OBITUARIES

Juaquin G. Gonzales

Juaquin G. Gonzales of Hayden, Arizona, passed away on April 27, 2016 in Mesa, Arizona at the age of 91. Juaquin was born to Eugenio and Angelita on Nov. 3, 1924 in the family home in Hayden, Arizona.

In May of 1943, at the age of 18, Juaquin joined the Army, serving our country in France, Germany, and Central Europe during WWII. He earned a Bronze Star, American Theater Ribbon, European-African-Middle Eastern Ribbon, Good Conduct Medal and a Victory Medal. He finished his service in January of 1946. In September of 1946 he married Hortencia Baldenegro also of Hayden.

Juaquin was a loving husband, father, Tata, brother, and Tio. He is survived by his wife, Hortencia;

children, Maria, Juaquin "Jackie", Sara, Amelia and Gene; daughter-in-law, Robyn; 8 grandchildren, 7 great-grandchildren, and 5 siblings, Pauline Lopez, Maggie Cuaron, Velia Garcia, Gene Gonzales, and Angie Fessler.

Juaquin was preceded in death by his parents, son-in-law Richard Martinez, and siblings Cruz Gonzales, Paz Lopez, Kiki Gonzales, Jenny Cruz, Tony Gonzales and

Joe Sandoval.

Rest in Peace our beloved Juaquin. "We hold you close within our hearts and there you shall remain." Services are Friday, May 7, 2016 at St. Joseph Catholic Church in Hayden, Arizona. Visitation at 8:30 a.m., Rosary at 9:30 a.m., Mass at 10 a.m., and the Interment following service at Mt. View Cemetery in Hayden, Arizona.

Kena Alene Church

Kena Alene Church, born May 26, 1965 in Lamiarda, California, passed away on April 21, 2016 in Phoenix.

She is survived by her son, Jeff (Trista) Waltman and grandson, Waylon; and her son, Nathan Lutz of California. Jeff is the son of David Waltman of Washington State. She is also survived by her daughters, Brenna (Ben) Trnka; and four grandchildren, Caleb, Isaac, Seth and Lily; and Renee (Chris) Campbell, and three grandchildren, Bryson, Ryana and Shelby; sister, Dyneile Provencher; grandchildren: Danny, Nicole, and Rhett of Queen Creek, AZ; father, Dennis Church of Washington State; mother,

Sharon (Bernard) Zornacki of Kearny; uncles, Paul Zorwacki of Virginia and Art Wood of Lakeside; aunts, Edwina Slawson and Sandy Garvin, of Show Low; 17 cousins; and, one great-aunt, Wanda Dixon.

A service was held, in celebration of the life of Kena Alene Church, in a small chapel where her close family gathered to show their last respects. The space was limited to only 30.

LETTER TO THE EDITOR

Roadside memorial crosses removed by ADOT

Governor Doug Ducey's Administration and the Arizona Department of Transportation have commenced removing memorial crosses and religious markers from the side

of State Highways. This removal started two weeks ago along State Route 177 and East of Superior on US 60. No notification either personally or via local newspaper was

provided to families of the loved ones who were killed at those sites.

Most families of the deceased consider these memorial sites sacred and holy. When folks questioned ADOT they were notified that they could pick up the crosses and other religious items at the maintenance yard in Globe. When family members went to claim religious items, many of the figurines were found broken and many crosses were missing.

ADOT and Governor Ducey ARE within their legal rights to remove all un-permitted objects from State Right of Way. The issue is that highway deaths have been marked by memorial crosses for almost a hundred years. These crosses also serve as a notice to other drivers to be more cautious while driving. Why is the Ducey administration having them removed now?

The Governor's executive staff has indicated that they will be removing memorial crosses from all rural state highways. Most of our rural highways are in extremely bad condition, seems to me that highway crew's time could be better utilized repairing our roadways versus desecrating sacred ground.

If you desire to express your opinion to Governor Ducey, he can be reached at 602-542-4331 or write to Gov. Ducey at 1700 W. Washington, Phoenix, AZ 85007.

/s/ Pete Rios
Pinal County Supervisor

Three crosses stand as a memorial to Superior residents, Becky Jo, Krista and Mark who lost their lives in a car accident on the west end of Gonzales Pass near Superior.

Hayden Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damages are estimates.

Activity listed from Apr. 19 to Apr. 25.

On Apr. 16, Michael Alba, 22, was arrested at 4th and Randall in Winkelman and charged with possession of prescription drug, possession of drug paraphernalia, possession of precursor chemicals, resisting arrest, and misconduct involving a weapon.

Apr. 19

A civil standby was requested on the 500 block of 3rd St., San Pedro.

Apr. 20

A fight was reported on 9th St. and San Pedro.

Apr. 21

Threatening by phone was reported on the 600 block of San Pedro.

An unwanted subject was reported on the 600 block of N. San Pedro.

Agency assist on Velasco Ave.

Theft/Burglary was reported at Winkelman Flats.

Suspicious subjects were reported at Winkelman Flats.

A traffic stop was conducted at Giffin and Hwy. 177.

A noise disturbance was reported on Third St.

Apr. 22

Violation of a court order was reported.

A 911 hang-up was reported.

Apr. 23

Agency assist at Giant in Winkelman.

A traffic stop was conducted at Hwy. 177 and Old Crusher Rd.

