LETTER TO THE EDITOR

Help sought for Senior Center Site Council

I am writing to you, to ask for the help, and the cooperation, from the community of Superior.

Recently, I took over as President of the Senior Center Site Council. In doing so, I am also helping in the Senior Center Thrift Store. We have posted signs in our window, stating the times we are open, and, also, the days and times we accept drop offs and donations.

This past weekend, instead of abiding by the notices on the windows, we received three televisions and several bags of clothing, and, miscellaneous items. The televisions were stolen, and the bags were ripped open and scattered all over the sidewalk and Main St.

This is not the first time this has happened. We continue to

have this problem almost every weekend. I personally witnessed this approximately three weeks ago. A microwave was left out in front of the Thrift store, again on a Saturday, and a person picked up the oven and started running off in broad daylight.

What I would like to let everyone know is that we, very respectfully, request that if you have donations, please bring them into the Thrift Store during the hours of operation. The store is open Monday - Thursday, from 9 a.m. - noon, with the exception of Tuesdays and Thursdays from 10:30 a.m. - noon, due to BINGO.

Please come and join us for BINGO, for you are more than welcome. However, the Thrift Store will be closed, with no exception.

If you have any questions, please call the Senior Center at 520-689-5182, or, me at 480-589-5240, if arrangements need to be made for donation drop offs.

Please help us to keep our Senior Center thriving, and keep our streets clean. Thank you, so much, for your generous donations, and, your cooperation in this matter.

Sincerely,
/s/ Diana Arnold-Sixsmith
Site Council President

Copper Corridor teams earn top seeds in playoffs

By **Andrew Luberda**
Copper Area News

Four softball teams and three baseball teams from the Copper Corridor earned postseason berths in the 2014 Division IV AIA State Championships.

Defending State Champion San Manuel (second), Ray (fourth), and Superior (fifth) earned three of the top five spots in the softball bracket. Each has a first-round bye and will play second-round games on May 9, 2014, at the Rose Mofford Sports Complex in Phoenix.

Hayden is the fourth softball team from the Copper Corridor to reach the playoffs. The 23rd seeded Lobos

took on 10th seeded Paradise Honors on May 3, winning in a surprising upset. The Lobos will play 7th seeded Desert Christian.

Bearcats head coach Rikki Galka said she is pleased with her team's performance down the stretch.

"We've figured out that it takes more than one or two players to be a team," Galka told Copper Area News. "We have to be united to keep climbing, getting better every day, and working hard."

On the baseball side, San Manuel (third) and Ray (sixth) earned first-round byes and will play second-round games on May 9 at the Goodyear Baseball Complex in Goodyear, Ariz.

The young Superior Panthers surprised everyone in the state except themselves in earning a postseason berth. The 11th seeded Panthers, led by senior Cesar Villalobos, junior Ricky Longoria, and freshman Nicolaus Cruz, crushed 22nd-seeded San Carlos in the opening round of the state playoffs, 10 – 0. The Panthers will play 6th-seed Ray in the second round. It will be the third meeting of the year between the teams.

The full brackets can be found at <http://bit.ly/1uwJkPL>. Follow www.copperarea.com for updates and future game dates as the teams advance through the playoffs.

SHS seniors take away \$172,000 in scholarships

By Mila Besich-Lira
Superior Sun

Superior High School seniors took away \$172,000 in scholarships last week during the annual academic honors assembly. The 2014 valedictorian and salutatorian were also recognized as the ceremony began. Ashley Barreras will be the valedictorian and Ariel Alonzo will be the salutatorian for the SHS class of 2014.

Many local groups and businesses awarded scholarships in various amounts as well as several new scholarships that were announced this year. Ashley Barreras was the recipient of the CTE scholarship which was only awarded to a limited number of career technical

education program recipients. Ariel Alonzo was awarded the U of A Wildcat Excellence award in the amount of \$24,000 scholarship to attend the University of Arizona where she plans to study to become a doctor. The Delta Kappa Gamma Society awarded Ariel Brammer with a scholarship.

