Catalina Garcia de Hernandez

Catalina Garcia de Hernandez passed away on Sunday, May 1, 2022, in Las Vegas, NV. Catalina was born in Mexico on July 13, 1937. As many of you know, our mother and grandmother was diagnosed with dementia well over 10 years ago. Despite this diagnosis, her passion for life and loving demeanor was always consistent. She was and will continue to be an inspiration to us all for living life to the fullest,

being loving, humble, kindhearted and strong.

Religion has always been a huge part of her life. When any of us were experiencing a difficult moment in life, she tended to remind us that were not alone in this world and God was always with us. Through this saying, she brought us much comfort during difficult times. She taught us about her beliefs by setting the best example of a person with great integrity.

Our mother and grandmother was the kindest, most loving person we have ever known. She mothered everyone, so much so that friends would often call her mom. She took this as a compliment and never shied away from being there for others who needed support in one way or another. As her children and grandchildren, we are extremely blessed to have had her as a great role model in our lives. We will miss her smile, her laugh, her sage advice, and her bubbly personality. I know all of us will miss her beautiful singing. She loved all of you and her memory will live on in all of us.

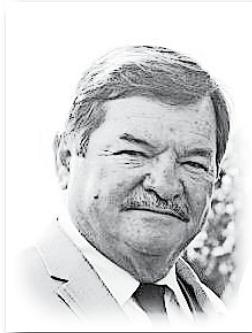

Catalina is preceded in death by her husband, Alejandro Hernandez. Catalina is survived by her sons, Ben (Christina) Hernandez and Alex Hernandez; and her daughter, Susanna (Sergio) Delgado. She also leaves behind her grandchildren, Angela Boothe, Alexandra Hernandez, Amanda Delgado, Jasmine Delgado, Sedona Hernandez, Electra Hernandez and Camilla Hernandez.

Services for Catalina were held on Saturday May 21, 2022 at St. Francis of Assisi Catholic Church in Superior, Arizona. She was laid to rest at Kearny Memorial Cemetery in Kearny, AZ.

OBITUARIES

Robert Val Bohrn

Robert “Bob” Bohrn, beloved husband, father, papa, and friend to all, passed away on Tuesday, May 17, 2022, after battling stage IV colon cancer for two and a half years. Bob was born on Aug. 19, 1957, in Ely, Nevada. He spent most of his childhood in Winkelman, Arizona and resided in Dudleyville, Arizona for the last 42 years.

Being a lover of the outdoors, Bob grew up an avid hunter and fisherman. He graduated from Hayden High School as class

salutatorian in 1975 and began working at Kennecott in 1978. On April 12, 1980, he married his high school sweetheart, Germain Verdugo, and together they had three children.

Bob was very active not only in his own children’s lives, but in the lives of most children in the Hayden/Winkelman community. He was a lover of sports and coached youth softball, wrestling, basketball, and his absolute favorite, football. When he was not coaching you could find him refereeing or umpiring the games in Hayden. Bob retired after 41 years from his job at Asarco as a maintenance engineer in October 2019. He spent his last years continuing to do what he loved – camping, fishing, hunting, and spending time with his grandchildren.

Bob is survived by his wife of 42 years, Germain Bohrn; mother, Margie Bohrn; daughters, Jordan (RJ) Guzman and Shannon (Kryslen) Bohlt; son, Robert Bohrn Jr.; sisters, Lynn (Chuck) Achey and Jolene (Ron) Loroña; and brothers, Chuck (Sue) Bohrn, Earl (Donna) Bohrn, and Rodney (Virginia) Bohrn. He was blessed with seven grandchildren: Serena (13), Orlando (11), Kendall (7), Leighton (3), Remi (6 months), Valé (2), and Mia (10 months). Grandchild number eight is due in June 2022. He is preceded in death by his father, Charles Bohrn.

Services for Bob were held at St. Joseph’s Catholic Church in Hayden, Arizona on Wednesday, May 25, 2022. Family was assisted with exceptional service by Griffith Mortuary.

