LETTER TO THE EDITOR

Supervisors Smith and House enhance political aspirations

On Dec. 18, 2014 the Pinal County Planning and Zoning Board denied a request for a zoning regulation amendment requested by the Rose Law Firm to delete the requirement that cultivation of Medical Marijuana be inside a completely enclosed, locked building and to modify development standards by removing size limitations and storage areas. This was denied by a vote of 9-1.

The Rose Law Firm of Scottsdale's lawyers connect wealthy investors with landowners and pursue the bureaucratic process of permitting and rezoning, making millions representing marijuana dispensaries throughout Pinal County and Arizona. This firm is adept to plying the political campaigns in Pinal County with enough cash to ensure the Board of Supervisors approve anything they want.

On Feb. 18 of this year the Rose Firm's lawyers argued for approval of eight open grow farms and 13 dispensaries. Our illustrious Supervisors, Anthony Smith, Todd House and

Steve Miller voted to approve the changes that Ms. Rose's firm had requested. They determined that it was necessary for the health, safety, and general welfare of the public to amend Pinal County Development Services Code concerning Medical Marijuana Dispensary off-site outdoor cultivation locations and sizes, even in view of the fact that the Planning and Zoning Board voted against it 9-1! These Supervisors defended their votes as a "right for farmers to grow whatever they want".

Are you surprised that the Rose Law Firm recently hosted a high dollar fundraiser at their elaborate Scottsdale Offices for Supervisors Smith and House? Clearly this is, at the very least, an ethical violation, showing how blatant the quid pro quo political game is being played by some members of our Board of Supervisors. Give the Rose firm what they want and your campaign funds will grow significantly!

Smith and House sold out against the interest of the families they were elected to serve. The old cycle of corruption in Pinal

County is still alive and well, it just has a new cast of politicians eager to place their political aspirations above those they were elected to represent.

RUSD votes to keep all programs, discusses a 'pay to play' program for sports

By Mila Besich-Lira
Copper Basin News

Following a two and half hour executive session, the Ray Unified School District Governing Board last week voted unanimously to make the necessary cuts to the budget that were discussed in the executive session. Board President, Brian Coleman explained to those in the audience that there would not be any programs cut at RUSD, however the board would still need the support of the community to fundraise to keep the ROTC program going, as well as fundraise for all programs including athletics and band.

The board did not elaborate on what cuts would be made to accommodate keeping the programs in place. President Coleman explained that those cuts would not be shared publicly until Superintendent Cook could inform the affected staff members. At a special board meeting in April, the board considered cutting the ROTC program due to the high costs and need to cut \$110,000 from the 2015-16 budget.

During the call to the public, RUSD Parent Michael Hing suggested the possibility of Ray joining the Cobre Valley Institute of Technology. He asked the board to fund ROTC for one more year until an election could be held to join CVIT. He explained that Globe High School is able to run their ROTC program through CVIT. Parent Angela Gotto also explained that she was able to come up

with additional fundraising plans to help fund the ROTC program.

Athletic Director Jeff Cude made a presentation to the board on the possibility of implementing a pay to play program for the athletics program. He explained that ticket sales at football, basketball and volleyball games are not generating enough revenue to cover the cost of hiring officials. In 2014-15 the district auxiliary fund for athletics was overspent by \$6,000 due to the increasing costs of officials and lower ticket revenue. In the pay to play plan, families could utilize the Arizona Education Tax Credit to pay for their students athletics and see a reduced tax bill by using that option. The maximum a family would pay on the fee scale would be \$400 and that would be for multiple athletes playing three sports each. The policy would also include a hardship clause for families that could not afford the pay to play fees.

The board also heard a presentation on the purchasing of a new phone system for district. Funds to purchase the phones will come from E-Rate funds that help schools and libraries buy technology and communication equipment such as phones, computers, and other hardware. The total cost of the phone system will be \$42,422, E-Rate will fund \$37,937 of that expenditure leaving the district to cover \$9,484. The new phone system will improve the district phone system which will operate off the internet and will allow more phone lines into the district.

