## LETTERS TO THE EDITOR

# Supervisors Smith and House enhance political aspirations

On Dec. 18, 2014 the Pinal County Planning and Zoning Board denied a request for a zoning regulation amendment requested by the Rose Law Firm to delete the requirement that cultivation of Medical Marijuana be inside a completely enclosed, locked building and to modify development standards by removing size limitations and storage areas. This was denied by a vote of 9-1.

The Rose Law Firm of Scottsdale's lawyers connect wealthy investors with landowners and pursue the bureaucratic process of permitting and rezoning, making millions representing marijuana dispensaries throughout Pinal County and Arizona. This firm is adept to plying the

political campaigns in Pinal County with enough cash to ensure the Board of Supervisors approve anything they want.

On Feb. 18 of this year the Rose Firm's lawyers argued for approval of eight open grow farms and 13 dispensaries. Our illustrious Supervisors, Anthony Smith, Todd House and Steve Miller voted to approve the changes that Ms. Rose's firm had requested. They determined that is was necessary for the health, safety, and general welfare of the public to amend Pinal County Development Services

Code concerning Medical Marijuana Dispensary off-site outdoor cultivation locations and sizes, even in view of the fact that the Planning and Zoning Board voted against it 9-1! These Supervisors defended their votes as a "right for farmers to grow whatever they want".

Are you surprised that the Rose Law Firm recently hosted a high dollar fundraiser at their elaborate Scottsdale Offices for Supervisors Smith and House? Clearly this is, at the very least, an ethical violation,

## We know Supervisor Pete Rios

This letter is in Reference to Ron Thompson's letter of last week. While Supervisor Rios is writing about his successful efforts to acquire funding for meals for our Senior Citizens in the Copper Corridor, we have this guy writing detailed minutiae about who knows what.

He attempts to belittle the Supervisor referencing his "few friends." Don't under estimate the support he has had in this area over the decades. Thompson makes threats about exposing Supervisor Rios. Really?? Rios' career as a public servant over the past 30 years has been an open book, with all the good and blemishes.

He was born and raised in the Copper Corridor, graduated from a local high school, married a local girl, etc. Most people in this area know him, his family, especially his daughter, Rebecca who is also a public servant.

If there is someone the Tri-Community doesn't know anything about it's a guy named Ron Thompson.

# Town of Mammoth to tighten belts; council hears additional presentation from PCSO

By **John Hernandez**  
San Manuel Miner

More money problems have been discovered at the Town of Mammoth.

On Thursday, May 7, Mammoth Mayor Don Jones hosted a Town Hall meeting at the Community Center to get input from Mammoth residents on how the town can save money.

The Town of Mammoth is in serious financial difficulty, Jones said. The amount of HURF (Highway User Revenue Fund administered by the Arizona Department of Transportation) funds borrowed has grown to \$1.2 million and the debt could continue to mount when the next audits are completed. The state Auditor General is scheduled to meet with the mayor concerning the HURF funds.

In addition to the HURF funds, Jones reported, it has

been discovered that the Town's liability insurance has not been paid for two years, so a deal had to be negotiated with the insurance company, which was on the verge of canceling their insurance, resulting in having to make higher payments.

Withholding taxes weren't paid and outstanding bills had not been paid for six months, Jones added.

The Town of Mammoth has taken action to reduce spending, Jones told the residents. The monthly payroll has been reduced from \$57,000 a month to \$26,000. The Mayor and Town Council members have also been talking with other small town mayors and are looking at getting a bill introduced in the legislature that would give small towns a larger percentage of Arizona shared revenue from lottery sales. The state has made cuts in funding for municipalities and has cut smaller town funding more than the larger cities. Many small town governments are hurting and view this as an emergency situation.

Supervisor Pete Rios, who was in attendance, will present the idea of the bill to the Board of Supervisors at the May 27 Board meeting. It is hoped that the Board of Supervisors will support the idea which will be presented to Frank Pratt, District 8 Representative, to introduce to the state legislature.

