SR 77 restrictions scheduled to continue until June

With blasting and daily closures finished along SR 77 between Globe and Winkelman, the roadway will be reduced to one lane each weekday through early June as crews complete a project to remove overhanging rock, according to the Arizona Department of Transportation.

A pilot vehicle will guide motorists through the work zone between mileposts 154 and 161, about 15 miles south of Globe, between 6 a.m. and 6 p.m. Mondays through Fridays until Friday, June 2. Drivers should plan for delays of up to 20 minutes.

Wrapping up a \$3.6 million project to reduce the risk of rocks tumbling onto the highway, crews will be paving and installing guardrails and signage.

Drivers should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

ADOT works to inform the public about planned highway restrictions and closures, but it's possible that unscheduled impacts might occur because of weather or other factors. For the most current information about highway conditions statewide, visit ADOT's Traveler Information Site at www.az511.gov, follow ADOT on Twitter (@ArizonaDOT) or call 511, except while driving.

For more information, please call the ADOT Project Information Line at 855.712.8530 or email Projects@azdot.gov.

The Copper Corridor and the Arizona Trail

What do you know about the Arizona Trail? Last week in Constitution Hall a number of people from the area, including Oracle, San Manuel, Dudleyville and Superior (and a whole big bunch from Kearny), shared their experiences of the Trail over the last year or so. By “experiences” I don’t necessary mean actually walking on the Trail. Heck, I’ve walked less than a thousand feet when I was out taking pictures.

No, by “experiences” I mean by the number of hikers I have personally met, and the business owners in the area who have also meet them. There are more hikers than you might think: they’re a quiet bunch who come to town mostly to take a shower, have a meal and a beer or a Coke, and get a good night’s sleep. They are especially drawn to Kearny because the people are friendly, Gary and Lorraine will deliver pizza to the Kelvin Bridge, the folks at the General Kearny Inn will receive and hold their mail and packages, and also because some of our residents are organizing to meet them at the trail head and bring them to town (and back again).

Stop by Old Time Pizza. Look at the banner on the back wall, signed by the many hikers who have made their way to Kearny this past year or so. You’ll be surprised by how many there are.

We learned at the meeting that proximity to the Trail is good for the economy and for property values. Winter visitors don’t seek shuffleboard anymore, but the opportunity to get out and experience the Sonoran Desert. We learned that most of the hikers are young, but older hikers outnumber the middle-aged. They are all tech-savvy and use cell phones to connect with towns along

their route. Additionally, many hikers are accompanied by “base stations,” the friends and family who drive along the route, meeting the hikers at trail heads. Some of our RV parks have benefitted from the “base station” travelers.

The number of hikers will slow down considerably as the heat rises. I think we should take this summer and figure out new ways to welcome these folks and meet their needs. We have a good reputation with folks on the Arizona Trail; let’s figure out how to build on it.

Lady Cats' Hinojos throws no-hitter in playoff win

By Andrew Luberda
Copper Basin News

Ray's Daniella Hinojos threw a no-hitter in the Lady Cats' opening round playoff win against No. 16-seed Valley Lutheran last Friday. The sophomore also went 3-for-4 at the plate and drove in three runs in the win.

The defending state champions earned the top-seed in the 2017 1A State Championship Tournament and looked every bit the team to beat in a lopsided 18 – 0

opening round victory against the Flames.

Tara Lorona also had three hits, including a homerun and three RBI in the game. Julie Meza hit a pair of doubles among her three hits with an RBI. Janae Ruiz was the fourth Lady Cat to have three hits in the game. Gabby Montano homered for one of her two hits and drove in three runs while Danni Montano had a pair of hits and two RBI. Haily Mabuice, a senior, was one of seven Lady Cats to have at least two hits in the game. She also had a pair of

RBI.

Hinojos' five-inning no hitter included 11 strikeouts with one walk.

With the win, the Lady Cats will face No. 9-seed Hayden, which won by forfeit in the opening round. The matchup between the rivals will take place on Friday, May 5 at the Rose Mofford Sports Complex. First pitch is scheduled for 7 p.m.

ADOT crews now can clear travel lanes of minor wrecks; helping with quick clearance promotes safety, reduces congestion

PHOENIX – With a goal of keeping drivers and first responders safe and traffic flowing, Arizona Department of Transportation personnel are now authorized to clear or order removal of vehicles that are involved in minor crashes.

When incidents occur, ADOT coordinates with Arizona State Troopers to set up traffic control, close highways and, when necessary, arrange hazardous materials cleanup. When ADOT personnel arrive before State Troopers at the scene of a minor crash or when State Troopers ask them to do so, a new agency policy empowers them to take action to clear travel lanes.

“Quickly clearing hazards is a proven way to make everyone safer, including State Troopers, ADOT personnel and others responding,” said Brent Cain, ADOT’s director of Transportation Systems Management & Operations. “Having ADOT’s highly

trained crews take action when appropriate to keep traffic moving promotes safety and reduces congestion.”

The change stems from best practices in Traffic Incident Management (TIM) strategies, including the principle of Quick Clearance.

Getting vehicles that are involved in minor crashes out of travel lanes quickly makes the roadway safer for other vehicles and emergency responders, reduces the chance of secondary crashes when traffic approaches the incident and minimizes overall traffic congestion.

State law requires drivers involved in minor crashes that don’t involve injuries to get their vehicles out of travel lanes as soon as it’s safe to do so.

State Troopers must authorize removal of vehicles involved in crashes that result in serious injuries or deaths.

Kearny Library bookmark contest winners announced

National Library Week this year was held April 10-14. In celebration, Kearny Public Library held a Bookmark Contest featuring the theme 'Libraries Transform'.

Once all the entries had been received, a panel of judges chose the five best bookmarks from each grade level. The finalists were then posted in the library and patrons were asked to cast ballots for their favorite one from each grade. Votes were added up, but, in some cases there were ties for third place, so both parties were winners.

The winners of the 2017 Kearny Public Library Bookmark Contest were, for 1st grade: Lilianna Solis (1st), Morgan Gennicks (2nd) and Madison Acevedo (3rd); for 2nd grade, Kaylee Servant (1st), Seth Wade (2nd), Callee McCroskey (3rd) and Aleyna Ochoa (3rd); for 3rd grade, Julissa Garcia (1st), Veronica Baez (2nd) and Olivia Boatman (3rd), and for 4th grade, Estrella Brumley (1st), Eddie

Gutierrez (2nd), Brooklyn Lechuga (3rd) and Neveah Curiel (3rd).

On Thursday, April 13, 6 p.m., the library held its annual Open House. Winners of the Bookmark Contest were given certificates and prize bags. Videos, which had been raffled off among the patrons who had filled out tickets for each day they used the library during National Library Week, were given out. Elizabeth Hammer won Hacksaw Ridge and Josselyn Lechuga won Trolls.

The Kearny Library staff expressed appreciation for the participants by stating, "We would like to thank all of our faithful patrons who helped us celebrate National Library Week and who voted for our winners."
