Wildfire survey needs YOUR responses, Hayden-Winkelman

The recent Copper Canyon Fire blackened nearly 3,000 acres and serves as a stark reminder – fire season 2021 has arrived! Hayden-Winkelman residents, how concerned are you about wildfire in your area?

What fire mitigation/prevention measures are needed in your community, and how would you prefer to receive information during a wildfire emergency (text, email, voicemail, Fb post)?

First published in 2010, updated in 2015, Southern Gila County's Community Wildfire Protection Plan is being updated again this year – and needs a lot more input from as many residents of Hayden-Winkelman as possible; and other parts of the county. The survey deadline is approaching, and emergency planners need a lot more responses -- please, and as soon as possible!

It just takes a few minutes to complete online at this link: surveyMonkey.com/r/SouthernGC_CWPP

Also easy to find (in fact, it's the second suggested link) when

you search the web using keywords "surveyMonkey Southern Gila County Community Wildfire Protection Plan (CWPP)." And if that's too difficult, please email ccates@gilacountyaz.gov and Celena will send the direct link for your convenience.

Southern Gila County's Community Wildfire Protection Plan exists in response to the Healthy Forests Restoration Act for at risk cities and communities in Southern Gila County.

Continued on page 14

Community Wildfire Protection Plan (CWPP)
Southern Gila County

The Gila County Southern CWPP was originally developed in 2010, in response to the Healthy Forests Restoration Act (HFRA) of 2003 for at-risk cities and communities in Southern Gila County.

Objectives:

As of 2015, the objective was to identify any and all at-risk communities or areas that were not identified in the initial wildfire community assessment, document changes in community hazards and values at risk, recognize community activities related to reducing the threat of wildfires, and efforts to improve public and firefighter safety.

We are in the process of updating our 2021 CWPP and would like your input about concerns and ideas to ensure we can continue to make our communities more resilient to wildfires. Please scan QR code to take our survey or visit the link below.

Stage 1 fire restrictions are in effect in Pinal Rural Fire and Medical District; this affects Aravaipa area

Extreme and exceptional drought status, dry fuels, an uptick in human fire starts, coupled with upcoming critical fire weather, prompts the Pinal Rural Fire and Medical District to implement fire restrictions.

Beginning May 13, 2021, at 8 a.m., PRFMD will implement Stage I Fire Restrictions in our Fire District including state-owned and managed lands.

“The goal of the fire restrictions is to protect public health by reducing the number of preventable human-caused wildfires. Restrictions will remain in effect until fire officials determine that conditions have changed sufficiently to reduce the risk of human-caused wildfire,” said Bobby Apodaca, Fire Chief.

Stage I fire restrictions prohibit the following:

- Igniting, building, maintaining or using a fire, including charcoal and briquettes, outside a fire structure. Using charcoal or briquettes in a residence is never recommended.
- Smoking, except within an enclosed

vehicle or building, a developed recreation site, or while stopped in an area at least three (3) feet in diameter that is barren or cleared of any flammable material.

- Discharging a firearm, except while engaged in a lawful hunt pursuant to state, federal, or tribal laws and regulations.

Exemptions to the restrictions include the following: Pursuant to 36 C.F.R. §261.50(e), the following persons are exempt from the provisions in this Order:

- Holders of Forest Service Special Use Authorizations are exempt from prohibition No. 1 above, provided such fires are within a fire structure and they are within their permitted area.
- Persons using a stove or grill that is solely fueled by liquid petroleum or liquid petroleum gas (LPG) fuels.
- Persons using a stove fire in a designated area.
- Any Federal, State, or local officer, or member of an organized rescue or firefighting force in the performance of official duty.

Restrictions are in effect to help prevent wildfires.

Kearny Police Report

Items are given to the Copper Basin News by the Kearny Police Department and reflect information available at the time the report is compiled.

Activity listed May 16-22.

May 17

Burglary was reported on the 300 block of Hartford Rd..

May 18

A hit and run accident was reported on the 400 block of Ivanhoe Rd.

May 21

Corrine Kay Shepherd, 42, was arrested for driving under the influence. She was cited and released.

Calls not listed include: ambulance request (9), agency assist (2), traffic stop (9), cattle/animal complaint (2), found property (2), disorderly conduct (1), juvenile problem (3), extra patrol (1), utility problem (1), suspicious activity (2), 911 open line (1), noise complaint (2) and citizen assist (3).

Ray High School seniors rewarded for hard work; scholarship winners listed

Ray High School Seniors Scholarships for the 2020-2021 Class were announced recently. This year's graduating seniors were rewarded for all their hard work with thousands of dollars in scholarships and awards. A formal ceremony wasn't held due to the COVID-19 pandemic and social distancing.

Marissa Barragan received the NAU President's Scholarship (\$8,000 for four years); Junior Chamber of Commerce Scholarship (\$400); and the NHS Scholarship (\$100).

Chelsea Boyd-Flores received the University of Arizona Wildcat Distinction Scholarship (\$12,500 for four years); NAU Lumberjack Scholarship (\$10,650 for four years); Robin Coon Scholarship (\$1,000); ASARCO Scholarship (\$833) and the Junior Chamber of Commerce Scholarship (\$400).

Alex Bravo received the CAC Promise for the Future Scholarship (full tuition for two years).

Alec Carrillo received the CAC Promise for the Future Scholarship (full tuition for two years).

Dallin Coleman received the NAU Lumberjack Scholarship (\$10,650 for four years) and the Robin Coon Scholarship (\$1,000).

Elora Foster received the UofA Wildcat Excellence Scholarship (\$8,000 for four years) and the NAU President's Scholarship (\$8,000 for four years).

Chasity Kelley received the ASU President's Scholarship (\$10,000 for 4 years); UofA Wildcat Distinction Scholarship (\$12,500 for four years); NAU Lumberjack Scholarship (\$10,650 for four years); SaddleBrooke Scholarship (\$3,000 for four years); Robin Coon Scholarship (\$1,000); ASARCO Scholarship (\$833) and the NHS Scholarship (\$100)

Kacy Molar received the ASU President's Scholarship (\$10,000 for four years); ASU Flinn Finalist Award (\$5,000 for four years); NAU Lumberjack Scholarship (\$10,650 for four years); SaddleBrooke Community Outreach Scholarship (\$3,000 for four years); Copper Area Health Volunteers Scholarship (\$1,000 for four years); Robin Coon Scholarship (\$1,000); ASARCO Scholarship (\$833); Ray Federal Credit Union Scholarship (\$500); Junior

Chamber of Commerce Scholarship (\$400) and the NHS Scholarship (\$200).

Indigo Patterson received the NAU Lumberjack Scholarship (\$10,650 for four years); SaddleBrooke Community Outreach Scholarship (\$3,000 for four years); Kearny Women's Club Scholarship (\$1,000); and the Carmen Bustamante Memorial Scholarship (\$500).

Juan Rivera received the CAC Promise for the Future Scholarship (full tuition for two years).

Mathew Rutter received the NAU Lumberjack Scholarship (\$10,650 for four years); UofA Wildcat Distinction Scholarship (\$12,500 for four years) and the SaddleBrooke Community Outreach Scholarship (\$3,000 for four years).

Tiffany Smith received the NAU Lumberjack Scholarship (\$10,650 for four years); Mary Lynn Nebeker Memorial Scholarship (\$1,000) and the NHS Scholarship (\$200).

Emma Stuart received the NAU Lumberjack Scholarship (\$10,650 for four years); ASU President's Scholarship (\$10,000 for four years); Abilene Christian University Royce L. Money Chancellor's Award for Academic Excellence (\$19,000 for four years); Harding University Academic Scholarship (\$9,000 for four years); Edward M. and Obdulia M. Feldhake Memorial Scholarship (\$700) and the Robin Coon Scholarship (\$1,000).

