# Ortega found guilty in killing of his wife, attempted murder of brother-in-law

Globe, Arizona - Gila County Attorney Bradley D. Beauchamp announced that on May 6, 2014, 38 year-old Guillermo Ortega, III was found guilty by a jury of six women and six men of Second Degree Murder, Attempted Second Degree Murder, and four counts of Aggravated Assault following a seven-day jury trial.

According to Chief Deputy Shawn C. Fuller, who prosecuted the case, evidence was presented that on April 28, 2013, at approximately 5:45 p.m., Ortega attacked his ex-wife with a knife following a brief domestic violence-related dispute the two had in her home, which was located in Hayden. During the attack the victim suffered fatal injuries to her neck.

While the victim was being attacked, her brother, who was inside the home, heard a struggle and came to her aid. The defendant then attacked the victim's brother with the knife and attempted to kill him by stabbing him in the chest and the neck. After the attack the defendant fled the scene and was apprehended several hours later in Pinal County.

Ortega's sentencing is scheduled to be conducted in Globe on June 2, 2014, at 3:30 p.m., before the Honorable Robert Duber II. Ortega is facing a mandatory prison

sentence of up to 46 years.

County Attorney Beauchamp commended the Hayden Police Department, the Department of Public Safety, the Golder Ranch Fire District, the Kearny Police Department, and the Pinal County Sheriff's Office for conducting the investigation that led to the successful apprehension and prosecution of Ortega.

# Pinal County Oracle/Riverside Highway Roads Foreman Charles Headley wins Robert C. Esterbrooks Award

FLORENCE - Oracle/Riverside Highway Roads Foreman Charles Headley is the winner of the 15th Annual Robert C. Esterbrooks Award in Operations.

**Esterbrooks Award winner Charles Headley joins Supervisor Pete Rios as they celebrate the accomplishment.**

Headley, a 21 year employee, oversees operations in the Oracle Maintenance District. It is the largest maintenance area in Pinal County encompassing 230 miles of paved and gravel surface roads. The Kearny native has been the Oracle Maintenance District Foreman for the past three years.

"During his time in Oracle, Chuck has a huge list of accomplishments," said Public Works Director Louis Andersen. "He has worked on realigning the Mount Lemmon Road across forest land that helped protect the local historical post office from heavy traffic. Chuck and his crew also were instrumental in meeting protection

requirements and receiving permits for minimal road maintenance of the San Pedro River Road Crossing. He is a great leader and great employee."

The Robert C. Esterbrooks Award is given out by the Arizona Association of County Engineers. It is in recognition of individual county employee service that benefits the community and outstanding achievement that fosters innovation, effectiveness better communication and efficiency that ultimately results in a better product to all communities.

In his off time, Headley is active in the Kearny area coaching sports and other civic activities.

## Cenpatico awards \$12K to Copper Area organizations

Tempe, Ariz. – Cenpatico of Arizona is proud to announce it is giving \$12,000 in Community Reinvestment Grants to two Copper Area organizations. Cenpatico

is the Regional Behavioral Health Authority for Pinal County.

The funds will help support community programs and purchase equipment and

supplies. The grant awards are part of \$422,000 that Cenpatico is giving throughout Arizona to help improve the communities it serves.

"Cenpatico believes in investing in the communities we serve," said Cenpatico of Arizona CEO Terry Stevens. "These awards are part of our commitment to improving the lives of local residents."

The following Copper Area organizations will be receiving Community Reinvestment Grants from Cenpatico:

- Tri-Community Food Bank; \$7,000 for a food pantry walk-in cooler.
- Town of Hayden; \$5,000 to Parks and Recreation for water aerobics equipment.

**Cenpatico of Arizona** is the Regional Behavioral Health Authority for Cochise, Gila, Graham, Greenlee, La Paz, Pinal, Santa Cruz and Yuma counties. Cenpatico of Arizona (Cenpatico) services are funded through a contract with the Arizona Department of Health Services/Division of Behavioral Health Services (ADHS/DBHS) and AHCCCS.

