# Long awaited completion of the Kelvin Bridge Replacement Project finally here after 20 years

FLORENCE, AZ - - A bridge that has been in use for over 100 years is nearing the end of having to see vehicular traffic travel over it on a daily basis.

The Kelvin Bridge was built in 1916. The single lane bridge has served the Kelvin/Riverside area for 102 years spanning the Gila River and connecting the eastern side of Pinal County to the central portion.

“For some people, the Florence/Kelvin Highway is the more convenient way to travel east to west in Pinal County,” said District 1 Supervisor Pete Rios. “This bridge is a necessity for the residents in the area.”

The objective of the Kelvin Bridge Replacement project is to replace the existing bridge with a 2 lane overpass bridge to not only span the Gila River but the existing ASARCO-Copper Basin Railway as well. The existing 1916 bridge will be repurposed to a pedestrian/equestrian bridge only.

Almost two decades ago, Pinal County began to pursue federal funding to replace the antiquated Kelvin Bridge. The process for meeting federal funding requirements and the development of construction documents to build the new bridge began in 1998. When federal funds are used in transportation projects, there are specific requirements for environmental, right of way acquisition, utility clearances and the way construction is handled.

“This was a labor of love for Joe Ortiz, who, along with other employees throughout the years, worked on getting the approvals,” stated Public Works Director Louis Andersen. “It was a matter of patience, time and filling out stacks of paperwork to just get this project on the radar for the County. I applaud Ortiz’s dedication to getting this bridge going from an idea to reality.”

An archaeological survey completed in the end of 2007

found deposits and features that necessitated additional data recovery. Archaeologists excavated the features to map, sample and collect artifacts along with curation of the findings. The process began in the spring of 2008 with curation completed with the Arizona State Museum in Tucson in 2013.

After several years of land research and negotiations Bureau of Land Management issued an environmental clearance in 2012 and the Right-of-Way Amendment Grant in September 2016 which cleared the area for construction of the bridge and associated improvements.

The County coordinated with the ASARCO and the Copper Basin Railway to generate an agreement for the improvements at the railroad crossing.

“At the end of 20 years of work, we have a bridge that

# Locals move ropes course to new home at Flagstaff observatory

Michael Reddish of Oracle and Jeff Eagan of San Manuel were busy last weekend moving the Lowell Observatory Ropes Course to its new home.

The Flagstaff observatory has received money for a new expansion project starting later this year. The Ropes Course which is used to help kids work in a group and learn to communicate better has been used for over four

years and had to be moved in order to build new roads, buildings, and telescopes. Mike and Jeff moved the entire low course to its new home where it will continue to help kids reach their full potential. The move came just in time for Lowell's summer camp where kids from all over the state learn about astronomy, communication, and working together.

Congratulations home town heroes!

"We have been looking for someone to represent the Tri-Community area for a while," said Town Hall Executive Director Maxine Leather-Brown. "We are fortunate to have someone like Mike Sloan represent the area. He has a depth of knowledge that will benefit the Town Hall in years to come."

The Pinal County Town Hall is an assembly of delegates that identifies critical issues facing Pinal County and

creates a forum for education and exploration of a single topic each year. Town Hall draws upon the diversity of our delegates to promote public discussion and consideration of issues. They rely on the collective knowledge and experience of the delegates to form partnerships and collaborative efforts and return to their neighborhoods and communities with the new information.

Each October, approximately 150 delegates assemble for the one-day event to discuss a topic that impacts the county as a whole and its respective communities and citizens.

The Department of Child Safety, (DCS or the Department), by and through undersigned counsel, has filed a Dependency Petition pursuant to Title 8, of the Arizona Revised Statutes, Rules 4.1 and 4.2 of the Arizona Rules of Civil Procedure; and Rule 48(D) of the Arizona Rules of Procedure for the Juvenile Court.

2. The Court has set a Publication hearing on the 14th day of August, 2018 at 2:30 p.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable Daniel A. Washburn for the purpose of determining whether any parent or guardian named herein is contesting the allegations in the Petition.

3. You and your child are entitled to have an attorney present at the hearing. You may hire your own attorney or, if you cannot afford an attorney and want to be represented by an attorney, one may be appointed by the Court.

4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference, or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established.

5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your child dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804.

6. If you are receiving this Notice by publication, you may obtain a copy of the Dependency Petition, Notice of Hearing, and Temporary Orders by submitting a written request to: BRYSON D. 7. Requests for reasonable accommodation for persons with disabilities must be made to the court by parties at least three working days in advance of a scheduled court proceeding and can be made by calling (520) 866-5400.

