OBITUARY

Gloria V. Lopez

Gloria V. Lopez left her family and friends to return home to the Lord on Thursday, June 6, 2019. Gloria was born in Villa Hidalgo, Mexico on Jan. 11, 1934, to parents Refugio and Maria Jesus Valencia. She had 85 wonderful years filled with love, laughter, and family. Gloria was dedicated to her church at St. Joseph's Parish and very devoted to her faith.

Gloria was raised in Mammoth, AZ with her five siblings. It was a special night at a dance where she met her Corazon of 60 years, Ynez "Nechie" Lopez. Nechie didn't waste any time and married his one true Corazon on Nov. 29, 1958 and started their family. Gloria raised her three

daughters, Anna, Lydia and Carol. She was blessed to be with her daughters and share in their accomplishments, but the time came for her grandchildren Angelica, Marisa, Jacque, Thomas, Helene and Robert "R.J.", Alejandro "Jando" and Joaquín "Kino". She was a proud Nana who spoiled them with food, coffee, cookies and love. As much as she showered her grandchildren with her love and attention nothing compared to seeing her express her admiration for her great-grandchildren, Pedro, Ismael, Maribel, Ezra, Keiston, Kolton, Serena, Orlando, Kendall and Leighton. She made it to all the events to cheer and support the people she loved. The selflessness never ended, Gloria helped raised her niece Stella Manriquez as their fourth daughter, although she did not have any sons, Stella's sons Randy, Anthony and Gloria's baby Daniel Manriquez were there every day receiving all her heart and soul. Her touch, her embrace and the feeling she radiated will be forever missed.

Gloria was a woman who was active in the community. Many nieces, nephews and friends to her children and grandchildren were given the amount of love and energy she shared with her own. She was proud of every accomplishment that was made but nothing beats her love for watching those she loved play sports. In attendance to games at home and a far, she was there cheering them on. Her green chili meat became legendary for the Hayden Schools sports program and the recipe and tradition has

been carried on by her daughters and grandchildren. Her love and affection were shown through her time teaching how to cook, her morning coffee ritual, her endless supply of sugar free candy, the snacks she picked special for every child and ice cream on hand for everyone that walked through her doors.

Gloria joins her parents Refugio and Maria Jesus Valencia, her brothers Luis, Raul and Ignacio Valencia, her sister Josephine Carrillo, her granddaughter Angelica Guzman, and nephew Randy Manriquez. She is survived by her husband, Ynez Lopez, and sister, Maria Jesus Borboa. She is also survived by her daughters, Anna Guzman, Lydia (Thomas) Martinez and Carol (Jeronimo) Lorona; 7 grandchildren, 10 great-grandchildren and many nieces and nephews.

Gloria will be remembered as a strong, generous, loving, kind and remarkable woman. We follow in your footsteps and love you more, "Como dicen tu Nina Fina"

Services for Gloria will be held Friday, June 14, 2019 at St. Joseph's Parish in Hayden. Visitation will begin at 8:30 a.m. followed by Rosary at 10 a.m. and Mass will follow at 11 a.m. She will be laid to rest after services at Mountain View Cemetery in Hayden.

Services are being provided by Griffith Mortuary.

Mammoth Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damages are estimates.

Activity listed May 28 to June 5.

May 29

Joseph Gonzalez, 56, was arrested in the 700 block of San Manuel Dr. and was charged with theft. He was cited and released.

May 30

Domestic violence was reported in the 400 block of S. Main St.

May 31

Ryan Elliott, 27, was arrested in the Aravaipa area and was charged with felony flight, resisting arrest and

OBITUARY

Eric Harrison

Eric Harrison, 51, passed away in San Manuel from pancreatic cancer. Eric is on his forever hunting and fishing trip. He left this world peacefully, in his home, surrounded by all 'his girls' and his faithful Labrador, Mac, on Friday, June 7, 2019. Thank you, Soreo Hospice Care and Palliative Care for clearing the runway for his final take off.

Eric is reunited with his dad, Tom "No Biggie" Harrison and his brothers, Mark and Bobby.

He is survived by his beloved mother, Edith Harrison; brother, Rod (Kelly) Harrison; sister, Joyce (Robert) Prescott; the love of his life, Melissa "Missy" Harrison; three beautiful daughters, Amber (Chris) Quiroz, Jessica (John) Frazier and Erika (William) Wallace; and eight wonderful grandchildren, Christopher, Michael, Brionna, Brooklynn, Jacob, Aedan, Carson, Evan.

Eric graduated from San Manuel High School in 1985. He gained his work ethic from Mr. John Dicus at the Chevron Station in San Manuel. He was a heavy equipment mechanic and an operator for Garrett

Construction Anaheim, Ca., Magma Copper Company from 1987 until its closure in 1999. Tyson Mining became his next adventure. He then worked many years for Western Industrial and, later, the San Manuel Arizona Railroad Company. Hands down, his favorite job was working alongside his Dad and Mom on their home rental business in San Manuel.

Eric loved hunting, fishing, airplanes, and Jeep and Harley rides. He loved his family dearly and his grandkids were the apple of his eye. He was fortunate enough to have a band of lifelong friends whom he considered brothers. He was also lucky enough to make a few more of those brothers along his journey, in this lifetime.

