# Border to Border Seat Belt initiative kicks off; Pinal County Sheriff's reminds all to 'Click it or ticket'

To kick off the 2018 Click It or Ticket seat belt initiative with the highest level of support, the National Highway Traffic Safety Administration is spearheading Border to Border (B2B), a 1-day national seat belt awareness kickoff event coordinated by participating State highway safety offices and their respective law enforcement liaisons. The Pinal County Sheriff's Office, along with the Arizona Governor's Office of Highway Safety, will be part of this nationwide effort. The B2B program aims to increase law enforcement participation by coordinating highly visible seat belt enforcement and providing seat belt fact sheets for drivers at heavily traveled and highly visible State border checkpoints. The B2B event will be held Monday, May 21, commencing the Click It or Ticket week, which runs through June 3 and covers the busy Memorial Day holiday weekend.

"Past Border to Border initiatives have shown how helpful it can be to our overall goal of spreading the message about the importance of buckling up," said Sheriff Mark Lamb.

The B2B kickoff will include a 4-hour enforcement crackdown from 4–8 p.m. on May 21. The focus of B2B is on the nighttime hours, during which seat belt use is at its lowest.

"We are working across State lines to do all we can to keep our drivers and passengers safe. Wearing a seat belt is the number one thing anyone can do to help prevent death or injury during a vehicle crash," Sheriff Mark Lamb said.

The B2B program is also a successful study in collaboration between local law enforcement offices: During the 2017 B2B program, participating law enforcement offices issued citations for 5,695 seat belt and child car seat violations, as well as 14,619 citations for other traffic infractions. This, in turn, reminded drivers to drive safer.

"Our goal isn't to write citations, but we do know tickets talk," said Sheriff Mark Lamb "The B2B program gives us a chance to get out there on the roads before the real crackdown begins and warn drivers that we will be on the streets, and we will be issuing tickets for those driving or riding unbuckled."

According to NHTSA, nearly half (48%) of the passenger vehicle occupants killed in crashes in 2016 were unrestrained. At night from 6 p.m. to 5:59 a.m., that number soared to 56 percent of those killed. That's why one focus of this year's B2B and Click It or Ticket campaigns is nighttime enforcement. During the week of Click It or Ticket, participating law enforcement agencies will be taking a no-excuses approach to seat belt law enforcement, writing citations day and night. In Arizona, the maximum penalty for a seat belt violation is \$89.00

In 2016, 952 people in Arizona were killed in motor vehicle crash. Of those killed, 250 were not wearing a seat belt.

"If you know a friend or a family member who does not

buckle up when they drive, please ask them to consider changing their habits," said Sheriff Mark Lamb. "Help us spread this life-saving message before one more friend or family member is killed as a result of this senseless inaction. Seat belts save lives, and everyone—front seat and back, child and adult—needs to remember to buckle up—every trip, every time."

# Award winners announced at Superior Sr. High Sports Banquet

Superior High School Principal and Athletic Director William Duarte emceed the annual Sports Awards Banquet, which took place on Wednesday, May 9, at the school.

Several of the Panthers athletic programs have achieved highest level of success, especially in recent years thanks, in part, to talented classes that have gone through the school. This year no exception.

Senior Tori Juarez as well as juniors Kale Major and Jesus Castellanos were the recipients of the top awards at the event. All three are multi-sport student athletes.

Juarez, who committed to study and play softball at Glendale Community College in February, was named the Female Athlete of the Year.

Major, a three-sport athlete – football, basketball and baseball – at Superior after moving from New Mexico, was named the Male Athlete of the Year.

Castellanos, who played football and

baseball this year, was the winner of the Manny Ruiz Award, which is given each year to the student-athlete who displays good citizenship, excels academically, exhibits grit, and performs well on the court or on the field.

Just about every Superior student-athlete is a multi-sport competitor and it showed at the banquet earlier this month as several won awards in multiple sports.

Congratulations to all.