The Pinal County Sheriff's Office was represented at the meeting by Deputy Chief Harry Grizzle. Chief Grizzle spoke to the audience about the cost of having PCSO take over the policing of Mammoth. He explained that the cost would be \$280,000 per year – \$70,000 per officer and it would take four officers to patrol Mammoth. The current Mammoth Police Department budget is \$270,000 per year. Chief Grizzle says it will be cheaper in the long run for the Town of Mammoth to use Pinal County deputies. They would save on things like insurance, comp time and other unseen costs. The Pinal County Sheriff's Office will be on the agenda for the next Mammoth Town Council meeting.

# Norm's Hometown Grocery keeps it local

By **John Hernandez**  
Copper Area News

Norm and Myra Warren were both born and raised in the Kearny-Ray area. They have lived here nearly all their lives and raised their family here. They have five children and 11 grandchildren. Both of their parents still live in town. Their roots, friends and family ties are deep in the community. Norm and Myra are the new owners of what was once Gordon's IGA. Their store is now named Norm's Hometown Grocery. They are proud of their hometown and the name reflects this.

The Warrens took over the grocery on April 1. Yes, "April Fool's Day," they laughed. "It was always a dream that I would own my own store," said Norm. Myra always wanted to own her own business so when Norm was asked if he was interested in buying Gordon's IGA, they thought long and hard about it. We had known that Gordon's was selling out. Rumor was they going to shutdown like they did in San Manuel but the truth was they were always going to sell it. Norm and Myra felt it was "better for someone with local interests and experience" to own the store. "Norm knows how to run the store well," said Myra.

Norm has 35 plus years working for Gordon's IGA, 28 of those years as manager. He started as a carryout boy at age 16. He has worked every department except the meat department. Gordon's always supported the community but lived in Tucson. The Warrens are part of the community and will continue to support it. "We

are blessed to have this opportunity," said Myra. "We will definitely make some changes," said Norm. "We have a lot of ideas but will take it slow. We want to try new products and revamp some departments." Norm's Hometown Grocery will remain members of the Independent Grover's Alliance (IGA). If customers have a special request for a new product we will do our best to get it in the store and try it out. They will be lowering prices for several categories of products. Store hours are Monday through Saturday, 7 a.m. to 9 p.m. and Sundays, 8 a.m. to 8 p.m.

The Warrens said they will continue to run ads in the newspapers. They have a website where customers can look at weekly special coupons for free or greatly reduced items. The website is normsiga.com. They are also on Facebook. Norm's Hometown Grocery wants the local people to know they are still here for them and really need their support. Norm and Myra said they want to thank their loyal customers in Kearny and those from the Hayden-Winkelman area that have supported the store over the years.

New signs have been ordered and as soon as the Warrens are settled, a grand opening will be held. Look for the date for the grand opening of Norm's Hometown Grocery on Facebook or in the paper.

Myra and Norm Warren are the new owners of the IGA grocery store in Kearny.

# Volunteers organize to clean up San Manuel

**By John Hernandez**  
San Manuel Miner

A group of citizens living in San Manuel have organized to clean up the town. Earlier this spring, 11 volunteers met at the Sun Life Family Health Center and began cleaning up the median and street at the entrance to San Manuel. They cut grass, pulled weeds, and picked up trash.

The group hopes to make the “Start at the Street” clean up a regular event. They also are willing to help those that are elderly and/or disabled and no longer physically capable of manual labor clean up their yards.

Debbie Pfaff helped organize the group. She said, “We have to take ownership; it is not a company town anymore.” Debbie has been teaching for 40 years and is currently

teaching at the STEM School in Mammoth. “I love living in San Manuel and felt that the appearance of the town did not reflect the spirit of the people,” she said. “My heart is in community service.”

The group is trying to get churches and students involved in keeping San Manuel looking good. They are also working with Pinal County to get some support. Businesses are welcome to help out and

the group can use donations of garbage bags and gas for lawn mowers and weed trimmers. The more volunteers they have, the more work they can do. “If a lot of people do a little consistently, it will make a big difference,” said Debbie. If you would like to volunteer, donate or would like a yard cleaned but are physically unable to do it, contact Debbie at 520-850-0078 or startatthestreet@gmail.com.

