Ideas for the Town of Mammoth

Has anyone thought if you let the county take over, you will get streets repaired, water maybe fixed, all the sidewalks you want and don't have to wait till Mammoth gets out of their debt?

Some people like me (moved here around 86-87) has

heard the same thing over and over. Mines closed; Mammoth is a ghost town. Go to YouTube and put in "Ghost Town Mammoth AZ" and look. Most people are too old to wait any longer.

By the way, Proposition 406, The Home Rule Option is a provision of the state constitution. It allows towns and cities to set their own spending limits. The Town of Mammoth has been operating under the Home Rule Option since 2010. The renewal is voted on every four years. With the defeat of the renewal that was voted down with over 62 percent of the vote, the Town of Mammoth

must operate under a state imposed budget formula which could result in significant budget cuts. Under the first year's expenditure limitation the town would have to operate with \$549,767 less than they would have had to spend. The new town council got rid of just two people making \$45,000 a year. That's \$90,000 a year; that took it down to \$459,767. Wow, \$45,000 a year!! Did the people know that??

Remember the \$1.2 million that was misspent that has to be paid back?

/s/ Dan Anthony

OBITUARY

John 'Jack' Baker

John "Jack" Baker, 70, of St. David, AZ went to see his Lord on June 4, 2015.

He was a wonderful husband, father and friend, and he will be greatly missed by all who knew him.

He is survived by his wife of 27 year, Darlene Baker; children, Clayton Baker, Margret Baker, Shelie Anderson and Kathie King; nine grandchildren and four greatgrandchildren.

Services will be held on Friday, June 19, 2015 at 3 p.m., at The Living Word Chapel in Oracle.

In lieu of flowers, the family suggests donations in his name to the Wounded Warrior Project or to a charity of your choice.

Mammoth Police Report

According to state law, police may arrest suspected offenders by two methods. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damage amounts are estimates.

Items are given to the San Manuel Miner by the Mammoth Police Department and reflect information available at the time the report is compiled.

June 5

A report of gunshots coming from the river crossing was

Pinal County Sheriff's Report

The Pinal County Sheriff's Report is taken from the daily logs, based on the information provided by deputies. All persons arrested are presumed innocent until proven guilty in a court of law.

June 8

Theft was reported in the area of E. SaddleBrooke Blvd. and S. Mountainview Blvd., SaddleBrooke.

A narcotics offense was reported in the 24000 block of S. Sunburst Dr., SaddleBrooke.

Criminal damage was reported in the 100 block of W. Sixth Ave., San Manuel.

June 9

Charles Michael Blank, 41, San Manuel, was arrested in the 1000 block of W. Third Ave., San Manuel, on a warrant for non-compliance. He was transported and booked into the Pinal County Jail in Florence.

Theft was reported in the 60000 block of E. Black Crest Loop, SaddleBrooke.

June 10

Gregory Charles Goga Jr., 37, Oracle, was arrested in the area of American Ave. and Justice Dr., Oracle, on three warrants for non-compliance with sentence. He was also charged with possession of marijuana, possession of drug paraphernalia and driving on a suspended/revoked license (2 counts). He was transported and booked into the Pinal County Jail.

Assault was reported in the area of S. Avenue A and Main St., San Manuel.

June 12

Theft was reported in the 38000 block of S. Desert Star Dr., SaddleBrooke.

June 13

Douglas J. Bartholomew, 63, SaddleBrooke, was arrested in the 600 block of E. Greystone, SaddleBrooke, and was charged with assault and disorderly conduct. He was transported and booked into the Pinal County Jail.

Christopher Matthew Lopez, 21, Hayden, was arrested

received. Reporting party said it sounded like pistol shots. An officer responded and advised that the shots were coming from the Lion's Club shooting range.

A reporting party called and said she could hear yelling from an address on Blue Bonnet Ave. An officer responded and advised that the noise was from children playing in the backyard.

A 911 call was received. The line was left open and the reporting party said she could hear arguing but it didn't sound like domestic violence. An officer responded to the address on Main Street and talked with the caller.

June 6

Caller reported a public exposure on Hwy. 77. An officer responded and talked with the reporting party. The officer

advised that there were no signs of public exposure as the reporting party said she only saw a male buttoning his pants.

June 7

A report of a vehicle on fire with no injuries on Veterans Memorial Boulevard was received. San Manuel Fire Department engine 682 responded and put out the fire. June 8

A report of illegal dumping near the Bluebird Softball Field was reported. Reporting party said that the individual dumping a large amount of his own trash into the garbage instead of paying for trash pick up.

Calls not listed include: medical (11), warrants entered/cleared (1), fire (1) and vacation house check (1).

LETTER TO THE EDITOR

Community Policing coming to Oracle

"Holy Gumdrops, Batman! We've been invaded!!" "Au Contraire, Robin. We've just been negligent and the criminal thugs have been in our midst all along".

