Bear sightings increase; Game and Fish reminds public to be bear aware

TUCSON, Ariz. – The Arizona Game and Fish Department continues to closely monitor bear activity in southeastern Arizona given multiple sighting throughout the region this year.

A yearling black bear is suspected of blowing an electrical transformer after climbing a tree at 11 p.m. Thursday in the York Valley area between Duncan and Clifton. The bear ran to a trailer park and homes afterward before being scared off by law enforcement. The bear may have been observed there on other occasions recently.

The weekend of May 10-11, a female bear and two cubs may have killed up to 16 chickens at a bed and breakfast place in Aravaipa Canyon. The property owner

subsequently agreed to secure the remaining chickens overnight and removed tree fruit and other attractants from the property. Hikers observed one or more bears in the area on two occasions previously this month.

Another bed and breakfast in the Huachuca Mountains was visited by a bear May 8 but was then chased away by the property owner's dogs.

Earlier this year, a black bear was sighted within 100 feet of the Peppersauce campground. The campers abandoned the camp and reported the sighting. In addition, a hunter reported sighting a female bear and cub on Ft. Huachuca in January.

Bears were observed sporadically during the winter months in southeastern Arizona, suggesting that warmer

weather may have shortened annual hibernations, from which black bears typically emerge in March, usually males before females.

Mammoth couple begins support group

Are you ready for a change, ready to take that first step towards healing?

On Tuesdays from 6-7 p.m. Eddie and Tamara Apodaca will be leading a "Cycle Circle of Addiction" group in Mammoth at the First Baptist Church, the "Little White Church on the Hill," 103 Galiuro St.

This class is not only for addiction, but offers support for co-dependency, loss, enablement and more. This is a Biblical class that will be using the Recovery Bible and other implemented programs.

Anyone is welcome. New beginnings require a desire

for change.

The Apodacas were raised in San Manuel and attended school there. They have been together for 25 years and married for 23. Both are Ordained Pastors/Ministers, and have been in ministry for the past 17 years. They became Therapeutic Foster parents in 2005.

For 17 years they opened their home, 'House of Hope', to the community in hopes of recovery and helping people cope with addiction, depression, homelessness and domestic violence. Although this is their heart of compassion for people in general, they also have counseled married couples

through Marriage Ministries International for many years.

Tamara has provided Chapel Services at Pima County Jail for the women's population, and also worked with Behavioral Health/Addiction/Suicide Prevention and the Pima County Attorney Victims Division with Crisis Intervention.

Eddie has worked with the Juvenile Justice System for 20 yrs, and also been a mentor through Az Project Challenge mentoring high risk youth along with youth on the street.

If you would like more information about the class, please contact Tamara at 520-869-6715 or Eddie at 520-240-7670.

Astronomer to visit Tri-Community libraries

In our neck of the woods, the night sky offers an amazing view of the stars. But ever wish you could see more, like Saturn's rings or the craters on the moon?

The San Manuel Library will offer the chance to see and learn more about the universe around us. The library will host "Look Up to the Stars," a program for all ages, presented by Kevin Manning, astronomer and former consultant to NASA. Manning takes

participants on a journey into a fascinating world beyond their own with an educational and entertaining program that includes a chance to view objects in the sky with a high-powered, custom-designed telescope with a special day-time filter.

This event is free and open to the public.

The San Manuel Library will host the program on Tuesday, May 27, 2014 at 2 p.m. "Look Up to the Stars" will also visit the Mammoth Library at noon

and the Oracle Library at 4 p.m. Registration for the Summer Reading Program

will begin immediately after "Look Up to the Stars."

For more information, contact the San Manuel Library at 385-4470.

Dudleyville area youth will have the chance to explore science and nature this summer

FLORENCE, AZ - "FIZZ, BOOM, READ!" is the theme of the youth summer reading program that debuts in Dudleyville on Wednesday, June 4. The three books featured during the story time are cleverly illustrated and designed to capture the

attention of a variety of ages. The 2014 Summer Reading Program is open to all Dudleyville area young people from ages 4 through 14. Each session includes story time, games, crafts, and more.

FIZZ, BOOM, READ!