Copper Basin News will provide more details on the cuts

made to the 2015-16 Budget once the affected staff has been notified. The RUSD Governing Board will convene a public hearing on the 2015-16 budget on Wednesday, May 27, at 6:30 p.m.

Four merchants honored by Chamber

In the past several years the Copper Basin area has celebrated Hayden and Winkelman's 100 years and 50 for Kearny. As we continue to celebrate our heritage did you know that there are four businesses that have been here 50-100 years under the same family management?

They have survived two World Wars, Korean, Vietnam and the Persian Gulf wars, numerous strikes and layoffs and still kept their businesses running along with the hardships of their customers.

Last week, these four businesses were honored for their longevity.

In 1911 the first generation of Giorsettis arrived in Winkelman from Italy setting up a bakery and door-to-door delivery of those products. They raised their family at that same location expanding their business to a General store. Provino and Ruby Jean carried on the family tradition. At Giorsetti's you could find clothing, boots, dry goods. Houseware, groceries and meat cut to your specification. Anything you wanted it was there. Third generation Giorsettis still run the store and are an asset to the local area.

Raul Mendoza would not think of retiring. He was born and raised in the Copper Basin area, his parents owned a local ranch and his brother ran the Hayden Drug store. He loves the area where he lives and works. Raul was bombardier in World War 2, came home and opened the Hayden Home Supply which was located on Main Street, Hayden. The building still stands and was later Gila Furniture. He is presently located in the building that was originally the Hayden Elementary and later Griffith Mortuary. He is known for his advertising technique, "Going Out of Business." His wife Sophie, family and friends were there as he received his plaque.

In 1958 the Slotter family moved to Winkelman and

settled on acreage a couple miles across the Gila on the Old Tucson Highway. They opened Palo Verde RV Park which was always busy especially during the building of ASARCO's smelter and smoke stack. Mrs. Slotter who is in her 90s ran the trailer park all those years and has turned the Park over to her son Tom and Rose. Rose accepted the plaque on behalf of the Slotter family at Palo Verde Park.

Lorna Bowen was tired of struggling through strikes and layoffs and wanted a backup in order to provide for her family. The first venture was Big Jim's Drive In on Highway 177. After success at that they opened the Hamburger King in Superior. Lorna decorated the restaurant with bees and thus the name Buzzy's which carried over to their famous establishment in Kearny.

Ray Jr. High girls end year with four championships

By **Andrew Luberda**
Copper Basin News

What a year it was for the female student-athletes at Ray Jr. High. They had a year to remember and perhaps not soon to be duplicated after winning championships in volleyball, basketball, softball and track.

As seventh graders, this group of girls won two championships; one in basketball and the other in track. The potential to exceed last year's accomplishments was there when they returned for their final year of Jr. High School. But as most of us know, sometimes it's easier said than done to meet such lofty expectations, which makes this year's results even more rewarding.

Physical Education teacher and volleyball head coach Stacy Johnson attributed the success of all four teams to

positive attitudes and behaviors and "real" teamwork. "They play as a team, they're selfless, they're good humored, and they don't get down on each other if one makes a bad play," Johnson told the Copper Basin News. "Selfless is the big thing, I think."

In addition to be champions on the court, in the field, and on the track, these true student-athletes were champions in the classroom.

"These female athletes stayed eligible this entire school year and most of these girls maintained high academic standards by being on the various honor rolls provided at Ray JR/SR High School this year," Johnson wrote in an email. "All of these girls knew that their class work needed to come first before they could succeed on the court or in the field. They proved that good things happen when you work hard at everything you do."

Of course, the teams could not have had the success without the coaches who dedicated their time, energy, and love for their respective sport and players. Each of them helped ensure positive values were instilled at each game and practice, which led their team to a championship level.