Eric loved Arizona: its nature, beauty, vast space and the freedom it brought into his life. It was his home. Along with hunting and fishing, he found that aviation was one of his passions. He restored and flew a vintage Ercoupe airplane with one of his best buddies, Absey Bogle. He and his lifelong friend Parish flew it to Arizona from West Virginia so Absey and he could restore it. He always spoke

fondly of his time at the San Manuel Airport.

Services will be held at San Manuel Elks Lodge, 143 Eighth Ave. in San Manuel on June 15 at noon. Lunch and fellowship will follow. In lieu of flowers please donate to PanCan.org for the furtherance of research for Pancreatic Cancer.

MAMMOTH POLICE REPORT

Continued from page 2

criminal damage. He was transported and turned over to the Tucson Police Department.

June 5

Bryce Garrett, 34, was arrested in the area of Vine and Old Hwy. 77 and was charged with driving on a suspended

license and theft. He was transported and booked into the Pinal County Jail in Florence.

Calls not listed include: medical (4), traffic stop (5), fire (1), welfare check (1), citizen assist (7), agency assist (2), disturbance (1), suspicious activity (2) and animal complaint (1).

Obituaries are published free of charge in the San Manuel Miner. If you have an obituary you would like us to print, please submit it online at copperarea.com. Click on "Customer Service". You can also request our newspaper through the mortuary or funeral home.

We would like to say thank you to everyone that helped out with the golf tournament and made it a success. A special thanks to everyone who donated and gave their time to help in the kitchen and helped get things ready for the tournament. Also thank you to all the golfers that came out to support this important cause. We greatly appreciate and are overwhelmed with everyone's generosity. Thank you.

LETTER TO THE EDITOR

A Tale of Two Cities – Part 3

One out of every four homes in San Manuel is a rental. Very few of the landlords that own these rentals live in our town. As absentee landlords they rarely know, review, or have even met their tenants. For this reason their properties are often the least cared for and can sometimes harbor the most disruptive, neglectful tenants. Do you think that a landlord who has probably only set foot in San Manuel once or twice really respects or thinks about you being a neighbor to their rental? Does their selection of tenants demonstrate that they care about what you and other neighbors feel and want for their neighborhood?

If you plan to sell your home, please seek a buyer who is going to make that house their home and residence. Local realtors – please make an effort to work this way. San Manuel does not need more rentals and absentee landlords. We need more resident property owners, people who have invested their hard-earned money in a home and show a vested interest in maintaining it as well as the neighborhood they live in.

I have seen very few rentals in San Manuel that are well maintained and kept in good shape. It is the property owner's responsibility to enforce a meaningful lease, a lease that states what the tenant can and cannot do as well as what the landlord expects of them. A good landlord won't shy away from enforcing the lease and showing consideration to their property's neighbors should the tenants prove to be less than considerate or less than kind. It's just a basic sign of thoughtfulness and respect, easily lost when a landlord is only in it for the cash flow. So please show consideration and respect when you sell your home. And my request to the absentee landlords of San Manuel is to please consider this: would you like it if your renters lived next to you? If the answer is no, please change your ways.

So what ingredients make a good lease, a lease that is specific in its consideration for the landlord, the property, the tenants, and the neighbors? Well first and foremost, a good lease mitigates problems before they occur. It spells out who can live at the property, how many overnight visitors can stay and how often, it defines how many vehicles can be parked on the property as well as what activities are allowed and what are not allowed. The lease is tailored to all county, state, and federal laws while keeping in mind what additional terms the landlord feels are reasonable for their particular rental

situation.

What you might consider as common sense and not needing to be spelled out in a lease is the most common incorrect assumption that a new landlord or property investor can make. They typically use a generic lease that is just asking for challenges from tricky tenants. I am not currently a landlord, however I have been several times in my life. Four times to be exact, starting in 1976 and ending in 2003. I have recently researched leases, rental property law, and how to help our San Manuel landlords define specifically the rules and regulations of their lease. Why help the landlords with my research? Well it makes for a better neighborhood, a safer environment for children, and a more peaceful place to spend your life away from cities. In the long run it makes rental properties more valuable, too, if more people want to live in San Manuel.

Landlords: Here are a few important details to include in your next lease in addition to the basic lease you have been using. These finer points can save you a lot of grief should your tenants be less than stellar. If you've already covered these bases, you get the gold star:

- Residents' names: each resident must be listed.
 - Maximum number of residents
 - Can the tenant rent rooms?
 - Pet requirements: Are they allowed? What size? How many? Nuisance reports from neighbors can change this clause.
 - Maintenance: Who is responsible for repairs?
 - Good neighbor requests: should neighbors ask that your tenants clean up the property, turn down the music, and limit the parties, tenant will have to oblige.
 - Code violations: non-compliance with the terms of the lease or non-compliance with county codes can break the lease and cause eviction with a 10 day notice.
 - Drug dealing or other illegal activities can bring eviction within 5 days.
 - What is the number of vehicles, including trailers, RVs, and boats, that a tenant may have on property?
 - All vehicles must be registered in the tenants' names, be insured, and in running condition; no junk vehicles, dead vehicles, or vehicles being repaired constantly.
 - No businesses allowed to operate upon the property unless cleared by landlord and operate within county and state regulations.
- /s/ **Jim Bergstrom**

Head Start to reduce services to Copper Corridor

By Jennifer Carnes
Copper Area News

Late last week, educators and town officials throughout the Copper Corridor were stunned to learn that Pinal-Gila Community Child Services (PGCCS) would be closing Head Start preschools beginning with the 2019-20 school year.