Every Wednesday in June - June 4, 11, 18, 25 10:00 AM to 11:30 AM Dudleyville Multigenerational Center 4004 North Dudleyville Road

Some of the books to be enjoyed during story time include:

- Free Association, Where My Mind Goes During Science Class by Barbara Esham - This illustrated children's book explains perfectly how creative students' minds wander as they conjure up theories and solve the world's problems.
- Duck! Rabbit! by Amy Krouse Rosenthal - Is it a duck or a rabbit? Depends on how you look at it!
- I wonder Why the Sea is Salty by Anita Ganeri - Insatiable young oceanographers will discover amazing facts in this compendium of marine questions and answers.

For more information call the Pinal County Library District office at (520) 866-6457.

The youth summer reading program is free of charge to participants.

AIA selects 13 Miners for All-Section Teams

By Andrew Luberda
San Manuel Miner

Seven players from the back-to-back State Champion Miners'

softball team were named to the AIA All-Section teams. The Miners baseball team, which reached the semi-finals of the state tournament for third

straight year, had six players selected to the All-Section teams. Felicia Medina, Angelica Zuniga, Alyssa Cuellar, Lyana

Waddell, Ashley Vargas, Mireya Tamayo, and Angela Navarro are the Miners who were selected to the All-Section teams. Anthony Garcia, Shane Kelly,

Richard Romo, Effren Haro, Armando Sierra, and Francisco Medina are the Miners' baseball players who earned All-Section honors.

Third time not the charm for Miners' baseball team

By Andrew Luberda
San Manuel Miner

The San Manuel baseball team made its third straight semi-finals appearance in the State Championship tournament last Friday night. After losing in their two previous trips to the semi-final game, the Miners expected a different result on this trip versus Pusch Ridge Christian Academy. Unfortunately, the Miners' offense was stymied

in a 3 – 0 loss.

The Miners' managed only two hits versus PRCA, one each from Shane Kelly and Alvaro Alvarez.

The Lions grabbed the lead early, scoring two runs in the first off Miners' starter Anthony Garcia. After threatening several times in other innings, the Lions added another run in the fifth on their way to the win.

Garcia battled all night long and kept his team in the game to give them a chance to come back. The Miners'

defense was outstanding behind Garcia, who allowed seven walks in the game. The defense turned several double plays to keep the game close. Garcia pitched a complete game and allowed three runs, two earned, on three hits and seven walks. He struck out eight Lions' hitters.

The Miners never could get runners on base to the play their small-ball game and as a result, made it look easy for the Lions' pitcher.

Despite the loss, the Miners finished ranked in the top five in the state with a record of 19 – 7 and a Sectional Championship.

Seven seniors will graduate this year, leaving a number of positions to be filled next season.

Family First reports successful diaper drive

From the Family First Pregnancy Care Center

Thanks to everyone who donated diapers, cash or checks to purchase diapers during our Family First's April Diaper Drive! Your generosity allows us to continue providing help to those in our communities who need diapers for their infants, elderly, and disabled family members. Although diapers are a necessity, they are not provided by any social service agencies. The Family First Diaper Bank meets this need. The annual diaper drive is over now; however, the need for diapers continues all year. Thanks again for your support!

We want to wish a very happy Mother's Day to all the mothers we serve, and we'd like to invite other mothers to join us for classes and other activities at our center. We have Story Time on Wednesdays from 10 to 11 a.m. The story, activities, and snacks are for infants and toddlers and their moms, dads, and caregivers. This is a great opportunity to meet new friends and socialize.

Do you need diapers, formula, baby clothes, or a car seat? Come and take our Earn While You Learn classes which are available Monday,

Wednesday, and Friday. We have a wide range of informative and interesting classes on child development and basic life skills for adults. For each

class taken, Mommy Money is earned and can be exchanged for material assistance in our store. For an appointment or more information, please call

us at 520-896-9545, go to our website at www.familyfirstpcc.org, or stop by our center at 1575 W. American Ave. in Oracle.

Lady Miners win second straight championship

By Andrew Luberd
San Manuel Miner

The Lady Miners scored two runs in the bottom of the seventh in the State Championship to force extra innings versus Valley Christian last Saturday night. In the bottom of the eighth, with the score tied, 4 – 4, Kadi Monfred scored the winning run on a base hit by Alyssa Cuellar to give the Miners back-to-back state titles. It was the Miners 9th Softball State Championship overall.

