San Carlos Apache Gaming Enterprise donates \$5,000 to local Fire Department in the wake of the Margo Fire

San Carlos, Ariz. – As Arizona braces for another year of devastating wildfires. One local community has already felt the impact early last month. According to the Arizona Department of Forestry and Fire Management, the human-caused Margo Fire, started the morning of April 8, burning through salt cedar, grass and brush in the San Pedro River bottom near the town of Dudleyville. The fire burned 1,148 acres and 12 primary structures, according to the Department of Forestry. The San Carlos Gaming Enterprise who owns and operates the Apache Sky Casino near the area worked with the Dudleyville local fire

department leaders to see how we can assist in their cleanup efforts. It was determined in a unanimous

decision that the San Carlos Gaming Enterprise would donate a monetary

Endangered cactus species rescued at bridge project; ADOT teams with Desert Botanical Garden in protection effort

PHOENIX - Thriving, not just surviving, is the goal of a joint effort by the Arizona Department of Transportation and the Desert Botanical Garden in Phoenix to protect an endangered species of cactus that grows only in one tiny area of Arizona. That area also happens to be where ADOT is building a replacement bridge over Pinto Creek on U.S. 60 near Globe-Miami.

In 2018, ADOT began the project to replace the current 72 year-old structure. Before that work began, ADOT partnered with botanists from the Desert Botanical Garden to make sure endangered hedgehog cacti that grow in the construction zone were rescued.

Project work will be completed in 2022 and the cacti replanted.

"The location of this project is the only place in the world where these endangered Hedgehog cacti exist," said ADOT Biology Specialist Joshua Fife. "One of our jobs at ADOT is to make sure that every project we do respects the environment. It's not only the law, but it's the right thing to do and protecting these endangered cacti is valuable for generations to come."

The rescue effort required several of the members of the Desert Botanical Garden team to rappel into the canyon,

amount of \$5,000 to assist with the Margo Fire cleanup and debris removal.

On May 6, 2021 the Gaming Enterprise and some of the Dudleyville Volunteer Fire Department representatives held a check presentation at the Apache Sky Casino to show our commitment and dedication to supporting our local communities. One very heroic couple we would like give a special thanks for attending is Mr. Pedro Gallego and Mrs. Marisa Gallego. Mr. Pedro Gallego is a volunteer firefighter and was one of families that lost their home in the fire. We are very humble and honored to have such great community members that can come together in a time a need and overcome all obstacles. The San Carlos Gaming Enterprise would like to thank everyone who has helped during these tough times and send our sympathies to all that was affected.

The Pinto Creek Bridge project between Superior and Globe goes right through the natural habitat for the endangered Hedgehog Cactus.

Lady Miners named State 1A Runners-Up after close loss to Williams

By Nathaniel A. Lopez
San Manuel Miner

Victory was so, so close. But a hard fought battle brought the second place trophy back to San Manuel High School.

On Friday, May 14, the Lady Miners continued their quest for state during their semifinal game against Bagdad. The girls started off slow, down by one run at the top of the second. They were able to take

the lead at the top of the third, but Bagdad caught up, leaving the two teams in a tied stalemate for two innings.

The Lady Miners began their lead in the sixth inning, bringing in one run, while keeping Bagdad from securing any runs. The seventh inning saw the girls post two more runs, locking down their victory, and moving them into the following day's final championship game.

Over the seven innings in the semifinals

game, Jazmyne Waddell only allowed two hits and three runs, no walks. Waddell was able to strikeout 14 hitters, and had 25 first pitch strikes. Aubrey Encinas and Julianna Garcia led the team at the plate, with 3 hits each. During the overall game, the Lady Miners were able to collect 11 hits. The final score of the game was 6-3.

The following day the Lady Miners took the field one last time for the 2021 season. Through teamwork and effort, the girls made it to the 1A State Championship Finals against Williams.

The game started with San Manuel taking a 1-0 lead in the first inning. The Lady Miners' defense held strong for the first two innings, keeping Williams off the board. At the top of the third the girls posted two more runs, giving them a 3-0 lead. Unfortunately, Williams was able to break through the Lady Miners' defense at the bottom of the third, scoring five runs.

Now down by two runs, the girls were unable to break through Williams' defense, posting no runs for the fourth, fifth, and

sixth innings. During the seventh they were able to score one run, but it wasn't enough to close the small gap Williams created. The game concluded with a 4-6 final score.

Jazmyne Waddell pitched all six innings for the Lady Miners, striking out 7, and getting 18 first pitch strikes. Waddell also lead at the plate, getting 2 hits and 1 RBI. Followed by Aubrey Encinas and Pricilla Ivy with 1 hit and 1 RBI each.

The Lady Miners closed out their season earning the title of 2021 1A State Runner-ups, with a final record of 15-6. The 2021 Lady Miner softball team has etched their name into the San Manuel High School sports history, and will go on being remembered alongside fellow Miner athletes of the past, who left it all on field. Congratulations, ladies!

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 63 businesses in the Copper Corridor.

Deemed an essential business, Huntington Chiropractic was able to remain open during the pandemic.

Dr. John P. Huntington has been a respected Chiropractor for over 34 years. He has helped many

patients over the years with neck and back pain relief. At Huntington Chiropractic Health Center, short term care for shoulder, hip and knee pain as well as sport/golf injuries are treated. They also offer diet consultation and ways to boost one's immune system.

Dr. Huntington says they have been busy since the COVID-19 pandemic began along with the opiate crisis. "People are looking for natural ways to relieve pain and get better. We try to show people how to help themselves," Dr. Huntington said.