The following is a list of rosters for the Jr. Bearcats' four championship teams:

Eighth-grade Volleyball:

Jorianna Hudson, Riley Cude, Tara Lorona, Julie Meza, Daniella Hinojos, Corrina Martinez, Augie-Lou Hing, Ameer Kenyon, Myranda Figueroa and Hailey Rutter.

Eighth-grade Basketball:

Jorianna Hudson, Riley Cude, Tara Lorona, Julie Meza, Daniella Hinojos, Corrina Martinez, Ameer Kenyon, Myranda Figueroa, Hailey Rutter, Destiny

Gonzales and Anahi Aragon.

Eighth-grade Softball:

Tara Lorona, Julie Meza, Daniella Hinojos, Ameer Kenyon, Myranda Figueroa and Destiny Gonzales.

Eighth-grade Track:

Jorianna Hudson, Riley Cude, Hailey Rutter, Brittany Smitch, Janna Lengel and Grassie Schepers.

Bearcat season ends with state runner-up trophy

By Andrew Lubarda
Copper Basin News

For a while it looked like the second-seeded Ray baseball team might lose last Saturday's Division IV Baseball State Championship game without recording a hit against top-seeded Desert Christian's starting pitcher Andrew Edwards.

But the Bearcats wouldn't go down without a fight, coming up with a valiant comeback attempt before being defeated by the now Three-Peat Champions, 13 – 6.

The Eagles senior left-hander no-hit the Cats during the game's first five innings, as the back-to-back defending State Champion Eagles were making it look easy, leading 8 – 0 going into to the sixth inning.

Ray had a chance to score first in the bottom of the second with runners and second and third, no outs, and their 1-2-3 hitters coming up. But Edwards was able to get out of the jam without any damage being done.

"We felt our 1-2-3 hitters were capable of scoring at least one, if not two runs," Ray head coach Rene Pacheco said after the game. "When you face a dominant pitcher like Edwards, he controlled those three at-bats."

He added, "Looking back, if we could've scored one, if not two the outcome of the game could've been a little different.

The Eagles took the lead in the bottom of the third, taking advantage of some errors to score five runs in the inning. Ray starting pitcher Douglas McPeak, who pitched out of trouble in the second, was not as fortunate in the third and was relieved by senior Destry Yocum.

The Cats gained some momentum in the bottom of the

Erica Vanessa Aguirre would like to thank her family, ninos, friends, teachers, coaches and role models for their support as she receives her Bachelor of Science in Public Health Degree from the University of Arizona (UA) this May 2015. Inspired to make a difference and discover the world around her, Erica immersed herself in many extracurricular activities throughout college.

She volunteered with numerous Tucson organizations, such as the Southern Arizona AIDS Foundation, Community Food Bank of Southern Arizona, AZ Deaf and Blind School, Ben's Bells, Mel and Enid Zuckerman College of Public Health, and other events, such as Tucson Meet Yourself, AZ Diaper Drive, 24 Hour Toy Drive, Moda Provocateur Fashion Show, Diabetes Walk, and the Breast Cancer Awareness Walk. She engaged in clubs across campus, such as Ballroom Dance and Folklorico Miztontli where she danced in a UA football game half-time performance in front of 10,000 Wildcat fans. Fully funded by the Gates Millennium Scholarship, she left the United States for a semester to finish her Spanish minor at La Universidad de Alcalá in Alcalá de Henares, Madrid, Spain and visited several European countries. Upon returning, Erica founded the Gates Millennium Scholars (GMS) Club on the UA campus and served as the Campus-Based Leader for all GMS Scholars at the UA. During this time, she also stepped up to serve as President for her sorority where she led her sisters in facilitating their annual ONE Love Multicultural Showcase for the Tucson community. Erica also worked for the Undergraduate Research Opportunities Consortium Program where she led research activities for the 2014 summer program. This academic year, Erica has interned with the non-profit organization, Grow 2B Fit Foundation, where she has facilitated sessions on how to make healthy choices through nutrition and physical fitness education to low-income youth. Erica aspires to continue her education in public health and will apply for graduate school this upcoming year. She knows none of this would have been possible without the support and encouragement from those that have helped her throughout her journey, and she expresses her utmost gratitude.

natural gas
SAFETY
wherever you are

SOUTHWEST GAS

Natural gas lines can be buried anywhere. So it's important to know how to recognize and respond to a natural gas leak...no matter where you are.

