Volunteers work on mini desert cleanup

On Saturday morning, seven local residents took trucks and trailers into the Tonto National Forest south of Superior to remove trash, furniture, beer bottles, cable casings and construction material from the desert. Tonto National Forest officials have been increasingly concerned that more and more wildcat dumping is occurring on the forest due to the lack of a transfer station or dump in Superior.

The volunteers loaded and dumped trash into a roll off

container donated by Resolution Copper. In about four hours the dumpster was filled three quarters full by Bill and Nancy Vogler, Bruce Armitage, Tom Spridgen and DeLores Hatfield, Jim Schenck and Mila Besich-Lira. A larger desert cleanup is being planned by the Footprints Matter Organization for Oct. 1.

Anyone seeing illegal dumping in the desert should report it to the Tonto National Forest or the Superior Police Department.

Future Forward Foundation

Future Forward Foundation has also been instrumental in working on beautification projects in Florence as well as some housing rehabilitation at low income housing apartments.

Lina Austin the Executive Director for Future Forward encourages the start of non-profit organizations. "There is a huge well of need in our county and the county could tolerate more non-profits to help fulfill the needs within the county," she said. If you are interested in having a back yard garden or would like to volunteer for the Future Forward Foundation you can reach Lina Austin at futureforward@cox.net

or call her directly at 520-313-2134. The "In Your Biz" column is sponsored weekly by the Superior Chamber of Commerce in an effort to further promote their business members. To learn more about the Superior Chamber of Commerce you can visit their website www.superiorarizonachamber.org or call them at 520-689-0200. The Chamber meets the third Wednesday of every month at their building 165 Main St. in Superior, Arizona. Those planning on attending the Chamber luncheons do need to RSVP prior to the meeting, please call Deb McKee to RSVP at 520-827-1773.

The Future Forward Foundation (FFF) a non-profit 501(c)3 organization was founded five years ago in efforts to create more economic opportunity for Pinal County. They are headquartered in Florence but they provide services throughout Pinal County including the Copper Corridor communities of Superior, Kearny, Winkelman, Mammoth and Oracle.

One of the first projects the foundation started as a means to combat the food insecurities in the region. For many communities in Pinal County there is limited to no access to fresh fruits and vegetables. To combat this one particular issue the foundations applied for grants to help fund the development of personal and community gardens. Currently the foundation has helped to grow 55 backyard gardens and has a major producing garden. The stipulation for the backyard gardens is that 20 percent of the produce grown in those backyard gardens be donated to the local food banks for distribution in the local communities. Currently there is a waiting list for individuals wishing to grow a backyard garden. In order to have a garden the participant must have good soil for a garden as well as water source.

FFF is currently adding a series of classes and seminars to their list of services. With funding recently received by Pinal County the foundation plans to offer classes to help teach people how to grow and maintain a garden, cooking classes to teach how to cook with the seasonally grown produce, along with classes on how to start your own non-profit and how to write grants. The foundation also plans to teach classes on emergency preparedness and food storage.

3F grants help homeowners plant backyard gardens.

Superior's Olmos named MVP at Senior Bowl

Superior class of 2016 graduate Elias Olmos was named the Most Valuable Player of the annual Division VI Senior All-Star game, which took place Saturday, June 11 in Duncan, Ariz.

Olmos, an All-Division and All-Section selection for the Panthers' state semifinal team last season, helped lead the Red Team to a 48 - 44 victory over the Blue Team in Saturday's Senior Bowl. Olmos' Superior teammate Andrew Lopez also participated in the game and was a member of the winning red team.

"It was a good experience to get to play with the guys I played against in the regular season and be on the same team as some

of them instead of competing across from them," said Olmos, who was also named the Panthers' Team MVP after last season. "It was good to get on the field for one last high school game."

The soon-to-be Arizona State University freshman will be participating in the NoKaOi Football Showcase in Hawaii later this month. Whether it's Duncan, Ariz., or Waikiki, Hawaii, Olmos always remembers the town he's from and represents.

"That's the reason why I play," Olmos answered why it's important to him to represent Superior with great pride. "I feel like that's my way of putting our town on the map. That's what I strive for in every practice and workout."