Huntington Chiropractic Health Center is located at 970 N. Dodge Drive in Oracle. Their office hours during COVID-19 are Monday, Wednesday and Thursday 8 a.m. to 4 p.m. by appointment. Call (520) 896-9844 for appointments. Medicare and other insurance accepted.

Happy Birthday, Head Start!

May 18, 2021, is the 56th birthday of Head Start.

In January 1964, President Lyndon B. Johnson declared a "war on poverty" in his State of the Union address. The government was influenced by new research on the effects of poverty, as well as its impact on education. This research indicated an obligation to help disadvantaged groups, compensating for inequality in social or economic conditions.

The Head Start program began as an eight-week demonstration project designed to help break the cycle of poverty. It provided preschool children from low-income families with a comprehensive program to meet their emotional, social, health, nutritional, and educational needs. A key tenet of the program established that it be culturally responsive to the communities served, and that the communities have

an investment in its success through the contribution of volunteer hours and other donations as non-federal share." <https://www.acf.hhs.gov/ohs/about/history-head-start>

In 1995 Head Start added additional funding to serve pregnant women, infants and toddlers. Head Start has continued supporting families in the education of their young children for 56 years.

Pinal Gila Community Child Services, your local Head Start provider, is accepting applications for the 2021-2022 school year. Please visit our website www.pgcs.org or call us at 1-888-723-7321 and begin the intake for your child today! There are home-based programs in the San Manuel, Mammoth, Oracle, Dudleyville, Winkelman, Hayden and Kearny areas and a center-based program in Superior.

A person who has failed to timely file a proper claim will not be a party, will not be represented, and will not receive further notice of any proceeding. By law, no extension of time for the filing of a claim may be granted. The Complaint, when filed by the State, may be pursuant A.R.S. § 13-4311, or it may seek relief under all of A.R.S. § 13-2314, particularly (C), (D), (E), and (F), as well as under A.R.S. §§ 13-4312, 13-4313, and 13-4314. The property was seized for forfeiture by peace officers of the Pinal County Attorney's Office and/or other Arizona law enforcement agencies. If you have not previously received notice of its seizure for forfeiture, this is also notice pursuant to A.R.S. § 13-4306(C). Owners, interest holders and/or claimants who have filed a claim may have remedies available pursuant to A.R.S. §§ 13-4301 et seq. In some circumstances, a person claiming a lawful interest may file, within fifteen (15) days of notice of seizure for forfeiture, an application under A.R.S. § 13-4310(B) to obtain a hearing on the provisional return of the property pending the outcome of a judicial proceeding on its forfeiture. If an application for such a hearing is filed, it too, must comply with the requirements of A.R.S. § 13-4311(E) and (F), and must be filed in the Superior Court in Pinal County. Notice of the order to show cause hearing must be served upon the Attorney for the State at least five (5) working days before the hearing is held. Under A.R.S. § 13-4306(G), an owner of property may obtain the release of seized property by posting with the Attorney for the State a surety bond or cash in an amount equal to the full fair market value of the property, as determined by the Attorney for the State. The State may refuse to release the property if: 1) the bond or cash tendered is not in an amount equal to the full fair market value of the property; or 2) the property is retained as contraband or as evidence; or 3) the property is particularly altered or designed for use in conduct giving rise to forfeiture. If you post bond or cash in lieu of the property, the bond or cash and not the property will be subject to forfeiture. If you wish to post a bond or cash in lieu of the property, you may contact the Attorney for the State. If no Notice of Pending Forfeiture is made within sixty (60) days after the seizure of the property for forfeiture, any owner or interest holder may request release of the property, pending further proceedings pursuant to the forfeiture statutes, to be commenced within seven (7) years after actual discovery by the State of the last act giving rise to forfeiture. The request should be addressed to the Attorney for the State and should show that the requestor is an owner or interest holder. If the Attorney for the State declines to authorize release of the property by the seizing agency, the request may be addressed to the Superior Court for the County of Pinal. Any attempt to hide, transfer, convey, or sell any interest in any property seized for forfeiture, or to deposit it with a third party, place it beyond the jurisdiction of the Court, diminish its value or commingle it with other property may result in forfeiture of other property of equal value. If the property is conveyed, alienated, encumbered, disposed of, received, removed from the jurisdiction of the Court, concealed, or otherwise rendered unavailable for forfeiture, these acts may constitute facilitation of money laundering and money laundering, for which you may be criminally liable. Additionally, you may be sued for the fair market value of the property together with reasonable investigative expenses and attorney's fees, in addition to other criminal and civil remedies for fraud. Copper Area News is committed to providing our readers with as much information as possible. This graph shows the positive cases as of press time on May 11, 2021. We have also included a graph showing the daily counts for the past week. Statewide, positive case counts have reduced dramatically, as the number of people vaccinated has increased. Case counts in the Copper Corridor are not increasing and have been holding steady.

New data reported this week is the number of residents who have been vaccinated per zip code. We will update that on a weekly basis. Vaccinations are now available to residents 12 and over in Pinal and Gila Counties.

The CDC has released new guidance that those who are vaccinated do not have to wear masks indoors or outdoors in public settings. There is some caution still advised if you are participating in large group activities.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

On Saturday, May 22, Ernie Sandoval will kick off the musical entertainment, followed by Tequila Moon's honky-tonk sound; at 1 p.m.

Buddy Duke plays some soulful grooves; at 2 p.m. Curt n Rod takes the stage to play some favorites; The Joey's, a fast paced retro rockabilly band play at 4 p.m.; at 5 p.m. Reckless Envy is back up on the stage and that evening, we have the sensational fiddler, Scott Jeffers, with Traveler playing world fusion and closing out the night.

There are a variety of food trucks and cold beverages.