A juvenile problem was reported on the 500 block of Garfield.

Apr. 24

An alarm drop was reported at Giant in Winkelman.

An abandoned vehicle was reported on Kennecott Rd.

Apr. 25

Fire call on the 500 block of Velasco.

A noise disturbance was reported on the 500 block of Cottonwood.

Criminal damage was reported on the 600 block of San Pedro.

A noise disturbance was reported at Hayden Cemetery.

Apr. 26

Fire call on the 600 block of N. Utah.

A runaway juvenile was reported on the 200 block of Lower Rd., San Pedro.

Water Filtration Plant Fixed and Working

I am happy to report that the town's water filtration plant is now fixed and tests show that it is working very well. There had been engineering and construction mistakes during the plant's construction several years ago, and untangling the mess was not an easy task.

Some solid particles remain in the line, and such things as testing our fire hydrants will disturb the particles, making the water cloudy. I mention this because a Community Development Block Grant for replacing many of our fire hydrants is now going out for bids. Construction will begin later this year.

Department of Public Safety Sergeant Dave Blue had his last day as Interim Chief of Police for the four towns this past Friday. The financial support from DPS made his time here possible, and for Sergeant Blue's devoted service we give thanks. The four towns, working through an Intergovernmental Agreement (IGA), are interviewing candidates for the interim position. The task force to propose a regional police agency is still working on its proposed structure, which will be taken to all the towns, but this requires several weeks more time to complete. The task force will meet again on Monday, May 16.

Making use of the IGA, Harry Grizzle, Deputy Chief of the Pinal County Sheriff's Office, will be the interim chief for the towns beginning the middle of May. Deputy Chief Grizzle volunteered to serve in this position, which will be funded through Pinal County for a period up to ninety days, and I am very thankful. This should allow the time needed for the task force to complete its proposal.

The Rotary Club is seeking donation of items and services for its planned benefit auction on Saturday, May 14 to support Kearny's swimming pool operations. There will be a steak fry, and there will also be hamburgers and hot dogs and, later in the evening, music.

The steak dinner is \$25 per person with proceeds going to the swimming pool. Young people will enjoy the

MAYOR'S CORNER

By Sam Hosler
Special to the Copper Basin News

hamburgers and hot dogs, which will be at a lesser cost. This should be a fun family event. Once again, Bill Dunn will be the auctioneer.

All the work of Rotary benefits the Copper Basin. The Rotarians give bookshelves stocked with reading materials to all the school children in Kearny each year, provide college scholarships to graduating seniors, and provide all the food for Awards Night (Wednesday, May 11). Rotary provides support in many other ways, such as gifting the Kearny Fire Department with a special (and expensive) nozzle used for particular kinds of fire. Rotary is also sponsoring planters for the Adopt a Planter program uptown. All of Rotary's steak fries have a purpose.

Donated articles for the auction may be taken at any time to the General Kearny Inn. Thank you, Rotary, and thanks all to you, the people of Kearny and the Copper Basin.

Lady Cats hold off defending champs; win section title

By Andrew Luberda
Copper Area News

The then third-ranked Ray softball team entered last Wednesday's regular season finale against then top-ranked and defending State Champion Superior with a chance to win the Section V Championship.

In similar big games during previous seasons, the Lady Cats have been on the short-end of these types of games, but this year has been different as evidenced by their 7 – 5 victory that made them the Section V Champions and the eventual No.

1-seed in the Division V State Playoffs. "We played as a team and that's how we won," Ray head coach Rikki Galka said after the game. "We needed this win. We needed this win against this team. It's been a head-game for us since last year." Player of the Year candidate Stormee Galka pitched six-and-a-third innings, allowing only one run during the first six. But in the seventh inning, the Lady Panthers touched up the Maryville University commit for four runs, leaving a feeling that another heartbreaking loss in a big game was forthcoming. Rikki new her star player, and daughter,

was tiring so she made the pitching change, calling for freshman phenom Daniella Hinojos to close out the win.

"We needed this win," Stormee answered when asked what it was like to finally break through after several disappointing losses in similar situations. "I know it helps build confidence in our team whenever we beat a team like this because whenever we lose and go into games like this our confidence is low."

Ray jumped out to an early lead by scoring four runs in the third inning off Superior ace Ivie Lopez. The Lady Cats extended their lead in the fifth after Ema Alverado's squeeze bunt scored Janae Ruiz.

Superior answered with a run on an RBI-single by Salcido in its half of the fifth, before Ray scored two more runs to make 7 – 1 in the sixth.

Ray held a 7 – 5 lead in the Superior seventh with the bases full of Lady Panthers' runners and only one out.

Superior's next hitter flied out right and the runner at third tried to tag up but was thrown out at the plate to complete the game-ending double play.

The loss ended Superior's 15-section game winning streak that dated back to last season.

"This was a good test for us, being down like that," Superior head coach Martin Navarrette said. "It showed what kind of heart our girls (have). I think that's going to be very important going into the playoffs this year."

These two teams are the class of the division and are favorites to meet for the Division V Championship later this month.

Ray won this battle, but the war is not over.

"Last year we went in as the No.5 seed," Navarrette said. "We went through the best teams and we had the toughest road (to the championship). So we've done it once (and) I don't see any reason why we can't do it again."