Michael Warren received the CAC Promise for the Future Scholarship (full tuition for two years); SaddleBrooke Community Outreach Scholarship (\$1,500 for two years, then \$3,000 for two years); Kearny Women's Club Scholarship (\$1,000); Pinal County Federal Credit Union Scholarship (\$500) and the Ray Federal Credit Union Scholarship (\$500).

The following students have met the GPA requirement to receive the CAC Promise for the Future Scholarship which will cover the full cost of their tuition for two years. It will be awarded to them upon their submission of all required documents, including community service hours, to CAC: Alex Bravo, Alec Carrillo, Juan Rivera and Michael Warren.

We are always proud of the students who reach toward a goal and achieve it. In this year and more of worldwide upheaval due

to the COVID virus, for students to even keep on track, but, especially to excel, is an inspiration to us all.

Congratulations, Students! Celebrate your accomplishments. You've done very well. Keep doing you!

Miriam Avelar (center) from the Kearny Women's Club presents scholarships to Michael Warren and Indigo Patterson.

Ray's top scholars are, from left, Emma Stuart, Mathew Rutter, Chelsea Boyd-Flores, Kacy Molar, Juan Rivera (Salutatorian) and Chasity Kelley. James Carnes | CBN

Six students take top honors for Ray Class of 2021

With five students named as valedictorians and one salutatorian, the speeches may take a little longer this year at the Ray High School 2021 Commencement set for this Friday, May 28, at Ray's McFee Stadium. But given the difficulties faced by this year's seniors, no one in attendance will want to cut them short.

Taking top honors for the Ray High School Class of 2021 are: Chelsea Boyd-Franco, Chasity Kelley, Kacy Molar, Mathew Rutter and Emma Stuart. Juan Rivera is this year's salutatorian.

This year's graduating class of 2021 has faced a year like no other in the history of Ray High School.

Teachers and administrators tried to keep the school year as close to normal as

possible, heading into in-person teaching long before other neighboring schools were ready. The pandemic forced the school to cancel the fall sports season and modify the other seasons. Athletes had to learn how to participate wearing restrictive masks.

With all the obstacles, students persevered and thrived.

Chelsea Boyd-Flores is the daughter of Tiffany Boyd and Matthew Flores. She has a younger brother, Brayden Boyd-Flores. She has had a varied sports career at Ray High School, playing three years of volleyball and four years each of basketball and softball. She is a member of the Jr. Chamber, Science Club and National Honor Society (serving as historian in her second year).

She plans to attend the University of Arizona to major in veterinary medicine and minor in business.

Chasity Kelley is the daughter of Amanda Holcomb (Randy Rodriguez) and Dave Kelley. Her grandparents are Tony and Carla Manzo and Doris and Edwin Colby. She has four siblings: Ashton and Addyson Kelley, and Jordan and Lucky Rodriguez. She played volleyball, basketball and softball and was a member of Student Council, Science Club, Yearbook Club, Jr. Chamber and National Honor Society.

Chasity plans to attend Arizona State University and earn a degree in veterinary medicine and later earn her doctorate's degree.

Kacy Molar is the daughter of Tana and Gilbert Molar. She has three siblings,

Jesse, Alisa and Nathan. She played volleyball and was a cheerleader. She was a member of the Environmental Club, Science Club, National Honor Society, Jr. Chamber and Student Council.

Kacy plans on attending Arizona State University and pursuing a degree in health science with a focus on medical laboratory science.

Mathew Rutter is the son of Ragon Tucker and the grandson of Kathy and Allen Rutter. He has eight brothers and sisters: TC, Melissa, Ashley, Hailey, Emiley, Kiley, Liley and Johnny. Mathew ran track and cross country and was a member of the Science Club, Student Council and National Honor Society.

Mathew will be heading to Flagstaff

TOP SCHOLARS

Continued from page 5

and Northern Arizona University to study engineering, something that will allow him to “find a comfortable, stable job that lets me live anywhere I choose.”

Emma Stuart is the daughter of Jody and Gary Stuart and Ruby and Joe Smith. She has three brothers, Noah and Ryan Stuart and Josh Fessenden. Emma played volleyball and basketball and was a member of the marching band.

Emma will also be heading to NAU to become an occupational therapist.

Juan Rivera is the son of Wendy and Manny Rivera and the grandson of Tomasa and Ramon Nava. He has six siblings: Ramon, Mia, Yasmin, Gracie, Tomas and Emilio Rivera. He ran track and cross country and was a member of the Science Club, National Honor Society, Jr. Chamber and played in the

band.

Juan’s plans after high school are still undecided. He does plan to head to Central Arizona College for an associate’s degree. He’s interested in the medical field. “I’m not exactly sure on the specific career I want,” he said, “but I’ve always been interested in that field.”

COVID-19 changed the world for these students; it changed their world views and how the world views them.

“Our graduating class never got the ideal senior year like everyone else,” Juan said, “but that didn’t stop us from trying our hardest in finishing it off. If we are able to deal with graduating in the middle of a pandemic, then I have no doubt that our graduating class will make an impact in the world.”

Emma said she thinks that her graduating class is “going to take what we’ve

learned and use it to make this world a better place.”

Chasity agrees. “I see our grading class helping the world return to how things were before COVID-19 and possibly help COVID-19 come to an end.”

Chelsea, Kacy and Mathew all see themselves and their classmates working to make sure no one has to go through what they did through this pandemic and cherishing the time they do have. “My class understands the importance of quality time,” Kacy said. “(They) will change the future by spending more time doing things they enjoy.”

High school has had its ups and downs for all students. There are things most graduates are ready to bid farewell to and some things that will be missed.

All six reported that they will miss their friends and classmates and all the memories made during

their time in school. Emma said she will definitely not miss school lunches while Mathew said, “I will not miss being given adult responsibilities, but childish treatment.”

Ten years down the road, Chelsea would love to see that the area has kept up with all the traditions. “Keep on with Pioneer Days,” she said. “As the 2020 Pioneer Queen, I can say that everyone in town (kid or adult) looks forward to riding rides, watching softball, playing games and having fun. It’s the annual carnival that should go on for years.”

Mathew would love to return to Kearny, especially “if the town could grow and have more for people to do without driving to another city.”

Emma would like to see folks in the community become more involved while Kacy would like to see more opportunities in

the medical field.

“I want my community to thrive and for children to continue to be educated at Ray High School and for new things to be built throughout the town,” Chasity said. She would

love to raise her children in a small town like she was.

Juan said it wouldn’t be hard to make him return to this community. “I grew up here and it shaped me into who I am. As for what I want to happen in the community, I’m happy with where it’s at now. I just want people to keep being respectful and friendly towards one another because that’s what makes it great to live here.”

Editor’s note: Copper Area News - Copper Basin News congratulates these six students and their families for this top academic

accomplishment. Due to COVID-19 interviews were conducted remotely via written replies.

Raymond Sanchez:

Good job, son. We are so proud of you. High school look out :)
Mom, Dad, Cheyenne & Eli

Landree,

Congratulations!

tours of old historical buildings or places alleged to be haunted. Some groups do it for entertainment purposes while others take the paranormal seriously and search for answers to help others who may be having issues with what they believe is a haunting or paranormal. One group does research to help others and even uses the public's interest in the paranormal to conduct tours with money raised by the tour going to help restore and maintain historical buildings.

