"There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians"

—David Brinkley

OBITUARY

Helen Audrey Reece

Helen Audrey Reece, 80, passed away April 14, 2023.

Helen led an interesting life. Born in Globe, AZ on Nov. 23, 1942, she and her identical twin, Mildred, were quite well known. This was especially true when they were very young and rather high spirited. Their mother once said; I had to halter and tie them together to maintain any control when doing my downtown shopping.

After their school years and becoming more disciplined, Helen married Duane Reece. He, with a lifetime ranching and rodeo history, made their home at the Reece Ranch where Dripping Springs wash meets the Gila River

between Globe and Winkelman. Their two children were born there, but soon after they moved to another section of the ranch. After the kids became of school age and without bus service, Helen had to drive them to school in Winkelman. To avoid the difficulty of traveling back and forth over a rather rough road, she found a day job in town at the school cafeteria, then as Clerk of the Justice court. The aged J.P. then retired and Helen ran for office. In 1978, Helen was elected for Justice of the Peace and reelected five times. She retired in 1998 after 20 years of service when the court was combined with that in Globe.

As the Election results proved during her time of tenure, she became quite revered in Southern Gila County. It was just her nature to try doing her very best for the people. Even after retirement, and for years, would receive calls day and night from those who hoped she could help solve their current problems. Husband Duane once threatened to tear the ranch phone line down if she didn't try limiting the calls.

On a lighter note, she often said that performing weddings was her most enjoyable task, and those of a great number! When once asked how many, she said "close to a thousand". Even total strangers throughout the state often sought her out after hearing of her wedding rite style.

Her very favorite, though, were those that she with Duane might require traveling for a distance to perform. They regularly were for those acquainted with Duane and were held on cattle ranches. Although, she never involved herself in a great deal of the actual ranch work, she cooked for "many" a roundup crew" and be well received by all. She often said that those times were about as close to a vacation as they ever had in nearly 60 years of marriage, what with Duane forever concerned with the ranch and cattle.

Helen is survived by husband, Duane; son, Corbet (Gina) Reece; daughter, Kaycee (Mike) Jones; four grandchildren, Austin Stratton, Wheeler Reece, Aisa (Jeremiah) White and Audrey Reece; and soon to be four great-grandchildren.

Private services will be held at a later date.

Kearny Police Report

OBITUARIES

Victoria 'Vicki' Jean Clark

Victoria "Vicki" Jean Clark (Duggins) of Kearny, Arizona passed away early morning April 24, 2023, with her daughter Patti and son-in law Zane by her side. She was 78.

She is preceded in death by her husband Tommy, mother

Christine, father Charles, brother Dale, and sister Donna.

Vicki grew up in the Globe/Miami area. She moved to Kearny with her parents when the town was getting established. She went to school and graduated from Ray High School in 1963. She met her husband, Tommy Clark, and fell in love. They married Oct. 23, 1964, and bought a house in Kearny. They had three children: Patti, Paul and James. Vicki was a dedicated wife, mother of three,

grandmother of seven and great-grandmother of five.

Vicki was very active in the Kearny community. She wrote for the *Copper Basin News*, and was active in numerous groups including Pioneer Days, Kearny Elks, Beta Sigma Phi Sorority, Sheriff's Posse, the Catholic Church and Catechism, and Judo. Vicki was a talented artist and was very involved with her art guild, ARTUS. She enjoyed cheering for the Dallas Cowboys, oil painting, going up to the White Mountains, and fishing. Above all, she loved her family and hosted countless holidays and Super Bowl parties in her home.

Vicki is survived by her sister, Susie Acton; daughter, Patti (Zane) Bingham; sons, Paul (Phyllis) Clark and James (Teena) Clark; grandchildren, Zachary, Tyler, Dustin, T.J, Bella, Waylan and Vincent; and great-grandchildren, Kyli, Justin, Wyatt, Finley and Stetson.

A celebration of Vicki's life will be at the Kearny Elks Lodge #2478 on Saturday, May 6, 1 p.m. Address is 401 Airport Rd., Kearny, AZ 85137.

Editor's note: Vicki Clark worked for three generations of this newspaper's leadership, John and Lois Seater, James and Gayle Carnes and Michael and Jennifer Carnes. We will miss her spirit of community that she brought to everything she did. ~jrc

Stephen Elwyn Chilton

On Nov. 19, 1947, Stephen Elwyn Chilton was born in the Ray, Arizona hospital. At that moment the world became a better place. He would grow up to become a dedicated and loving husband, father and grandfather. He passed away April 12, 2023.

He lived in Superior, Arizona with his parents Gerald and Maxine Chilton, spent time growing up there and spent summers at the family cabin at Pine Top, Arizona with his parents, brother and sister.

