Virtual training opportunity extended for volunteers in Gila County; need for Court Appointed Special Advocates in Gila County continues to increase

Throughout the month of June, CASA of Gila County is utilizing a virtual meeting platform to offer the CASA of Arizona pre-service training.

“Our need for local volunteers for our children from Gila County communities who are living in foster care settings, continues to increase” said Nader. “We need adults who can commit to advocating for the child and the child’s needs. We hope that by offering training that can be completed from home, we will come back from this pandemic with a strong volunteer base to meet the number of children in care.”

Applying to become a Court Appointed Special Advocate (CASA) volunteer is easy!
Apply online at www.CASAofGilaCounty.org.
CASA of Gila County will contact applicant with upcoming pre-service training dates.

Choose training date that best fits your schedule and get started!

Pass background checks and complete observations.
Swearing in with presiding judge.

CASA of Arizona is offering a flexible pre-service training in an online interactive virtual environment. This training opportunity will be completed in a 6 week training cohort that includes meeting live once a week with your training group, online discussions with the trainers and other CASA applicants, and online activities to enhance learning. The deadline for registering for the online course is quickly approaching. Apply today!

“I have several community members who tell me they would volunteer for our children in foster care but they do not have the time to commit to the initial training.” said Emily Nader, CASA Coordinator. “This is a fantastic opportunity for those who fall into that group! They can complete their application online, complete all pre-service training from home in a live training session, and then when we can meet in person, we will complete the process.”

CASA of Gila County is looking for adults who have a heart for children and are willing to be the voice of a child living in foster care. No special background or education is required to become a CASA volunteer. We encourage people from all cultures and professions, and of all ethnic and educational backgrounds. Once accepted into the program, you will receive all necessary training in courtroom procedures, social services, the juvenile justice system and the special needs of abused and neglected children.

Requirements include:

At least 21 years old.

Willing to complete necessary background checks, provide references and participate in an interview.

Complete a minimum of 30 hours of pre-service training.

Availability for court appearances, with advance notice.

Willing to commit to advocating for the child/children until the case is closed.

To learn more about becoming a CASA volunteer, call 928-402-4427, email Emily Nader at enader@courts.az.gov or visit www.CASAofGilaCounty.org.

The sky is falling ... at Palo Verde RV Park?

Earlier this month, Chuck Jordan, the new owner of the Palo Verde RV Park in Winkelman, found something strange on his property.

The white boxlike object had writing on the side proclaiming it to be property of the US Air Force.

Jordan called 911 and the Winkelman Fire Department arrived to dispose of the object.

A closer look showed that the object was a flare from a military jet. Flares like these are deployed to counter heat seeking missiles. It's phosphorus based and burns very, very hot.

Kearny Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damages are estimates.

Activity listed May 24 through June 6.

May 26

A stolen vehicle was recovered on Mountain View Circle.

May 29

An accident was reported on the 300 block of Alden Rd. No injury was reported.

May 31

Two juveniles were arrested at Hwy. 177 at milepost 145. One youth was arrested for possession of marijuana and the other for possession of a tobacco vape device.

June 5

Carlos R. Galvan, 45, was arrested on the 300 block of Alden Rd for driving while suspended. He was cited and released.

Calls not listed include: traffic (31), suspicious activity (5), citizen assist (2), animal/cattle complaint (3), found property (4), ambulance request (14), fire call (3), agency assist (4), parking violation (1), extra patrol (1) and motorist assist (2).

Winkelman firefighters assess the flare (pictured at right) and determine the best course of action to dispose of the flammable object.

Ray grads honored at unofficial commencement

A special graduation ceremony was held Saturday at the Kearny Little League Field.

It was similar to a regular commencement: The grads marched

to their seats. The Valedictorians and Salutatorian gave their speeches. The graduates were awarded their diplomas. They had a tassel exchange.

There was a good turn out of family and

friends.

The main organizer was Lana Hatfield whose daughter is co-valedictorian. She said the grads needed more than just receiving their diplomas.

The emcee for the event was teacher Joe Fuerstenberg. Kearny Mayor Debra Sommers handed out the diplomas.

As customary, there was a lot of celebrating and picture taking.

Ray's Co-Valedictorian Aaron Acevedo gives his address to the audience.

Shelby Yocum, Ray's Co-Valedictorian, gives her speech.

Savannah Ortiz, Ray's 2020 Salutatorian, addresses the crowd.

The class of 2020 are ready to received to receive their diplomas.

Joe Fuerstenberg, a teacher at Ray Schools, served as emcee and also announced the graduates.

The Ray High School Class of 2020 takes its own picture.

Danielle Barajas receives her diploma from Kearny Mayor Debra Sommers.

Julia Bray provided music for the Ray Grad Ceremony with her cello.

Lobos' Perez and Guillen named Principal Award honorees

By Andrew Luberda
Copper Basin News

Hayden High School student-athletes Sarrah Perez and Manny Guillen were recently named the recipients of the annual Principal Awards, which celebrates outstanding achievement by dedicated students in the realms of academics, athletics and other contributions to the school.

A committee of school administrators chose the two deserving athletes. Recipients are chosen from grades 9-12. The criteria these student-athletes must meet to be recognized for the award include being high-achieving students who demonstrate leadership, promote commitment in academics and athletics, have a desire to succeed, and are great teammates.

"Being named the recipient of the principle award truly means a lot to me," Perez told the Copper Basin News in a text. "It proved to me that hard work does pay off.

"I couldn't be anymore thankful for being selected as the recipient and for the people

who helped me along the way."

Added Guillen: "Being (honored with) the award makes me realize how much I've achieved in high school and how fast everything happened."

Perez, a junior, is a three-sport athlete – volleyball, basketball and softball – who plans to play basketball at the next level after her graduation in 2021 but acknowledged her plans are fluid as she is "keeping all my options open to whichever school will offer me the best opportunities toward my future career."

Guillen, also a junior, is a three-sport athlete as well – football, basketball, and baseball – who plans to attend Northern Arizona University to study electrical engineering after he graduates in 2021. He said participating in athletics has helped prepare him with the knowledge of how to stay active in life after high school.

Perez also learned future benefits from participating in athletics at Hayden.

"Athletics have taught many qualities that life revolves around," she said. "Athletics have taught me what it feels like to win or lose, integrity, respect, how to be disciplined, to work hard for what I want,

and most important that hard work does pay off."

Hayden athletic director Lydia Martinez takes great pride in seeing Hayden student-athletes achieve their goals; it is her job, she says, to help provide them

with opportunities.

"My advice to Sarrah and Manny for their senior year is to continue being great role models to the youth, keep pursuing higher academic goals, and be the best teammates they can be."

The 2020 Principal Award winners are Sarrah Perez, left, and Manny Guillen.

Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

Mammoth Pool is Open

The Mammoth Pool is open to the Public. The schedule will be changing throughout the summer, so please check out our Facebook page for the latest news and schedule updates. You can also check the Town of Mammoth website or call the pool at 487-2031.

Superior Unified School District Survey

Superior Unified School District (SUSD) is asking parents for their input on planning for the upcoming school year. If you have children attending SUSD, please take a moment to fill out this brief 12 question survey regarding your thoughts on the school reopening. Your input is important to us and will go a long way in helping us plan for our upcoming school year. Just use your phone to scan the QR code above. Thank you.