Ray's Elma Alvarado puts down a successful squeeze bunt than scored a run during the Lady Cats win at Superior last Wednesday. Luberda | CBN

Copper Area Baseball & Softball Playoffs Results

By Andrew Luberda
Copper Area News

As the regular season comes to a close, many of our local teams have achieved playoff berths. Below are the results of the first few rounds of playoffs.

RAY

Softball – The top-seeded Lady Cats made quick work of No. 17-seed San Tan Foothills in a second-round playoff game last Saturday, defeating the Sabercats 17 – 0 to advance to the quarterfinals. Ray scored 12 runs in the second to remove any doubt early. Savannah Willis hit one of the Lady Cats' five doubles in the game and drove in four runs. Stormee Galka went 4-for-4 with three RBI and combined with Daniella Hinojos to pitch four scoreless innings of two-hit softball versus the Sabercats. Ray will face No. 8 Pima at the Rose Mofford Softball Complex on Friday, May 6 at 5 p.m.

Baseball – Senior John Wernett went 3-for-4 with three RBI in the No. 9-seeded Bearcats' 11 – 7 victory against No. 24 Tombstone in the first-round of the Division V playoffs. Noah Warren hit a

seventh-inning three-run triple to lead the Cats to a come-from-behind 8 – 6 win in the second round against No. 8 Williams. Next up is No. 1-seed Bagdad at Tempe Diablo on Friday, May 6 at 6 p.m.

SUPERIOR

Baseball – Edgar Galindo hit two triple and drove in five runs to lead the No. 7-seeded Panthers to an 11 – 8 win against No. 10 Valley Union in the first round of the Division V playoffs. Jesse Lopez had a hit and three RBI in the victory. The Panthers will take on No. 2 Pima at Tempe Diablo on Friday, May 6 at 6 p.m.

Softball – The defending champions started their quest for back-to-back titles with a 13 – 3 second round win against No. 19 Ganado last Saturday at the Rose Mofford Softball Complex. The No. 3 Lady Panthers will take on No. 6 Joseph City in the quarterfinals at Rose Mofford on Friday, May 6 at 7 p.m.

SAN MANUEL

Softball – The No. 3-seeded Lady Miners blew a three-run lead in last Saturday's Division IV second-round playoff game when No. 19 Pusch Ridge scored three seventh-inning runs to tie the game, 8 –

8. But San Manuel had a final at bat and took advantage of it. With two outs, Angela Navarro reached base on an error. Lyana Waddell, who had already hit two homeruns in the game, followed and was intentionally walked ahead of Dionne Ruiz. Ruiz hit a fly ball to right field, but the Pusch Ridge fielder misjudged it, allowing the ball to drop safely and Navarro to score the game-winning run. San Manuel will play No. 11 Morenci in the quarterfinal at

the Rose Mofford Softball Complex on Friday, May 6 at 5 p.m.

HAYDEN

Softball – The No. 5-seeded Lady Lobos advanced to the quarterfinals of the Division V playoffs after a 17 – 8 win against No. 12 Mayer. The Lady Lobos will next play No. 4 Valley Union at the Rose Mofford Softball Complex on Friday, May 6 at 5 p.m.

Central Arizona College students want to keep four-day class schedule

PINAL COUNTY, Ariz. – In response to the proposed switch to a five day schedule presented during the February meeting of the Central Arizona College Governing Board, The Cactus (CAC's newspaper) staff conducted a survey of students.

The pen and paper survey was conducted district wide. It simply asked students if the college should change to a five day week. Students were asked to indicate yes or no, sign their name and provide a reason as to why or why not the change should take place.

Of the 373 students who responded, 309 voted no to changing to a five day week. Students indicated that a

change would interfere with work schedules and add a financial burden by having to commute an additional day. Others said the change would take away their day to catch up on homework.

Of the 64 students who voted yes for a change to the schedule, most requested that resources such as the library and learning center be open on Fridays for studying purposes.

CAC currently offers Weekend College classes at the Corporate Center and Superstition Mountain Campus, offering full-time professionals, stay-at-home parents, and

Leonor Hambly students meet author

By John Hernandez
Copper Basin News

On Wednesday April 27, students at Leonor Hambly K-8 School in Winkelman got to meet with the author, D. A. Lee, of the *Time Stands Still Chronicles*, a series of science fiction books for children. The 5th, 6th, 7th and 8th grade classes got to meet with Mr. Lee.

“Dennis” D.A. Lee is a former teacher having taught for 36 years. He taught 5th and 7th grade students in the Paradise Valley School District in Phoenix and in Michigan. He is a native of Millington, Michigan.

Mr. Lee’s knowledge of the way 5th and 7th grade students think was the reason he made the characters in his series 6th graders about to go into the 7th grade. The book series is about Johnny (J.J.) and Henri (short for Henrietta), two 6th graders who both lost their fathers in a mysterious disappearance two years earlier. Only their grandmothers and Dr. Emory know where their fathers are. Dr. Emory is a 6th grade teacher and mentor with

extraordinary powers. J.J. and Henri receive gifts of a necklace and bracelet that gives them the power to control time. The stories follow them as they grow and learn from their successes and failures through many adventures not realizing that they are preparing for a battle that holds Earth’s fate in the balance as well as that of the planet Saros.