# Final Copper Basin Idol Show filled with talent

By **Nina Crowder**  
Copper Basin News

What a musical, whimsical, fun evening as the final show of the Copper Basin Idol blows everyone away with the amazing talent that surrounds the local communities. Martina Burnam has been facilitating the Copper Basin Idol for eight successful years. Martina puts forth such love and passion towards preparing for the show and all the participants of the Idol show. She has thoroughly enjoyed her time with this continuing project.

Lucky Romero hosted the Copper Basin Idol with his charm and charisma he delighted the crowd as they watched and listened to the Idol acts. The performers consisted of; Josette Kimmell, Myranda Figueroa, Julie Meza, Julianna Borquez, Martina Borquez, Ariella Borquez, Miranda Aviles, and Breaua Hathaway. Guest performers were Emily Martinez, Danny Fessenden, Johnny Angel Silva, Lucky Romero and Martina Burnam. Yes, after many years of putting this event on

Martina wanted to let her beautiful voice be heard, what a special treat.

Even though this is the final Copper Basin Idol the performers out did themselves with their beautiful voices and talent. Each of the participants were thoroughly enjoyed by many community members. The music was moving and a real pleasure to listen to!

There are many people involved in putting this event together; Danny Fessenden, sound manager, Nancy and Annie Hinojos, spotlight technicians, Adam Perlman and Ray Federal Credit Union, donated a projector for the evening, Angela and Troy Ramirez and the Copper Basin Chamber of Commerce for helping facilitate the event, the judges, score keepers, admission takers, and the Hayden Unified School District for the use of the auditorium. Thank you all for helping make this a fun family event. Congratulations to the talented people that are in our communities and may all their future endeavors and dreams come true!

# CAC science professor Dr. Beth Krueger writes chapter in college science teaching book

EASTERN PINAL COUNTY, Ariz. – Dr. Beth Krueger, a professor of science at CAC's Aravaipa Campus since 2007, has written a chapter in a recently-published instructional book titled Exemplary College Science Teaching. The chapter, called Take Your Students Outside: Success With Science Outdoors, was peer-reviewed and included in the book published by the National Science Teachers Association. The section draws on Krueger's experience with and staunch support for experiential learning.

"I don't like to lecture," Krueger says, without hesitation. By taking her students to nature conservancies for bird and plant surveys, for example, she believes that the students are "looking at real-world issues in a real setting and conducting real research that actually benefits not just them and the class but the non-

profit in their community that is actually using their numbers."

Krueger, who was recently named Faculty of the Year by the student body at CAC's Aravaipa Campus, was invited by the NSTA to write the chapter after giving a conference presentation on the practice of teaching science outside. The chapter itself describes CAC, the Aravaipa Campus, and Eastern Pinal County in great detail and includes testimonials from several of the students who have enjoyed Krueger's methods.

"Working outside the classroom in the field was a great experience," Delilah Carbajal says in the book. "I enjoyed the visual aspects of doing fieldwork: Observing endangered fish and actually being in a desert riparian system proved to be most helpful in the field versus the classroom."

The outdoors model even worked for a student,

David Rowlands, who took Krueger's BIO 182 hybrid course, which meets partly online.

"I enjoyed it," he says. "I actually thought it was a lot easier to learn outdoors and see the living environment. In a lot of ways, I thought it was easier than the classroom experience." In the chapter, Krueger also explains some other, logistical benefits to teaching outdoors.

"One major challenge for teachers," she writes, "is that much of the scientific equipment available to schools has...a large learning curve... [is] expensive to buy and maintain; and cannot take the rigors of field use." In the next sentence she explains that the training staff from the Arizona Rivers Project, the organization that Krueger took a workshop with when

she first arrived in Arizona, emphasized the fact that "quality field work could be done by students with inexpensive, user-friendly, field-friendly equipment."

Although the chapter is geared toward those who instruct science courses in higher education, Krueger believes that her model can be scaled up or down to fit any level of education and can be used in other

## LETTER TO THE EDITOR

### Good job, students, in collecting so many tabs

I would like to take this opportunity to thank all of my students at Ray High School for stepping up to collect tabs for the Ronald McDonald House. They donated over 500,000 tabs since January. Hurrah! These students stepped up for a cause and did an amazing job.