He then attended Wasatch Academy in Mt. Pleasant, Utah. After graduation he enrolled at Northern Arizona University, transferred to Arizona State University, and then received his master's at the Thunderbird School of Economics.

In 1985, Steve worked with Jim Laub of Cache Valley Electric to start the Salt Lake City Branch of CVE in the Valley Bank Building downtown. Soon after, he hired three employees and the Company kept getting larger from there. Steve became a Vice President. CVE's Electrical Construction Department got contracts for Primary Children's Hospital, Huntsman Cancer Institute, Kennecott Copper Facilities and many more buildings across Northern Utah under his direction. He also helped create multiple CVE departments including Teledata, Design Build, Service and more.

Steve was driven by ethics and dedication to building and giving new opportunities to those who shared the same. He respected his employees and they respected him.

He was also involved with the National Electrical Contractors Association (NECA) and became a Vice President for the 8th district. He served as Chair for many of the Committees and received many awards over the years from NECA.

Steve dealt with MS and heart issues which made it difficult to continue working, so he retired in 2013 after 28 years of service.

Steve and Peggy loved to travel, taking many trips over the years to a special place, Paris. They took 35 trips to their beloved City. They also fell in love with Italy. They took many trips all over Europe.

Steve enjoyed Sun Valley, Idaho spending summers and falls there after retirement.

He loved his daughter Katherine and enjoyed spending time with his granddaughters, Alexandra and Samantha, who always made him smile whenever they were present.

It is with grief and sadness that we say goodbye to him. His life was shortened by an aggressive cancer. Treatable but not curable. He is at last not suffering. We are. He has made all of us stronger and better people because of his influence. He was a humble man that never craved attention. Steve was a giant in the industry. He will never be forgotten.

Steve is survived by his wife, Peggy; his daughter, Katherine (Judge) Evans; granddaughters, Alexandra and Samantha; brother, Gerald (Glenda); sister, Peggy Closky; and nieces, nephews and cousins. He is also survived by Katherine's mother, Susan.

Rest my love. Wait for me and I will be seeing you.

A celebration of life was held Friday, April 28, 2023, at Starks Funeral Parlor. An interment service (graveside) was held May 2 at the Mountain View Cemetery in Hayden.

In lieu of flowers, charitable donations can be made to the Tunnel-to-Towers organization.

Wildfire season is officially open: Firefighters battle small brush fire Saturday

A brush fire was quickly brought under control by Kearny Volunteer Fire Department Saturday morning. The fire started near the Church of the Good Shepherd just off Shake Drive. With the desert growth from recent rains, it could have spread rapidly without the prompt attention from the local fire department. James Carnes | CBN

Hayden to host quarterfinals of 1A baseball playoffs Saturday

By Nathaniel A. Lopez
Copper Basin News

The Hayden Lobos will be playing host this weekend to the second round of the 1A state baseball playoffs as they take on Joseph City. The Lobos had a previous meeting with the Wildcats in a double-header in March, claiming victories in both games.

Their final regular game of the season was against Lincoln Prep. The first inning ended with a 1-1 tie, but during the second inning, the Lobos took control, scoring 4 runs. The next two innings, the boys

continued to stack on the runs. The Lobos played a tough defense and only let Lincoln Prep score 3 runs. The game ended with a Lobo victory, and a final score of 10-3.

The Lobos ended their week with the first round of the 1A State Baseball Playoffs, where they faced off against Ash Fork. The Lobos came out to play, and wasted no time putting in the work. The first inning only had 2 runs, while the second inning had 11 runs, and the third inning had 10 runs. The Lobos made easy work of Ash Fork, and shut them out, with a final score of 23-0.

On Saturday, May 6, the Lobos will take on Joseph

City in the 1A state playoff quarterfinals. The game will take place at the Hayden baseball field, with a start time of 2 p.m. Tickets are available at: <https://gofan.co/app/events/976242>. Come out and support Lobo baseball!

Hayden's softball team ended their season on a positive note, playing their final game against Sequoia Charter at home. The Lady Lobos played some tough ball, and only let Sequoia score 3 runs. The girls scored 10 runs, and claimed a Lady Lobo victory, closing their season with a win.

Their record for the 2023 season was 2-18.

Hike smart this summer with tips and trails from Arizona State Parks

As the weather warms up, hiking starts to be the go-to weekend activity! With amazing trails in parks across the state, it's a perfect time to lace up your boots and explore the diversity of landscapes and views. Arizona State Parks has you covered with tips to hike safe and have fun this spring and summer.

Did someone say water? Bring more water than you think you'll need, every time. Pre-hydrate before you head out, starting the night before a hike. Drink throughout the day and always over-prepare. When you've finished half of your water supply, it's time to turn around – no matter where you are on the trail.