You could tell that Mr. Lee was a good teacher as he engaged the students in the discussion of his books and how he wrote them. Most of the kids had read the first book of the series and were familiar with the book’s characters. They asked many questions about the books and characters as well as how Mr. Lee came to write them. Whenever D.A. asked a question many hands were raised by the students who wanted to answer.

Mr. Lee told the students that he believes “everybody has a story to tell.” He said that you should “believe in yourself and not give up.” The students learned that D.A. Lee gave the first names to some of the characters based on people he knew in high school. His hometown

of Millington was also used as a blueprint for some of the places in the fictional town of Millville in the book. He gave some writing advice to the students such as how to write dialogue and how he created his characters.

D.A. Lee is also a woodworker and donates wooden cars and trains to charities. He donated a set of the four *The Time Stands Still Chronicles* to the Leonor Hambly School Library. All the kids received a *Chronicles* bookmark and had the opportunity to purchase any of the books for half price. Many of the kids and teachers bought the books including the latest one (book 4) which was not scheduled to be released until the following day. Mr. Lee autographed each book with a personal dedication. The kids enjoyed talking with D.A. Lee and learning about writing. Mr. Lee was leaving for Michigan the following day where he would be talking with more kids at some schools there.

D.A. Lee travels to schools to talk with students about writing and his books. He does not charge for his speaking engagements. If you want to learn more about his books or contact him, visit his website: www.timestandsstillchronicles.com or email: denretired@cox.net or call (602) 971-9556.

COMMUNITY CALENDAR

Ray Elementary Pre-K Registration

Ray School District will have its Pre-Kindergarten registration for the 2016-2017 school year on Monday, May 9. 8:30 a.m. - 11:30 a.m. In order to register your child they must be four years of age prior to September 1. You must have a complete immunization record and a birth record in order to register for school. If you do not have a birth record you can get one for a small fee, from the Bureau of Vital Statistics in the State in which your child was born. Those addresses are available at the Primary School Office. Your child's physician or clinic may also provide an immunization record. The Ray School District also offers a Pre-Kindergarten Program for students with special needs. This provides services to children, ages 3 and up with disabilities. Registration will be in the Elementary School Office and screenings for all eligible children will be in the Pre-Kindergarten rooms 212-211. The tuition cost is \$100 per semester which averages out to approximately \$1.80 per day. Tuition must be paid in advance of each semester (before Aug. 10 for the 1st semester and before Jan. 9 for the 2nd semester). If payment is not made by the 1st day of each semester, your child will not be eligible to attend. Refunds must be requested by Sept. 6 for the 1st semester and Feb. 6, for 2nd semester. If you have any questions you can call the Elementary Office at 363-5527 ext. 101.

Waste Voucher Program

The Pinal County Waste Disposal Voucher Program will begin on Jan. 11, 2016. Please remember that in order to obtain vouchers those interested must present a current utility bill dated within the last 60 days with their name and physical address imprinted on it. No vouchers will be issued without proper documentation. Three vouchers will be given and they will be good from Jan. 11, 2016 until Dec. 30, 2016. If those participating own more than one residence they can only obtain vouchers for the primary residence. Vouchers can be used at the Oracle Transfer Station and are good for a truck load of up to 750 lbs. or the Dudleyville Landfill and are good for a truck load of up to three cubic yards. Vouchers will be issued according to the name that appears on the utility bill and that person must be present when redeeming the vouchers at the Oracle Transfer Station or Dudleyville Landfill. Questions or concerns can be addressed by contacting the office at 1-800-208-6897 ext. 7830 or 520-487-2941.

Grief Support Group Meets Mondays

Grief is something that touches everyone, but it is not something you should have to endure alone. A Grief Support Group, has been put together by Cobre Valley Regional Medical Center, Copper Communities Hospice, Gemini Hospice and Thema Health Services and is open to anyone in the community who has experienced the loss of a loved one. Participants can join us at any point during the four week session. There is no registration necessary, and there is no fee to join. Please feel free to just drop in. The first four week session begins Monday, April 18, with each meeting being held on Monday, from 5:30-7 p.m. at CVRMC, in the Medical Office Building (MOB). 5880 S. Hospital Dr. in Globe.

MAY

5 PCSO Law Enforcement Memorial

Pinal County Sheriff's Office is hosting its annual Law Enforcement Officers Memorial on Thursday, May 5, 6:50 p.m., at the Florence PCSO Administration Building, 971 Jason Lopez Cir. Florence, AZ 85132. This is an opportunity for the community to stand up and honor those officers, agents and deputies who have died protecting the communities and families of Pinal County. The event is open to the public.

7 Benefit Golf Tournament

Join the Angie Lechuga's Fight Against Cancer Benefit Golf Tournament or come out to spectate on Saturday, May 7, at the Kearny Golf Course. It will be played in a 3-Man Scramble format. Play is \$40 per person. Only 1 A-Player per team. Tee off is at 8 a.m. Special events are Skins, \$\$\$ Hole, Longest Putt, and Longest Drive. Food, drinks and raffles will be sold. For more information, contact Bob Lorona at 520-331-9236. Golf carts are limited, so call a.s.a.p.

ON THE AGENDA

ST. MARY'S FOOD BANK: St. Mary's Food Bank will be in front of the Court House, on the first Friday of each month.

MASONS TO MEET: Ray-Winkelman Masons Lodge #24 will hold its regular meeting at 318 Fairhaven Road, Kearny, on the second Tuesday of each month at 7:30 p.m. All Masons are invited. The Order of the Eastern Star meets the second Thursday of each month.