I want to thank each and every one of them. Congratulations on a job well done!! Keep up the good work.

Thank you, parents and guardians, for supporting your student! I look forward to challenging you next year.

# Lady 'Cats advance to semis of State Playoffs

By Andrew Luberda  
Copper Basin News

The Ray softball team advanced to the semi-finals of the Division IV State Championship by winning both games it played last weekend. The Lady 'Cats won a 1 – 0 pitcher's duel versus 13-th seeded Phoenix Country Day last Friday before defeating 5th-seeded Superior on Saturday, 7 – 3.

"They performed well, especially in the first game," Bearcats head coach Rikki Galka answered when asked about her team's performance last weekend. "It took a total team effort to beat Phoenix Country Day."

In Friday's game, the Bearcats scored a run in the first and pitcher Stormee

Galka made it hold up, limiting the Eagles to four hits in the complete game shutout.

Saturday's game versus Superior was the fourth game of the season between the schools. The Bearcats won for the third time and eliminated the Panthers from postseason play in the process. Again, Stormee Galka was the winning pitcher, limiting a potent Panthers' offense to only

three runs.

Next up for the Lady 'Cats is 9th-seeded Valley Christian, which defeated top-seeded Arizona Lutheran on Saturday to advance to the semis. The Trojans have won three straight games in the tournament so far, defeating Joseph City, Valley Union, and Arizona Lutheran.

The semi-final game is scheduled for 5:30 p.m.

Friday night at the Rose Mofford Softball Complex – Field #2 – in Phoenix.

"I don't know much about Valley Christian," Galka said. "But it's going to take another total team effort and we have to stay focused to win."

With a win, the Bearcats would face the winner between San Manuel and Veritas Prep in the Championship Game on Saturday at 5:30 p.m.

# Copper Corridor track athletes compete at State Track Championships

By Andrew Luberda  
Copper Basin News

The San Manuel Women's Track Team, which went undefeated

during the season, finished 23rd in the final team rankings at last weekend's State Track Championships.

The Miners had four track

team members place five different events: Andrea Castaneda (8th – 3200m), Analisa Robles (8th – Discus), Theresa Sweeney (17th – Discus and 16th – Shot

Put), and Michael Sanchez (20th – Discus).

The Ray Bearcats were also represented at the track championships. Three track team members

placed in four different events: Kenneth Palmer (18th – 3200m), Demetri Breeden (16th – Long Jump and 15th – Triple Jump), and Nick Lara (17th – Discus).

## Bearcats' season ends after extra innings loss in playoffs

By Andrew Luberda  
Copper Basin News

The 6th-seeded Ray baseball team saw its season come to end after an eight-inning loss to 3rd-

seeded San Manuel last Saturday, 4 – 3.

The Bearcats advanced to the quarterfinals versus San Manuel after defeating 11th-seeded Superior last Friday, 9 – 5.

The 'Cats finished the season with a record of 21 – 8, including 11 – 4 in sectional play. They finished third, behind San Manuel and Miami, in Section VI. The 21 wins are the most in a season

over the last 10 years.

Despite the disappointment of their season ending, the Bearcats have to be optimistic about the future. Multi-sport athlete Dominic Bravo is the only senior on

this year's roster. The 'Cats will return eight juniors to next year's team. There's no doubt that the loss of Bravo will leave a big hole to fill, but there's enough talent returning to make up for it.

## Lady Lobos' playoff run ends

By Andrew Luberda  
Copper Basin News

The Lady Lobos suffered a heartbreaking one-run loss to 7th-seeded Desert Christian last

weekend, 4 – 3. After upsetting 10th-seeded Paradise Honors in first round, the Lobos' season ended with the second-round loss to the Eagles.

Despite the loss, the Lobos had

a successful season. They came on strong at the end to reach to State Championship playoffs and barely missed out on advancing to the quarterfinals.

The Lobos won four of their last

five games, including the playoff games. They also won four of their last five regular season game. The hot streak at the end of the regular season is likely what propelled the Lobos into the

playoffs.

