OBITUARIES

Helen Audrey Reece

Helen Audrey Reece, 80, passed away April 14, 2023.

Helen led an interesting life. Born in Globe, AZ on Nov. 23, 1942, she and her identical twin, Mildred, were quite well known. This was especially true when they were very young and rather high spirited. Their mother once said; I had to halter and tie them together to maintain any control when

doing my downtown shopping.

After their school years and becoming more disciplined, Helen married Duane Reece. He, with a lifetime ranching and rodeo history, made their home at the Reece Ranch where Dripping Springs wash meets the Gila River between Globe and Winkelman. Their two children were born there, but soon after they moved to another section of the ranch. After the kids became of school age and without bus service, Helen had to drive them to school in Winkelman. To avoid the difficulty of traveling back and forth over a rather rough road, she found a day job in town at the school cafeteria, then as Clerk of the Justice court. The aged J.P. then retired and Helen ran for office. In 1978, Helen was elected for Justice of the Peace and reelected five times. She retired in 1998 after 20 years of service when the court was combined with that in Globe.

As the Election results proved during her time of tenure,

she became quite revered in Southern Gila County. It was just her nature to try doing her very best for the people. Even after retirement, and for years, would receive calls day and night from those who hoped she could help solve their current problems. Husband Duane once threatened to tear the ranch phone line down if she didn't try limiting the calls.

On a lighter note, she often said that performing weddings was her most enjoyable task, and those of a great number! When once asked how many, she said "close to a thousand". Even total strangers throughout the state often sought her out after hearing of her wedding rite style.

Her very favorite, though, were those that she with Duane might require traveling for a distance to perform. They regularly were for those acquainted with Duane and were held on cattle ranches. Although, she never involved herself in a great deal of the actual ranch work, she cooked for "many'a roundup crew" and be well received by all. She often said that those times were about as close to a vacation as they ever had in nearly 60 years of marriage, what with Duane forever concerned with the ranch and cattle.

Helen is survived by husband, Duane; son, Corbet (Gina) Reece; daughter, Kaycee (Mike) Jones; four grandchildren, Austin Stratton, Wheeler Reece, Aisa (Jeremiah) White and Audrey Reece; and soon to be four great-grandchildren.

Private services will be held at a later date.

Geraldine 'Geri' Tapia Gonzalez

Geraldine "Geri" Tapia Gonzalez, born May 17, 1963, passed away Sept. 27, 2022. Geri is preceded in death by her mother, Paula Tapia; grandmother, Lupe Tapia; sister, Patsy McDaniels; and niece, Jennifer Escobedo.

Geri is survived her son, Felipe R. Gonzalez; sisters, Joni Tapia and Julie (Raymond) Ybarra; niece, April Escobedo; nephews, Brian McDaniels, Robert Escobedo and Julian Ybarra.

Geri was born and raised in Superior and moved to Mesa

for work and to raise her son.

Geri will be missed by her family and longtime friends.

A Mass will be held for her on Saturday, May 6, 2023, at 10 a.m. at St. Francis of Assisi Church in Superior. Geri will be laid to rest with our Mother immediately following the Mass.

By Nathaniel A. Lopez
Superior Sun

Superior's Lady Panthers are heading to the quarterfinals of the 1A state softball playoffs after defeating Fredonia in the first round.

The Lady Panthers finished their regular season play with a double-header against Fort Thomas.

The first game was a tough fight for the girls, who came out triumphant with a super close victory. The final score of the first game was 17-16. The second game against Fort Thomas went a little smoother. The Lady Panthers played

a tough defense, and hardly let Fort Thomas slide any runs past them. The second game ended in another Lady Panther victory, and a final score of 13-3.

The girls ended their week with the first round of the 1A softball state playoffs, traveling to take on Fredonia. The first inning ended with a 2-2 tie, followed by two innings of Fredonia taking the lead. In the fourth inning, the Lady Panthers were able to post 5 runs, giving them the lead. The girls kept control for the rest of the game, closing out the game with a 13-9 win.

The Lady Panthers will continue their trek to the state

OBITUARY

Stephen Elwyn Chilton

On Nov. 19, 1947, Stephen Elwyn Chilton was born in the Ray, Arizona hospital. At that moment the world became a better place. He would grow up to become a dedicated and loving husband, father and grandfather. He passed away April 12, 2023.

He lived in Superior, Arizona with his parents Gerald and Maxine Chilton, spent time growing up there and spent summers at the family cabin at Pine Top, Arizona with his parents, brother and sister.