BLOOD PRESSURE CLINICS: Gemini Hospice offers FREE Blood Pressure Clinics in your area: Kearny Constitutional Hall, 912 Tilbury Dr. #E Kearny, Arizona 85137, 8:30-9:30 a.m. on the last Wednesday of the month; Hayden Senior Center, 520 Velasco Ave., Hayden, Arizona 85173, from 11 a.m. to noon on the first and third Tuesdays of the month. If you have any questions about Gemini Hospice or about the FREE Blood Pressure Clinics, please call Elizabeth at 520-827-0031.

HAYDEN SENIOR CENTER: The Hayden Senior Center, 520 Velasco Ave., is open every weekday, from 8 a.m. - 4 p.m., to serve the needs of senior citizens and low-income families. A warm, nutritious lunch is served every day. Call 520-356-7035 for information or to check on the daily meal.

PREGNANCY CARE CENTER HOURS: The Pregnancy Care Center in Winkelman, located at Fourth and Thorne Avenues in Winkelman, is open on Thursdays from 9 a.m. to 4:30 p.m. and Wednesdays by appointment. Men's workshop is held on Thursday from 5-6 p.m. You can call (520) 664-5795 for a confidential appointment.

KEARNY SENIOR CITIZENS: The Kearny Senior Citizens group meets every Wednesday at 10 a.m. at Constitution Hall. The group talks about trips to different places in Arizona as well as other subjects. A potluck dinner is held after the social hour on the last Wednesday of the month. New members are needed. Come down and join the group. From May through August, the group meets only on the last Wednesday of the month.

LOBO BOOSTERS: For Lobo Booster Club membership and information, please call Michelle Gonzales at 480-888-6598.

ANNOUNCEMENTS

Kearny Clean Up Volunteers

The Town of Kearny has volunteers who are able to help people in town clean their yards at no charge. Please call the Town Hall at 520-363-5547 to schedule an appointment.

PROPOSED ARIZONA POLLUTANT DISCHARGE ELIMINATION SYSTEM (AZPDES) RENEWAL PERMIT

Pursuant to the Clean Water Act and in accordance with Arizona Administrative Code (A.A.C.) R18-9-A907, the Director of the Arizona Department of Environmental Quality (ADEQ) proposes to issue an Arizona Pollutant Discharge Elimination System (AZPDES) Permit to discharge pollutants to Waters of the United States to the following applicant, subject to certain effluent limitations and special conditions:

Public Notice No. 16-66

Published on May 04, 2016

Published in the Copper Basin News AZPDES Permit No. AZ0024449

Town of Kearny Wastewater Reclamation Facility

501 Veterans Avenue

Kearny, Arizona 85237

The Town of Kearny applied for a renewal AZPDES permit for the proposed discharge of up to 0.25 million gallons per day (mgd) of treated domestic wastewater from the Kearny Wastewater Reclamation Facility to The Gila River in the Middle Gila River Basin in Township 4S, Range 14 E, Section 28, in Pinal County, Arizona.

The permit and fact sheet may be viewed online at <http://www.azdeq.gov/cgi-bin/vertical.pl> by typing the permit number in the box left of "Search Event". The public notice and related documentation also are available for public review, Monday through Friday, 8:30 a.m. to 4:30 p.m., at the ADEQ Records Center, 1110 W. Washington St., Phoenix, Arizona, 85007. In Phoenix, please call (602) 771-4380 or e-mail recordscenter@azdeq.gov 24 hours in advance to schedule an appointment to review the file.

Persons may submit comments or request a public hearing on the proposed action in writing, to Richard Mendolia, Arizona Department of Environmental Quality, Water Quality Division, 1110 W. Washington St., 5415B-3, Phoenix, Arizona 85007. All written comments received by ADEQ by the close of business on the date 30 days after publication of this notice will be considered in the final permit decision. A public hearing request must be in writing and must include the reasons for such request. If there is a significant degree of public interest, the Director will hold a hearing in accordance with A.A.C. R18-9-A908(B).

With five campuses and three centers located strategically throughout the county, CAC provides accessible, educational, economic, cultural, and personal growth opportunities for those of all ages.

Public Notice

TOWN OF HAYDEN PUBLIC NOTICE REFRIGERATOR/FREEZER INSTALLATION Contract #102-16 520 Velasco Ave. Hayden, AZ 85539

The Town of Hayden hereinafter referred to as Town, through a FEDERAL COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) from the STATE OF ARIZONA DEPARTMENT OF HOUSING will accept bids from qualified firms or individuals fully and properly licensed for the work to be done in accordance with Chapter 10, Title 32, of the Arizona Revised Statutes and is registered with the Arizona Registrar of Contractors to perform the following services:

PROJECT DESCRIPTION: This federally funded project consists of construction of Refrigerator/Freezer Installation as follows:

The Town of Hayden will use CDBG funds to procure and install a walk in refrigerator/freezer in the Hayden Senior Center. This project will replace the 7 individual refrigerator and freezer units scattered throughout the Senior Center facility and increase capacity by 25%. The new unit will be a built in, walk-in style combination Refrigerator/Freezer unit approximately 12'X16'X9' high. This unit will be built in an existing storage space adjacent to the kitchen. Additionally, the project will include connection to the emergency generator at the Senior Center in case of electrical failure to the refrigerator/freezer. And, if funding permits, an alarm system indicating electrical failure. (This should only be added if there is funding available when the unit is purchased and installed.) The project includes some demolition within the existing storage room to accommodate the new unit.