With the experience of competing against the top teams in the state, the Lady Lobos are looking forward to advancing even further next year.

# Kearny's historical locomotive completed

By **John Hernandez**  
Copper Basin News

The renovation of the air locomotive in Kearny has finally been completed. Robert Anderson said he is still working on some detailing but the job is pretty much finished. The compressed air locomotive was built in 1925 by the H.K. Porter Company in Pittsburgh, Penn. The H.K. Porter Company built their first compressed air locomotive in 1890 to be used in an underground coal mine in Pennsylvania. Compressed air locomotives were safer to operate in underground mines as there was no need for a fire to burn coal which was dangerous especially in coal mines and there was no smoke exhaust which also was a danger to underground miners.

The 1925 Porter air locomotive was used by the Kennecott Copper Corporation in the original underground Ray Copper Mine. It was used to haul men, ore and supplies on underground rail lines. It was retired in 1955. Robert Anderson had finished most of the work two years ago but has been waiting for parts which were hard to find. Robert machined a lot of parts and did a lot of welding work. He even used a 105 year old drill press for some of the work. He was able to recreate a pressure gauge and found a headlight for the locomotive. He received the parts just before Pioneer Days and was able to complete the work. Bill Dunn got a piece of timber for him which was badly needed.

Robert said he got a lot of help with donations and the loaning of equipment and wanted to make sure everyone including the town of Kearny was recognized and thanked for their help. "It was a lot of work but it was worth it when people tell me it looks good," said Robert. "I'm real happy the way it turned out." You can see this remarkable restoration of this historical locomotive in downtown Kearny.

# Kearny Public Library's Annual Poster Contest Winners

Kearny - The Kearny Public Library hosted its Open House to honor the winners of The Friends of the Kearny Library's Annual Poster Contest which is held during National Library Week each April.

This year's theme was "Libraries: the Heart of Every Community". This year the fifth and sixth grades were added. There were 18 winners, in total, 15 of which were in attendance with their families.

To kick off the program local Author,

Kearny Library Poster Winners

Nancy Young from Aravaipa gave a short talk on her new children's book "The Moon Saw It All". A copy was given to each winner, and, after the program, Ms. Young signed most of the copies.

The winners of the Friends of the Kearny Library Annual Poster Contest, by grade, are: kindergarteners Dominique Martinez, Gianah De Los Reyes and Jason Day; first graders, Mya Carder, Graciela Rivera and Nicholas Lopez; second

graders, Kassidy Ballejos, Alexis Babb and Raelynn Loving; third graders, Hunter Day, Briannah Noriega and Tayson Summers; fourth graders, Brina Morales, Felicity Rameriz and Amariz Ochoa; fifth graders, Chelsea Flores, Derek Figueroa and Indigo Patterson.

The winners for the DVD Drawings are Joyce Campbell, who won The Book Thief, and, Robert Benson Jr., who won Frozen.

## So What?

I've been writing about God's existence and the veracity of the Bible during the last few weeks, and perhaps you are wondering what it matters. So God is there, and the Bible is His communication to us; so what? The "so what" is simple. If these things were not true, then you would have nothing by which to determine right or wrong. You would have no reason to think that you have any value. You would have no reason to think that you have any kind of a meaningful and lasting future. Either God is there and loves you, or you have nothing.

Since God is there, and since He loves you enough to have paid the terrible price

## PASTOR'S CORNER

By Joe Palmer  
Fellowship Baptist Church

to pay for your sin on the cross of Christ, you have the wildly wonderful opportunity to be forgiven and to have eternal life.

I, for one, have taken advantage of God's offer of the gift of forgiveness and eternal life (Romans 6:23). I said to God, "Please save me because of Jesus" (cf. Romans 10:13). Now I trust Him that He will keep His promises. I can live with happy expectations for a euphoric future and face death with great hope.

You can too. It's open to anyone, no matter how good or bad.

Feel free to contact me if you need to talk about it. [joceansuzypal@yahoo.com](mailto:joceansuzypal@yahoo.com)