He then attended Wasatch Academy in Mt. Pleasant, Utah. After graduation he enrolled at Northern Arizona University, transferred to Arizona State University, and then received his master's at the Thunderbird School of Economics.

In 1985, Steve worked with Jim Laub of Cache Valley Electric to start the Salt Lake City Branch of CVE in the Valley Bank Building downtown. Soon after, he hired three employees and the Company kept getting larger from there. Steve became a Vice President. CVE's Electrical Construction Department got contracts for Primary Children's Hospital, Huntsman Cancer Institute, Kennecott Copper Facilities and many more buildings across Northern Utah under his direction. He also helped create multiple CVE departments including Teledata, Design Build, Service and more.

Steve was driven by ethics and dedication to building and giving new opportunities to those who shared the same. He respected his employees and they respected him.

He was also involved with the National Electrical Contractors Association (NECA) and became a Vice President for the 8th district. He served as Chair for many of the Committees and received many awards over the years from NECA.

Steve dealt with MS and heart issues which made it difficult to continue working, so he retired in 2013 after 28 years of service.

Steve and Peggy loved to travel, taking many trips over the years to a special place, Paris. They took 35 trips to their beloved City. They also fell in love with Italy. They took many trips all over Europe.

Steve enjoyed Sun Valley, Idaho spending summers and falls there after retirement.

He loved his daughter Katherine and enjoyed spending time with his granddaughters, Alexandra and Samantha, who always made him smile whenever they were present.

It is with grief and sadness that we say goodbye to him. His life was shortened by an aggressive cancer. Treatable but not curable. He is at last not suffering. We are. He has made all of us stronger and better people because of his influence. He was a humble man that never craved attention. Steve was a giant in the industry. He will never be forgotten.

Steve is survived by his wife, Peggy; his daughter, Katherine (Judge) Evans; granddaughters, Alexandra and Samantha; brother, Gerald (Glenda); sister, Peggy Closky; and nieces, nephews and cousins. He is also survived by Katherine's mother, Susan.

Rest my love. Wait for me and I will be seeing you.

A celebration of life was held Friday, April 28, 2023, at Starks Funeral Parlor. An interment service (graveside) was held May 2 at the Mountain View Cemetery in Hayden.

In lieu of flowers, charitable donations can be made to the Tunnel-to-Towers organization.

Beloved teacher, Mrs. Villaverde awarded Esperanza Latino Teacher Award

If you have attended Superior High School over the past 30 years, or maybe your student has attended Superior High School, most likely you have a Mrs. V memory or moment. Carmen Theresa Villaverde aka “Mrs. V” was recently surprised by her students, colleagues, administration and Chicanos Por La Causa as a recipient of the Esperanza Latino Teacher Award.

The nomination form submitted on her behalf shared how Mrs. V is always putting her students first, finding ways to keep them involved in school and the community. The nomination also shared some of the struggles and adversity she has faced throughout her childhood, her career and her family.

She graduated from Superior High School in 1970, and graduated from Arizona State University in 1990 with a degree in education. She then took a job as a Career Education Teacher where she has taught hundreds of students over the last 30 years. She began her career as a Home Economics Teacher and eventually that job has evolved into the Culinary Arts, Child Development and Life Skills teacher. She is an advisor for the Family Career Community Leaders organization at SUSD, while also sponsoring the Senior Class each year making sure that their Senior year activities and graduation go off without any problems. Throughout the community, she is well known for her advisement and work in the culinary department where she assists students to provide catering for many community events.

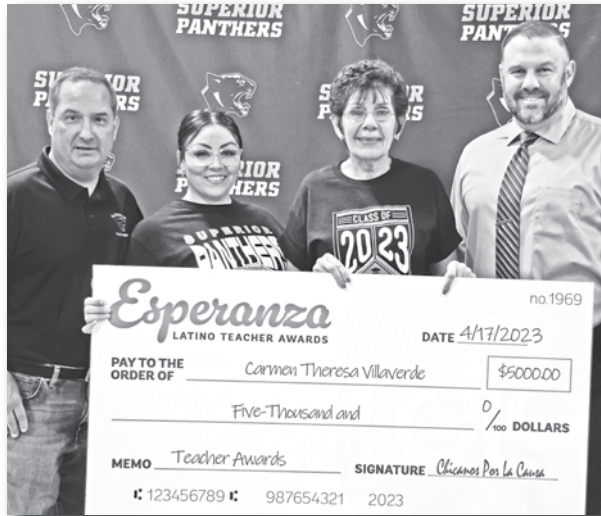

“At community events she is the teacher everyone cheers the most for,” stated Junior-Senior High School Principal William Duarte.