OBJECTIVE/SCOPE OF WORK

The Contractor shall furnish all materials, labor, equipment, services, and transportation and perform all the work for the project known as the Refrigerator/Freezer Installation for the Town of Hayden, Arizona as called for in the Specifications and Drawings. The contractor is responsible to verify all relevant specifications of the current structure and all new components. The proposer should prepare a detailed time schedule for completion. The successful proposer will be required to lend all possible assistance in the preparation, investigation and documentation necessary for compliance with all applicable Davis Bacon/Federal Labor Standards, and other requirements of the State of Arizona Department of Housing, CDBG Program. The successful proposer should be prepared to comply with all local, state and federal safety and environmental requirements. The project shall be accomplished in accordance with all federal program and state statutory requirements to include Executive Orders, Administrative Rules and Regulations.

PROPOSALS

To be considered, one (1) original and two (2) copies of the proposal must be provided and in accordance with the Instructions to Bidders included in the bid package.

Sealed bids will be received in the office of the Hayden Town Hall on May 25, 2016 at 1:30PM, at which time all bids received will be opened and the amount of the total bid and alternates read aloud. Failure of the proposer to complete all of the bid documents may result in rejection of the proposal. All bids should be identified as "Sealed Proposal – Town of Hayden Refrigerator/Freezer Installation"

A bid security in the form of a certified check, cashier's check, or bid bond in the amount of 10% of the bid shall accompany each proposal. Bonding companies issuing acceptable bonds in conjunction with this project must hold a certification of authority to transact surety business in Arizona as issued by the Director of the Department of Insurance. All bid security shall be made payable, without condition, to the Town of Hayden. Said bid security shall be considered liquidated damages and shall be forfeited to the Town of Hayden in the event the proposal is accepted and the successful bidder fails to execute the contract and furnish the required bonds within ten (10) working days after the notice of bid award.

The Town will conduct a pre-bid conference and site inspection on May 11, 2016 beginning at 1:30 P.M. Interested bidders should meet at the 520 Velasco Ave., Hayden, AZ 85135, which is accessible to persons with disabilities. Individuals with special accessibility needs may contact the Town of Hayden, Laura Romero, Town Clerk at 520 Velasco Ave., Hayden, AZ 85135, or 520-356-7801 at least 72 hours prior to the meeting. For additional information on plan and spec review locations and how to obtain plans and specifications, as well as additional bidding procedures contact: Ken Hebert, Community Development Specialist at 1075 S. Idaho Rd., Suite 300, Apache Junction, AZ, 85119, or 480-474-9300 or fax to 480-474-9306, or khebert@cagaz.org. CAG will supply information to multiple individual contacts and plan rooms for bidders.

The Town of Hayden reserves the right to accept the lowest, responsible bid; to consider alternatives; to reject any or all bids; and to waive irregularities of information in any bid. Bids received after the specified time of closing will be returned unopened. The Town of Hayden also reserves the right to hold any or all bids for a period of thirty (30) days after the date of opening. Bidders will not be allowed to withdraw submitted bids during the thirty (30) day period.

The Town of Hayden is an Affirmative Action/Equal Opportunity Employer Dated this 4th day of May 2016

To be a Display ad in a paper of general circulation.

Arizona Water Company (the "Company") has released its 2015 Water Quality Report (Consumer Confidence Report) for its Winkelman water system, PWSID 04-003. The Company will not be mailing a copy of the report to its customers, because Arizona Administrative Code R18-4-117, granted a mailing waiver to small water systems with a population less than 10,000 people. Copies are now available: at the San Manuel office located at 460 Avenue A; via mail by sending a request to Arizona Water Company, P. O. Box 120, San Manuel, AZ 85631-0120; via our website at www.azwater.com; or by calling the local office at 520-385-2226. The entire report is also printed in the newspaper today. The Company recommends that customers serving more than one housing unit post a copy of the 2015 Water Quality Report in a conspicuous place.

ARIZONA WATER COMPANY

– 2015 ANNUAL WATER QUALITY REPORT FOR WINKELMAN, ARIZONA, PWSID NO. 04-003 –

This report contains important information about your drinking water.
Este informe contiene información importante sobre su agua potable.
Tradúzcalo o hable con alguien que lo entienda bien.

Arizona Water Company provides groundwater to its Winkelman customers from wells located throughout the Winkelman area.

All water samples are collected by state-certified employees of Arizona Water Company or by the Arizona Department of Environmental Quality ("ADEQ"). Samples are analyzed by state-certified independent laboratories and the results are forwarded to ADEQ. The following report provides detailed information about the quality of the water delivered to customers. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards and regulations.