AZ Ghost Tours was started by the AZ Paranormal Investigation & Research Society (AZPIRS) and CDP Investigations to help historical locations raise funds for restoration and upkeep. Paranormal events have raised thousands of dollars each year for old historical buildings such as the Orpheum Theater in Phoenix, 1910 Gila County Jail in Globe and the Acadia Ranch Museum in Oracle. AZ Ghost Tours hosts an event every second Saturday of the month at the 1910 Gila County Jail. The Tours are sponsored by G.H.O.S.T. (Ghost Hunters of Southern Tucson) Crew and AZPIRS.

This fundraising program works at any location. The program includes AZ Ghost Tours assisting you with organizing and running the event at your location. They provide two types of events. One includes a brief presentation on the history of the location as well as the claims of paranormal activity or evidence that has been captured. It is followed by the guests going on an actual investigation led by experienced paranormal investigators using the latest equipment.

The second type involves a workshop with the experienced paranormal investigators explaining basic paranormal investigation procedures and demonstrating the use of the paranormal equipment how. Then your guests are provided with the latest paranormal equipment and with AZ Ghost Tours leading, participate in every aspect of the investigation. The paranormal equipment is provided by AZ Ghost Tours and all proceeds go to the organization for restoration and upkeep of the buildings.

Vinnie Amico founded AZPIRS along with his wife Pam. Vinnie has over 40 years' experience as a paranormal researcher. He is originally from New Jersey where he started out investigating old abandoned buildings. Over the years in New Jersey "I investigated some wonderful locations that were torn down to make way for a strip mall or parking lot" said Vinnie. "These historic places need to be preserved." In 2008, Vinnie moved to Arizona and began looking for people like those in New Jersey that he worked with that wanted to learn more about the paranormal and who wanted to help others with paranormal situations that had nowhere else to turn to.

AZPIRS also provides another service. If your business or residence has been experiencing unusual or what could be considered paranormal activity, they will investigate and seek to provide answers to the property owners. All investigations are free of charge and confidential. Their

Arizona Water Company (the "Company") has released its 2020 Water Quality Report (Consumer Confidence Report) for its Winkelman water system, PWSID 04-003. The Company will not be mailing a copy of the report to its customers, because Arizona Administrative Code R18-4-117, granted a mailing waiver to small water systems with a population less than 10,000 people. Copies are now available: at the Oracle office located at 470 E. American Avenue; via mail by sending a request to Arizona Water Company, P. O. Box 5209, Oracle, AZ 85623; via our website at www.azwater.com; or by calling the local office at 520-385-2226. The entire report is also printed in the newspaper today. The Company recommends that customers serving more than one housing unit post a copy of the 2020 Water Quality Report in a conspicuous place.

ARIZONA WATER COMPANY

– 2020 ANNUAL WATER QUALITY REPORT FOR WINKELMAN, ARIZONA, PWSID NO. 04-003 –

This report contains important information about your drinking water.
 Este informe contiene información importante sobre su agua potable.
 Tradúzcalo o hable con alguien que lo entienda bien.

Arizona Water Company provides groundwater to its Winkelman customers from wells located throughout the Winkelman area.

All water samples are collected by state-certified employees of Arizona Water Company or by the Arizona Department of Environmental Quality ("ADEQ"). Samples are analyzed by state-certified independent laboratories and the results are forwarded to ADEQ. The following report provides detailed information about the quality of the water delivered to customers. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards and regulations.

DETECTED WATER QUALITY CONSTITUENTS - GROUNDWATER

Primary Standards							
Water Quality Constituent	Units	MCLG	MCL	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent	
Inorganics							
Arsenic	ppb	0	10	5	2012	Erosion of natural deposits; runoff from orchards; runoff from glass and electronics production wastes	
Barium	ppm	2	2	0.03	2012	Discharge of drilling wastes; discharge from metal refineries; erosion of natural deposits	
Fluoride	ppm	4	4	1	2012	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories	
Radiological							
Alpha Emitters	pCi/L	0	15	5	2015	Erosion of natural deposits	
Disinfectant / Disinfection Byproducts							
Water Quality Constituent	Units	MCLG (MRDL G)	MCL (MRDL L)	Average Level Detected	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent
Chlorine Residual	ppm	(4)	(4)	1	0.5 - 1.6	2020	Drinking water disinfectant
Total Trihalomethanes	ppb	NA	80	8.5	8.5	2020	Byproduct of drinking water disinfection
Additional Constituents (Unregulated)							
Sodium	ppm	NS	NS	160	160	2018	Unknown
Lead and Copper Monitoring							
Water Quality Constituent	Units	MCLG	Action Level	90 th Percentile of Sample Results	Number of Samples That Exceeded the Action Level	Sample Year	Typical Source of Detected Constituent
Copper	ppm	1.3	1.3	0.07	0	2019	Internal corrosion of household water plumbing systems; erosion of natural deposits; leaching from wood preservatives
Lead	ppb	0	15	ND	0	2019	Internal corrosion of household water plumbing systems; erosion of natural deposits

Your drinking water complies with the United States Environmental Protection Agency's ("USEPA") safe drinking water standard for arsenic, though it contains low levels of arsenic. USEPA's safe drinking water standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health

effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

Note: In addition to the constituents listed in this report, Arizona Water Company conducted monitoring for over 80 additional constituents and the results show none of those constituents were detected in the water. Data presented are from the most recent testing done in accordance with applicable regulations. Some constituents are monitored less frequently than once a year because either their concentrations do not change frequently or they are not likely to be detected. Therefore, some of the water quality testing data contained in this report, although representative, may be more than one year old. If you have questions about this water quality report please contact Regina Lynde, Environmental Compliance Manager, Arizona Water Company, P. O. Box 29006, Phoenix, Arizona 85038-9006; telephone (602) 240-6860 or e-mail mail@azwater.com.

In 2000, ADEQ completed a Source Water Assessment of the water sources used by Arizona Water Company's Winkelman water system. ADEQ reviewed the adjacent land uses that may pose a potential risk to the water sources. ADEQ determined that activity on an adjacent land use poses a high risk to two water sources. Arizona Water Company regularly monitors drinking water sources to make sure your drinking water complies with the Safe Drinking Water Act.

The complete Assessment is available for inspection at ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007, between the hours of 8:00 a.m. and 5:00 p.m. Electronic copies are available from ADEQ at recordscenter@azdeq.gov. For more information visit ADEQ's Source Water Assessment and Protection Unit website at: www.azdeq.gov/node/735.

The USEPA and ADEQ require Arizona Water Company to provide the following information:

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some constituents. The presence of constituents does not necessarily indicate that water poses a health risk. More information about constituents and potential health effects can be obtained by calling the USEPA's Safe Drinking Water Hotline (800-426-4791).

Some people may be more vulnerable to constituents in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. USEPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial constituents are available from the Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radiological material, and can pick up substances resulting from the presence of animals or from human activity.

Constituents that may be present in source water include:

- Microbials, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganics, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organics, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radiological material, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, USEPA prescribes regulations which limit the amount of certain constituents in water provided by public water systems. FDA regulations establish limits for constituents in bottled water which must provide the same protection for public health.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Arizona Water Company is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the USEPA's Safe Drinking Water Hotline or at <http://www.epa.gov/lead>.

