SUPERIOR, ARIZONA
CHAMBER OF COMMERCE

"Like" us on

Our mission is to promote business, the Town, and the quality of life in Superior and surrounding areas.

Superior is sure taking on a new look these days. Grab an ice cream cone and take a stroll down Main St. Existing businesses are getting spruced up and new ones are popping up. The Copper Gecko is adding a new deck, Random Boutique just hung a classy sign on the building, the flower pots have been replanted, O's Creations, a gift and flower shop, is open on Magma, Dr. Wilt is painting one of his buildings with vibrant Southwestern colors, the renovation of the Magma Hotel is going great guns and the new Chamber office will soon be open. It's exciting to be a part of this and the enthusiasm is really spreading. Don't forget about all the great businesses on Hwy 60 and other parts of town. There are also many home based businesses and you'll be able to pick up a complete list of member businesses when the Chamber office opens. You can also look them up on the website or call the office for information.

The Chamber sends congratulations to our graduates. The world is out there for you to explore and there is nothing in life you can't achieve if you're willing to work for it. Spread your wings, follow your dreams and be the "best there is" in whatever you chose to do. In a few years, we look forward to having you as part of the Chamber of Commerce.

Ortega found guilty in killing of his wife, attempted murder of brother-in-law

Globe, Arizona - Gila County Attorney Bradley D. Beauchamp announced that on May 6, 2014, 38 year-old Guillermo Ortega, III was found guilty by a jury of six women and six men of Second Degree Murder, Attempted Second Degree Murder, and four counts of Aggravated Assault following a seven-day jury trial.

According to Chief Deputy Shawn C. Fuller, who prosecuted the case, evidence was presented that on April 28, 2013, at approximately 5:45 p.m., Ortega attacked his ex-wife with a knife following a brief domestic violence-related dispute the two had in her home, which was located in Hayden. During the attack the victim suffered fatal injuries to her neck.

While the victim was being attacked, her brother, who was inside the home, heard a struggle and came to her aid.

The defendant then attacked the victim's brother with the knife and attempted to kill him by stabbing him in the chest and the neck. After the attack the defendant fled the scene and was apprehended several hours later in Pinal County.

Ortega's sentencing is scheduled to be conducted in Globe on June 2, 2014, at 3:30 p.m., before the Honorable Robert Duber II. Ortega is facing a mandatory prison sentence of up to 46 years.

County Attorney Beauchamp commended the Hayden Police Department, the Department of Public Safety, the Golder Ranch Fire District, the Kearny Police Department, and the Pinal County Sheriff's Office for conducting the investigation that led to the successful apprehension and prosecution of Ortega.

Superior man charged in theft at San Tan Valley Walmart

A Superior man faces multiple burglary and theft charges after being caught removing unpaid merchandise from a retail store, the last in what Pinal County Sheriff's Office is describing as "habitual."

On Friday, April 25, 2014, Michael Lopez, 41, Superior, was arrested in San Tan Valley after allegedly stealing from the San Tan Valley Walmart.

At 8:32 a.m., an Asset Protection Agent with Walmart reported she witnessed Lopez drive into the parking lot in a white pickup truck and park in row 11. She reported the vehicle as the same white pickup truck he has previously used to commit numerous thefts from Walmart, the latest of which being on April 22 (where it was purported \$554.78 dollars of merchandise was stolen and never recovered).

After entering the store,

Lopez, who is known to her from several previous thefts, was observed filling a shopping cart with \$743.56 dollars worth of various merchandise and appeared to be getting ready to flee the store without paying.

When a PCSO deputy arrived, he observed Lopez pushing a shopping cart full of merchandise through the parking lot. Lopez noticed the deputy arriving and pushed the cart towards his patrol vehicle and began to briskly walk away. Lopez was chased on foot and taken into custody without incident. Lopez, according to Sgt. Pat Ramirez, PCSO Public Information Officer, during the interview admitted to all allegations and previous thefts from the surrounding area Walmarts.