# BHP makes generous donation to San Manuel Seniors

Last week the San Manuel Senior Citizens learned that they had been awarded \$8,000 from BHP to help with building renovations and to help increase the programs they have planned. Recently the senior center replaced the water heater and installed new faucets in both the kitchen and bathroom. They also have new tablecloths for potluck dinners.

"We are in the process of purchasing new tables and chairs, ceiling fans with lights and outdoor lighting to update our building and make it an enjoyable place to gather," said president Dorothy Staggs. "The funds received from BHP will help make all this possible."

Membership has increased to 50 paid members and there are many activities to choose from each week:

- You can exercise on Mondays, Wednesdays and Fridays at the Elks at 8 a.m.
- A "widows" luncheon is offered on the first Monday or Tuesday of the month. The next luncheon will be on June 1 at noon at La Casita in Mammoth.
- Every Monday there is Crochet and Conversation at the San Manuel Public Library beginning at 1 p.m.
- Wednesdays are game days - 12:30 p.m. Canasta and 1 p.m. game playing every other week (come and learn some new

games).

- The Senior Citizens Pot Luck night at 5 p.m. on the second Thursday of the month. A fun program is usually planned.
- The Red Hats meet at the Senior Center on the second Friday of the month to plan their activity for the month.
- There is also a quilting club meeting several times a month, where they are making 100 crib size quilts for a humanitarian project.

"People 50 years and up are invited to join with us as we try to make the San Manuel Community a better place to live and enjoy our senior years," Staggs added. "We have many more activities in the planning stage for this fall. You are welcome to come to any activity, just show up, or call for information."

Dues are \$15 a year and \$1 for each activity you attend at the Senior Center to help pay for the utilities. Non-members pay \$2 for each activity attended.

Please call one of the directors for more information on how to join or attend an activity.

natural gas

# SAFETY

wherever you are

**SOUTHWEST GAS**

**Natural gas lines can be buried anywhere. So it's important to know how to recognize and respond to a natural gas leak...no matter where you are.**

**A leak may be present if you:**

**SMELL:** An odor similar to rotten eggs, even if it's faint or momentary.

**HEAR:** A hissing or roaring sound coming from the ground, above-ground piping, or gas appliance.

**SEE:** Dirt or water blowing into the air, unexplained dead or dying grass or vegetation, or standing water continuously bubbling.

**If you suspect a leak:**

- Leave the area immediately.
- From a safe place, call **911** and Southwest Gas at **1-877-860-6020**, day or night, whether you're a customer or not. A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off any electrical switches, thermostats, or appliance controls; or do anything that could cause a spark.
- Don't start or stop an engine, or use automated doors.

For more information about natural gas safety, visit [swgas.com/safety](http://swgas.com/safety) or call 1-877-860-6020.

## Capstone donates to Project Graduation; Elks say they are ready for the graduates

Anna Petty, Community Coordinator for Capstone Mining Corp. at the Pinto Valley Mine in Globe-Miami, traveled to San Manuel last week to present a check to the San Manuel Elks Lodge for Project Graduation. Anna along with Kent Fletcher, Manager of SMARCO railroad in San Manuel, presented a check for \$2,000 to Fred Creeley and Dave Martin of the Elks. The \$2,000 will be used for the Elks Project Graduation which has helped keep San Manuel High School graduates safe for years. Anna Petty said that she hopes the donation will help "keep the kids safe and out of trouble." Kent Fletcher echoed the sentiment and added, "We want to continue being good neighbors to the community." It takes more than \$15,000 to host Project Graduation, most donations coming from local companies like BHP. Project Graduation is an all night lock-in party for all local graduating seniors plus one of their friends on the night of graduation. The Elks provide food, soft drinks, movies, games and lots of prizes to entice the kids to stay the entire night. In the morning, several laptop computers and sometimes other big ticket items are given away in a random drawing. The top prize, of course, is a car. This year's car is a 2000 Pontiac Grand Prix.