A leak may be present if you:

- SMELL:** An odor similar to rotten eggs, even if it's faint or momentary.
- HEAR:** A hissing or roaring sound coming from the ground, above-ground piping, or gas appliance.
- SEE:** Dirt or water blowing into the air, unexplained dead or dying grass or vegetation, or standing water continuously bubbling.

If you suspect a leak:

- Leave the area immediately.
- From a safe place, call **911** and Southwest Gas at **1-877-860-6020**, day or night, whether you're a customer or not. A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off any electrical switches, thermostats, or appliance controls; or do anything that could cause a spark.
- Don't start or stop an engine, or use automated doors.

For more information about natural gas safety, visit swgas.com/safety or call 1-877-860-6020.

Continued from page 9

fifth when center-fielder Robbin Newman made a sliding two-out catch on a line drive with the bases loaded. Ray's season might have ended there if not for Newman's outstanding defensive play.

"Robbin made a great play to end the inning," Pacheco said. "(He) allowed us another at-bat to make a game out of it and we had a little bit of life left."

Boy did they. The Bearcats sent 10 batters to the plate in the top of the sixth, scored six runs, and chased Edwards, who was obviously upset as he returned to the dugout.

Derek Pacheco led off the inning with a walk, which was followed by Yocum getting hit by a pitch and single by Seth Harmon to load the bases. Jacob Pace

came up with the first big hit of the inning, an RBI single that scored Pacheco and Yocum. Harmon, who was trying to score on an error, was out at the plate, but the throw home allowed to Pace to move to second.

Jacob and his brother Jordan scored two more runs on a throwing error by the Eagles' first baseman.

Douglas McPeak later hit a two-run double, scoring Newman and Cole Yocum, who had previously singled and doubled, respectively.

"Our kids had quality at-bats, executed when we needed to, and made things happen," Pacheco said.

"To make that run it's just quality at-bats, quality hits, a little bit of luck, and we put some pressure on their side."

Pacheco, who said the both

the crowd and atmosphere "was unbelievable" during Saturday's game, was pleased by the support of the fans in attendance and effort of his players.

"Our fans never gave up on us and I honestly believe our kids never gave up on us," he said.

Desert Christian answered back in the bottom half of the inning, scoring five runs to effectively seal their third-straight championship.

The Bearcats started the season 1 - 6 - 1, facing some stiff competition before playing in a section that featured three teams in the final eight of the state playoffs.

"We told the kids we're going to work hard, we're going to try to get better every year, and we're going

to try to go deeper in the playoffs," Pacheco said, recalling what he told the team he took over. "This year we knew we were going to be prepared."

Pacheco, who took over the Bearcats' program three years ago, was proud of his players, many of whom were friends with his son, Derek. He's been around them most of their lives.

"I truly believe our team left everything they had on the field," he told the Copper Basin News. "We accepted the defeat in the end, but our kids fought until the end."

Pacheco talked briefly about the opportunity to coach his son Derek during his final season at Ray.

"It's been an unbelievable experience," he said about

coaching son. "I'm proud of him as a baseball player, but I'm more proud of him as a person."

The last month has been difficult for the Pacheco family, especially for Derek, who lost both of his maternal grandparents during that time, including his grandmother only days before Saturday's championship game.

The younger Pacheco, who is a straight-A student and ranked at the top of his graduating class, has made his family and father very proud.

"He has an academic scholarship to NAU," said Derek's coach and dad.

"He's been a role model for all the kids in our community and I'm very proud of that."

Ray head coach Rene Pacheco receives the Division IV State Runner Up trophy.