The Miners won 23 of their last 24 games on their way to the championship. Their lone loss during that span came against Ray, which lost to Valley Christian in the semi-finals. They dominated their opponents all season and finished with a record of 30 – 3 – 1.

They didn't have an easy path to the Championship game, having to take on undefeated Veritas Prep and star pitcher Lainey Stephenson in a semi-final game. Stephenson entered Friday night's contest with a record of 27 – 0, a 0.23 ERA, and averaging over 13 strikeouts per game.

Stephenson and Miner's ace Lyana Waddell each had a no-hitter going through the first three innings before Veritas Prep broke through in the fourth with two runs. The Miners came back in the bottom of the fourth with timely hitting and aggressive base running. They also took advantage of some mistakes made by a team who appeared rattled in the field. They scored six runs in the fourth and added two more in the sixth in handing Veritas Prep their first and only loss of the season, 8 – 2.

"She had a great game," Miners' head coach Deanne Brewer said about her ace pitcher. "Lyana stayed composed. When she (pitches with a lead) she stays relaxed. She was 'on' on Friday night."

As they did on Friday night, the Miners came from behind in Saturday's championship. Alyssa Cuellar and Felicia Medina scored the tying runs in the seventh to send the game to extras. In the bottom of the eighth, Kadi Monfred reached when she was hit-by-pitch and Nicole Encinas followed with a walk. After a pop-out on a bunt attempt, Angela Navarro loaded the bases when she bunted safely. Alyssa Cuellar came up with the bases loaded and a chance to be the hero.

"It told Alyssa, 'All we need is a fly ball to the outfield or a ground ball to the right side,'" Brewer recalled. "I told her to shorten up and put the ball in play."

Cuellar came through, singling up the middle and scoring

Monfred with the winning run.

After the game, Brewer said she was proud of her team and the way it performed all year. The Miners may have been overlooked by some, but their coach knew when the season started they had a chance to repeat.

"We knew early on we would be a competitor for the State Championship," Brewer said.

Did her players play with a chip on their shoulder? "I wouldn't say they had a chip on their shoulder,"

Brewer answered. "It was more like they were anxious to prove themselves."

And did they ever.

The 2014 Division IV State Champions are: Nicole Encinas, Mireya Tamayo, Angela Navarro, MacKenzie Vindiola, Kadi Monfred, Mariah McBride, Ashley Vargas, Brittany Allison, Vivica Huerta, Felicia Gomez, Alyssa Cuellar, Lyana Waddell, Angelica Zuniga, Dionne Ruiz, Felicia Medina, and Victoria Ortega.

STEM TAG visits Asarco Mission Mine

By Jacob Garcia

Mammoth Elementary STEM school TAG students took a field trip to the Mission Mine in Tucson, Az as part of the mining

Shawn Kim looks at the mine.

project they have been working on for six weeks. We learned a lot about the steps of mining and how ore like copper is processed after it is extracted from the soil. The tour included a walk through the milling process which is where the ore is ground down to very fine powder. We also learned about the reclamation process that involves placing the over burden, which is all the rocks and soil left over, on hills formed like steps to help with erosion problems. The mining industry tries to mine in a way that will affect the environment as little as possible. Copper and other ores are used so much in our everyday lives from our cars to our iPhones.

At the Mission Mine mill with our tour guide.

"I picked responsibility because I thought it would be a good story to write. Responsibility means that you are doing your jobs inside and outside to help each other."
- Julianna Garcia

What Responsibility Means to Me

By Julianna Garcia

Responsibility is when I do my jobs at home and outside. I'm responsible because I help my dad clean up the house. We clean up the toys in the living room and the table after dinner. I'm also responsible for cleaning my brother's room. He is only two years old. Outside I am responsible because I help clean my horses corral. I clean up their poop with a shovel and throw it into a bin. I am also responsible because I am helping my dad build a barn. We got wood and paint. When we are done building with the wood we will paint.

By Victoria Zazueta

Mrs. Celeste Anderson invited our school to the San Pedro River Fest. Several of our students from the Mammoth STEM School displayed winning science fair projects and STEM school projects. They showed the visitors how to make compost tea and worm

farms. Visitors tasted samples of chia, banana, and prickly pear pudding. The chia seed was grown in our school garden and we grow red wigglers earthworms to help create compost for our gardens. We also took turns enjoying the activities at the event such as pony rides, rock climbing, and watching the dancing horse.