Superior town and school officials learned of the planned closure of the Superior Head Start when a member of the community approached the town manager and informed him. He immediately contacted Superior Mayor Mila Besich with the news. Besich is also a member of the Superior Unified School District Governing Board.

In an email to Charity Russell, Chief Executive Officer of PGCCS, Besich expressed her outrage that the information about the closure didn't come from the organization.

"I would like to assume that this decision was not made lightly," Besich wrote, "but it is disrespectful that this was not explained to our community leadership and has happened under our noses without any consultation to the Town of Superior or the Superior Unified School District."

Russell, in response to the inquiries about the closure, cited budgetary shortfalls as the reason for closing the Superior site.

"We are a federally funded grant program," Russell responded, "and, other than a few cost of living adjustments (less than 2%), have been flat funded over the past 13 years. The increase in Arizona minimum wage and continuing rising costs have hit our agency extremely hard. I assure you agency and community data was reviewed before we were forced to make decisions that cause great heartache for us."

"We have been in that same situation for several years.," said Steve Estatico, Superintendent of the Superior School District. "This doesn't even include healthcare costs, which have risen over 20 percent in the last three years alone. We had to be creative in our operations so that we could maintain the same programs and quality of education for our kids. This includes maintaining full-day kindergarten, small class sizes, 100 percent free breakfast and lunch, and a tuition free preschool. These programs are in place because we have built partnerships and have advocated for Superior Schools. If we were notified in advance of our Superior Head Start closure, we would have taken action to support its existence."

Estatico reached out to First Things First,

a voter-created, statewide organization that funds early education and health programs to help kids be successful once they enter kindergarten, to see if they had any programs that could assist the school district. During that conversation, it was learned that the Mammoth, Payson and Globe sites were also being closed, which Russell later clarified that PGCCS would be closing Globe and Superior this year. Payson's Head Start closed last year. Mammoth's Head Start moved from classroom-based to home-based last year. She said that Mammoth's enrollment in the home-based program would drop to 30 from 36.

Russell explained that the PGCCS program plan for 2019-2020 includes reducing their capacity by 55 Head Start slots across its entire service area and that only 12 currently-enrolled children will lose its services. Russell added that it was her understanding that the children in Superior affected by the closure would be enrolled in the preschool at the Superior School District.

Estatico told *Copper Area News* that the preschool classes offered through the district has a very limited capacity, between 20-30 students over two daily classes (morning and afternoon half days). The preschool is tuition-free and is funded entirely by the district, which receives NO funds from the state government for the program. The district offers full-day kindergarten, of which the state government funds only half. Superior's preschool is limited to children age four.

Further, Russell also stated that a private school that is opening is "willing to take all Head Start children that do not get into the school district at no cost."

Estatico said that while there is someone claiming that a preschool will soon open in Superior, the person in question is not certified nor licensed for that service. He said that the person making the claims is doing so only on Facebook.

PGCCS's website, pgccs.org, lists 12 sites in the two counties: Apache Junction, Casa Grande, Coolidge, Eloy, Florence, Mammoth, Maricopa, Miami, San Tan Valley, Stanfield, Toltec and Winkelman. Winkelman's Head Start does not include classroom learning – it is strictly home based. Jeff Gregorich, Superintendent of the Hayden-Winkelman Unified School District, clarified that the Lobitos Preschool being operated out of the Winkelman Primary School has no affiliation with Head Start. Head Start, he said, only has an office on the campus and hasn't been a classroom-based preschool

for many years.

Julie Dale Scott, Superintendent of the Mammoth-San Manuel School District, learned of the closure when *Copper Area News* reached out to her for a comment. Scott was very concerned when learning of the news.

"Our rural area certainly needs the Early Childhood Resources it receives and more, so cutting back is detrimental to our young population," she said.

"I am very concerned about the cuts being made to Head Start Programs in the Copper Corridor. As an educator of over 33 years, I believe early identification and intervention is the hallmark of quality early educational system and is supported by countless educational research-based studies. Reducing early education programming for disadvantage children is a serious mistake that will have a lasting impact on learning and emotional growth for many children in our geographic area," Gregorich said.

"Head Start provides the foundation for our youngest residents," Besich said. "It is often a life-changing program for many families in Superior."

Gregorich concurred.

"This program is a game changer and is needed in through the United States and especially in rural Arizona communities that don't have other programs and options to provides these services. I know that Head Start is a no brainer early educational program that works, and I hope there is still have time to prevent any reduction to Head Start programs.," he said.

"I recommend everyone let our political leaders understand that making cuts to Head Start Programs will hurt children and parents who need it the most," Gregorich added.

Congressman Tom O'Halleran has been apprised of the situation. His office has not yet released a statement, but is working with local educators and town officials to mitigate the loss of the Head Start sites.

The PGCCS website lists its governing board members. A check of the Arizona Corporation Commission's website (ecorp.azcc.gov) lists their home addresses. PGCCS governing board members include:

- Jesse Kraus, President (San Tan Valley)

Zipline Cornhole Tourney draws big crowd

By **John Hernandez**
San Manuel Miner

Arizona Zipline Adventures hosted the 3rd Annual Cornhole Extravaganza & BBQ on Saturday June 8. The event drew

a good crowd of people who came for the competition, music, good food, ziplining and fun.

The tournament had 28 teams competing this year for the cash prizes. This year's event was presented by Apache Sky Casino the

Championship Sponsor.