8. You have the right to make a request or motion prior to any hearing that the hearing be closed to the public.

In some circumstances, a person claiming a lawful interest may file, within fifteen (15) days of notice of seizure for forfeiture, an application under A.R.S. § 13-4310(B) to obtain a hearing on the provisional return of the property pending the outcome of a judicial proceeding on its forfeiture. If an application for such a hearing is filed, it also must comply with the requirements of A.R.S. § 13-4311(E) and (F), and must be filed in the Superior Court in Pinal County. Notice of the order to show cause hearing must be served upon the Attorney for the State at least five (5) working days before the hearing is held. Under A.R.S. § 13-4306(G), an owner of property may obtain the release of seized property by posting with the Attorney for the State a surety bond or cash in an amount equal to the full fair market value of the property, as determined by the Attorney for the State. The State may refuse to release the property if: 1) the bond or cash tendered is not in an amount equal to the full fair market value of the property; or 2) the property is retained as contraband or as evidence; or 3) the property is particularly altered or designed for use in conduct giving rise to forfeiture. If you post bond or cash in lieu of the property, the bond or cash and not the property will be subject to forfeiture. If you wish to post a bond or cash in lieu of the property, you may contact the Attorney for the State. If no Notice of Pending Forfeiture is made within sixty (60) days after the seizure of the property for forfeiture, any owner or interest holder may request release of the property, pending further proceedings pursuant to the forfeiture statutes, to be commenced within seven (7) years after actual discovery by the State of the last act giving rise to forfeiture. The request should be addressed to the Attorney for the State and should show that the requestor is an owner or interest holder. If the Attorney for the State declines to authorize release of the property by the seizing agency, the request may be addressed to the Superior Court in Pinal County. Any attempt to hide, transfer, convey, or sell any interest in any property seized for forfeiture, or to deposit it with a third party, place it beyond the jurisdiction of the Court, diminish its value or commingle it with other property may result in forfeiture of other property of equal value. If the property is conveyed, alienated, encumbered, disposed of, received, removed from the jurisdiction of the Court, concealed, or otherwise rendered unavailable for forfeiture, these acts may constitute facilitation of money laundering and money laundering, for which you may be criminally liable. Additionally, you may be sued for the fair market value of the property together with reasonable investigative expenses and attorney's fees, in addition to other criminal and civil remedies for fraud. Court, 971 N. Jason Lopez Circle,  
Florence, Arizona 85132, telephone  
number 520.866.5400, for the purpose  
of determining whether any parent or  
guardian named herein is contesting the  
allegations in the Petition.

3. You and your child/ren are entitled to  
have an attorney present at the hearing.

in this proceeding. You are advised that  
your failure to personally appear in court  
at the initial hearing, pretrial conference,  
status conference, or dependency

shown, may result in a finding that you  
have waived your legal rights and have  
admitted the allegations in the Petition/  
Motion. In addition, if you fail to appear,  
without good cause, the hearing may  
go forward in your absence and may  
result in an adjudication of dependency,  
termination of your parental rights or  
the establishment of a permanent  
guardianship based upon the record and  
the evidence presented to the court, as  
well as an order of paternity, custody,  
or change of custody in a consolidated  
family law matter and an order for child  
support if paternity has been established.

5. Notice is given that DCS is proposing  
to substantiate any allegations of  
abuse and/or neglect contained in the  
dependency petition for placement in the  
DCS Central Registry. The DCS Central  
Registry is a confidential list of DCS  
findings that tracks abuse and neglect. If  
the court finds your child/ren dependent  
based upon allegations of abuse and/  
or neglect contained in the dependency  
petition, you will be placed in the DCS  
Central Registry. See A.R.S. § 8-804.

or motion prior to any hearing that the  
hearing be closed to the public.

## Tucson's Casa de la Luz Hospice honors veterans in a special way

At the end of April, Tucson's Casa de la Luz Hospice was recognized for attaining a Level Four partnership in the national We Honor Veterans program.

The We Honor Veterans designation allows veteran service members and other community residents to easily identify organizations that have made a formal commitment to offer veteran-specific care, and Level Four is the highest rung of a progression of increased services for veterans who are nearing the end of their life.

Using resources designed by the National Hospice and Palliative Care Organization (NHPCO) and the US Department of Veterans Affairs (VA), partner organizations assess their ability to serve veterans' unique needs and learn to guide vets and their families toward a more peaceful ending. The program teaches respectful inquiry, compassionate listening, and grateful acknowledgement to comfort patients with a history of military service and possibly physical or psychological trauma.

Co-chair of the Hospice Veteran Partnership of Southern Arizona and Casa's We Honor Veterans delegate Meredith Ford, said,

"Recognizing that a veteran's military service could impact their end-of-life experience is what inspired us to engage with the We Honor Veterans project. As Level Four partners, our advanced training and incorporation of best practices as suggested by NHPCO and the VA will enable Casa de la Luz Hospice to provide superior, veteran-centric care to our community."

### About Casa de la Luz Hospice

Celebrating the 20th anniversary of our founding this year, Casa de la Luz Hospice was established in 1998 to provide superior care and support for patients and their loved ones at the end of life. Lynette Jaramillo, and Agnes C. Poore, local Tucson women, created Casa with three primary goals in mind: To deliver comfort care far beyond what most organizations were offering; to bring together a group of employees and volunteers united by a common set of values and a strong work ethic; and to build an organization that offered financial security and ongoing professional growth to those employees and volunteers. This mission, vision and values statement continue to guide the organization, and Lynette and Agnes remain at the helm.

**OUR superior care extends to YOUR community.**

We make home visits to Oracle, San Manuel and Mammoth—ensuring patients and their families are supported in their final journey.
