Funds available to help weatherize homes

Community Action Human Resources Agency (CAHRA) has funding to assist eligible low-income homeowners in Pinal County with Weatherization, according to Mary Lou Rosales, Executive Director.

Under the Weatherization program, improvements are made by CAHRA to help reduce energy consumption and energy costs. A thorough assessment of the eligible home is performed including diagnostic and blower door testing to determine where the house is losing energy and what can be done to stop the loss. The auditor will also assess health and safety issues that might exist in the home. A test to determine carbon monoxide leakage is also done.

Minor repairs are made to make the home safer, more sound and secure. Families are counseled as to changes in their energy use habits, which will complement the work done on the homes, and help promote the conservation of energy. After making the efficiency upgrades, the family could save from 5 to 30% on their energy bill.

Based on the results of the home assessment, weatherization

repairs may include repair or possible replacement of old cooling and heating systems, repair or replacement of leaky ductwork, insulation, the replacement of old inefficient refrigerators and the addition of sunscreens. Funding may also be available to assist homeowners with the repair or replacement of non operable appliances and water heaters.

Homes needing larger repairs such as roofing, ceilings, floors, window or door replacement, plumbing, electrical or major rehabilitation may not be eligible for the weatherization program.

Funding is provided by the Department of Energy and Low-Income Home Energy Assistance Program through the Arizona Department of Housing. Arizona Public Service, Salt River Project and Southwest Gas Corporation also provide funding for the program. Funding for minor home repairs and appliances is provided by Utility, Repair, Replacement and Deposit funds through Arizona Community Action Agency. CAHRA does not have funding for emergency home repairs or rehabilitation.

Eligibility includes: 1) household must be low income, 2) the home must be located in Pinal County and owned by the applicant or be in process of purchasing, 3) applicant must have lived in the home for at least 12 months, 4) mortgage payments and property taxes must be current. An application must be completed and verification of income, home ownership and other documents must be provided.

It's important to stress that the Weatherization program is not an emergency home repair program and applicants may be placed on a waiting list.

For an application or for information call the CAHRA office at 520-466-1112 or toll free 1-877-472-2472 (from long distance areas only) or write to 109 N Sunshine Blvd., Eloy AZ, 85131 ATTN: Weatherization Program.

Dance troupe to visit Miami

Salida, a world-class Filipino cultural presentation of colorful dance and exciting music, is coming to Globe-Miami for a special evening performance on Saturday, May 12. They will be at the newly-renovated Miami High School Auditorium for a 7 p.m. performance.

Fr. Arnold Aurillo, pastor of Holy Angels parish, said the dance troupe is from his hometown of Leyte in the Philippines. The dancers have come to the United States on a goodwill tour as thank you for the tremendous amount of aid sent by Americans after a horrific typhoon struck the Philippines in 2013.

Although the bulk of their tour travels to much larger cities such as New York, San Francisco, Anaheim and Austin, the troupe is coming to Globe at the request of Fr. Aurillo, who

admits to "twisting the arm" of the show's director who he knows personally.

"This is a show of gratitude for the help people sent at the time," he said.

There is a local Filipino community that will help with the logistics of lodging and meals, but ticket sales for the May 12 show will be the most important way to underwrite the trip.

Tickets for the show are \$25 for general admission tickets. There are some VIP tickets to be seated at the front of the audience as well. Tickets are available at the Globe-Miami Chamber of Commerce at 1360 N. Broad St. Tickets and more information can be obtained by calling Fr. Arnold Aurillo, 928-425-3137; Lyn Terania, 410-350-1297; Ren Magboo, 443-983-5849; or Maria Brusoe, 928-200-0559.

Superior again—Panthers claim 2nd

By Andrew Luberd
Superior Sun

The Superior softball team defeated third-seeded Bagdad, 13 – 7, at Arizona State's Farrington Stadium on Monday night to win the 2018 1A Softball State Championship. It was the Panthers' second state title in the last four years. They last won it in 2015, making this year's seniors two-time state champions.

After a scoreless first inning, the No. 1-seed Panthers used a combination of powerful hitting, speed and aggressive baserunning in the bottom of the second to take a commanding 7 – 0 lead early. "We had to," Superior head coach Martin Navarrete said afterwards about his team's need to be aggressive. "We knew they could score runs, we knew they could swing the

bat. We knew we had to score first to put the pressure on them and that's exactly what we did."

Indeed, the Panthers did, and it all started after two outs.

Lindsay Ketron doubled to start the rally and the next six hitters all reached and eventually came around to score. Anlysse Jaurez, McKenna Duarte, Anisah Cardenas, Kiki Arriola, and Marisa Estatico all had RBI hits in the inning. The biggest was Estatico's two-run triple, which was one of two triples she hit in the game.