Besides the cornhole competition, there was live music provided by Paul Green and Midnight Blue, water games for the kids and a raffle. The music sponsor was Oracle Land & Homes. Banner sponsors

this year included Huntington Chiropractic, Cheetovibez Smoke Shop, Dasch In Thrift Shop, El Rancho Robles, Del's Tire Company, Sue & Jerry's, 3C Ranch Headquarters, All State Oracle Ranch, The Oracle Patio Café and Market, and the Cook Shack.

Arizona Girls State marks 72nd Session; Bailee Hill represents San Manuel High School

It was a girl's week with nearly 300 high school girls from across Arizona converging on the University of Arizona campus for the 72nd session of The American Legion Auxiliary premier program, American Legion Auxiliary Arizona Girls State. This "unique" opportunity is open to girls completing their junior year of high school that meet the necessary qualifications. The session runs from June 2 through 8th, 2019.

Attending from San Manuel HS is Bailee Hill.

American Legion Auxiliary Arizona Girls State is a weeklong program designed to educate young women in the functions of their government and kindle the desire to actively participate in and responsibly fulfill their role as citizens.

According to Penny Maklary, Girls State Director, "this is a week that shapes a lifetime." She explained that girls were

housed in an original home to Girls State for many years. State of the art, eco-friendly instructional classrooms throughout the university were assigned to the program this year. "Similar to past years," she went on to say, "we have senior staff that work as city and county advisors, while junior counselors return from the previous year's Girls State session, to assist Senior Staff in the education (and fun) process."

Arizona Girls State is comprised of 12 cities and 4 counties. There are 22 to 24 girls in each city and about 75 girls in each county. The girls are divided into two pseudo political parties called federalists and nationalists. Precinct committeemen watch over all elections and assist political parties. Each city elected a mayor and counsel; wrote their own ordinances and resolutions, passed a budget and a strategy

Sea Lions lose home opener to Tucson Aquabears 785-789

It has been nearly 13 years since the Sea Lions Swim Team lost a dual meet in the Central Arizona Swimming League. June 17, 2006 was the last time Sea Lions lost a dual meet, and that was against the Kearny Stingrays.

Since that day, the incredible win streak that the Sea Lions had put together ran longer than most swimmers on the team are old. As the final scores were tabulated at the meet on Saturday, the Sea Lions ended up on the short end of a 785-789 meet. The 4-point differential is minuscule in a meet where over 1,500 total points were scored. In a meet where dozens of places in races were settled by a fraction of a second, one race ending differently could have change the outcome.

At the meet, every race in every age group was hotly contested. There were no easy points at this meet. The Sea Lions had their strengths while the Aquabears had theirs and both teams did their best to earn every possible point. As painful as it was to lose, Coach Alex Gort looked forward.

"We have all the pieces in place to begin a new win streak next week and to continue our string of consecutive League Championships," Gort said. "The more than 100 personal best times is the real measure improvement and a sign we are headed in the right direction"

Coaches were very happy with the 103 personal best times attained at the meet.

Coach Alex Gort indicated, "Swimming faster than the other swimmers is fun, but the real measure of improvement is how each swimmers time in each race compares to their lifetime personal best time. Over 100 best times in meet like this is incredible"

Eight Sea Lion Swimmers swam all the events and had personal best times in each one. Kori Andrade (6), Jocelyn Hudson (9), Ethan Erickson (11), Cooper Dale (11), Israel Gonzalez (12), Pedro Young (12), Vicente Curry (13), and Ethan Kellam (13), all swam every event in their age group and achieved personal best times.

Two swimmers swam the maximum number of the events and won every single race. Johnny Smallhouse (12) showed that he is the best of the 11-12 Boys by winning every race at the meet. Mia Dale (14) showed that she is unbeatable as a 13-14 Girls by winning every event in her age group.

Five Team Records were broken at the meet. Riley

Stewart swam an outstanding 200 Individual Medley (IM) in a record time of 2:05.78, breaking the record held by Will Newman (2:12.21 set in 2015). Evan Apuron broke 3 individual team records at the meet, he swam a 56.84 in the 100 Fly to replace the record held by Will Newman (59.24 set in 2015). His time of 1:06.48 in the 100 Breaststroke was good enough to break the record by Blaine Mulholland (1:08.0 set in 2011) and his 50 Freestyle time of 23.03 eclipsed the previous record of 24.21 (Mulholland 2011). AJ Lopez joined Riley and Evan to swim the fastest 200 Freestyle Relay in Team History with a time of 1:38.09, breaking the record set in 2015 (1:40.18 - Colbey Stratton, Jacob Christian, Taylor Woods, Will Newman).

The following swimmers had first place finishes on Saturday:

Annie Nemons, 8, (IM, Fly)
Cooper Dale, 11, (Medley Relay, Free Relay)
Athan Riekofski, 11, (Medley Relay)
Ethan Erickson, 11 (Free Relay)
Arianna Ervin, 12, (Free Relay)
Julie Ramirez, 12, (Free Relay)
Johnny Smallhouse, 12, (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay)
Ethan Kellam, 13, (Free Relay)
Joey Castellanos, 13, (Back, Medley Relay, Free Relay)
Vicente Curry, 13, (Medley Relay)
Mason Stewart, 13, (Free Relay)
Mia Dale, 14, (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay)
Briana Castellanos, 14, (Medley Relay, Free Relay)
Robert Sanz-Anton, 14, (Medley Relay)
Rianna Estrada, 15, (Free Relay)
Tabitha Kellam, 15, (Free Relay)

Evan Apuron, 15, (Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay)

AJ Lopez, 15, (Medley Relay, Free Relay)

Riley Stewart, 15, (IM, Medley Relay, Free Relay)

Star Chavez, 16, (Free Relay)

Darien Apuron, 18, (Free Relay)

Five year old Alex Ervin competed in his first swim meet in the 6 and Under Boys age group. He earned ribbons in the 25 Butterfly and 25 Breaststroke.