A Special Thank You from the STEM Students

The Mammoth Elementary STEM School would like to thank Francisco and Mona Curry for your help at the STEM Luau which was put on by our student council. The hotdogs were great and all of our staff appreciate the food that you brought us from Lil Abner's

Steak House. We'd also like to thank Lil Abner's Steak House for the generous donation of food.

We would also like to thank Mrs. Stephanie Smallhouse. She is the president of our PTO and we all appreciate all the time and effort she has given to the organization.

Thank you Jordan Encinas for being our PTO secretary.

Thank you to two of our students for donating the aluminum cans they collected to our Mammoth STEM Science Club. Jasmine Vaquera and Miguel Toruga decided to collect cans for a good

cause and donated the money as a community service.

The STEM talented and gifted class would also like to thank Mr. and Mrs. James Stewart for all your help coordinating our field trip to the Mission Mine in Tucson, Az.

2014 TRI-COMMUNITY GRADUATION EDITION

San Manuel graduates near \$1 million mark for scholarships, contracts

Compiled by Jennifer R. Carnes

San Manuel High School is rapidly gaining the reputation of helping students with post-high school academic funding and this year is no exception.

Sunday night at the annual Baccalaureate Service, seniors from the local high school were awarded with more than \$800,000 in scholarships and military contracts. Twenty-nine of the 64 members of the San Manuel High School Class of 2014 were awarded with some form of funding – 45.3 percent.

In addition to the scholarships awarded for the state's three university, Central Arizona College awarded seven

academic scholarships and 22 Promise for the Future scholarships for a total of \$167,040.

SaddleBrooke Community Outreach awarded five scholarships for a total of \$30,000.