Grand Canyon University awarded renewable scholarships to Jennifer Ybarra and Kiyoko Alonzo, both are planning to pursue medical degrees from GCU. Resolution Copper awarded renewable scholarships to Christopher Villaverde and Jennifer Ybarra, and Ashley Barreras. The Steven L. Besich leadership grant, sponsored by Resolution Copper was awarded to Christopher Villaverde.

Social Club de Damas awarded Ariel Alonzo and Kiara Romero with scholarships. Michael Nunez and Jeneca Hernandez were the recipients of the Superior Rotary Club scholarship. The Superior Optimist Club Richard Castaneda memorial scholarship was awarded to Christopher Villaverde and Jennifer Ybarra. Pinal County Juvenile Court gave scholarships to Eva Villalobos and Maria Barreras. The Lopez/Gomez scholarship was awarded to Christopher Villaverde, Jennifer Ybarra, and Ariel Alonzo. The Matthews family awarded Christopher Villaverde and Jennifer Ybarra the Stephanie Ward Memorial Scholarship. Manuel and

Sandra Silvas awarded a financial aid grant to Ann Frasier. Aja DeZeeuw presented Kiara Romero, Mariza Padilla and Kiyoko Alonzo with the David Montano Memorial scholarship.

Local business owner Patsy's Maldonado from Patsy's Be My Guest Salon awarded her "Giving Back" scholarship to Ariel Brammer and Eva Villalobos and the Cobre Valley Regional Medical Auxiliary awarded Kiyoko Alonzo and Mariza Padilla with scholarships to assist them with pursuing careers in the medical field. Central Arizona College awarded Ariel Alonzo and Ashley Barreras with academic excellence scholarships and recognized all the seniors who will be receiving a promise for the future academic award if they chose CAC as their college. Pinal County Federal Credit Union also offered a scholarship to Jeneca Hernandez if she chooses to attend CAC.

Graduation ceremonies for the Class of 2014 are scheduled for Friday, May 23, 2014 at 7 p.m. at the Memorial Football Field.

Superior High School held a special DUI event that included many hands on events for the students. They enjoyed talks from Sheriff Paul Babeu, Pinal County Attorney Landos Voyles and Mayor Jayme Valenzuela. Elizabeth Magallanez with the Substance Abuse Coalition and Mel Martinez, Volunteer Firefighter coordinated this special event for the students. It was a fantastic turn out and the students learned a great deal. This time last year a Mock DUI accident was put on for the students. "This is a different spin on the wonderful Mock DUI crash sponsored by the Superior Fire Department for the past two year," said Elizabeth Magallanez. "These events take many hours of planning and it is always rewarding to work with such professional organizations." Sheriff Babeu said, "We want to ensure that our youth don't make additional bad decisions when some choose to experiment with alcohol or drugs. Impaired driving has taken the lives of Superior youth in recent years. We are proud to partner on this proactive effort to educate, build trust and save lives."

The Sheriff Deputies spent time talking with the students and had them wear alcohol simulation goggles and walk a straight line and drive a golf cart thru traffic cones in the parking lot. There were different strengths of the alcohol simulated goggles and it was interesting to watch people walk in a straight line. Some couldn't do it, they were falling, swaying, couldn't see in front of them. It seemed to be a difficult task. One of the officers walked with the goggles with ease. Mel Martinez from the fire department wanted to try it and it was difficult for him. The students that drove through the golf cart through the cones were challenged, but no one was hurt and let us hope that lessons were learned.

Alcohol affects your brain, body, self control and ultimately can kill you. It is important to know the laws, stay informed and know the risks. If you have a friend who has a drinking problem encourage your friend to stop or seek help. Everyone should do their part to keep the members of our community safe and to help prevent a possible tragedy. Remember the life you safe could ultimately be your own.