- Level = MUST follow.
- CDC = United States Centers for Disease Control and Prevention
- FDA = United States Food and Drug Administration
- MCL = Maximum Contaminant Level, the highest level of a constituent that is allowed in drinking water. MCLs are set as close to the MCLGs using the best available treatment technology as is economically and technologically feasible.
- MCLG = Maximum Contaminant Level Goal, the level of a constituent in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- MRDL = Maximum Residual Disinfection Level, the highest level of a drinking water disinfectant that is allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
- MRDLG = Maximum Residual Disinfection Level Goal, the level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial constituents.
- NA = None adopted
- ND = None detected
- NS = No standard
- pCi/L = Pico-curies per liter
- ppb = Parts per billion, or micrograms per liter (µg/L)
- ppm = Parts per million, or milligrams per liter (mg/L)
- PWSID = Public Water System Identification

WILDFIRE SURVEY

Continued from page 2

Written and edited by fire and emergency management professionals, the plan has been updated and fine-tuned at each five year mark. Objectives for 2021 include updating community hazards and values at risk, invite suggestions for local activities that could reduce the threat of wildfires, and ways we can improve public and firefighter safety.

Local residents: that's where you come in!

The 2021 update of our CWPP invites local communities to address their wildfire risk by evaluating wildfire risks and coming up with options for mitigating those risks. Gila County wants to know your concerns and your ideas for how we can improve the plan and make

our community more resilient to wildfire.

The survey takes less than 10 minutes, and your input is extremely valuable in helping us to create an effective Community Wildfire Protection Plan localized to Southern Gila County. You don't have internet access, and want to complete this survey on paper? Call Gila County Health and Emergency Management Department's Client Outreach Specialist (928) 242-7559 or call Celena Cates (928) 402-8510 to request one. June 4 is the deadline for print-out surveys to be mailed or faxed; June 10 is the deadline for surveys completed online.

Public Notice

NOTICE OF PUBLIC HEARING: A public hearing will be held by the Pinal County Planning and Zoning Commission at 9:00 A.M. on the 17th day of June, 2021 in the Pinal County Historic Courthouse, Board of Supervisors Chambers, 185 N. Pinal St., Florence, Arizona to consider **PZ-C-001-21:** a Zoning Ordinance Text Amendment to Title 2 of the Pinal County Development Services Code, amending Chapter 2.191 "MEDICAL MARIJUANA DISPENSARY, MEDICAL MARIJUANA DISPENSARY OFF-SITE CULTIVATION LOCATION AND MEDICAL MARIJUANA FOOD ESTABLISHMENT" as follows: (A non-legislative format version of the proposed amendment is available at the County's web page at the following address: <https://www.pinalcountyaz.gov/CommunityDevelopment/Planning/Pages/OrdinanceMajorCPA.aspx> (LEGISLATIVE FORMAT) Pinal County Development Services Code Chapter 2.191 **MEDICAL MARIJUANA DISPENSARY, MEDICAL MARIJUANA DISPENSARY OFF-SITE CULTIVATION LOCATION AND MEDICAL MARIJUANA FOOD ESTABLISHMENT.** Sections: 2.191.010 Medical marijuana dispensaries, medical marijuana dispensaries, recreational marijuana establishments, off-site marijuana cultivation locations and medical marijuana food establishment Testing Facilities. 2.191.020 Process development Prohibition of marijuana on public property. 2.191.010 Medical marijuana dispensaries, medical marijuana dispensaries, recreational marijuana establishments, off-site marijuana cultivation locations and medical marijuana food establishment testing facilities. A Medical Marijuana Dispensary or Medical and Recreational Marijuana Food Establishments. A medical Marijuana dispensary or recreational marijuana establishment is permitted as a conditional use shall be subject to the following conditions: 1. Minimum Notification Area. The minimum notification area for a special use permit for a medical marijuana dispensary or medical recreational marijuana food establishment is 4,000-1,500 feet. 2. Application Requirements. An applicant for a special use permit for a medical marijuana dispensary or medical recreational marijuana food establishment must complete an application that includes all of the following information: a. If the application is by an agent for the owner, the authorization must include an explicit acknowledgment from the owner that the owner knows that the proposed use of the property is as a medical marijuana dispensary and/or recreational marijuana establishment, as applicable. b. The legal name of the medical

Public Notice

marijuana dispensary or medical recreational marijuana food establishment. c. The name, address and date of birth of each principal officer and board member of the nonprofit medical marijuana dispensary and the name, address and date of birth of each medical marijuana dispensary agent. d. A copy of the any operating procedures adopted in compliance with ARS 36-2804(B)(1)(e) the rules of the Arizona Department of Health Services or its successor agency. e. A notarized certification that none of the principal officers or board members has been convicted of one of the following offenses: i. A violent crime as defined in A.R.S. § 13-901.03(B) that was classified as a felony in the jurisdiction where the person was convicted; ii. A violation of state or federal controlled substance law that was classified as a felony in the jurisdiction where the person was convicted including an offense for which the sentence, any term of probation, incarceration or supervised release was completed within the 10 years prior to applying for the application for the dispensary or an offense involving conduct that would be immune from arrest, prosecution or penalty under A.R.S. § 36-2811 except that the conduct occurred before the effective date of that statute or was prosecuted by an authority other than the state of Arizona. f. A notarized certification that none of the principal officers or board members has served as a principal officer or board member for a registered nonprofit medical marijuana dispensary or medical recreational marijuana food establishment that has had its registration certificate revoked. g. A floor plan showing the location, dimensions and type of security measures demonstrating that the medical marijuana dispensary or medical recreational marijuana food establishment will meet the definition of enclosed, locked facility contained in A.R.S. § 36-2801(6) and will be conducted completely within an enclosed, locked building. 3. Permitted Location. A medical marijuana dispensary or medical recreational marijuana food establishment is only only permitted in the EB-2 (general business) zone and the C-3 (general commercial), I-1 (industrial buffer), I-2 (light industrial and warehouse), and I-3 (industrial) zoning districts and only with a special use permit with a special use permit that requires reapplication of the permit after five years or less. 4. Community Impacts. The board County may or may not approve a medical marijuana dispensary or medical recreational marijuana food establishment at a site if substantial evidence is presented that locating the dispensary or food establishment at the proposed site will negatively impact neighboring property values or if substantial evidence is presented that shows that locating the dispensary or establishment at the proposed site will create an unreasonable risk to the health, safety or general welfare in the area. 5.

Public Notice

Development Standards. a. A medical marijuana dispensary or medical recreational marijuana food establishment must be located in a permanent building and may not be located in a trailer, cargo container or motor vehicle. b. A medical marijuana dispensary or medical recreational marijuana food establishment shall be set back separated a minimum of 10 miles ten (10) mile(s) from all other medical marijuana dispensaries or establishments measured from the parcel boundaries.; however, this does not preclude a dual licensee from operating both a medical marijuana dispensary and a marijuana establishment collectively at a shared location.; however, the planning commission may recommend and the board of supervisors may approve dispensaries with a setback less than 10 miles if they find that the smaller setback will lead to improved accessibility for qualified patients and caregivers. c. A medical marijuana dispensary or medical recreational marijuana food establishment shall be set back separated a minimum of 1,500 feet from schools, community service agencies, activity facilities and/or activities where children may be enrolled, measured from the parcel boundaries. d. A medical marijuana dispensary or medical recreational marijuana food establishment shall be set back separated a minimum of 1,500 feet from a childcare center, measured from the parcel boundaries. e. A medical marijuana dispensary or medical recreational marijuana food establishment shall be set back separated a minimum of 1,500 feet from a library or public park. f. A medical marijuana dispensary or medical recreational marijuana food establishment shall be set back separated a minimum of 1,500 feet from a church. g. A medical marijuana dispensary or medical recreational marijuana food establishment shall be set back separated a minimum of 1,500 feet from a residential substance abuse diagnostic and treatment facility or other drug or alcohol rehabilitation facility. h. A medical marijuana dispensary or medical recreational marijuana food establishment may have a drive-through service. i. A medical marijuana food establishment shall only be allowed immediately adjacent to a medical marijuana dispensary or a medical marijuana dispensary off-site cultivation location. j. i. A medical marijuana dispensary or medical recreational marijuana food establishment may not have outdoor seating areas: j. The maximum floor area of a medical marijuana dispensary or medical recreational marijuana food establishment is 2,000 square feet. k. The secure storage area for the medical marijuana or medical marijuana food establishment stored at the a medical marijuana dispensary or medical recreational marijuana food establishment shall not exceed 400 square feet. lml. The permitted hours of operation of a medical marijuana dispensary or medical