DETECTED WATER QUALITY CONSTITUENTS - GROUNDWATER

Primary Standards

Water Quality Constituent	Units	MCLG	MCL	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent
<i>Inorganics</i>						
Arsenic	ppb	0	10	5	2012	Erosion of natural deposits; runoff from orchards; runoff from glass and electronics production wastes
Barium	ppm	2	2	0.03	2012	Discharge of drilling wastes; discharge from metal refineries; erosion of natural deposits

Lead	ppb	0	15	1	0	2013	Internal corrosion of household water plumbing systems; erosion of natural deposits

Your drinking water complies with the United States Environmental Protection Agency's ("USEPA") safe drinking water standard for arsenic, though it contains low levels of arsenic. USEPA's safe drinking water standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

Note: In addition to the constituents listed in this report, Arizona Water Company conducted monitoring for over 90 additional constituents and the results show none of those constituents were detected in the water. Data presented are from the most recent testing done in accordance with applicable regulations. Some constituents are monitored less frequently than once a year because either their concentrations do not change frequently or they are not likely to be detected. Therefore, some of the water quality testing data contained in this report, although representative, may be more than one year old. If you have questions about this water quality report please contact Regina Lynde, Environmental Compliance Manager, Arizona Water Company, P. O. Box 29006, Phoenix, Arizona 85038-9006; telephone (602) 240-6860 or e-mail mail@azwater.com.

In 2000, ADEQ completed a Source Water Assessment of the water sources used by Arizona Water Company's Winkelman water system. ADEQ reviewed the adjacent land uses that may pose a potential risk to the water sources. ADEQ determined that activity on an adjacent land use poses a high risk to two water sources. Arizona Water Company regularly monitors drinking water sources to make sure your drinking water complies with the Safe Drinking Water Act.

The complete Assessment is available for inspection at ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007, between the hours of 8:00 a.m. and 5:00 p.m. Electronic copies are available from ADEQ at dmi@azdeq.gov. For more information visit ADEQ's Source Water Assessment and Protection Unit website at: www.azdeq.gov/environment/water/dw/swap.html.

The USEPA and ADEQ require Arizona Water Company to provide the following information:

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some constituents. The presence of constituents does not necessarily indicate that water poses a health risk. More information about constituents and potential health effects can be obtained by calling the USEPA's Safe Drinking Water Hotline (800-426-4791).

Some people may be more vulnerable to constituents in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. USEPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial constituents are available from the Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radiological material, and can pick up substances resulting from the presence of animals or from human activity.

Constituents that may be present in source water include:

- Microbials, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganics, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organics, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radiological material, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, USEPA prescribes regulations which limit the amount of certain constituents in water provided by public water systems. FDA regulations establish limits for constituents in bottled water which must provide the same protection for public health.

DEFINITIONS, ABBREVIATIONS, AND UNIT DESCRIPTIONS:

- CDC = United States Centers for Disease Control and Prevention
- FDA = United States Food and Drug Administration
- MCL = Maximum Contaminant Level, the highest level of a constituent that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
- MCLG = Maximum Contaminant Level Goal, the level of a constituent in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- MRDL = Maximum Residual Disinfection Level, the highest level of a drinking water disinfectant allowed in drinking water
- MRDLG = Maximum Residual Disinfection Level Goal, the level of a drinking water disinfectant in drinking water below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of using disinfectants to control microbial constituents.
- NA = None adopted
- ND = None detected
- NS = No standard
- pCi/L = Picocuries per liter
- ppb = Parts per billion, or micrograms per liter (µg/l)
- ppm = Parts per million, or milligrams per liter (mg/l)
- PWSID = Public Water System Identification

TOWN OF KEARNY PUBLIC NOTICE WATER SYSTEM IMPROVEMENTS Contract #100-16 912 C Tilbury Road Kearny, AZ 85137

The Town of Kearny hereinafter referred to as Town, through a FEDERAL COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) from the STATE OF ARIZONA DEPARTMENT OF HOUSING will accept bids from qualified firms or individuals fully and properly licensed for the work to be done in accordance with Chapter 10, Title 32, of the Arizona Revised Statutes and is registered with the Arizona Registrar of Contractors to perform the following services:

PROJECT DESCRIPTION: This federally funded project consists of construction of Water System Improvements as follows:

Map of hydrant system is available.

This project will take place in the Town of Kearny, located at mile 146 on AZ Hwy. 177. The project consists of replacing approximately 25 Mueller fire hydrants that average over 50 years in age with new units. 15 hydrants have already been identified as needing replacement; the other 10 will be identified during the completion of the project based on further evaluations. The project will have to also address related piping, valves, and other infrastructure repairs that may be impacted by this project. Mueller units would be the preferred replacements due to their performance in the system and continuity of parts and maintenance procedures. Other items that may be impacted by the repairs would include, but not be limited to, pavement, curbing, drainage fixtures, utility lines, etc. that could be damaged during this project. All the hydrants are part of the Town of Kearny Water and Fire System within the statutory limits of the community. No engineering will be involved as the hydrant companies are the ones to test hydrant conditions with the Town's water department staff in an ongoing process. The hydrants will be replaced based on failed, or concern of imminent failure, status determined by evaluations made during the project.

Currently the hydrants to be replaced are:

172 Harford Rd.; 328 Fairhaven Rd.; 430 Fairhaven Rd.; 316 Bristol Rd.; 110 Allen Dr.; 218 Essex Rd.; 418 Fairhaven Rd.; 110 Johnston Dr.; 332 Danbury Rd.; 312 Mountain View Rd.; 404 Essex; 1118 Tilbury Rd.; 1106 Industrial Dr.; 304 Bristol Rd.; 301 Alden Rd.