Plan ahead! Before you hike, check and download any trail maps or guides you might need, or check out the resources at AZStateParks.com/Arizona-Hiking. Take a GPS with you, and make sure your phone is fully charged. If you're hiking alone, let someone know where you're going and about how long you'll be gone. Rangers at our parks will be available to help you pick the trail that's right for you.

Bring sun protection, like a hat, sunglasses, and sunscreen.

Consider wearing long, lightweight sleeves to protect you from the sun and help keep your body cool. This will help you enjoy your hike and enjoy the memories!

Did we mention water? Don't get caught without enough to keep you hydrated throughout your hike – you need water for the return trip, too. Bring salty snacks or electrolyte tablets to help stay alert, too. Bananas, granola, and peanut butter are all

great options.

Whether you're a seasoned hiker or just starting out, Arizona's state parks have great options for all ability levels! The best way to hike is to be smart, be prepared, and check in with yourself! Every trail can be your favorite if you have a great time. Check out more tips and safety information at azstateparks.com/hiking-safety.

Lady Bearcats defeat St. Michael, head to 1A Quarterfinals

By Nathaniel A. Lopez
Copper Basin News

The Ray Lady Bearcats blew past St. Michael in the first round of the 1A state playoffs and forced a second meeting in as many weeks with the St. David Tigers.

The girls began their week with a home game against St. David in the season's final regular play game. The Tigers took control of the game in the first inning, while the Lady 'Cats struggled to break through a tough defense. The game ended in an unfortunate loss with a final score of 2-12.

The Lady 'Cats concluded their week with an away game against St. Michael, which was the first round of the 1A State Softball Playoffs. It was a tough first inning, with the Lady 'Cats scoring 4 runs, and St. Michael scoring 5 runs. The second inning went to St. Michael, but the third inning went to the Lady 'Cats, who scored 7 runs, creating a score gap. The girls remained in control for the rest of the game, and claimed a victory, with a final score of 14-9.

On Friday, May 5, the girls will meet back up with St. David in the quarterfinals of the playoffs. The game is at St. David and has a start time of 4 p.m. Tickets are available to purchase at: <https://gofan.co/app/events/976469>.

The Ray baseball team closed out its season with two games last week.

The 'Cats started their week off with an away game against Patagonia Union. The first inning went to Patagonia, who scored 4 runs, versus the Bearcats 1 run. Patagonia kept control of the game until the fifth inning, when the Bearcats scored 4 runs, putting them in the lead.

During the sixth inning, the boys opened the score gap, posting 12 runs. The game ended with a final score of 23-10, and a Bearcat victory.

Ending the week, the boys took on St. David at home. The Bearcats were unable to claim control of the game at the beginning, and let St. David sneak a run past them in the first inning. St. David kept control of the game the entire time, but the Bearcats put up a tough fight. The game ended with a tough loss, and final score of 4-13.

The Bearcats closed out their 2023 season with a record of 10-15-2.

About Town

More dirt for more trees. This dirt is being spread in the planters of the parking lot area between the ARC and Teapot Family Dentistry. Kearny Innovation Retail Center continues to improve the center by planting trees and other growth to beauty the area.

James Carnes | CBN

Motorists from Kearny on their way to Superior were stopped this week because of construction. A sign warns travelers they may experience delays.

Kearny Senior Citizens Meetings

Kearny Senior Citizens meet every Wednesday at 10 a.m. at the Constitution Hall in Kearny. All seniors are invited to attend.

Eagle One Veteran Outreach

Visit Eagle One Veteran Outreach Center online at ho4heroes.org. Eagle One provides veterans a place to learn about and apply for all services available to them.

Notice from the Dudleyville Fire District

As we enter into fire season, the Dudleyville Fire District is encouraging its residents to keep their yards and properties clean from safety, health and fire hazards. Maintaining a 30 foot defensible space around structures means flammable fuels like weeds, brush and flammable items are removed or stored in more appropriate places. This defensible space provides a fuel buffer for the structure and a place for firefighters to do structure protection in the event of a fire. Please do your part prevent a recurrence of the Margo and Roach Fires. In addition, the department is always accepting applications for volunteers; please contact our Dispatchers at 520-357-6622 for more information.

Calling All Padillas

The Padilla family reunion will be held Oct. 7, 2023, starting at 1 p.m. at the American Legion, 441 N. Main St., Florence. For more information, email joelugasu@msn.com or view their Facebook Group Page at: <https://www.facebook.com/groups/1806105209704649>.

Town of Hayden to have Truth in Taxation hearing

In compliance with Section 42-17107, Arizona Revised Statutes, the Town of Hayden is notifying its property taxpayers of Hayden's intention to raise its primary property taxes over last year's level.