Four year old Gabriel Marquez completed his first race, swimming the 25 Freestyle by himself.

Pedro Young was named Sea Lions Beast of the Week. He worked hard all week at practice and coaches could see the improvements in all his strokes during the week. In his first race, the IM, he swam a sizzling time of 1:37.5 going a full 15 seconds faster than his previous best time. At the meet, in every single one of his races and in every stroke, Pedro had large improvements in his times. Pedro reinforced the principle that hard work pays off.

The Sea Lions will host a meet against the Coolidge Dolphins at the Mammoth Pool on Saturday, June 15. If the Sea Lions want to start a new win streak, they will need to swim their best to beat the tough Dolphins team.

There is still time to join the team - contact Alex or Wendy Gort at 896-2190 or stop by the Mammoth Pool between 4 and 5:30 p.m. (Monday-Friday) for more information.

**IRA AND ROLLOVER
HEADQUARTERS**

The SIMPLE IRA plan -

If you're self-employed or own a small business, you may be able to establish a savings incentive match plan for employees (SIMPLE) IRA plan. A SIMPLE IRA plan is a salary reduction retirement plan for certain small business that is established in the form of employee-owned traditional individual retirement accounts (but with a higher contribution level). Establishing such a retirement plan can provide you with a tax-advantaged way to save funds for your retirement; it may also help you attract and retain qualified employees. Call for an appointment.

New annual contribution limits for SIMPLE IRAs let you invest more.

Pima College Art Show hosted at Rancho Linda Vista

By John Hernandez
San Manuel Miner

A group exhibit of art by students of Pima Community College Northwest Campus is currently being displayed at Rancho Linda Vista in Oracle. The art show has become an annual event thanks to Matthias Duwel, Pima College Art Instructor and a long time resident of Rancho Linda Vista. Twenty four students participated in this year's student art show.

One of the students, Tina Kennedy said of the art program: "I have had wonderful instructors. Matthias has helped me a lot. Michael Stack at the Eastern Campus

has been wonderful. They have different teaching styles but both do a fantastic job."

Tina says she has been painting off and on for many years but has been serious about her art for the last five years. Her favorite medium is oil which she says is the most forgiving.

"One of the biggest gifts Matthias has given me is that it is OK to make mistakes. Learn from them and then fix them. That is so important. He allows people to work in the direction they need to go," she said.

These young and older students are a talented group. The Pima College Student Art Show will be on display until June 30, 2019.

At the Pima College Art Show at Rancho Linda Vista.

Oracle Community Center to host 4th of July festival

The Oracle Community Center will sponsor a Fourth of July festival again this year at its location, 685 E. American Ave. The activities will begin on July 4th at 9 a.m. and run until 3 p.m. The rain date is July 6.

The Oracle Community Center will provide an All-American 4th of July favorites lunch for free to children under the age of 16. Other adults are \$5. Activities will be free to the public.

This year's event will showcase activities

sponsored by non-profit organizations and businesses located throughout the region. Local artisans and other vendors will be on hand providing unique experiences for all who attend.

Vendor spots are still available for \$20.

Any group that wishes to participate can get more information at: www.oraclecommunitycenter.org or call 520-896-9326 during office hours: Mondays, Wednesdays and Fridays from 9 a.m. until 1 p.m.

COMMUNITY CALENDAR

San Manuel Seniors Fundraiser

San Manuel Senior Citizens are updating the Tri-Community Services Directory they published in 2016. Businesses and services that would like to be included need to send their information to San Manuel Senior Citizens, 210 Avenue A, San Manuel, AZ 85631. We are asking for donations to cover the cost of printing. Those who donate will receive a free copy of the directory. For more information, call Hazel Cooper 520-385-4586 (answering machine available) or Carlos Salazar 520-385-2076. Deadline to be included is June 30. The Directories will be for sale for \$2. Proceeds will be used to pay the utilities on the San Manuel Senior Citizens building.

Survey for San Manuel Residents

Every 5 years, Pinal County receives grants from HUD. A 5-year plan that outlines the needs in the community and how HUD funds will be used is influenced by YOUR opinions on a brief online survey. Just type in Pinal County Citizen Needs Assessment or go to http://www.surveymonkey.com/r/Pinal_County_Citizen_Survey. Please disregard deadline date on survey. If you have access to a computer please invite others you know to use yours. EVERY voice is important!

Mammoth Pool Schedule

The Town of Mammoth Swimming Pool admission is \$3. Punch cards can be purchased for significant savings at Town Hall or at the Pool. The pool schedule is posted on the Town of Mammoth website (townofmammoth.us), the Mammoth Swimming Pool Facebook Page, at the Mammoth Pool, and locations throughout the Tri-Community.

Submit information to miner@minersunbasin.com or call 520-385-2266. Listings are free. The Miner reserves the right to edit or refuse submissions. Submissions are due the Friday before Wednesday publication.