The youth had the opportunity to visit with the Superior Fire Department and tour the gear. Firefighter's Jason Barragon and Mel Martinez and a member of the Sheriff's department spoke at the fire station to the youth about the importance of not drinking and driving and told some horrible stories they have experienced recently. The youth were able to check out the fire equipment and even got to experience putting on the fire department turn out gear. They crawled through the fire station on hands and knees to rescue a pretend person. One of the students even raced Chief Todd Pryor and Chief Pryor won! The students really enjoyed this.

Just before lunch the Air Evac/Native Air made a grand entrance on the Superior Football Field. Dave the EMT on board spoke to the students about what it entails to be on board the helicopter and some of the life threatening events they have to deal with on a regular basis. Air Evac/Native Air had a booth and answered medical questions from students and promoted job opportunities with their company. Air Evac/Native Air is used when situations are life threatening and need immediate attention. The care they provide is similar to the care you would receive in a hospital intensive

Superior students

care unit.

Thank you to the sponsors for making this a special event and caring so much for our youth: Native Air, Air Evac, Resolution Copper Safety Dept., Casa Grande Alliance - SADD Students Against Destructive Decisions, MADD - Mothers Against Destructive Decisions; SSAC - Superior Substance Abuse Coalition. Special thanks to Elizabeth Magallanez and Mel Martinez who both put in countless hours and time to make events like these happen in our community!

Panthers cruise in first-round victory

By Andrew Luberda
Copper Area News

The 11th-seeded Superior baseball team crushed 22nd-seeded San Carlos in the opening round of the state playoffs, 10 – 0. The Panthers will play 6th-seed Ray in the second round. It will be the third meeting of the year between the teams.

The Panthers jumped on the Braves early, scoring four runs in the first two innings. They scored six more runs in the fifth on their way to the shutout victory. Panthers' pitchers struck out 11 Braves' hitters and held them to only two hits.

It was a dominating all-around performance by a young Panthers' team with a number of freshmen who made their playoffs debut.

Next up for Superior is a second-round matchup with 6th-seeded Ray at 4:00 p.m. on May 9 at the Goodyear Baseball Complex – Field #5. The teams split two previous meetings with Superior winning the first matchup, 6 – 5. Ray won the second game, 12 – 2. This third meeting is the most important of the season with a trip to the quarterfinals on the line.

With a win, the Panthers would play the winner between 14th-seeded St. Johns and 3rd-seeded San Manuel on May 10 at 11:00 a.m.

Lady Panthers ready for playoffs

By Andrew Luberda
Copper Area News

After a regular season that found them at, or near, the top of the rankings each week, the 5th-seeded Lady Panthers will play a second-round playoff game this Friday. They'll take on 12th-seeded Bisbee at the Rose Mofford Softball Complex – Field #3. The game is scheduled for 4:00 p.m.

In the Lady Panthers' 17 – 14 victory over Miami in the regular season finale, Cierra Navarrette and Phalicittee Thomas each homered. Navarrette had four hits and five RBI in the game. Thomas tripled in the game. Gabby Salcido, Ashlee Guera, and

Juliana Ortega each recorded a multi-hit game versus Miami.

The Panthers, who won their final three games of the regular season, have three players – Cierra Navarrette, Elizabeth Ochoa, and Hunter Flanagan – among the top five leaders in batting average in their section. Gabby Salcido is the leading homerun hitter with nine in Section VI, the toughest section in Division IV.

The Lady Panthers will look to extend their winning streak to four games with a second-round victory over Bisbee on Friday night. With a win, they'll play the winner between 13th-seeded Phoenix Country Day and 4th-seeded Ray on May 10 at the Rose Mofford Softball Complex.

San Pedro River Festival a success

By **Nina Crowder**
Copper Area News

It was a spectacular weekend for outdoor activities! The San Pedro River Festival had a wide range of events and fun for everyone free of charge. The Copper Corridor Economic Development Coalition along with Arizona Audubon Society hosted the festival at the Winkelman Flats Public Park.

