OBITUARY

Lupe Gracia

With great sorrow we announce that Lupe Gracia (Zazueta), age 49 of San Manuel, AZ, passed away peacefully after a life long battle with diabetes at 12:04 a.m. on May 8, 2019 in the Oro Valley Hospital.

She was born in the small community of San Manuel to Miguel and Ernestina Zazueta, and was the youngest of eight children.

Most of her life, Lupe enjoyed caring for others. She pursued a career as a caregiver and always created genuine connections to each of her patients who she cared for deeply. she was the definition of a true survivor and as a single mother she provided all she could for all

of her children and never complained one bit about the battle she was fighting with her illness. Each struggle she encountered, she faced head on, and never lost hope. She never let her illness get in the way of the things she enjoyed.

Left to honor Lupe and remember her love are Lupe's two children, Bianca and Ralphie Gracia; five siblings, Mike Zazueta, Ernestina (Carlos) Cazares, Sergio Zazueta, Albertina (Poncho) Zazueta, and Daniel (Becky) Zazueta; and many nieces and nephews. Lupe was preceded in death by her parents and her two brothers, Raul and

Frank. Lupe will be remembered as a sweet, kind hearted, and loving person within the community she served.

Funeral services will be held on Saturday, May 25, 2019 at 10 a.m. at St Bartholomew Catholic Church, 609 W. Park Pl., San Manuel, AZ 85631

The Gracia and Zazueta families are very grateful to the community who have been so kind to them in this time of sorrow.

Teens and Drunk Driving

It's officially spring and with spring comes warmer weather, singing birds, sunny days, blooming flowers, backyard BBQ's and parties, parties, parties! While most people enjoy a good party, springtime brings parties that are especially fun for new high school and college graduates.

In most states when someone becomes 18 years of age, they are legally an adult. But ask any teenager and they will tell you that the move that completes the transition from childhood to adulthood doesn't happen until the day they graduate high school. Yup! They are 18 years old and an honest to goodness adult! Whatever path a teen sets for their life, going onto college, heading out into the workforce, entering the military or just hanging around the house doing nothing, the choice is theirs!

Speaking of choices, one of the BIGGEST choices a teen will make is whether or not to get behind the wheel of a vehicle and drive, especially after they have been drinking. And make no mistake it is a choice you make! In Arizona, as in most states, the level of blood alcohol that defines you as being drunk is 0.08%. Just because most states say that your blood alcohol level needs to be 0.08% or higher to be considered legally drunk, any percentage of alcohol in your bloodstream will alter your ability to drive safely.

In Arizona, the term "driving under the influence" (DUI) is used not DWI which means "driving while intoxicated". Oh, and did you know you can be considered DUI from other things like the effects of prescription medication, illegal drugs, etc.? So, DUI doesn't just mean you are under the influence of alcohol. Are you aware that Arizona also has a "not-a-drop" law that makes it illegal for motorists who are under the age of 21 years to drive with any detectable amount of alcohol in their system. This is commonly referred to as a "baby DUI." According to the CDC (Center for Disease Control) in 2016, 2,433 teens in the United States ages 16-19 were killed and 292,742 were treated in emergency departments for injuries suffered in motor vehicle crashes. That means that six teens ages 16-19 died every day due to motor vehicle

crashes and hundreds more were injured.

Many people mistakenly think that drunk driving only applies to them only if they are the driver of a vehicle who is under the influence of alcohol or some sort of drug. No, it doesn't! You may be completely sober, driving down the road minding your own business and be involved in a crash with another vehicle that is driven by a drunk driver!

So, what can you, as a teen do to make smart choices regarding drunk driving? Here are a few tips:

- Choose to never drink and drive.
- Refuse to ride in a car with a teen driver who has been drinking.
- Follow "rules of the road" in your parent-teen driving agreement.
- ALWAYS wear a seat belt on every trip, no matter how short a trip is.
- Obey speed limits.
- Never use a cell phone or text while driving.

What can parents do to help their teen make smart, educated choices? Here are a few great tips for you:

- Understand that most teens who drink do so to get drunk.
- Recognize the dangers of teen drinking and driving and that teen drivers are at much greater risk of crashing after drinking alcohol than adult drivers.

Are You Ready for Wildfire Season?

It's hard to imagine wildfires occurring when we in southern Arizona have enjoyed record amounts of rain and cool weather at this time of the year. But did you know, at this same time there have been 4 wildfires in Arizona! If you go to inciweb.nwcc.gov, you will also notice 5 prescribed burns taking place throughout Arizona.

In past articles, town hall meetings, etc. we have encouraged residents to remove dead vegetation, reduce ladder fuels, create a "lean and clean" property and maintain the vegetation on your property.

Even with taking those measures, wildfires occur and can happen here. It is important, that each of us seriously look at where we live. Is the street you live on, a one way in and one way out street? If so, if a fire occurs at the beginning of the street and you live at the end, how are you going to evacuate your home? What is your plan? Do you have an elderly neighbor that would need assistance? Do you have a pet cat or dog, chickens, horses, etc? What is your plan to evacuate them? If your children are in summer school or at a friend's home, how will you communicate with them that you are evacuating your home? Are your medications in a convenient place (maybe already in an emergency bag) ready for you to walk out the door? What about your important papers? Or pictures that can't be replaced? Maybe your computer? Do you have cash

ORACLE FIREWISE

Special to San Manuel Miner

handy to buy gas, food and/or maybe lodging? What is your evacuation plan?

It seems like we never think seriously about these things until a wildfire is near by or destroys a community. It might be too late to think about it then. Maybe today is the day you put together your evacuation plan and share it with your family. Practice evacuating. When the fire is at our door, it will be too late to develop a plan.

If you need additional information or have questions, please feel free to contact the Oracle Fire District at 520-896-2980 or tacosta@oraclefire.org or the Oracle Firewise Board.

San Manuel seniors nab nearly \$1.6 M in scholarships

This year, graduating students at San Manuel High School earned nearly \$1.6 million in scholarships to aid them in their college pursuits.

One of the most prestigious scholarships awarded this year was the Dorrance Scholarship. The Dorrance Merit Scholarship was established by Jacquie and Bennett Dorrance at the Arizona Community Foundation in June of 1999. The original gift supported 10 Arizona public university students. What is now known as the Dorrance Scholarship Programs supports as many as 150 recipients at Arizona's three public universities.

This year, 36 students in Arizona received this scholarship. It was the second time that a San Manuel High School student received the award. Darien Apuron, who is this year's valedictorian, was the recipient of this scholarship which provides \$48,000 in tuition and a \$12,000 award to travel to Italy. TEEN DRIVING

Continued from page 3

- Provide teens with a safe way to get home (such as picking them up or paying for a cab) if their driver has been drinking.
- Model safe driving behavior.
- Consider tools like parent-teen driving agreements to set and enforce the “rules of the road” for new drivers. Safe driving habits for teens include the following:
 - o Never drink and drive

- o Always wear a seat belt on every trip
 - o Limit nighttime driving
 - o Set a limit on the number of teen passengers
 - o Never use a cell phone or text while driving
 - o Obey speed limits
- Rules that apply to your teen MUST also apply to you when you are driving. It is vital that you model the behind-the-wheel

driving behavior you want your teen to follow. Another great thing to have between you and your teen is a Parent-Teen Driving Agreement. This website address will take you to a downloadable agreement you can print out, discuss with your teen and then both of you sign committing to the agreement. https://www.cdc.gov/parentsarethekey/pdf/PATK_2014_TeenParent_Agreement_AAP-a.pdf