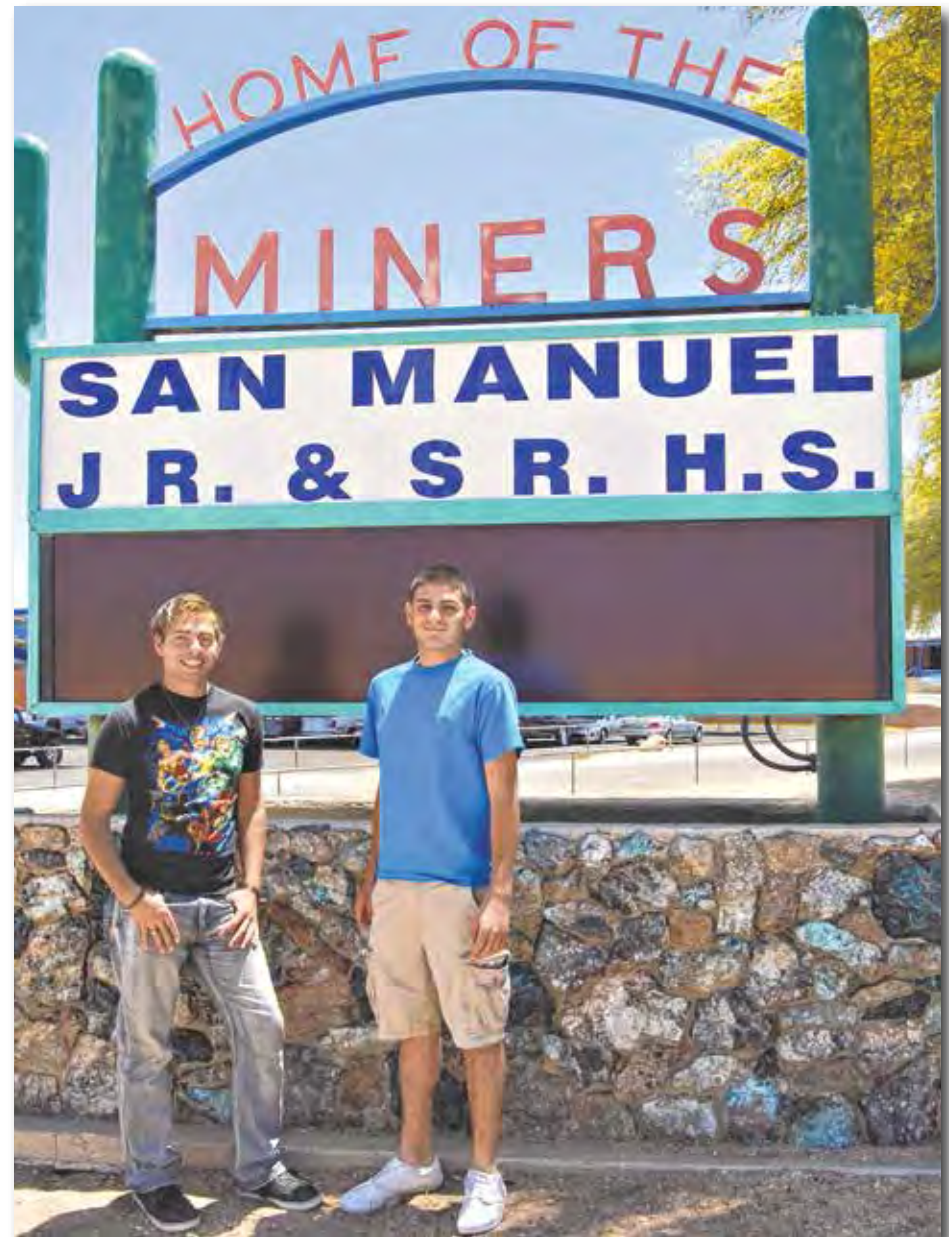

This year's valedictorian, Breydan Main, and salutatorian, Alvaro Alvarez, garnered a fair share of the scholarships presented, but other students also garnered accolades as well.

Breydan Main was awarded the University of Arizona Wildcat Excellence Award (\$24,000) and CAC's Academic and Promise for the Future Scholarships (\$5,760 each). Breydan's awards totaled \$35,520.

Alvaro Alvarez was awarded a scholarship at Northern Arizona University (\$36,000), University of Arizona Wildcat Excellence Award

(\$24,000), Grand Canyon University's President's Award (\$39,000), CAC's Academic and Promise for the Future

Young wrestlers compete at USA Freestyle State Championships

By Andrew Luberd
San Manuel Miner

Wrestlers from Hayden, Oracle, Mammoth, and San Manuel competed at the USA Wrestling Freestyle State Championships last weekend at Highland High School in Gilbert, Arizona.

Six MSM Community Schools wrestlers placed at last weekend's tournament. The wrestlers continued to practice and prepare for the event after their regular season ended. Their hard work is what makes the wrestling programs in the area so strong.

"Competing against the top wrestling clubs in the state,

our wrestlers were able to win big matches and dominate," San Manuel wrestling head coach Daniel Najera said. "The MSM Community Schools Wrestling season is the best youth wrestling feeder program in the state. Our goal is to continue growing our programs and increase participation to these USA Wrestling Tournaments. Our boys have done a great job."

Najera added that many of the wrestlers are competing at a high level and credited USA wrestling for helping "our kids" advance to the next level.

Results from the State Championships are as follows: Samico Salazar (60 lbs) –

State Champion, Jacob Tafoya (75 lbs) – Runner-up State Champion, Daniel Najera

(50 lbs) – Runner-up State Champion, Darren Smith (40 lbs) – 3rd Place, Charles Croci

(65 lbs) – 4th Place, Andrew Gutierrez (50lbs) – 4th Place. Najera wished to thank

everyone who volunteered and helped make this wrestling season a success.

BEAR SIGHTINGS

Continued from page 2

In addition, consecutive dry winters and intermittent seasonal rains, coupled with lingering environmental impacts from the Monument and Horseshoe Two fires, suggest that there may be more cases of bears visiting residential areas this year. Game and Fish fielded approximately 100 bear calls between mid-July and mid-October 2012 because of bears foraging in residential neighborhoods of greater Sierra Vista after the Monument Fire.

“Bears in search of food are often attracted to homes and into proximity with people, which puts both at risk. Most conflicts are caused by people unintentionally feeding bears, often by allowing them access to household garbage, bird feeders, garden areas or trees bearing fruit,” said Regional Supervisor Raul Vega of Game and Fish in Tucson. “Fed bears can lose their fear of humans and begin to associate humans with food, sometimes causing property damage and even injuring people. But conflicts between humans and bears are preventable.”