Duarte prepared the nomination and highlighted that Mrs. V has experienced a variety of challenges including having both of her knees replaced and the recent loss of her husband.

“She never stopped caring for her students,” he said.

During the surprise ceremony at the Superior Junior-Senior High School, she was awarded a check for \$5,000 from CPLC. The school district also received a donation of \$2,500 for the award.

CPLC recognizes the importance of a quality education and believes it is crucial that everyone has the opportunity of obtaining a solid foundation that an education provides. They believe that teachers are at the forefront of providing this

Terri Villaverde, second from right, with school administration.

lasting impact in and out of the classroom. Since 1998, CPLC has recognized hundreds of outstanding teachers and they especially commend the effort they continue making even with the challenges the pandemic brought these past three years.

“For 24 years, Chicanos Por La Causa has honored talented and exceptional teachers throughout Arizona. This year, Theresa Villaverde joins this prestigious roster as a 2023 Esperanza Latino Teacher Award honoree,” explained Cathy Higuera Keppel, Director of Events and Special Projects.

“Mrs. V is deserving of this award. During my time in high school she taught me so many important skills, most importantly she taught me a variety of cooking skills, which I still use today. She is the teacher that allows her students to explore and learn and isn’t afraid to let students try their ideas,” stated Mayor Mila Besich.

The Esperanza Latino Teacher Awards is the only awards program that highlights outstanding Latino educators throughout Arizona. Mrs. V will be recognized during an official luncheon on May 9 in Phoenix.

Panthers taking it to Fort Thomas. The game ended with a final score of 13-0, ending after five innings.

The boys ended their week with an away game against Desert Christian, which was the first round of the 1A State Baseball Playoffs. The boys took a 1-0 lead in the first inning, which Desert Christian tied up during the second inning. The Panthers lost the lead in the third inning, and then continued to play a back and forth for the rest of the game. In the end, the Panthers fell short by 1 run, and took a close loss of 10-11.

Nathan Taylor, a Senior at Superior High School, has been awarded the prestigious Flinn Foundation Scholarship.

Nathan is the Class of 2023 Salutatorian and has been actively involved in his school and the community since he was in elementary school. He has been a national award contender at FCCLA and is a consistent state award winner at FBLA. He has served in Student Council, Yearbook and has served as the President of the Town of Superior Youth Council since eighth grade. Nathan also helped to coordinate a peer-based program that encouraged his classmates to fill out their FAFSA forms and commit to either higher education, trade school or military service.

He is the son of Patty Ann Taylor and grandson of Patricia Brown.

After graduation, Nathan will attend Arizona State University where he will major in Political Science (Pre Law).

"I am so thankful for the opportunity to be a Flinn Scholar and be able to work with the amazing community at the Flinn Foundation. I am eager to see what the future holds," he said.

The comprehensive scholarship package, which is valued at more than \$130,000, includes the cost of tuition, fees, housing, meals and at least two study-abroad experiences. Nathan is the first Flinn Scholarship recipient from Superior High School.

The Class of 2023 Flinn Scholars will be attending the Honors colleges at Arizona State University, Northern Arizona University and the University of Arizona. The scholarship, now in its 38th year and supported by the Phoenix-based Flinn Foundation in partnership with the universities, is the most competitive and prestigious college scholarship in the state and awarded strictly on merit.

"These 20 students, from 20 different high schools, show that incredibly high-achieving students are found throughout Arizona, studying at a diverse mix of schools in the heart of our largest cities and in some of our smallest communities," said Anne Lassen, Flinn Foundation vice president, scholarship and education initiatives. "These students will enhance the Flinn Scholars community and represent our state well both on and off

Nathan Taylor

campus in all of their pursuits."

The Flinn Scholarship is highly competitive, over 1,000 applications were received in October for the 20 awards, there is a 1.9% of receiving a Flinn Scholarship.

"Our new class of Flinn Scholars represents the best of Arizona and is filled with our state's future thinkers and leaders," said Tammy McLeod, Flinn Foundation president and CEO. "In a few short months, these students will begin world-class undergraduate experiences at our three state universities, whose innovation and excellence in research, teaching, and community engagement strengthen the attraction of this extraordinary scholarship."

The Flinn Scholars Program, established in 1986, is operated by the Flinn Foundation Scholarship Program LLC and supported by the Flinn Foundation, a Phoenix-based private, nonprofit, grantmaking organization that aims to improve the quality of life in Arizona to benefit future generations. The foundation also supports the advancement of Arizona's bioscience ecosystem, arts and culture, and the Arizona Center for Civic Leadership and its flagship Flinn-Brown Fellowship.