Robert Wills

Robert Wills, 86, peacefully passed into heaven on Saturday, May 7, 2022, in an assisted living home in Snowflake. He was born in Globe and spent his childhood in Arizona and New Mexico. He peacefully passed into heaven. His family is so grateful for the care that he received from them and for the many friends that he made while staying there.

He was preceded in death by his parents, Edward and Ruth (Murdock) Wills; and Glenda, his wife of 61 years. As they are, he is loved and missed!

Robert (Bob) is survived by his daughter, Kathy (Bobby) Blake; son, Jerry (Sally) Wills; three grandsons, Clay (Amy) Wills, Bobby (Marlena) Blake Jr. and Travis (Mindy) Wills; eight great-grandchildren, Kyle (Hannah), Kole (Elizabeth), Shea, Cutter, Dakota, Waylon, Uriah and Madilyn; great-great-grandson Cinch; brother Jim (Ernestine); and, dear to him, nephews and nieces.

Bob graduated from South Mountain High School in Phoenix, then went on to take college courses at Central Arizona College as well as undergoing a variety of private

professional training.

Bob’s career began at Magma Copper Company, first as a chauffeur for the company and later at their truck stop. He opened Bob’s Auto Glass as a side business. Moving to Kearny to help his aunt and uncle, he began work at Milton’s Market. From there he spent a short time as a Pinal County Deputy. He and Glenda trained to manage the, then, new Mammoth Circle K Store. Most notably, he and Glenda built, owned and operated the Diamond J Market Hardware Store in Dudleyville for over 20 years. Upon retiring, he and Glenda owned and operated Aravaipa RV Park, where they met many new friends, including tourists from across the country and from all over the world.

Bob’s interests included worshipping God at San Pedro Valley Baptist Church, being a Bible student, serving as a member of the Elks Lodges in San Manuel and Kearny, and being a member of the Kearny Sheriff’s Posse. He also loved piloting his own airplane, boating, waterskiing, hunting by horseback, fishing and raising cattle. He had

a love for horses, mules and a variety of animals, a talent for construction work; served as a Boy Scout Leader, School Board Member, and on several community action committees. Also, Bob enjoyed the many friendships he made throughout the years.

Bob enjoyed living in the Copper Basin area for over 60 years; living in Oracle, Kearny, then finally settling in Aravaipa. He was dedicated to his family, his friends, and his Lord, Jesus Christ.

Memorial Service for Bob is planned for Oct. 1, 2022, at 10 a.m. in Oracle. Further details will be announced later.

Aiyana Gonzales and Amariz Ochoa named top two students of Hayden High School's Class of 2022

By Nathaniel A. Lopez
Copper Basin News

As the summer gets closer, and the school year comes to a close, Hayden High School's class of 2022 prepares to step into their future, as they walk across the stage and receive their high school diplomas. Hayden High School's graduation is set

for May 27. Before that life-changing day, the class of 2022's salutatorian and valedictorian had a chance to reflect on their time in high school.

This year's Salutatorian will be **Aiyana Gonzales**, a student athlete who played volleyball, softball and basketball. Aiyana is a student council member, President of National

Honor Society, President of the Athletic Club, and was the 2022 winter royalty. Reflecting on her high school experience Aiyana commented, "A memory that will always stay with me is, each year's lock-in at school, with either my volleyball team or basketball team, those were some of the best nights. We would just laugh, sing, and have fun throughout the school. These memories were made with some of the best people. One thing I will miss is the bonds I created with most of my teammates from freshman year to now, being able to see everyone grow as a person and an athlete. Also I'll miss the bonds I created with the teachers and staff, they always gave guidance when needed and helped me along the way."

Aiyana will be continuing her academic career in the fall at New Mexico State University, where she plans to study psychology with a minor in forensics, so she can obtain a doctorate and become a forensic psychologist.

"My advice is to just work hard towards your goals because the hard work will pay off in the end, no matter the setbacks, the triumphs, the hate, the love, it will all lead to something better," Aiyana commented for the upcoming freshman, "Take me for example, never would I have ever thought I was actually going to be able to attend college out of state and do what I want to do in life and here I am."