Hayden is proposing an increase in primary property taxes of \$1,184,330 or 261.82%. For example, the proposed tax increase will cause Hayden's primary property taxes on a \$100,000 home to be \$1,300.00. Without the proposed tax increase, the total taxes that would be owed on a \$100,000 home would have been \$1,300.00. This proposed increase is exclusive of increased primary property taxes received from new

construction. The increase is also exclusive of any changes that may occur from property tax levies for voter approved bonded indebtedness or budget and tax overrides.

All interested citizens are invited to attend the public hearing on the tax increase that is scheduled to be held on May 15, 2023,

at 5:30 p.m. at Hayden Town Council Chambers, 520 Velasco Ave., Hayden, Arizona.

Ray Unified School District #3 Position Announcement

Position Type: Ray Elementary Principal

Date Posted: 04/27/2023

Location: Kearny, Arizona

Closing Date: Until Filled

Ray Unified School District is seeking a principal who is:

- Approachable, innovative, and enthusiastic leader who believes in equity and has had successful experiences in leading a diverse student population.
- Knowledgeable and supportive of students with varying exceptionalities.
- Highly visible throughout campus on a consistent basis.
- Has excellent relationship and communication skills.
- An involved leader and maintains strong relationships with staff, parents, and community members.
- A strong advocate for school safety and security
- Establishes a positive school culture.
- Develops faculty and celebrates student and staff success.

Description: Ray Elementary school serves 190 students with a teaching staff of 11.

- 12-Month Position/4-day work week
- Start Date 07/01/2023

Summary: The Principal is the administrative and instructional leader of the school. He/She assumes full responsibility for all aspects of the site including implementation of the instructional program, facilities operation and maintenance, school/community relations, business affairs of the school as they relate to the overall mission of the district and the school, and the utilization and development of staff and faculty. In doing so, he/she makes the most efficient utilization of resources available in providing the maximum instructional benefit to all students.

Qualification:

- Master's Degree in Education including course work in education leadership/administration.
- Arizona Principal Certification and AZ IVP Fingerprint Clearance Card (required)

Experience:

- Minimum of three years of successful experience as an administrator
- Knowledge of education at the appropriate level
- Leading Instructional Programs

Salary: Range \$68,000 - \$108,000

To formally apply for this position, please visit the Ray Unified School District's website.

Rainwater collector installed along an arid segment of the Arizona National Scenic Trail in Pinal County

On April 6, 2023, Arizona Trail Association staff and volunteers completed installation of a Remote Rainwater Collector along a particularly dry segment of trail along Passage 15 in Pinal County. This unit is located north of the Freeman Road Trailhead on the ancestral lands of the O'odham and Western Apache, and holds 1,500 gallons of water. This is the second remote collector the ATA has developed in an effort to provide a reliable source of water in areas that have been particularly challenging for long-distance trail users who often rely on water filtered from earthen cattle tanks. Like all sources along the AZT, water from this unit must be purified through mechanical, chemical, ultraviolet, boiling, or other treatment methods before consumption.

The 420-square-foot steel apron catches rain as it falls from the sky and is stored within a poly tank that is protected on all sides by steel panels. Arizona's rainy seasons are opposite the most popular thru-hiking and riding seasons, so the tank will fill with winter rains to be used in the springtime; and summer storms replenish the tank for use in the autumn months. Because the water never receives direct sunlight, algae will not grow. Water is accessible from a spigot on the side of the unit, and a fence helps keep livestock out. After the tank is filled, the excess flows into a trough that is beneficial for wildlife.

This project was funded by ATA members and a Resource Advisory Council (RAC) grant through the USDA Forest Service authorized under the Secure Rural School Act Title II Funds. The ATA worked in collaboration with the Tonto National Forest and Pinal County Open Space & Trails to get the project funded and approved. Then, Creedbilt Inc fabricated the steel unit in Glendale, and our friends at 5D Mining & Construction transported everything

to the remote location. ATA volunteers spent two days assembling the entire rainwater collector, and building a perimeter fence, along with an AZT gate. Since it was completed during the middle of Arizona's longest dry season, a water truck filled it up. In the future, it will be 100% reliant upon seasonal rains to sustain trail users.

"Water is Life," said ATA Executive Director Matthew Nelson, whose off-the-grid home in the mountains southwest of Tucson helped inform the design of the AZT Remote Rainwater Collector. "As we witness natural water sources throughout the state disappearing up due to climate change, it will become increasingly important for our organization to find creative solutions to help sustain the Arizona Trail and its hikers, runners, mountain bikers and equestrians. We are really proud to work with a variety of partners, supporters, volunteers and land managers to implement projects like this," he said.

The ATA will be developing a design and construction manual for the Remote Rainwater Collector to share with other trail organizations and communities so they may undertake similar projects in arid regions.