# Summer can be ideal time to prepare your child for kindergarten

The months leading up to the first day of kindergarten can be an ideal time to prepare your child for what to expect. Many kindergarten teachers tell parents that basic everyday activities are the best ways to help a child feel confident and ready for the transition to kindergarten.

“Prepare your child for kindergarten by reading every day,” said Doris Henness, kindergarten teacher at McCartney Ranch Elementary School in Casa Grande. “Visit your local library. Build a rich vocabulary

by introducing them to new places, and things. Have great conversations about everything you do and see. Get them excited about new things and learning.”

Below are some tips from First Things First to help your preschooler have a fun, easy transition to kindergarten:

- Read with your child at least 20 minutes per day. Try books that repeat words; involve activities like counting, identifying colors, objects or letters; or, are about things your child likes. Ask questions like,

“What do you think happens next?”

- Talk with your child everywhere – at home, in the car, at the store. Make up stories or songs about your outings.
- Writing begins with scribbling. Give your child safe writing tools to play with, like crayons, chalk or markers and blank paper. Ask your child to tell you about their

drawings.

- Teach your child how to use the bathroom by themselves, to wash their hands after going to the bathroom and before eating, to blow their nose and sneeze into their elbow.
- Before the first day, talk with your child about what to expect during the school day

and types of after-school activities they may be involved in. The more details kids know, the less anxious they will feel.

- Rehearse for the big day with test-runs of the new routine, which will include:

- Choosing what to wear the night before.
- Waking up with early to have plenty of time to get ready.
- Eating a healthy breakfast.
- Walking to the bus stop and talking about boarding and where to sit.
- Practicing how to open parts of lunch, whether it's a carton of milk or a small bag of carrots. Remind them that teachers or lunch staff can help if needed.

Even if you don't have kindergarteners this year, it's never too early to start helping toddlers and preschoolers prepare. Children who have positive early childhood experiences tend to score higher on school readiness assessments and are more likely to do well in school and graduate.

By turning everyday moments into learning moments, we can send our young kids to school with the skills – and the love of learning – that will help them succeed in kindergarten and beyond!

**About First Things First** – First Things First is a voter-created, statewide organization that funds early education and health programs to help kids be successful once they enter kindergarten. Decisions about how those funds are spent are made by local councils staffed by community volunteers. To learn more, visit [FirstThingsFirst.org](http://FirstThingsFirst.org).

Summertime is a great time for preparing your child for kindergarten.

Last week, the Superior VFW made a donation to the Superior High School FCCLA which will be sending an impressive nine students to the National Competition being held in Atlanta, Georgia. VFW #3584 donated \$200 to the club to help pay for meals and other excursions while traveling to Atlanta. Mrs. Valerie Garcia-Denogean plans to take the students to experience southern soul food and also get some history while visiting a plantation on the outskirts of town. For many of the incredible students it will be their first time on an airplane or even out of the state, a trip very well-deserved by these student who worked very hard on their respective projects and presentations. It is worth noting that our small school will be so heavily represented at a national competition where only about 5,000 from around the entire United States were chosen to compete for the highly coveted prizes and scholarships. Pictured are several of the students traveling to Atlanta to compete in this year's National FCCLA Competition with VFW Auxiliary President Rhonda Brown and VFW Representative Mike Montiel.

## Craving Grace and Peace

Cravings are natural and come from the deep desires of the heart. Many Scriptures refer to them as carnal or evil and outside of God's will for us. Yet, 1 Peter 2:2 tells us to crave pure spiritual milk – the goodness of the Lord, so that we will grow in our salvation.

What we crave, we will go after, what we desire we will diligently look for. It becomes our primary purpose to acquire said item and not give

up in our pursuit of it.

Grace and peace can be ours in abundance as long as we strive to increase our knowledge of God. That means we are to read and study the Bible, spend time in prayer and worship the Lord from our heart.

His divine power and love will provide everything we need for living a life of true godliness. Freedom from an empty life style will give us hope and the courage to press