The class of 2022's Valedictorian is **Amariz Ochoa**. Amariz has accomplished many things during high school,

such as, winning first in the Gila County Science Fair, receiving the 4.0 National Honor Society Medal, receiving the Chuco Waddell Memorial Plaque, the outstanding female athlete trophy, and being invited to join the National Society of High School Scholars. She competed as a student athlete in basketball, volleyball, and softball.

"Some of my best memories were with my class at times when we would just be laughing so hard we'd cry. However my favorite memory from High School is the feeling I had when we first beat Ray, and every time after that," Amariz commented looking back, "I'll miss the feeling of adrenaline and the hype of beating your number one rival. I'm also going to miss my crazy class mates and my team."

After graduation, Amariz will attend

Northern Arizona University, with plans to peruse a double major in Environmental Engineering and Spanish, with a minor in Forestry. If she gets the opportunity, Amariz would like to travel to Spain for an internship. She would like to help out the Earth as much as possible, and plans to become an environmental influencer, pulling more people into the Save the Earth Movement.

"My advice for those starting high school is to not change for anyone but yourself. If you don't want to do it, don't. If you want to, be safe, but never go out of your way to try and change and fit what others want you to be, because trust me, you're gonna find friends that will accept the real you. No change needed, and once last thing, don't be afraid to express yourself," concluded Amariz.

LETTER TO THE EDITOR

Celebrating a Copper Corridor High School Graduation

Dear graduates from high schools in the Copper Corridor,
I join your family and friends in celebrating your graduation from high school. I also want to be the first to welcome you to the start of your adulthood.

Now, you have the responsibility as adults to make choices that either take you forward or in reverse. From now on, every step you take, you own.

It's been 37 years since I graduated from Hayden High School. And, take note, yes time does fly...fast. It seems like only yesterday when there were school dances, spirit days and hearing 80's hit music for the first time.

I've always believed growing-up in the Copper Corridor was a blessing as our small towns and communities offered up safety, connections and a sense of family.

Let's be clear: just because you're from a small town doesn't mean you're destined to do small things; it means there's a bigger world for you to explore and to experience.

I could not have imagined, as an 18-year-old, that one day I would be visiting the White House and shake the hand of a First Lady or traveling throughout Vietnam for two weeks as a delegate with the American Council of Young Political Leaders. Dream big, travel and open yourselves for new journeys and opportunities.

Throughout my life, I've been fortunate to have people who influenced my life as an adult. No matter

where I go, near or far, their advice has followed me. Pete Rios inspired me (and continues to inspire me) through his pursuit of seeking elected office and most importantly for not giving up. Even after his first political loss, he was unrelenting. Stop signs weren't a part of his drive toward accomplishing his aim to serve.

From Pete, I learned there's a difference between a politician and a political leader. By the time I was in seventh grade, I joined a group of kids who walked and knocked for his campaigns in Nogales, Coolidge, San Manuel and many places in between. He served in the state senate, house of representatives and as a Pinal County supervisor.

Another take-away was the idea of possibility—that even from growing up in poverty to challenging the powerful—a dream of public service was attainable. He proved it time after time. Pete would go on to make history as the first Latino who served as president of the Arizona state senate.

Stop and think of the people who motivated you like teachers or coaches and recollect their guidance and their best consejos (advice). Your turn is coming to care for and inspire others. Pay it forward by being a person that infuses positivity and fuels confidence.

Life is life, and it can be tough. Know you will have failures. From them, you will gain knowledge and strength. In the course of your life there will be barriers and difficulties that may seem unfixable. You may feel lonely, anxious and go to a dark place. You might begin to have dark thoughts. Seek help. Talk to someone. Don't let pride or the opinions deprive you of healing and hope—and life.

In our world there remains the ugliness of bigotry. Whether on social media or on the streets, don't let it infect you or lead you astray into hating. Equality means everyone regardless of their background or who they love. Meanness won't feed your soul; it will sour your personal joy.