With Arriola, the best pitcher in the conference, in the circle, a 7 – 0 lead would seemingly mean game over, but the Sultans showed some fight, answering the Panthers big inning with two runs in the third. The Panthers' offensive continued their onslaught, scoring four more in the third

and another in the fourth. They held a 12 – 2 lead entering the fifth, needing three outs to clinch the championship.

Not so fast, however.

Bagdad benefitted from Arriola's temporary inability to command the strike zone and they were able to take advantage, rallying for four runs to at least put the Panthers' celebration on hold.

"I think it was her adrenaline, she was pumped," Navarrete said about his ace. "My hat's off to Bagdad, they swung the bats and scored the big runs when it need them.

"Kiki's a senior, so she calmed down and did what she needed to."

The Panthers' defense helped pick up Arriola, who issued an uncharacteristic four walks in the fifth.

"My defense was behind me," Arriola said.

"I'm so grateful for the team(mates) that I have."

It didn't take long for Arriola to get back on track on the mound, but first she continued her perfect night (4-for-4) at the plate, blasting a homerun over the wall in left field.

The solo dinger was a dream come true, literally.

"I actually had a dream that I hit it out at ASU Stadium and it happened today," she told reporters after the game. "It's way better than the dream, way better."

The adrenaline was certainly pumping again inside the circle in the sixth, but this time it yielded far different results as Arriola fanned the side.

After a perfect game against St. Michael in the state quarterfinals, Arriola gave a "no comment" when asked about her

Superior wins the 1A Softball State Championship!

State Championship in four years

performance in that game. There were bigger innings ahead.

“I didn’t want to get ahead of myself,” she explained. “I wanted to stay humble about what I’ve been doing.”

Bagdad added a run in the seventh, but it was just for cosmetics. Superior started fast and never really was in danger of blowing a 10-run lead.

“Now that we’ve finally pulled it off it feels

so much better,” said Arriola, a Glendale Community College commit.

“We knew it wasn’t going to be easy, but we deserve it,” she added. “We worked hard for this. It’s so amazing. I can’t even

explain the emotions going through my head right now.”

No doubt, Arriola is not the only Panthers’ player feeling the same emotions. Superior is *Title Town* once again.

Cards of Thanks

Words do not express how thankful I am for the family and friends who came together to celebrate the life of my brother, Arthur M. Bracamonte. He is now resting in peace.

A special thank you to my Uncle and Aunts Richard and Laly Bracamonte, Rex and Angie Chavez, Dave and Lupita Bracamonte, and all of my cousins and their spouses for the help they gave me with luncheon planning, food, and thoughtful gifts.

Thank you as well to Father George Kunnel, the women and men of the Infant Jesus of Prague Catholic Church for preparing the luncheon and Dr. James (Jimmy) Celis for the beautiful eulogy. I am eternally grateful for your love and kindness.

**With love,
 Roberta and Peter
 Guzman Jr. and family**

Mike O'Neal, CVIT's executive Program Director getting his blood drawn by one of the Medical Assistant students.

CVIT continues to expand

What does college, and career ready mean?

College today means a lot more than just perusing a four- year degree at a university. Being “college ready means being prepared for any postsecondary experience, including study at 2- and –four year institutions leading to a postsecondary credential (i.e. a certificate, license, Associate’s and Bachelor’s degree). In today’s economy a career is not just a job. A career provides a family-sustaining wage and pathways to advancement.

CVIT with its Central Programs offers career readiness while still in high school. Superior, Globe, Miami, San Carlos, Hayden Winkelman and Kearny students take advantage of free college training that leads to community college and/or industry certifications. “With wide range of program offering we hope not only to reach interest of students in our communities, but also meet the industry needs” says Pete Guzman CVIT’s Superintendent.

CVIT is one of the 14 public Joint Technical Education Districts (JTED) in the state of Arizona that provides specialized vocational education, known today as Career and Technical Education (CTE) to students residing in Copper Corridor of southern Gila County and northeastern Pinal County. CVIT’s partner high schools are: Ray, Hayden, Miami, Globe, San Carlos and Superior. CVIT funds and provides support to 20 programs in their member schools.

CVIT partners with local Community Colleges

CVIT has college programs housed at Gila Pueblo Campus and Regional Training Center of Gila community College and Aravipa campus of Central Arizona College.

The 2018-2019 Programs offered thru Gila Community College:

- Nursing Assistant
- Medical Assistant
- Dental Assistant
- Welding Technology
- Construction Technology
- HVAC
- Film and TV
- Stage Craft

2018-2019 registration is open!

Please see your high school counselor for application. For more information please contact Mike O’Neal at 928-242-1970 or email: mo'neal@cvit81.org
