OBITUARIES

Pastor James 'Jimmy' Nelson Jr.

Pastor James "Jimmy" Leonard Nelson, Jr. died on Thursday, May 27, 2021.

Pastor Nelson was a local pastor in the Desert Southwest Conference. He was born in 1951 and later attended Northern Arizona University. He became licensed as a local pastor in 2006. He served at Tucson: Hope UMC; Holbrook: Holbrook UMC; Winslow: First UMC; Mesquite: Mesquite UMC (Associate); and

Kearny: United Methodist Church of the Good Shepherd. Working diligently with the Board of Ordained

Ministry, Jimmy was working toward receiving Associate Membership in the Desert Southwest Conference. His achievement will be recognized posthumously during this year's ordination service.

Jimmy was passionate about ministry. He gave his entire heart and soul into reaching people with God's love. Whenever there was a problem, Jimmy could see the possibilities and the hope in nearly any situation. He was always looking for the next new person to meet, strike up a conversation with and make a new friend. His smile and laugh welcomed, warmed, and engaged everyone. All he needed to engage in ministry was a community event to bring his popcorn machine to and give a way popcorn with his smile, and a "howdy neighbor." He reached new people for Christ in his natural, approachable, and easy way which drew folks in and made them well in their soul. In a recent visit with Jimmy in the hospital, District Superintendent Susan Brims experienced Jimmy as every bit the person everyone knew and loved. When asked if the two could have a word of prayer together, Jimmy started praying. DS Susan laughingly said that she was there to pray for him; and after she did, Jimmy then took

a turn and prayed for the church, that God would bless the work of the church and that God would raise up young ministers to continue the work. His concern was always for others.

Memorial services will be held at a later date at the UMC of the Good Shepherd in Kearny, AZ. Additional services may be held although information is not available at this time.

Condolences can be sent to: Doug Kubik, PO Box 729, Kearny AZ 85137. Memorial Gifts may be made to: UMC of the Good Shepherd, PO Box 729, Kearny, AZ 85137.

Donations received will be shared between the church's general fund and evangelism fund. The two represent Jimmy's greatest hopes for the church – to keep it financially viable and to keep the church reaching out and making disciples for Jesus Christ.

We join our hearts together in grief, acknowledging our human loss. May God grant us grace, that in pain we may find comfort; in sorrow, hope; and in death, resurrection. With gratitude for the life and ministry of Pastor Jimmy Nelson, Jr., please hold his family and friends in prayer at this time.

Cleaning up after the

Team Rubicon, a veteran-led global disaster response organization, began fire response operations this past week to support residents of Dudleyville due the recent Margo Fire. The operation began on Monday, June 7, and is expected to last 2 weeks. In coordination with the Pinal County Department of Emergency Management, approximately 40 Team Rubicon volunteers have provided tree and limb cutting, debris removal, as well as fire response cleaning services. In conjunction to assisting the community of Dudleyville, Team Rubicon is utilizing proficient heavy equipment operator skills to advance their nation-wide deployable efforts. The work is taking place at residences and community grounds in Pinal County. Team Rubicon is a nonprofit organization that serves communities by mobilizing veterans to continue their service, leveraging their skills and experiences to help people prepare, respond, and recover from disasters and humanitarian crises. Programs and services are made possible by the support of individual donors, corporate partners, and the dedication of volunteers across the country. To join or support Team Rubicon's mission, visit <http://www.teamrubiconusa.org>.

Shop at Home: Nails, Etc.

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in

Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. Copper Area News wanted to give something back to the local business community. Over the next several weeks, our newspapers (Copper Basin News, Superior Sun and San Manuel Miner) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, Copper Area News has featured 69 businesses in the Copper Corridor.

It is hard enough starting a business or expanding one during normal times. But to start one during or just before a pandemic adds an entirely different twist to things.

Nails, Etc. opened 18 months ago, just before the pandemic hit. Joanne Lerma, who is the owner and operator, is back to work, making women's nails look beautiful and her clients gorgeous.

Nails, Etc. offers manicures, pedicures, sculptured nails, gel manicures, dip powder and eyebrow microblading. The shop is located at 1105 Industrial Rd., Suite C, Kearny, and is open by

appointment. Joanne has been a certified nail technician for more than 20 years and has been microblade certified for the past three.

All of this is great news for ladies in the

Copper Basin area. No need to travel out of town for those mani/pedis. Shop local and support local.

For an appointment with Joanne, please call (480) 717-0990.

Telegraph Fire proves relentless

The Telegraph Fire that started in the early afternoon of Friday, June 4, 2021, south of Superior in the Tonto National Forest has consumed 104,755 acres and at press time was 68 percent contained. There are more than 1,000 people fighting this fire. The fire lost some containment after the fire expanded aggressively

Sunday night.

The fire has kept residents throughout the Copper Corridor on their toes as Set and Go evacuations orders were issued for Superior, Top of the World, Miami, Globe and on Monday, the areas of El Capitan and Dripping Springs were ordered to GO. Highway 60 between Superior and

Miami reopened on Friday evening and Highway 177 reopened on Thursday morning. Highway 77 re-opened briefly, but was closed again on Sunday due to the expansion of the Telegraph fire.

At press time Superior, Miami and Globe have returned to Ready. Top of the World, and many of the canyons near the Pinal Mountains remain on Set.

As the fire traveled east through the Tonto National Forest it burned through the Pinal Mountains; and as the vegetation turned from Sonoran Desert to tall pines and manzanita the fire grew. Lack of humidity and high temperatures have not been in the favor of the crews fighting the fire. Speaker of the House, Rusty Bowers lost his cabin South of Pinto Valley and Rep. David Cook lost his vacation cabin in the Pinal Mountains. Over 20 structures have been lost, but there have been no significant injuries or deaths.

The fire and its footprint have been visited by Governor Doug Ducey, which followed a press conference where the Governor promised to call a special session of the legislature to address and

provide funding for the communities affected by the Telegraph and Mescal fires. His speech focused on the needs of Gila County. Pinal County officials have said that the special session will also include support for the areas of Pinal County affected by the fire. Additional media reports have indicated the Governor is going to ask for \$100 million dollars for relief and recovery efforts. Mayor Mila Besich has declared an emergency to cover any recovery efforts the town may need to cover.

Senator Mark Kelly also visited the area and received in person briefings from the Incident Commands of the Telegraph and Mescal Fires. He also met with elected officials of Superior, Miami, Globe and San Carlos.

The Telegraph Fire has become one of the top 10 largest fires in Arizona's history. Copper Area News provides a variety of updates regarding the fire on our Facebook pages; residents can also follow the Telegraph Fire Incident Command Facebook page and website for additional information.