Public Notice

recreational marijuana food establishment are between the hours of 9:00 a.m. and 7:10:00 p.m. daily. 6. Permit Conditions. The board may include any conditions it finds necessary to conserve and promote the public health, safety, convenience and general welfare. The board must include the following permit conditions for issuance of the special use permit for a medical marijuana dispensary: j. An expiration date for the special use permit that requires reapplication or renewal of the permit after two years or less. bk. A requirement that the The medical marijuana dispensary or medical recreational marijuana food establishment meets shall meet security requirements adopted by the Arizona Department of Health Services or its successor agency. l. A requirement that the The storage facilities for the medical marijuana or medical marijuana food establishment stored or grown at the dispensary or off-site cultivation location establishment shall prevent the emission of dust, fumes, vapors or odors into the environment. m. A requirement that the The owner shall secure a certification from the State Fire Marshall or from another acceptable entity responsible for fire safety in the area in which the medical marijuana dispensary or medical recreational marijuana food establishment is to be located stating that the structure complies with all fire code requirements and supply that certification to the building Building and safety Safety department Department. n. The medical marijuana dispensary or recreational marijuana establishment is prohibited from permitting anyone to consume marijuana on its premises. go. The medical marijuana dispensary or recreational marijuana establishment shall comply with applicable sections of the Pinal County sanitary code. ep. A prohibition on the The medical marijuana dispensary or medical recreational marijuana food establishment offering a service that provides may provide off-site delivery of the medical marijuana. fr. A requirement that the The medical marijuana dispensary or medical marijuana food establishment is prohibited from permitting anyone to consume marijuana on the premises. gs. A requirement that the The medical marijuana dispensary or medical marijuana food establishment shall comply with applicable sections of the Pinal County sanitary code. 7f. Enforcement. The provisions of this subsection may be enforced through the use of the civil penalty procedure provided for by PCDCS 2.160.140 or by injunction or other civil proceeding as provided by A.R.S. § 11-808B15(H). Notwithstanding any other provision of this code, this subsection shall not be enforced under A.R.S. § 11-808B15(C) as a misdemeanor. 87. Fees. The fee for application shall include and hearing is a combination of the existing fees for special use permit application filing fee, and hearing is a combination of the existing fees for the owner, the

Public Notice

special use permit application filing fee, the site analysis submittal fee, and the notice of public hearing notification notice of public hearing fee included in the most current planning Planning and development Development Department department fee schedule. B. Special Conditions for Non-dispensary Dispensary / Non-Establishment Cultivation. 1. An individual is permitted to possess, consume, process, manufacture, transport, and cultivate marijuana in a residential zoning district within the unincorporated areas of the County, subject to the limitations imposed by A.R.S. § 36-2801 et seq. (the Arizona Medical Marijuana Act) and A.R.S. § 36-2850 et seq. (the Smart and Safe Arizona Act) and this Chapter 2. 4. Medical Marijuana Cultivation Location for a Registered Qualifying Patient. a. Allowed as an accessory to a primary residence. b. Must be conducted in a completely enclosed, locked building. c. Must prevent the emission of dust, fumes, vapors or odors into the environment. d. Must have a legible copy of a valid medical marijuana registry qualifying patient identification card, the original of which is issued by the state of Arizona, plainly displayed inside of the doorway. e. The qualified patient cultivation must be at least 25 miles from a medical marijuana dispensary. 2. Medical Marijuana Cultivation Location for a Registered Designated Caregiver. a. Allowed as an accessory to a primary residence. b. Must be conducted in a completely enclosed, locked building. c. Must prevent the emission of dust, fumes, vapors or odors into the environment. d. Must have a legible copy of a valid medical marijuana registry designated caregiver identification card, the original of which is issued by the state of Arizona, plainly displayed inside of the doorway. e. Must be for qualified patients who live at least 25 miles from a medical marijuana dispensary. C. Medical Marijuana Dispensary-Off-Site Marijuana Cultivation Locations and Testing Facilities. As long as the Arizona Revised Statutes remain in full force and effect to allow medical marijuana dispensaries; a medical marijuana dispensary and establishments, testing facilities and off-site cultivation and manufacturing locations where marijuana and marijuana products may not be transferred or sold to consumers are permitted as a special use subject to the following conditions: 1. Minimum Notification Area. The minimum notification area for a special use permit for a medical marijuana dispensary off-site marijuana cultivation locations and testing facilities is 4,000-1,500 feet. 2. Supplemental Application. In addition to the application required by Chapter 2.150 PCDCS, an applicant for a special use permit for an medical marijuana dispensary off-site cultivation location or testing facility shall complete an application that includes all of the following information: a. If the application is by an agent for the owner, the

Public Notice

authorization must include an explicit acknowledgment from the owner that the owner knows that the proposed use of the property is as an medical marijuana dispensary off-site marijuana cultivation location or testing facility. b. The legal name and address of the affiliated medical marijuana dispensary and/or recreational marijuana establishment. c. The name, address and date of birth of each principal officer and board member of the medical marijuana dispensary affiliated with the off-site cultivation location or testing facility and the name, address and date of birth of each medical marijuana dispensary agent. d. A copy of the any operating procedures adopted in compliance with ARS 36-2804(B)(1)(e) the rules of the Arizona Department of Health Services or its successor agency. e. A notarized certification that none of the principal officers or board members for the medical marijuana dispensary affiliated with the off-site cultivation location or testing facility has been convicted of one of the following offenses: i. A violent crime as defined in A.R.S. § 13-901.03(B) that was classified as a felony in the jurisdiction where the person was convicted; ii. A violation of state or federal controlled substance law that was classified as a felony in the jurisdiction where the person was convicted including an offense for which the sentence, any term of probation, incarceration or supervised release was completed within the 10 years prior to applying for the application for the off-site cultivation location, or an offense involving conduct that would be immune from arrest, prosecution or penalty under A.R.S. § 36-2811 except that the conduct occurred before the effective date of that statute or was prosecuted by an authority other than the state of Arizona. f. A notarized certification that none of the principal officers or board members for the medical marijuana dispensary affiliated with the off-site cultivation location or testing facility has served as a principal officer or board member for a registered nonprofit medical marijuana dispensary that has had its registration certificate revoked. g. A floor plan showing the location, dimensions and type of security measures demonstrating that the medical marijuana dispensary off-site cultivation location or testing facility will meet the definition of "enclosed, locked facility" contained in A.R.S. § 36-2801(6). h. A security plan that meets or exceeds Arizona Department of Health Services (AZDHS) requirements, which shall be submitted to the Pinal County Sheriff's Office for review and comment prior to the applicant's special use permit hearing. 3. Permitted Location. An medical marijuana dispensary off-site cultivation location or testing facility is only permitted in a the EB-2 (general business) zoning district, GR (general rural) zoning district, or IC-3 (general commercial), I-1 (industrial buffer), I-2 (light industrial and

Free workshop for caregivers—brought to you by Rural Dementia Caregiver Project

Help rural caregivers connect to a new online workshop.