The Walmart Asset Protection Agent reported Lopez has 14 previous thefts from local area Walmarts, to

Michael Lopez

include in the cities of Mesa and Apache Junction.

The truck Lopez used to commit these crimes has been seized.

Lopez was booked into the Pinal County Jail in Florence for six counts of burglary and six counts of organized retail theft. Additional charges of burglary, shoplifting (felony), shoplifting (misdemeanor)

LETTER TO THE EDITOR

Animal Control addresses community

The Pinal County Board of Supervisors has entered into an inter-governmental agreement to provide animal care and control services to the Town of Superior on an as needed basis. Pinal County Animal Care & Control leaders met with various leaders of the perspective cities in an effort to improve services and develop recommendations to foster a community-wide collaboration in order to deliver the highest quality, cost-effective animal care

Preschool enrolling

The Superior Unified School District is enrolling children in their Pre-school program. Superior Pre-school is designed for children ages 4-5. Participating children will need to be potty-trained. A Birth-certificate, Immunizations record, and proof of residency are required for registration. Parents will need an appointment for their child.

There will be two Pre-school sessions each day. The students will receive a meal as part of their participation; breakfast for the morning or lunch for the afternoon. Activities will provide opportunities for children to be better prepared for school and life. Superior Schools understands that both research and common sense tell us high quality child care makes a difference. Children in high-quality child care settings fare better in school, and develop better language and social skills. Quality child care settings include: safe,

and control services. The primary function of Pinal County Animal Care & Control is to develop a rabies control program, this program is especially important to the rural areas of Pinal County due to the ever present wildlife living in the area. The Arizona Department of Health Services reported 70 lab confirmed rabies positive animals in the year of 2013, peaking in May and June. Rabies is a preventable viral disease that is fatal once symptoms appear. Rabies is preventable through vaccination of pets and preventing your pets from free roaming. It is illegal to own or house an unvaccinated dog over the age of three months in the State of Arizona; it is also illegal to allow dogs to roam freely. In addition to the potential health threat, free roaming dogs create a road hazard that may result

in injuries to your community members and pets. Your perspective city has agreed to launch a proactive approach to ensure your community is pet friendly, safe, and disease free. Through coordination with Pinal County Animal Care and Control the city hopes to bring a mobile spay and neuter clinic, vaccination / license clinic, and continued education for citizens and local law enforcement to the city. It is the community's responsibility to do the right thing, if you locate a roaming dog in your neighborhood notify the owner. If the dog is repeatedly loose, behaving aggressively, when a dog injures a human, another dog or is in contact with wild life notify your local law enforcement agency. The results of responsible pet ownership are a safer neighborhood and

healthier life for the dog. Roaming dogs cause driving hazards, even on the most isolated roads, there are infectious diseases that are easily spread through direct and in-direct contact (some of these diseased cannot be cured), parasites, injury to or from other animals, and legal consequences. As much as your dog may love to roam, you are doing the dog and your community a disservice by allowing this. Instead, exercise with your dog by walking on a leash; take your dog to an enclosed field or large back yard to play. Before enforcement, we are asking for community members to step-up and become responsible pet

owners.
Respectfully,
/s/ Kaye Dickson, CPM

Superior’s Valedictorian, Salutatorian looking forward to the future

By Nina Crowder
Superior Sun

The Superior Unified School District has named Ashley Barreras, Valedictorian, and Ariel Alonzo, Salutatorian, for the class of 2014. The faculty and staff consider these two young individuals as being the best choice for these highest academic awards. These awards are intended to recognize students who have achieved the highest performance and have taken advantage of the greatest academic challenges available to the Superior high school students.

While everyone knows that valedictorians get the honor of the good-bye speech during graduation, many may also wonder if there are other benefits to becoming valedictorian of one’s senior class. Being named valedictorian has come to symbolize one of the highest honors you can achieve academically in high school. A salutatorian is the second highest grade point average and number of credits taken. Both of these young women are excited about their future outlook and thankful to everyone that has helped them get to where they are today.

Ashley attended school in Nevada and Mesa before attending

Superior.