Other hydrants will be identified for replacement based on the results of the evaluations made during the project. Due to the circumstances with the town infrastructure we have already engaged several contractors and made them aware of the upcoming project. This project includes the possible replacement of the dedicated hydrant control valve, related parts, concrete thrust block removal/replacement, and pipes that may be broken in the replacement process. The water mains in Kearny are 6" diameter, also 50+ years old, and are an AC (asbestos concrete) material that gets progressively brittle as it ages (see p.18). Depending on results of the bidding process cost figures, more, or less, hydrants can be replaced with the budget allocation.

OBJECTIVE/SCOPE OF WORK

The Contractor shall furnish all materials, labor, equipment, services, and transportation and perform all the work for the project known as the Water System Improvements for the Town of Kearny, Arizona as called for in the Specifications and Drawings. The proposer should prepare a detailed time schedule for completion. The successful proposer will be required to lend all possible assistance in the preparation, investigation and documentation necessary for compliance with all applicable Davis Bacon/Federal Labor Standards, and other requirements of the State of Arizona Department of Housing, CDBG Program. The successful proposer should be prepared to comply with all local, state and federal safety and environmental requirements. The project shall be accomplished in accordance with all federal program and state statutory requirements to include Executive Orders, Administrative Rules and Regulations.

PROPOSALS

To be considered, one (1) original and two (2) copies of the proposal must be provided and in accordance with the Instructions to Bidders included in the bid package. Sealed bids will be received in the office of the Kearny Town Hall, May 25, 2016 at 10AM, at which time all bids received will be opened and the amount of the total bid and alternates read aloud. Failure of the proposer to complete all of the bid documents may result in rejection of the proposal. All bids should be identified as "Sealed Proposal – Town of Kearny Water System Improvements"

A bid security in the form of a certified check, cashier's check, or bid bond in the amount of 10% of the bid shall accompany each proposal. Bonding companies issuing acceptable bonds in conjunction with this project must hold a certification of authority to transact surety business in Arizona as issued by the Director of the Department of Insurance. All bid security shall be made payable, without condition, to the Town of Kearny. Said bid security shall be considered liquidated damages and shall be forfeited to the Town of Kearny in the event the proposal is accepted and the successful bidder fails to execute the contract and furnish the required bonds within ten (10) working days after the notice of bid award.

The Town will conduct a pre-bid conference and site inspection on May 11, 2016 beginning at 10 AM. Interested bidders should meet at the Town Hall, 912 C Tilbury Road, Kearny, AZ 85137, which is accessible to persons with disabilities. Individuals with special accessibility needs may contact the Town of Kearny, Anna Flores, Town Manager at 912 C Tilbury Road, Kearny, AZ 85137, or 520-363-5547 at least 72 hours prior to the meeting.

For additional information on plan and spec review locations and how to obtain plans and specifications, as well as additional bidding procedures contact: Ken Hebert, Community Development Specialist at 1075 S. Idaho Rd., Suite 300, Apache Junction, AZ, 85119, or 480-474-9300 or fax to 480-474-9306, or khebert@czagaz.org. CAG will supply information to multiple contacts and "plan rooms" for bidders' access.

The Town of Kearny reserves the right to accept the lowest, responsible bid; to consider alternatives; to reject any or all bids; and to waive irregularities of information in any bid. Bids received after the specified time of closing will be returned unopened. The Town of Kearny also reserves the right to hold any or all bids for a period of thirty (30) days after the date of opening, May 25, 2016. Bidders will not be allowed to withdraw submitted bids during the thirty (30) day period.

The Town of Kearny is an Affirmative Action/Equal Opportunity Employer

APS brings All-Stars Clinic to Hayden-Winkelman Little League

Players from the Hayden-Winkelman Little League recently learned what it was like to play like a big leaguer! 42 players ranging in age from 8-14 were on hand for the two-and-a-half-hour clinic followed by lunch, photos and an autograph session with former MLB players. Former Major League Baseball players Ron Davis, Lou Klimchuck, Dave Hilton and Ken Phelps were on-hand as the instructors for the clinic.

Hayden Mayor Smith, Winkelman Mayor Bracamonte and Pinal County Supervisor Pete Rios were in attendance to cheer on participants.

"It's always exciting to see the level of talent in cities and towns outside of Metro Phoenix," said Ken Phelps. "There are some great young players in Hayden and Winkelman that have a chance to excel in baseball and softball."

The APS All-Star clinic is a free program developed by APS Community Development consultant and former MLB

player Ken Phelps to offer instruction to attendees on the fundamentals of softball and baseball. With the help of other retired MLB players, Phelps conducts instruction on batting, throwing, running, infield/outfield drills. The clinic began as a program focused on youth organizations. Former Major League Baseball players Ron Davis, Lou Klimchuck, Dave Hilton and Ken Phelps were on-hand as the instructors for the clinic.

"APS is a great Arizona company that celebrated 130 years in Arizona today," said Richard Rosales, APS Community Affairs Manager. "It is very rewarding working for a great company that cares so much for the communities and gives back so much throughout Arizona."

APS, Arizona's largest and longest-serving electricity utility, serves nearly 1.2 million customers in 11 of the state's 15 counties. Stay up to date on the latest APS news and events by visiting aps.com or [facebook.com/apsfyi](https://www.facebook.com/apsfyi).