Millions of rural caregivers provide crucial support to family members or friends living with memory loss and dementia. These same caregivers often feel stressed and isolated. An online workshop may help them.

The University of California, San Francisco is conducting a study of a new online caregiver workshop. The

project is funded by the National Institutes of Health. Caregivers may qualify if they:

- Live in a rural area
- Care for someone with memory loss
- Are 18 years of age or older
- Provide care for at least 10 hours per week

Caregivers who participate in the study of the workshop will be asked to complete four surveys on their

caregiving experiences and will receive up to \$80 in cash for doing so.

What does the online workshop offer?

The workshop is accessible to rural caregivers whenever they want it, day or night. It teaches caregivers new skills to reduce their stress, take better care of themselves, manage challenging behaviors of their care partners, and plan for the future. Caregivers also get a workbook to keep, support from

other caregivers, and information on community resources.

How can caregivers and others learn more?

Interested caregivers can go to caregiverproject.ucsf.edu or call the toll-free number 1-833-634-0603 to get more information. Organizations that work in rural communities or have contact with caregivers can use that same contact information.

Public Notice

warehouse), and I-3 (industrial) zoning districts and only with a special use permit that requires reapplication of the permit after ten years or less. 4. Community Impacts. The board may or may not approve an medical marijuana dispensary off-site cultivation location or testing facility at a location if substantial evidence is presented that locating the cultivation location or testing facility at the proposed site will negatively impact neighboring property values or if substantial evidence is presented that shows that locating that locating the cultivation location or testing facility at the proposed site will create an unreasonable risk to the health, safety or general welfare in the area. 5. Development Standards. a. An medical marijuana dispensary off-site cultivation location or testing facility must meet the definition of an "enclosed, locked facility" under A.R.S. § 36-2801(6) and the definition of "enclosed area" under Arizona Administrative Code R9-17-101(4820) and may not be located in a trailer, cargo container or motor vehicle. b. An medical marijuana dispensary off-site cultivation location or testing facility shall be set back separated a minimum of 2,000 feet from all other medical marijuana dispensary off-site cultivation locations or testing facilities measured from the parcel boundaries. c. An medical marijuana dispensary off-site cultivation location or testing facility shall be set back separated a minimum of 1,500 feet from schools, community service agencies, activity facilities and/or activities where children may be enrolled, measured from the parcel boundaries. d. An medical marijuana dispensary off-site cultivation location or testing facility shall be set back separated a minimum of 1,500 feet from a library or public park. f. An medical marijuana dispensary off-site cultivation location or testing facility shall be set back separated a minimum of 1,500 feet from a residential substance abuse diagnostic and treatment facility or other drug or alcohol rehabilitation facility. h. An medical marijuana dispensary off-site cultivation location or testing facility shall be set back separated a minimum of 1,500 feet from any single-family residential zone, multifamily residential zone, transitional zone, mixed dwelling zone and RU-C zone, as measured from the parcel boundaries. i. An medical marijuana dispensary off-site cultivation location may not have outdoor seating areas. j. All drying, curing and storage of medical marijuana at an medical marijuana dispensary off-site cultivation location or testing facility must take place inside a completely enclosed permanent building with controlled access and cannot be located in a trailer, cargo

Public Notice

container, or motor vehicle. k. An medical marijuana dispensary off-site cultivation location must have a legible copy of a valid medical marijuana dispensary agent registry identification card, the original of which is issued by the state State of Arizona, plainly displayed inside of the doorway at all times. l. An off-site cultivation location must have the address of the medical marijuana dispensary or recreational marijuana establishment that the off-site cultivation location supplies plainly displayed inside of the doorway at all times. m. An medical marijuana dispensary off-site cultivation location or testing facility must be accessible by a pavement to pavement roadway. n. The County shall not permit more than one off-site cultivation location and one off-site manufacturing location for each dispensary and establishment located in the County, absent a showing of unnecessary hardship. o. The off-site cultivation location or testing facility shall meet security requirements adopted by the Arizona Department of Health Services or its successor agency. p. The storage facilities for the marijuana stored or grown on site shall prevent the emission of dust, fumes, vapors or odors into the environment. q. The owner shall secure a certification from the State Fire Marshall or from another acceptable entity responsible for fire safety in the area in which the off-site cultivation location or testing facility is to be located stating that the structure complies with all fire code requirements and supply a copy of that certification to the Building and Safety Department. r. The off-site cultivation location or testing facility is prohibited from permitting anyone to consume marijuana on the premises. s. The off-site cultivation location or testing facility shall comply with applicable section of the Pinal County sanitary code. t. The applicant shall provide not less than three days' advance notice to the Pinal County Sheriff's Office when marijuana is to be harvested at the cultivation location and when marijuana is to be transported from the site to a marijuana dispensary and/or establishment. u. The applicant shall submit for review and approval of a specific site plan as required by Chapter 2.200 PCDSC prior to operation of an off-site cultivation location or testing facility. v. A medical marijuana dispensary off-site cultivation location not located within a completely enclosed permanent building shall not exceed five acres, absent a showing of unnecessary hardship. w. The county shall not permit more than one off-site cultivation location for each dispensary located in the county, absent a showing of unnecessary hardship. 6. Permit Conditions. The board may include any conditions it finds necessary to conserve and promote the public health, safety, convenience and general welfare. The board must include the following permit conditions for issuance of the special use permit for a medical marijuana dispensary off-site cultivation location: a.

Public Notice

An expiration date for the special use permit that requires reapplication or renewal of the permit after one year or less. b. A requirement that the medical marijuana dispensary off-site cultivation location meets security requirements adopted by the Arizona Department of Health Services. c. A requirement that the storage facilities for the medical marijuana stored or grown on site prevent the emission of dust, fumes, vapors or odors into the environment. d. A requirement that the owner secure a certification from the State Fire Marshall or from another acceptable entity responsible for fire safety in the area in which the medical marijuana dispensary off-site cultivation location is to be located stating that the structure complies with all fire code requirements and supply a copy of that certification to the building and safety department. e. A requirement that the medical marijuana dispensary off-site cultivation location is prohibited from permitting anyone to consume marijuana on the premises. f. A requirement that the medical marijuana dispensary off-site cultivation location comply with applicable sections of the Pinal County sanitary code. g. A requirement that the applicant shall provide not less than three days' advance notice to the Pinal County sheriff's office when medical marijuana is to be harvested at the cultivation location and when medical marijuana is to be transported from the site to a medical marijuana dispensary. h. A requirement that prior to operation of a medical marijuana dispensary off-site cultivation location the applicant shall submit for review and approval a specific site plan as required by Chapter 2.200 PCDSC. 76. Enforcement. The provisions of this subsection may be enforced through the use of the civil penalty procedure provided for by PCDSC 2.160.140 or by injunction or other civil proceeding as provided by A.R.S. § 11-815(H). Notwithstanding any other provision of this code, this subsection shall not be enforced under A.R.S. § 11-815(C) as a misdemeanor. 87. Fees. The fee for application and hearing is a combination of the existing fees for the special use permit application filing fee, the site analysis submittal fee and the notice of public hearing fee included in the most current Planning and Development Department fee schedule. D. Marijuana Food Establishments. A marijuana food establishment shall only be allowed immediately adjacent to or within a medical marijuana dispensary and/or recreational marijuana establishment and shall be subject to the same requirements applicable to marijuana dispensaries and establishments in PCDSC 2.191.010(A). D. Medical Marijuana Food Establishment. As long as the Arizona Revised Statutes