“Ms. Villaverde was a big influence on me,” Ashley said. “Her classes have really helped me and she is fun to be around. Her motto is she prepares kids for life, in her classes.”

Ashley added, “Ms. Villaverde is flexible to let me apply for scholarships and some other things.”

Villaverde’s class is made up of participation points for culinary arts. Ashley has taken three years of her class and has completed her CTE in Culinary Arts. Ashley has also finished a marketing and geology course through the CTE.

Ashley was awarded many scholarships including The Ceasar Chavez Scholarship, a laptop from the Superior Optimist Club and, most impressively, the AZ CTE Award – only 13 students in the state of Arizona receive this award. She also received the Promise for the Future scholarship from Central Arizona College and looks forward to attending Arizona State University after graduation with her focus on Geological Sciences.

Ariel has lived in Superior all her life and said, “Coming to Superior (High School) was a great opportunity for me. It is such a close knit community and you know all your teachers and they work with you. I think they were a big help in both mine and Ashley’s successes. If they know you are struggling with something, they help you to improve your grades, help you become involved in other activities and I think that looks great on a resume. The teachers treat you like you are their daughter or son and help you succeed.”

Ariel has a younger sister who is 14 and she hopes she is a role model to her, that all the hard work does pay off. “Without my parents, Michael and Virginia Alonzo,” Ariel said, “I wouldn’t have been pushed to do what I have been doing.” Both parents have inspired her to do the best she can do.

Ariel just found out that she was the recipient of a SaddleBrooke Community Outreach scholarship (renewable

Ariel Alonzo, left, is this year’s Salutatorian. Ashley Barreras is Valedictorian.

for four years and worth a total of \$6,000). She also has received the Ceasar Chavez Scholarship, a CAC Promise for the Future scholarship, Social Club scholarship and a laptop from the Superior Optimist Club.

Ariel has been active in volleyball, basketball and softball and participates in the FCCLA in which she will be going to Nationals in July this year. Ariel plans to attend the University of Arizona majoring in physiology. She plans to attend medical school and focus on obstetrics and gynecology.

By accomplishing what they have done in high school Ashley and Ariel have set the bar high for their future endeavors. It is easy to see why they are valedictorian and salutatorian by their outgoing nature, excitement to learn new things and obvious commitments about what they want out of life! Congratulations to both of them and we at the Superior Sun wish all the graduating class of 2014 the best for the future.

Superior Optimist Club celebrates successful students

By **Nina Crowder**
Superior Sun

The Superior Optimist Club takes pride in serving the needs of the children in the community. The Optimist Club was honored to present awards, metals and laptops to Superior High School Students who have earned these awards through the hard work at school. The Superior Unified School District foodservice and custodial staff assisted with a good and healthy Mexican meal in honor of Cinco de Mayo. The presence of the event was extremely well attended. Guest speakers gave encouragement and showed appreciation to the hard working students.

Guest speaker, Superior High School graduate, Christin Urquijo said, “Four years ago, I was in your place and received a laptop for being on the honor roll from the seventh grade to my senior year, speaking from experience a laptop is by far the most important tool for college. There isn’t a single day I don’t use my laptop.” Christin has attended college and is a graduate of the nursing program, she has been successful. Christin went on to say, “I would like to leave you with these words to think about strive to work hard at working smart.”

Andy Carrillo, Superior Class of 1970, owner of Andy Carrillo Insurance Agency and marathon runner, had a once in a lifetime experience to share with the students. Last year Andy participated in the Boston Marathon after training for years and qualifying he was able to run. When running the marathon, he worked so hard to get there, he just wanted to enjoy the run. Andy said, “I was about 20 miles into the marathon coming up to a place known as ‘Heartbreak Hill’.