There were guided hikes, bird banding and walks throughout the San Pedro River and Gila River. The rivers are recognized for environmental values and people have been trying to protect and preserve different areas along the San Pedro Valley. The EPA issued regulations governing compensatory mitigation for

authorized impacts to wetlands, streams and other waters of the US under Section 404 of the Clean Water Act. These regulations are designed to improve the effectiveness of mitigation to replace lost aquatic resource functions and areas.

This fantastic area is very lush vegetation, white wild roses, Ash trees, Willow trees, other greenery, songs of birds and all kinds of varieties of birds. Some of the many birds in this particular area are Grey Hawks, Coopers Hawks, Northern Cardinals, Yellow Warblers, Summer Tanagers, Humming Birds and Oriole, just to name a few. Bird watchers of all ages enjoyed the different species.

The exhibits at the San Pedro River Festival included archaeology information, food and drinks, a Dinosaur

bounce house and rock wall, musical entertainment and a performance of a Spanish Dancing Horse and Rider – fun for the whole family. Two local book authors were there selling books about the area. Gregg Vinson of Jojoba Beef Company provided samples of beef. The Mammoth STEM School had representatives there and showed off some of the award winning exhibits they recently won at the SARSEF competition and even had youth there to serve chia pudding. There were many other talented people showing off their special talents with homemade items at the festival. There were limited tours providing informative and insightful information about the areas and the wildlife. Nature lovers and birdwatchers truly enjoyed

this special event.

The many vendors that helped make this day fun filled included Tucson Audubon Society, The Nature Conservancy, SRP, Resolution Copper, US Fish and Wildlife, Arizona Game and Fish, Jojoba Beef, Enriqueta Flores-Guevara, Central Arizona College, Archaeology Southwest, Aravaipa Canyon Preserve, Pinal-Gila Council for Senior Citizens and many others.

There were people from Superior, Kearny, Hayden, Winkelman, Dudleyville, Mammoth, San Manuel and Oracle. It was so nice to see so many people from other areas coming together. Thank you everyone that came out to support the San Pedro River Festival 2014!

CVIT hosts over 200 high school students at CVIT Day at GCC!

The third annual Cobre Valley Institute of Technology (CVIT) Day at Gila Community College (GCC) turned out to be a huge success. High school freshman and sophomores from Superior, Miami, Globe, and Liberty high schools participated in a career training fair at Gila Community College. Students had an opportunity to tour the Regional Training Center, home of the new state of the art welding lab and construction program. They also visited the Gila Pueblo Campus to learn about Fire Science, Medical Assistant, Nursing Assistant, Graphic Design, and Cosmetology programs. Life demonstrations were followed by a BBQ lunch. The event was hosted by over 100 CVIT Central Program students.

Special gratitude goes to the Globe Fire Department and Pinal Mountain Foundation for Higher Education for taking time to participate in CVIT Day at GCC. Thank you for making a difference in the lives of the youth in our community!

Public Notice

In accordance with A.R.S. § 27-1230, the Arizona State Mine Inspector is providing this public notice: Aggregate Mine Land Reclamation Plan Summary. **Responsible party:** Kalamazoo Materials 101 West Ventura Street Tucson, Arizona 85705 **Location of operation:** Old Superior Quarry The mining site is located on Apache Leap Road approximately 1 mile northeast of State Route 177, south of Superior, Pinal County, Arizona, in portions of Section 13 and 14 of Township 2 South, Range 12 East (parcel ID # 105-16-0010). **Physical characteristics:** Type of mine: Existing aggregate mine. Size of operation: Current operations have disturbed 20.26 acres. A historical disturbance (approximately 3 acres) is not included in this reclamation. Proposed depth of mine: Approximately 100 feet of material will be removed generally following existing topography. **Proposed reclamation timeframe:** Reclamation will occur concurrent with mining to the extent practicable. Decommissioning and removal of equipment are planned within 60 days of mining cessation. **Proposed Post mining land use:** The proposed post mining land use for the Old Superior Quarry is mixed use development. Reclamation grading will be considered preliminary grading for this purpose. **Reclamation Measures:** Mobile trailers, scales, crushers, conveyors, tanks, generators, etc. will be removed. Access roads and easement will be left for future property access. Gates will also remain. Where mining leaves slopes steeper than 2H:1V, berms will be placed at the top of the highwall, and material will be placed at the toe of the slope to achieve a final 2H:1V slope and stabilize the highwall. If necessary, geotechnical investigation will be performed to confirm stability. **Revegetation** will consist of natural revegetation after grading and disking to 12 inches depth. However, reclamation costs include hand broadcasting of seed onto prepared surfaces. Natural drainage patterns will be maintained. Remaining stockpile material will be used for slope stabilization and erosion control. **Questions and comments regarding this notice or to access a copy of the plan, you may contact: Office of the Arizona State Mine Inspector; Reclamation Department; 1700 West Washington St., Suite 403; Phoenix, AZ 85007; Phone: (602) 542-5971 Fax: (602) 542-5335. Any person who may be adversely affected by the plan may file written comments on the plan within fifteen days after May 8, 2014 (the last publication date), and/or to request a public meeting. In Memoriam