Public Notice

remain in full force and effect to allow medical marijuana dispensaries, a medical marijuana food establishment is permitted as a conditional use subject to the following conditions: 1. Minimum Notification Area. The minimum notification area for a special use permit for a medical marijuana food establishment is 1,000 feet. 2. An applicant for a special use permit for a medical marijuana food establishment must complete an application that includes all of the following information: a. If the application is by an agent for the owner, the authorization must include an explicit acknowledgment from the owner that the owner knows that the proposed use of the property is as a medical marijuana dispensary. b. The legal name of the medical marijuana food establishment. c. The name, address and date of birth of each principal officer and board member of the medical marijuana food establishment and the name, address, and date of birth of each medical marijuana food establishment agent. d. A copy of the operating procedures adopted in compliance with ARS 36-2804(B)(1)(c). e. A notarized certification that none of the principal officers or board members has been convicted of one of the following offenses: i. A violent crime as defined in ARS 13-901.03(B) that was classified as a felony in the jurisdiction where the person was convicted; ii. A violation of state or federal controlled substance law that was classified as a felony in the jurisdiction where the person was convicted including an offense for which the sentence, any term of probation, incarceration or supervised release was completed within the 10 years prior to applying for the application for the medical marijuana food establishment, or an offense involving conduct that would be immune from arrest, prosecution or penalty under ARS 36-2811 except that the conduct occurred before the effective date of that statute or was prosecuted by an authority other than the state of Arizona. f. A notarized certification that none of the principal officers or board members has served as a principal officer or board member for a registered medical marijuana food establishment that has had its registration certificate revoked. g. A floor plan showing the location, dimensions and type of security measures demonstrating that the medical marijuana food establishment will meet the definition of enclosed-locked facility contained in ARS 36-2801(6) and will be conducted completely within an enclosed, locked building. 3. Permitted Location. A medical marijuana food establishment is only permitted in the CB-2 (general business) zone and the C-3 (general commercial) zoning district with a special use permit. 4. Community Impacts. The board may or may not approve a medical marijuana food establishment at a site if substantial evidence is presented that locating the establishment at the

Public Notice

proposed site will negatively impact neighboring property values or if substantial evidence is presented that shows that locating the establishment at the proposed site will create an unreasonable risk to the health, safety or general welfare in the area. 5. Development Standards. a. A medical marijuana food establishment must be located in a permanent building and may not be located in a trailer, cargo container or motor vehicle. b. A medical marijuana food establishment shall be set back a minimum of 1,500 feet from schools, community service agencies, activity facilities and/or activities where children may be enrolled, measured from the parcel boundaries. c. A medical marijuana food establishment shall be set back a minimum of 1,500 feet from a childcare center, measured from the parcel boundaries. d. A medical marijuana food establishment shall be set back a minimum of 1,500 feet from a library or public park. e. A medical marijuana food establishment shall be set back a minimum of 1,500 feet from a church. f. A medical marijuana food establishment shall be set back a minimum of 1,500 feet from a residential substance abuse diagnostic and treatment facility or other drug or alcohol rehabilitation facility. g. A medical marijuana food establishment may not have a drive-through service. h. A medical marijuana food establishment shall only be allowed immediately adjacent to a medical marijuana dispensary or a medical marijuana dispensary off-site cultivation location. i. No distribution or sales of medical marijuana edible food products which are infused with medical marijuana may occur at a medical marijuana food establishment, other than to a medical marijuana dispensary. 6. Permit Conditions. The board may include any conditions it finds necessary to conserve and promote the public health, safety, convenience and general welfare. The board must include the following permit conditions for issuance of the special use permit for a medical marijuana food establishment: a. An expiration date for the special use permit that requires reapplication or renewal of the permit after two years or less. b. A requirement that the medical marijuana food establishment meets security requirements adopted by the Arizona Department of Health Services. c. A requirement that the storage facilities for the medical marijuana stored on site prevent the emission of dust, fumes, vapors or odors into the environment. d. A requirement that the owner secure a certification from the State Fire Marshall or from another acceptable entity responsible for fire safety in the area in which the medical marijuana food establishment is to be located stating that the structure complies with all fire code requirements and supply that certification to the building and safety department. e.

Public Notice

A requirement that the medical marijuana food establishment is prohibited from permitting anyone to consume marijuana on the premises. f. A requirement that the medical marijuana food establishment comply with applicable sections of the Pinal County sanitary code. 7. Enforcement. The provisions of this subsection may be enforced through the use of the civil penalty procedure provided for by PCDSC 2.160.140 or by injunction or other civil proceeding as provided by ARS 11-808(H). Notwithstanding any other provision of this code, this subsection shall not be enforced under ARS 11-808(C) as a misdemeanor. 8. Fees. The fee for application and hearing is a combination of the existing fees for special use permit application filing fee, the site analysis submittal fee and the notice of public hearing fee included in the most current planning and development department fee schedule. [Ord. PZ-C-001-14 § 1; Ord. 011812-ZO-PZ-C-007-10 § 21; Ord. 022311-PZ-C-008-10 § 3]. 2.191.020 Process development Prohibition of marijuana on public property. The Pinal County board of supervisors recognizes that the Arizona Department of Health Services (ADHS) may be registering and certifying medical marijuana dispensaries after it has developed the processes related to applications and application fees for dispensaries and the issuance of patient registry cards. The development of the processes may be completed at any point in time within 120 days of certification of the 2010 election. [Ord. 022311-PZ-C-008-10 § 4]. Except as otherwise provided by State law, the possession, use, sale, cultivation, manufacture, production or distribution of marijuana products is prohibited on property that is occupied, owned, controlled or operated by the County and it is unlawful for an individual to smoke marijuana in a public place or open space in unincorporated areas of Pinal County. COPIES OF THE PROPOSED TEXT AMENDMENT ARE AVAILABLE FOR REVIEW ON THE PINAL COUNTY WEBSITE AT: <https://www.pinalcountyaz.gov/CommunityDevelopment/Planning/Pages/OrdinanceMajorCPA.aspx> UNDER ZONING ORDINANCE AMENDMENTS. and in the office of Community Development. COPPER CORRIDOR COMMUNITY CALENDAR

Please note: many events have been canceled or postponed due to the COVID-19 outbreak. Please check with organizations when planning to attend events listed.

Help for Victims of Margo Fire

Chuck Jordan, owner of Palo Verde RV Park, is offering free used lumber to those who have lost their homes by the Margo Fire in Dudleyville. The items available are 2x4s, 4x4s and ply board. Check in at the park office, located on Hwy 77, mile marker 133, near Winkelman. Call 520-356-7930 for more information.

Superior Headstart Registration

Headstart is a free preschool program in your area located at 150N. Lobb Ave. Our program promotes school readiness and prepares your children for kindergarten. In our program your children will receive meals, learning experiences that promote growth in all areas of child development, and individualized services for all children. Headstart is currently accepting applications for the upcoming school year. If you're interested you can start the application process at www.pgccs.org or you can speak to one of the staff at the site. 5206892812 is the number to call for more information.

Superior Farmer's Market

Superior Farm to Fantastic Farmers Market is open every Saturday 9 a.m. to noon at the Food Court on Main Street. Fresh produce baked goods and much more. Follow us on Facebook.

Eagle One Veteran Outreach

Visit Eagle One Veteran Outreach Center online at hohp4heroes.org. Eagle One provides veterans a place to learn about and apply for all services available to them.

Wednesday Night BINGO

Doors open at 4:30 p.m. for Wednesday night bingo and play starts at 7 p.m., at San Pedro Valley Lions Club, 115 S. Main St. in Mammoth. Come down and enjoy! Remember to wear a face mask. For information call 520-487-2000.