I was kind of nervous about that and my daughter surprised me, took a subway out there I came around the corner and she ran up the hill with me then she got off the course to catch a ride and meet me at the finish line.” Andy went on to say, “I get into Boston and see the sign that says one mile to go, I am feeling good, go about another half mile and I heard this big boom an outrageously loud explosion and thought what is that. Shortly after that I heard another loud boom and then I started hearing sirens and they were headed to the same place I am,” he said. “I am still running and I can see the finish line, but at this time police officers were running towards me and I was the first guy they jumped in front of to stop. Then I was able to contact my daughter and she told me what happened. The whole town changed the next day.”

Andy went on and talked about his experiences growing up in Superior, he was happy to share with the students that Superior is a good place. He explained a little more about Boston the day after, “There were shirts everywhere that said Boston Strong which was saying to the terrorists that you can’t scare us.” Andy went on to say, “We will be back next year. This year there were 36,000 participants and over a million viewers. I wanted to talk to you about this experience.” Andy participated in the Boston Marathon again this year.

Andy concluded with, “Superior is a tough little town and inhabited by tough people. Just the fact that you grew up here makes you tougher than most people in the general population. Tough things happen everybody. Living here in Superior has made you tougher than you know. We are Superior Strong.”

It was an interesting evening and the students enjoyed being honored by their good grades and hard work throughout school. The Superior Optimist Club wishes the best for the students and success for all their future endeavors.

Panthers rout Braves in first round of playoffs

By **Andrew Luberd**
Superior Sun

The 11th-seeded Superior baseball team shutout 22nd-seeded San Carlos in the first round of the playoffs last weekend, 10 – 0. Unfortunately, the

Panthers fell in the next round with a 9 – 5 loss to 6th-seeded Ray.

Austin Navarrette, Ricky Longoria, and Jesse Lopez each had two hits for the Panthers in the win versus the Braves. Navarrette also had three RBI in the game.

Longoria, a junior, pitched a complete game shutout to earn the victory. He allowed one hit and one walk in five innings pitched. He struck out 12 Braves' hitters.

The Panthers finished with a record of 11 – 9, including 7 – 7 in sectional play.

Senior Cesar Villalobos and Daniel Ramirez are the only players who won't return next year. A total of 12 freshmen and sophomores could return next year. The playoffs experience of this season is certain to pay dividends in the future.

Lady Panthers lose in quarterfinals

By **Andrew Luberd**
Superior Sun

The 5th-seeded Superior softball team advanced to the quarterfinals after defeating Bisbee in the second-round of the Division IV State Championship last weekend, 5 – 0. The Lady Panthers lost to 4th-seeded Ray in the next round, 7 – 3.

The Lady Panthers finished with a record of 18 – 6, including 10 – 5 in sectional play. The wins are the most in a season over the past seven years.

The Panthers started this memorable season by winning eight-straight games to start. They held the top spot in the Division IV rankings for several weeks during the season.

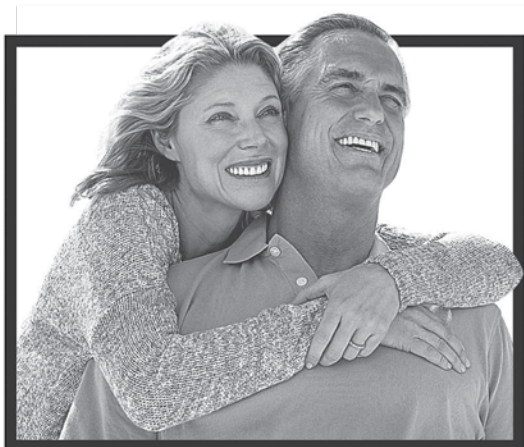

The quarterfinal game versus Ray was the fourth game played between the teams. The Lady 'Cats won three of those games. Of the Panthers' six losses on the season,

three came against Ray. But none hurt more than the last one.

Seniors Kiara Romero and Ariel Alonzo are the only two players who won't return next year. Seniors-to-be Hunter Flanagan and Cierra Navarrette will be expected to lead a talented group of freshmen and sophomores on next year's club.

The experience gained during this season should help the Lady Panthers advance further next year.