Free Swim Lessons

The Town of Mammoth, the Sea Lions Swim Team, and SaddleBrooke Community Outreach are providing FREE swim lessons at the Mammoth Pool. Two sessions will be offered this summer. Each session runs for three weeks and will be held Tuesday – Thursday from 10-11 a.m. Session 2 starts Tuesday, June 15. Registration forms are available at the Mammoth Pool, Town of Mammoth website, and the Sea Lions Swim Team website (sealionsswimteam.com). Please contact Wendy Gort at 896-2190 for more information.

JUNE

12 Winkelman NRCD Meeting Moved

The Winkelman NRCD quarterly meeting has been moved to June 12 at 10 a.m. at the General Kearny Inn. Lunch will be potluck.

15 Celebration of Life/Art Show

A celebration of Lou Ann Griffith's life and art is set for June 15, Lou Ann's birthday. Folks are welcome to come later and stay later as schedules allow. Bring your pictures and stories to share about this beautiful soul. The theme is Woman In A Box. There will be food, music and art. For more information, contact Kelly Griffith 520-250-4416.

18 Free Summer Youth Program

A Free Summer Youth Program will offer fun for ages 9 -15 in four sessions at Oracle Community Center, 685 N. American Ave. in Oracle on Thursdays, June 20 and 27 and July 11 from 10 a.m.- noon; and July 18 from 6-8 p.m. If you are interested, please contact Aly Buhler at 801-660-9409 or Bridget Pendre at 520-391-0485.

19 Active Parenting Program

There will be an Active Parenting: First Five Years program held at Hayden High School, 824 Thorne Ave. in Winkelman. Sessions will be from 4 p.m. - 5:30 p.m., Session 1 will be held Wednesday, June 19, Session 2 on Thursday, June 20, Session 3 on Wednesday, June 26 and Session 4 on Thursday, June 27. For more information, contact Bridget Pendre at 520-391-0485.

28-29 Rummage Sale

Come to the big two-day rummage sale at the Blessed Sacrament Church, 122 Church Dr., Mammoth, Friday, June 28, 7 a.m. - 5:30 p.m., and Saturday, June 29, 7 a.m. to 1 p.m. Food will be sold: red, white menudo, tacos, green, red and bean burros, and egg and chorizo burros. For more information, call the Parrish Hall telephone at 487-9522.

JULY

4 Cobre Valley Independence Day

Celebrate American Independence on our nation's 243rd birthday. Gather in historic downtown Miami (Sullivan St.) on Thursday, July 4, beginning at 8 a.m., for music from the Celebration Band performing patriotic melodies from over the years. Our celebration is only limited by your imagination, so enter today and paint the Cobre Valley red, white and blue! Entry forms are available for pickup at the Globe-Miami Chamber of Commerce, or call with questions at 928-425-4495, or email visitorinfo@globemiamichamber.com.

They can be dropped off at the Senior Center Call Hazel Cooper 520-385-4586. We are located at 210 Avenue A. Seniors age 50 plus are welcome to join us.

HOME ALONE: The Home Alone Pendant offers peace of mind by being able to call for emergency assistance by simply pressing a button. Units are available in San Manuel by calling Jerry at 385-2835. Also available in Mammoth by calling Marty at 520-487-2050.

COMMUNITY CENTER LUNCHES: Lunches at the Oracle Community Center are held every Monday at noon. The main dish, drink and dessert are provided by the Community Center. Cost is \$5. Membership cards are available during this time.

BRIDGE: Bridge is played at Trowbridge Hall Tuesdays from 12-4 p.m. Call Mary McClure at 896-2604 or Edith Harrison at 385-2019 for more information.

MAMMOTH SENIOR ASSOCIATION: The Mammoth Seniors will be having a 'Sit and Be Fit' exercise DVD at 11 a.m. before the potluck each second Wednesday of the month at the Community Center in Mammoth. All seniors are invited. Please bring a yummy dish to share. Call Beverly at 520-487-0250 for more information. No reservations needed.

Oracle Community Center is busy for the summer

The Oracle Community Center has undergone renovations and the Board has been busy planning summer events.

They have painted the interior walls of the community center and put up paintings on some of the walls. The paintings were donated by artists from around the area. Some of these paintings will be auctioned at a Gala Auction event planned for December.

On Monday, June 3rd, the CERT Team from the Oracle Fire District cooked the Monday Community Lunch. It was well attended as always.

A 4th of July Festival is being organized and summer programs have started. Some of the events and plans are listed below.

2019 SUMMER EVENT SCHEDULE ONGOING EVENTS

- Every Monday – Community Lunch, noon to 1 p.m., cost \$5.
- Every Monday until school starts –

Pokemon Club, 1:30 – 2:30 p.m., FREE

GIRLS STATE

Continued from page 6

for planning and zoning. Cities were assigned to a County and the educational process continued with campaigning and election to County and State positions. During the span of the week, they conducted regular city and party meetings, wrote and debated bills, received instruction from actual elected state/county officials and “learned by doing”. Midweek, they elected the prominent positions of Governor and Secretary of State. The girls elected to these two positions, will return to preside over the 73rd session of Arizona Girls State.

Culminating the week was the election of two delegates as senators to attend the prestigious Girls Nation held the following month in Washington,

DC. Girls Nation is an all-expense-paid week with other girls elected State Senators from across the nation. They will debate federal issues they present as bills, visit the Pentagon, Arlington National Cemetery, the White House and other memorials in the nation’s capital. Another opportunity that is truly a “once in a lifetime experience”!