Since garbage stored outside is the biggest attractant, storing garbage in a secure garage or shed until the morning of collection will virtually eliminate the chances of a bear visit. If a bear does not find a food source, it will move on. Campers should never take food into a tent, use deodorizing sprays if storing food in cars when a bear-proof box is not available on-site, and clean themselves off thoroughly after cooking as well as change clothes afterward that may have lingering odors.

Fences, lighting and dogs have not been found to be effective, long-term deterrents when foods are available. Bears are good climbers, so to reduce a bear's ability to get over a fence, it should be at least six feet tall and constructed of non-climbable material.

Recognizing the potential risk to both humans and bears, the Arizona Game and Fish Department spends considerable time and money each year relocating bears. Unfortunately, this effort does little for the bears or homeowners. Some bears must be destroyed because they are considered too dangerous, have lost their fear of humans, or continue to get into conflicts with people.

Following removal or relocation, the homeowner might experience more problems from a different bear if the identified attractant is not eliminated. Relocating a bear is also traumatic for the animal and does not guarantee it will live. Some are killed by larger, older bears that have established territory in an area.

If a bear is in your yard or neighborhood or campground and refuses to leave, immediately contact the Game and Fish office at 520-628-5376 or at 1-800-352-0700 evenings, weekend and holidays. Depending on what the bear is doing, department personnel may respond if it remains in the area.

If you see a bear in the distance, alter your route to avoid it. On the rare occasion that a bear approaches you, discourage it by:

- Making yourself as large and imposing as possible. Stand upright and wave your arms, jacket or other

items, and make loud noises.

- Do not run and never play dead.
- Give the bear a chance to leave the area.
- If the bear does not leave, stay calm, continue facing it, and slowly back away.

The black bear is the only bear species found in the state. Although fur color varies and includes brown, cinnamon and blond, they are all considered black bears. It is the smallest and most widely distributed North American bear. Black bears:

- Weigh 125-400 pounds

with males being larger than females

- Are three- to three-and-a-half feet tall when on all four feet
 - Eat primarily acorns, berries, insects and cactus fruits
 - Live in most forest, woodland and chaparral habitats, and desert riparian areas
 - Roam an area of 7 to 15 square miles
 - Produce two to three cubs born in January or February
 - Live up to 25 years in the wild,
 - Active at dawn and dusk.
- Bears are classified as big

game animals in Arizona and are protected by state law. It is unlawful to feed wildlife, including bears, in Pima and Cochise counties. Violations can result in a fines ranging from \$300 in Pima County to \$2,500 in Cochise.

Sweet Spot holds successful grand opening

By John Hernandez
San Manuel Miner

The Sweet Spot held its grand opening on Sunday, May 18. There was a very good turnout of people who came to sample the baked goods and specialty coffees and smoothies. The new bakery and coffee shop is owned by Ramon and Angie Sanchez and Isabel Austin.

The Sweet Spot serves up cupcakes, cookies, banana bread, scones, and brownies. They will slowly add things to their menu like other sweet breads such as pumpkin, cinnamon rolls and coffee cake. The bakery also does custom cakes for those special occasions such as graduation. They can make practically any type of cake you want and decorate it with your kids favorite cartoon character or your favorite sports team. The made-to-order cakes need at least a two day notice.

Coffees and cold coffee drinks such as espressos, caramel machiatto, lattes, and frappes including fat free are available. Other cold drinks include fruit smoothies, green, black and chai tea or tea with lemonade. They also have regular coffee and caffeine coffee drinks. They serve coffee free cold beverages such as a vanilla bean or chocolate chip frappe.

The Sweet Spot is open on Sunday from 7 a.m. to 5 p.m.; Monday, Tuesday and Thursday from 5:30 a.m. to 6 p.m., and Friday and Saturday from 6 a.m. to 9 p.m. They are closed on Wednesdays. It is located at 505 McNab Parkway, next to Romo's across the street from the high school. To call in an order or for more information contact them at 520-235-3748. Look for them soon on Facebook.

The Sweet Spot is open at 505 McNab Parkway, San Manuel.

Just in time for summer, the Sweet Spot is the place to go for iced coffee drinks. John Hernandez | Miner