Judge Bravo visits Superior students

Each year Justice of the Peace Larry Bravo visits with the students at the Superior Junior Senior High School. During his visits he talks with the students about how the laws and rules that govern society will affect them once they are adults. Some of the topics discussed are bullying, online fraud and other life lessons important to the youth. Judge Bravo especially enjoys his presentations to the senior class because those students are ready to enter adulthood with the responsibilities of a career and college.

Judge Bravo addresses Superior students.

Public Notice

In accordance with A.R.S. § 27-1230, the Arizona State Mine Inspector is providing this public notice: Aggregate Mine Land Reclamation Plan Summary. **Responsible party:** Kalamazoo Materials 101 West Ventura Street Tucson, Arizona 85705 **Location of operation:** Old Superior Quarry The mining site is located on Apache Leap Road approximately 1 mile northeast of State Route 177, south of Superior, Pinal County, Arizona, in portions of Section 13 and 14 of Township 2 South, Range 12 East (parcel ID # 105-16-0010). Physical characteristics: Type of mine: Existing aggregate mine. Size of operation: Current operations have disturbed 20.26 acres. A historical disturbance (approximately 3 acres) is not included in this reclamation. Proposed depth of mine: Approximately 100 feet of material will be remove generally following existing topography. **Proposed reclamation timeframe:** Reclamation will occur concurrent with mining to the extent practicable. Decommissioning and removal of equipment are planned within 60 days of mining cessation. Proposed Post mining land use: The proposed post mining land use for the Old Superior Quarry is mixed use development. Reclamation grading will be considered preliminary grading for this purpose. Reclamation Measures: Mobile trailers, scales, crushers, conveyors, tanks, generators, etc. will be removed. Access roads and easement will be left for future property access. Gates will also remain. Where mining leaves slopes steeper than 2H:1V, berms will be placed at the top of the highwall, and material will be placed at the toe of the slope to achieve a final 2H:1V slope and stabilize the highwall. If necessary, geotechnical investigation will be performed to confirm stability. Revegetation will consist of natural revegetation after grading and disking to 12 inches depth. However, reclamation costs include hand broadcasting of seed onto prepared surfaces. Natural drainage patterns will be maintained. Remaining stockpile material will be used for slope stabilization and erosion control. **Questions and comments regarding this notice or to access a copy of the plan, you may contact: Office of the Arizona State Mine Inspector; Reclamation Department; 1700 West Washington St., Suite 403; Phoenix, AZ 85007; Phone: (602) 542-5971 Fax: (602) 542-5335. Any person who may be adversely affected by the plan may file written comments on the plan within fifteen days after May 8, 2014 (the last publication date), and/or to request a public meeting.** SUN Legal 5/7/14, 5/14/14

Trust Him To Do What is Right

PASTOR'S CORNER

By Dennis Van Gorp

Family Life Christian Center

Nahum 1:7 tells us, "The Lord is good, a refuge in times of trouble. He cares for those who trust in Him."

None of us escapes times of trouble in our lives. Sometimes we might be able to see it coming and try to avoid it. When any crisis event occurs, we then realize just how much our Lord cares about us.

Psalm 91:15, "You will call upon Me, and I will answer; I will be with you in trouble and deliver you." From

loving kindness and many blessings.

Isaiah 58:9, "When you cry for help, the Lord will say, 'Here I am.'"

If God didn't care, He would not have promised to help us when we are hurting and in need of His help. But He did promise; and yes, He does help us out.

God is a good God. You can always trust Him to do what is right and necessary. He loves and cares about each one of us. Remember to thank Him each day for His

ECOBOOST
CHALLENGE**

See why people are choosing
America's favorite brand.*

"The Fusion has
a younger vibe
than the Camry."
— Paula, Honda owner

Some never drove a Ford before. Some didn't know when Ford became "so awesome." But virtually everyone who participated in the Ford EcoBoost Challenge came away with a whole new opinion of Ford. About the power and efficiency of our EcoBoost engines. About the features, performance, handling, comfort and style of our full lineup of vehicles. And about what it means to Go Further.

**Real people.
Real test-drives.
Real surprises.**
