitors may make reservations for Saturday or Sunday time slots online at [btarboretum.org](http://btarboretum.org)/reservations

A limited number of guests will be allowed entry each half hour. The

Arboretum is open daily from 6 a.m. to 5 p.m. with last entry is at 4 p.m. until May 17, from which point operating hours will be from 6 a.m. to 3 p.m. with last entry at 2 p.m. June through August BTA will be closed on Tuesdays.

The Gift Shop and Smith Building Restrooms will be open with a limit of one person or one family group at a time. Please wear a mask!

Anyone exhibiting symptoms of flu, cold or viral infection will not be admitted.

The Arboretum's leadership will continue to monitor the situation and make informed decisions based on information released by trusted sources, including the U.S. Centers for Disease Control and Prevention, World Health Organization and Arizona Department of Health Services.

All walks, tours, activities, events and programs are cancelled until further notice. Boyce Thompson Arboretum encourages all community members to follow the advice of the CDC when

choosing whether to visit any outdoor venue. Updates and other content will

be available online at [www.btarboretum.org](http://www.btarboretum.org) and via social media (@btarboretum).

High School students (10th - 12th) can jump start their careers by enrolling in CVIT's Central Campus Programs located on Gila Community College or Central Arizona College Aravaipa campuses. All tuition, books, and certification fees are paid for by CVIT. Students can earn college credit and industry certification while learning entry level skills.