For more information on Girls State or the American Legion Auxiliary contact the Auxiliary Unit located in your city or the American Legion Auxiliary Department of Arizona at 602- 241-1080.

Brief History

Girls State was organized as a national Americanism activity by the 1937 American Legion Auxiliary National Convention. A national committee

to direct the program was created by the 1946 American Legion Auxiliary National Convention. Girls State is a practical application of Americanism and good citizenship. The entire program is non-partisan and nonpolitical.

Sponsorship

The Girls State program is sponsored by the Units of the American Legion Auxiliary. Each Unit sponsors girls from assigned high schools in their area. Girls State is solely sponsored by The American Legion Auxiliary; however, we do have outside contributors that donate each year to the program.

Notice of Guardianship

Notice is given to John Doe that you have been identified as a potential father of a child born on April 30, 2003 You are informed of the following: Yazula Suah, the natural mother, plans to place the child with a guardian. Under sections 8-106 and 8-107, Arizona Revised Statutes, you have the right to consent or withhold consent to the adoption. Your written consent to the guardianship is irrevocable once you give it. If you withhold consent to the guardianship, you must initiate paternity proceedings under title 25, chapter 6, article 1, Arizona Revised Statutes, and serve the mother within thirty days after completion of service of this notice. You have the obligation to proceed to judgment in the paternity action. You have the right to seek custody. If you are established as the child’s father, you must begin to provide financial support for the child. If you do not file a paternity action under title 25, chapter 6, article 1, Arizona Revised Statutes, and do not serve the mother within thirty days after completion of the service of this notice and pursue the action to judgment, you cannot bring or maintain any action to assert any interest in the child. You may wish to consult with an attorney to assist you in responding to this notice.

Public Notice

Arizona Water Company (the "Company") has released its 2018 Water Quality Report (Consumer Confidence Report) for its San Manuel water system, PWSID 11-020. The Company will not be mailing a copy of the report to its customers, because Arizona Administrative Code R18-4-117, granted a mailing waiver to small water systems with a population less than 10,000 people. Copies are now available: at the Oracle office located at 670 E. American Avenue; via mail by sending a request to Arizona Water Company, P. O. Box 5209, Oracle, AZ 85623; via our website at www.azwater.com; or by calling the Oracle office at 520-385-2226. The entire report is also printed in the newspaper today. The Company recommends that customers serving more than one housing unit post a copy of the 2018 Water Quality Report in a conspicuous place.

ARIZONA WATER COMPANY

– 2018 ANNUAL WATER QUALITY REPORT FOR SAN MANUEL, ARIZONA, PWSID NO. 11-020 –

This report contains important information about your drinking water.
Este informe contiene información importante sobre su agua potable.
Tradúzcalo o hable con alguien que lo entienda bien.

Arizona Water Company provides groundwater to its San Manuel customers from water supplied by BHP Billiton.

All water samples are collected by state-certified employees of Arizona Water Company or by the Arizona Department of Environmental Quality ("ADEQ"). Samples are analyzed by state-certified independent laboratories and the results are forwarded to ADEQ. The following report provides detailed information about the quality of the water delivered to customers. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards and regulations.

DETECTED WATER QUALITY CONSTITUENTS - GROUNDWATER

Primary Standards							
Water Quality Constituent	Units	MCLG	MCL	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent	
Inorganics							
Arsenic	ppb	0	10	5.3 - 8.1	2018	Erosion of natural deposits; runoff from orchards; runoff from glass and electronics production wastes	
				Highest Running Annual Average - 7.3			
Barium	ppm	2	2	0.007	2013	Discharge of drilling wastes; discharge from metal refineries; erosion of natural deposits	
Chromium, Total	ppb	100	100	7	2013	Discharge from steel and pulp mills; erosion of natural deposits	
Fluoride	ppm	4	4	1	2013	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories	
Nitrate (as Nitrogen)	ppm	10	10	0.35	2018	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits	
Selenium	ppb	50	50	8	2013	Discharge from petroleum and metal refineries; erosion of natural deposits; discharge from mines	
Radiological							
Alpha Emitters	pCi/L	0	15	7	2013	Erosion of natural deposits	
Combined Radium	pCi/L	0	5	1	2013	Erosion of natural deposits	
Disinfectant / Disinfection Byproducts							
Water Quality Constituent	Units	MCLG (MRDL G)	MCL (MRDL)	Average Level Detected	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent
Chlorine Residual	ppm	(4)	(4)	1.2	1 - 1.5	2018	Drinking water disinfection
Total Trihalomethanes	ppb	NA	80	7.7	6.7 - 8.7	2018	Byproduct of drinking water disinfection
Additional Constituents (Unregulated)							
Sodium	ppm	NS	NS	62	62	2018	Unknown
Lead and Copper Monitoring							
Water Quality Constituent	Units	MCLG	Action Level	90 th Percentile of Sample Results	Number of Samples That Exceeded the Action Level	Sample Year	Typical Source of Detected Constituent
Copper	ppm	1.3	1.3	0.03	0	2018	Internal corrosion of household water plumbing systems; erosion of natural deposits; leaching from wood preservatives
Lead	ppb	0	15	ND	0	2018	Internal corrosion of household water plumbing systems; erosion of natural deposits