Payito

11-25-63 – 5-9-08
You never said I'm leaving.
You never said goodbye.
You were gone before we knew it
And only God knows why.

A million times I needed you.
A million times I cried.
If love alone could have saved you
You never would have died.

In life I loved you dearly.
In death I love you still.
In my heart I hold a place
That only you can fill.

Love, Dina

SSAC hosts successful Cinco de Mayo event

The Superior Substance Abuse Coalition hosted the seventh annual drug and alcohol free Cinco de Mayo event at the Magma Club. The event included free entertainment by the youth performing groups Baile Folklorico Alma de Superior and Mariachi Ensueno from Tucson. All participants were able to participate in pinata breaks and rock walls. Los Hermanos restaurant catered a free

traditional Mexican dinner. The highlight of the event was the crowning of the Cinco de Mayo King and Queen. Queen Terrace Flowers was escorted by the 2013 King Armando Sandoval. Jose Lira Jr. was selected as the 2014 King but was unable to attend the event due to a family emergency. Each year the event is supported by many local businesses and organizations.

SOUTHWEST GAS

CALL 811
Before You Dig!

One simple call to 811 gets underground utility-owned lines marked for FREE.

Whether you're a homeowner or professional excavator, every digging job requires a call -- even small projects -- so be sure to:

- Call 811 at least two days before starting any digging project
- Wait for the site to be marked
- Respect the marks
- Dig with care

Not calling can be life threatening and costly. You can harm yourself or others, disrupt natural gas service to an entire neighborhood, and potentially be responsible for injuries, repair costs, and criminal penalties.

If you ever suspect a natural gas leak, call **911** and Southwest Gas at **1-877-860-6020** immediately, whether you're our customer or not.

For more information about natural gas pipeline safety, visit swgas.com/safety or call **1-877-860-6020**.

Superior School has kindergarten round-up!

The Superior Unified School District is enrolling children for Kindergarten. On Monday, May 12, 2014, the John F. Kennedy Elementary staff will begin registration for next year's Kindergarten. Children must turn five (5) years-old before September 1, 2014 to attend Kindergarten in Superior Schools. A Birth-certificate, Immunizations record, and proof of residency are required for registration. Parents will need an appointment for their child.

Superior Schools offers all-day Kindergarten. The schedule is Monday - Friday from 8am through 2:30pm. Kindergarten students participate in many literacy-based activities to further develop reading skills as well as math-based and social skill activities. Superior Schools also offers every student a free breakfast and lunch each day. Bus transportation is available.

For more information or to get an appointment, please call Angela Olmos (520-689-3051) or Maria Munoz (520-689-3105) at the school.

Superior Unified School District is a full-service public school with a federal designation as a "C" district. We strive to provide each student with a rigorous and relevant curriculum, a highly-qualified staff, where each person is accountable. You are encouraged to please visit Superior Schools and discuss our successes and programs.

We are located at: 1500 Sunset Dr, Superior, AZ 85173. Office Phone: 520-689-3000
