## OBITUARY

# Angelina Renee Soto

Angelina Renee Soto departed this world on March 5, 2019 at Desert Banner Hospital in Mesa.

Angelina was born on Nov. 1, 1979 in Superior to Rosemary Hernandez and Mark Macias. She attended school in Superior until her diagnosis of Lupus in January 1997. Although she was ill she never allowed it to control her. Angelina lived her life to the fullest. She enjoyed

life's simple pleasures such as fishing, camping and good music.

Angelina loved her family and always looked forward to spending time with all of them at her sister's and brother-in-law's ranch in Torreón, New Mexico. She was closest of all to her mom Rosemary, who was dedicated to helping and guiding Angelina through life with her illness. They lived, laughed and traveled through the highways of life together.

Angelina had a quick-witted humor and was always cracking jokes at every opportunity. She had an amazing

love for animals and had many pets through the years.

Her smile held the innocence of a child and could brighten up an entire room. Her memories she leaves us with will forever be our light we cherish and share on our upcoming days without her.

She is preceded in death by her one and only baby girl, Soledad, and one of her favorite nephews, Michael Lopez. She is survived by her parents, Rosemary Hernandez and Mark Macias; siblings, Anna Garcia (Paul), Paul Macias (Maggie), Mark Macias Jr. (Angie), Christine Macias Gomez, Joey Macias (Gloria), Carlos Macias (Michelle) and Sandra Meraz; and countless nieces, nephews, great nieces and nephews and friends and family who love and cherish the time we had with her.

Angelina's kind heart and amazingly strong spirit will never be forgotten. Run free atop the clouds, Angelina. You will forever be greatly missed.

The funeral service was held at Revive Christian Fellowship of Superior.

# Ray thwarts Superior's chance at a 3-peat

By Andrew Luberd  
Copper Area News

The Ray softball team won its second state championship in four years on Monday night at Farrington Stadium on the campus of Arizona State University, defeating rival and defending state champion Superior, 7 – 4.

“Our girls never gave up,” Ray head coach Rene Pacheco said after the win. “We knew we were going to have some clutch hits. We had faith in each other.”

Ray, which entered the playoffs as the state's top-ranked team, and Superior have combined to win the past five Division IV then 1A Conference championships. The Pantherettes took the title in 2015, 2017-18 while the Lady Cats won in 2016 and now 2019. During that time, the two teams have played at least twice during the regular season and three more times in the state playoffs, including twice in the championship game. Superior defeated Ray to win

the 2017 title, 1 – 0 before Ray exacted a little revenge in 2019. To say the teams are familiar with one another would be an understatement.

“We have three small communities within 20 miles – Superior, Hayden and Kearny – all baseball and softball little towns,” Pacheco said. “Our girls knew it probably was going to come down to us two. We had to hope we weren't on the same side of the bracket because we wanted a chance to play Superior in this game.”

“We have a lot of respect for the Superior girls,” he continued. “Every game has been a battle as you can tell.”

Ray held a 4 – 2 lead entering the Superior fifth, when the Pantherettes scored a pair of runs on an error and RBI single by Marissa Estatico to tie the game. Ray answered in its half of the inning after Danielle Barajas hit an RBI single to drive in Ameer Kenyon, who had doubled earlier.

The Lady Cats added a pair of insurance runs in the sixth. Julie Meza singled to drive in a run before Kenyon,

who went 3-for-4 in the game, tripled to plate Meza.

“(That run) was extremely important,” Kenyon said. “It was a good feeling.”

Ray starter Daniella Hinojos, who started every game this season, earned the victory. Having the Lady Cats' ace on the mound was a confident booster for her teammates.

“We knew having Daniella on the mound would give us a chance; she has all year,” Pacheco said.

Added senior Tara Lorona, Ray's All-Region catcher: “There was no doubt Daniella was going to have a good performance. She's been prepared for this all season and she was dialed in.”

Superior, which scored the first to runs of the game, just couldn't match its offensive production in the later innings.

“We had some fatigue,” Superior head coach Al Lopez said. “I thought we were going to hit the ball better (at the end) but we didn't.”

Runners up for the 1A Softball Championship, but still champs in our eyes. Congratulations, ladies, on a great season!

# Town of Superior hires Town Engineer

The Town of Superior recently hired an in-house Town Civil Engineer, Svetlana Clark.

Svetlana and her husband moved to Arizona from the Bay Area of California. She was born and raised in Russia and attended college in Russia to become a Civil Engineer. She shared that she had wanted to become a teacher like her mother, however her mother wanted her to have bigger opportunities and insisted she study to become a civil engineer.

"We did what our parents said, no complaining," she said. Ultimately, she has found a love of working to design the land to accommodate development and growth.

During her career in the Bay Area, Svetlana worked for CalTrans. She enjoys working with the tech programs for civil engineering. She devoted time to learn the Auto CAD program on her own, which has been valuable to her career. In California, she worked the development of roads and infrastructure around the Golden Gate Bridge.

In just a few short weeks with the Town of Superior, she has designed and prepared several upcoming town projects including the expansion of Besich Park, the US 60 Park improvements and various road work projects. She also meets residents who are processing building permits. In many cases, if permit fees are paid she can

approve plans and designs within 24 hours. She is also there to provide more hands on customer service for those who are planning to build or expand a structure.

She enjoys working in Superior.

"It is beautiful here and the people are very nice," she said.

Svetlana grew up loving the books of Jack London and many western novels and now she can live in the terrain and geography that made these stories come to life.

"I am happy to be here and help the Town make things better," she said.

Svetlana and her husband enjoy traveling around the state of Arizona. She enjoys gardening and growing things. She grew up on a farm in Russia, the opportunity to continue planting and growing a garden reminds her of home and also provides a relaxing activity. They have a 21-year-old daughter who will be moving to Arizona to attend Arizona State University.

The hiring of an in-house engineer will save the town \$20,000 a year and will provide more immediate customer engagement when permits come in to the Town. Over the past two years, permit applications increased in addition to the ongoing Town projects that require civil engineering work. The Town will maintain a contract with Willdan Engineering for final stamps and approvals.

Svetlana Clark is the new town engineer.