Public Notice

Your drinking water complies with the United States Environmental Protection Agency's ("USEPA") safe drinking water standard for arsenic, though it contains low levels of arsenic. USEPA's safe drinking water standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

Note: In addition to the constituents listed in this report, Arizona Water Company and ADEQ conducted monitoring for over 90 additional constituents and the results show none of those constituents were detected in the water. Data presented are from the most recent testing done in accordance with applicable regulations. Some constituents are monitored less frequently than once a year because either their concentrations do not change frequently or they are not likely to be detected. Therefore, some of the water quality testing data contained herein, although representative, may be more than one year old. If you have questions about this water quality report, please contact Regina Lynde, Environmental Compliance Manager, Arizona Water Company, P. O. Box 29006, Phoenix, Arizona 85038-9006; telephone (602) 240-6860 or email mail@azwater.com.

In 2004, ADEQ completed a Source Water Assessment of the water sources used by Arizona Water Company's San Manuel water system. ADEQ reviewed the adjacent land uses that may pose a potential risk to the water sources. The result of the Assessment was a low risk to the water sources.

The complete Assessment is available for inspection at ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007, between the hours of 8:00 a.m. and 5:00 p.m. Electronic copies are available from ADEQ at recordscenter@azdeq.gov. For more information, visit ADEQ's Source Water Assessment and Protection Unit website at: www.azdeq.gov/environ/water/dw/swap.html.

The USEPA and ADEQ require Arizona Water Company to provide the following information:

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some constituents. The presence of constituents does not necessarily indicate that water poses a health risk. More information about constituents and potential health effects can be obtained by calling the USEPA's Safe Drinking Water Hotline (800-426-4791).

Some people may be more vulnerable to constituents in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. USEPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial constituents are available from the Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radiological material, and can pick up substances resulting from the presence of animals or from human activity.

Constituents that may be present in source water include:

- Microbials, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganics, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organics, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production. They can also come from gas stations, urban stormwater runoff, and septic systems.
- Radiological material, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, USEPA prescribes regulations which limit the amount of certain constituents in water provided by public water systems. FDA regulations establish limits for constituents in bottled water which must provide the same protection for public health.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Arizona Water Company is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the USEPA's Safe Drinking Water Hotline or at <http://www.epa.gov/lead>.

DEFINITIONS, ABBREVIATIONS, AND UNIT DESCRIPTIONS:

Action	=	The concentration of a constituent which, if exceeded, triggers treatment or other requirements which a water system must follow.
Level	=	United States Centers for Disease Control and Prevention
CDC	=	United States Food and Drug Administration
FDA	=	Maximum Contaminant Level, the highest level of a constituent that is allowed in drinking water. MCLs are set as close to the MCLGs using the best available treatment technology as is economically and technologically feasible.
MCL	=	Maximum Contaminant Level Goal, the level of a constituent in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MCLG	=	Maximum Residual Disinfection Level, the highest level of a drinking water disinfectant that is allowed in drinking water
MRDL	=	Maximum Residual Disinfection Level Goal, the level of a drinking water disinfectant in drinking water below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial constituents.
MRDLG	=	None adopted
NA	=	No standard
NS	=	Parts per billion, or micrograms per liter (µg/l)
pCi/L	=	Parts per million, or milligrams per liter (mg/l)
ppb	=	Public Water Supply Identification
ppm	=	
PWSID	=

Just South of Mile Marker 127 on Highway 77, 40 minutes north of the Biosphere.

Oracle State Park hosts Carnivaleros Trio and star party

The night sky cooperated beautifully Saturday night for the Live Music and Star Party event at the Oracle State Park, our local IDA international Dark Sky Park. The Carnivaleros Trio featured Gary Mackender on accordion and vocal, along with Karl Hoffman on bass, and Billy Yates on guitar. Deb Gaines, President of the Friends of Oracle State Park, introduced the band and the night's activities. Members of the SaddleBrooke SkyGazers Club began setting up their telescopes for viewing and interpretation of night sky objects. As the sky became darker Park visitors began to enjoy the night sky. The International Space Station (ISS) made a nice pass over Oracle State Park, which thrilled the visitors. Under the moonlit sky visitors enjoyed viewing the planet Jupiter, the Moon, the Great Globular Cluster in Hercules, Albireo (a colorful double star), the Ring Nebula, and more. The last of the Park visitors left about 10 p.m. after another great evening of music and stargazing at Oracle State Park. Thanks to the Friends of Oracle State Park for the music sponsorship and the SaddleBrooke SkyGazers Club for the telescopes.

Call 811

Before you dig!

ONE SIMPLE CALL TO 811 GETS UNDERGROUND UTILITY-OWNED LINES MARKED FOR FREE.

Whether you're a homeowner or professional excavator, every digging job requires a call — even small projects — so be sure to:

- Call 811 at least two working days before starting any digging project
- Wait for the site to be marked
- Respect the marks
- Dig with care

NOT CALLING CAN BE LIFE THREATENING AND COSTLY.

You can harm yourself or others, disrupt natural gas service to an entire neighborhood, and potentially be responsible for injuries, repair costs, and criminal penalties.

Natural gas lines can be buried anywhere. If you ever suspect a natural gas leak, call **911** and Southwest Gas at **877-860-6020** immediately, whether you're our customer or not.

For more information about natural gas safety, visit

swgas.com/safety

or call **877-860-6020**