JFK Kindergarten Registration

John F. Kennedy Elementary (Superior) is accepting Kindergarten Registrations for the 2021-2022 school year. Children must be 5 years of age by Sept. 1, 2021. Parents/Guardians will need to provide the child's original birth certificate, immunization record, and proof of residency. Applications are available at JFK Elementary School, 1500 Panther Drive, Superior. For more information, please call the Kennedy office at 520.689.3000 ext. 3049.

Support Offered for Copper Corridor Low Income Senior-Owned Homes

The Copper Corridor Economic Development Coalition (CCEDC) is supporting the USDA 504 and Habitat for Humanity's Aging in Place programs to help low-income seniors to make sure their homes are safe and healthy. For help in evaluating your eligibility and in applying contact via email at ccedc@magmadorada.com or by phone at 520-788-3672.

WIC Program

Have you been laid off or had your work hours cut back due to the pandemic? Pinal County Public Health's WIC program may be able to help! WIC serves pregnant, postpartum, and breastfeeding moms, as well as children under the age of 5. We provide nutrition and breastfeeding education, referrals to community programs, and healthy food for you and your family. Call 1-866-960-0633 today to find out more and to schedule your first appointment!

Free Paint For Superior Residents

Great news for Superior Homeowners! The Chamber of Commerce just received a large load of paint. We can supply you with paint for the inside and outside of your Superior home FREE. As always, exterior trim paint for doors and window trim is available too. Call Tiffany Rowell at 480-815-6955 or the Chamber at 520-689-0200. There's still time to paint outside before it gets too hot.

San Manuel Senior Center Recycling Issues

Folks who are bringing the San Manuel Senior Center cans, please know that the Recyclers will not take the bags of cans if they have trash with them. San Manuel Seniors had 120 lbs of cans when they took them down recently that were not accepted and the recyclers sent back a note that said the group lost \$50 because of this. Please be careful when donating cans for recycling. Thank you and thank you for continuing to save cans and donate them.

Tri-Community Food Bank Open

The Tri-Community Food Bank located at 108 Redwood Drive in Mammoth continues to be in business. We are observing social distancing. Hours are 9 a.m. to noon Monday, Tuesday, Wednesday, Thursday and Saturday. To be eligible you must show proof of address that you live near or in Mammoth, San Manuel and Oracle and have an income within the federal poverty guidelines. The thrift shop is closed and is not accepting donations. Call 520-487-2010 for more information.

New Superior Food Bank Hours

Clients can now receive food from 3 p.m. - 4 p.m. on the last Thursday and Friday of each month at 99 N. Lobb Ave. in Superior. Drive up or walk up with an adequate cart and receive food without human contact. Every means possible is used to make the experience safe. Volunteers have their temperature taken and sign a consent form stating they are free from fever. Volunteers are always needed. Even an hour will be appreciated! Please contact, Sandy Van Gorp, at superioraz.foodbank@gmail.com or 520-689-2202. if you have questions or want to sign up to be a volunteer.

Dudleyville Burn Ban

Effective May 1 - Sept. 30 a BURN BAN is in effect for the Dudleyville Volunteer Fire District which includes the area of Dudleyville, Indian Hills and Aravaipa. Burn permits for both residential and agricultural purposes are not valid during this time.

OCTOBER

2 CV Foundation Annual Health Fair

"Get Out and Get Fit!" at the bi-annual health fair brought to you by the CV Foundation, which will be held on Saturday, Oct. 2, from 9 a.m. - 2 p.m. on the hospital campus, 5880 S. Hospital Drive in Globe. The "Get Fit Run" competition heat will begin at 9 a.m. Mark your calendars! This year's focus is beautiful Globe-Miami and all that the region has to offer: hiking, biking, kayaking, fishing, boating, camping and many other outdoor "ings". There will be health, wellness and safety booths, outdoor activities, food trucks, arts and crafts and so much more! Booth operators are requested to provide their own chairs, tables and canopies if possible. For more information send an email to: contactus@cvrhc.org or mail: Shantae Hunter, 5880 S. Hospital Drive, Globe, AZ 85501.

Submit information to CBNSUN@minersunbasin.com, online at copperarea.com/pages/forms or call 520-363-5554. Listings are free. Copper Area News reserves the right to edit or refuse submissions. Submissions are due the Friday before Wednesday publication.

GHOST TOUR

Continued from page 12

operations are based in the Phoenix area but they will travel to all areas of Arizona. AZPIRS strives to find answers for the people that need their help and provide clarification and direction for them to follow.

Vinnie and his team take their paranormal research and investigations seriously. "Every one of our team have had personal experiences with the paranormal. We understand it because we lived it." "I am a paranormal researcher not a ghost hunter." They are a well-organized and very professional group. Their tours are helping to preserve history!

To learn more about AZPIRS and AZ Ghost Tours, visit: www.azghosttours.org or www.azpirs.com and like them on Facebook. Thank you AZ Ghost Tours for all that you do.

Public Notice

PB202100292 / SOWERSBY NOTICE OF INITIAL TELEPHONIC HEARING REGARDING: PETITION FOR ADJUDICATION OF INTESTACY AND APPOINTMENT OF PERSONAL REPRESENTATIVE SUPERIOR COURT OF ARIZONA IN PINAL COUNTY. In re the Estate of MARGUERITE DELORES SOWERSBY. This is a legal notice; your rights may be affected. El presente constituye un aviso legal. Pueden verse afectados sus derechos. You are not required to attend this hearing. However, if you oppose any of the relief requested in the petition that accompanies this notice, you must file with the court a written response at least 7 calendar days before the hearing date OR you or your attorney must attend the hearing by following the instructions provided in this notice. Any written response must comply with Rule 15(e) of the Arizona Rules of Probate Procedure. If you do not file a timely response or attend the hearing: (1) the court may grant the relief requested in the petition without further proceedings, and (2) you will not receive additional notices of court proceedings relating to the petition unless you file a Demand for Notice pursuant to Title 14, Arizona Revised Statutes. 1. Notice is given that MEGAN MARIE SOWERSBY has filed the following: • PETITION FOR ADJUDICATION OF INTESTACY AND APPOINTMENT OF PERSONAL REPRESENTATIVE 2. COURT HEARING. An initial hearing has been scheduled to consider the Petition as follows: DATE and TIME: Tuesday, July 13, 2021 at 1:30 pm, before the HONORABLE KEVIN D. WHITE. Unless the above-named Judicial Officer orders otherwise, you should NOT appear in person for the Initial Hearing. Instead, COUNSEL/PARTIES MAY APPEAR TELEPHONICALLY BY PROVIDING THE COURT'S JUDICIAL ASSISTANT, (CHRISTINE: 520-866-5425) WITH A TELEPHONE NUMBER, NOT LESS THAN TWO AND NOT MORE THAN FIVE JUDICIAL DAYS PRIOR TO THE HEARING; THE COURT SHALL INITIATE THE CALL AS NEAR THE SCHEDULED TIME AS THE COURT'S CALENDAR PERMITS. If you have been ordered to attend this hearing in person OR if you have copies of filed documents or proposed form(s) of order to provide to the division, the hearing location and contact information for Judge Kevin D. White are as follows: PLACE: 971 N. Jason Lopez Circle Building A, Florence, AZ 85132, TELEPHONE NO: (520) 866-5425. As stated previously, you should NOT appear in person unless you have been specifically ordered to do so. Dated this 20th day of May, 2021. Soderquist Law PLLC, /s/ Carol A. Soderquist, Esq., cs@probatefamily.com, (480)720-2528, attorney for Petitioner Megan Marie Sowersby