When one looks at the criminality and it's increase within the community of Oracle over the past year or so, one might surmise that all of the criminals that were run out of the fictitious megalopolis of Gotham City by the caped crusader and his devoted companion, ended up in the little town of Oracle, Az. For

those residents of that tiny community who take the time to pay attention to the local crime reports (PC Shrf's Ofc. Report), the jump of over 500% in just one week (last wk's. stats) is inconceivable.

It wasn't long ago, that a reporter for a local news media source, in an article authored by himself, made the statement that he wasn't aware of the need for a neighborhood watch, inferring that the community didn't have a crime problem. I responded in a subsequent

article, that all one had to do was hang around one of the Circle K's in town on a Friday afternoon and be witness to a myriad of illegal drug transactions that were taking place in plain view.

Since that time, as coordinator for the "Watch", I now realize that the problem is far worse than I ever realized. Initially, I attributed the fact that having worked in law enf. for 30yrs. plus, that I was a little hyperaware of the sordid behaviors/activities of the underworld of illegal drugs/criminals. But the statistics of the ever increasing criminality over the past year, involving drugs directly and indirectly (thefts, burglaries, crim. damage, etc.), erased that notion completely.

I then began began to look at how maybe the nationwide acceptance and attitudes of recreational marijuana and drugs in general, might be playing a role in what small communities across the country, might be experiencing. And to some degree, that may be one of the causative factors. However, when one compares the crime stats of the surrounding communities of San Manuel, Mammoth, Eagle Crest, etc., it becomes quite apparent that Oracle is an anomaly that is difficult to understand.

Conjecture might allude to the fact that because the town has a high percentage of retirement aged residents, and that as a rule, tend to not be involved in communal activities/politics and having a I don't want to get involved attitude, especially where the drug abuse activities of their neighbors are concerned, could be one of the resulting

Another variable that may be negatively affecting our community is the liberal attitude held by some of the Lassez Faire types who tend to ignore these activities thinking that as long as it doesn't affect me personally, then it's ok. However, as we have seen in recent history, this kind of thinking will eventually raise its ugly head and bite us hard. It was just about a year ago, that we had a young woman, kidnapped, raped and almost murdered, and it was later determined that illegal drugs was a mitigating factor.

major Pot Growing Operation, square in the middle of town, where are families, children and businesses are located, was and arrested the criminal involved. The implications of the size and audacity of its location, should be mind boggling to the average resident.

With the S.O. crime stats report of last week, showing the phenomenal increase in crime, we once again, see many who, reacting to the bad news, throw up their arms and start screaming where is our law enforcement and why aren't they doing something? The same thing occurred after the aforementioned assault on the woman last year, as those who attended witnessed many residents complaining and demanding more protection from law enforcement.

Something that people need to realize is that

law enforcement has and will always be a

response-punishment (clean up) endeavor with some deterrent value but no matter the size or amount of personnel, it will never be the "silver bullet" to provide the sheep with protection. Sheepdogs can only do so much and if the community isn't willing to assist them with information pertinent to the criminality of its situation, then the sheep will ultimately, pay the price. Evil men and women, will always be around and if they are determined and/or are impulsive enough to inflict their criminality on the weak, all of the law enforcement in the world will not prevent that from happening. One only has to look across the ocean at a little country that has had evil on its borders and constantly attacking it on levels never seen in our country, to realize the truth of protecting its civilians. Israel is a nation of protectors, the Sheepdogs of society. Most have had minimal training, some extensive, in self defense and working with their law enforcement and it has had a major impact on its safety. Israel has one of the lowest crime rates, per capita, of any nation. When America, and more specifically, our towns and cities, realize this, and quit depending totally on law enforcement and govt., then we too, shall see improvement.

Ultimately, one must realize that what our community has succumbed to, is ambivalence. Apathy and self absorption in our daily lives have allowed illegal drugs and criminal behavior in general, to fester and grow to the point of it overwhelming our once quiet little town and unless we break the cycle, it will continue to plague us and eventually, take over completely. One only has to look South at Mexico to see what we may become with all of its drug cartels and corruption, permeated throughout the govt. and country.

There is no doubt that there are a few that will read this and cry foul at its implications and try to minimize and rationalize this hypothesis.

LETTER TO THE EDITOR

Mammoth has public hearing on police enforcement

Thanks again to Mammoth Mayor Jones and Councilwomen Wickham for holding the public hearing on whether or not the Pinal County Sheriff's office should take over police enforcement in the town of Mammoth. Also thanks to Sheriff Babeu for being present to answer questions. A lot of valuable information was exchanged. Several questions on Fire Dept. dispatch calls and the town's ability to pay the Sheriff's Office up to \$350,000 per year still remain to be clarified.

Remember, by State law, incorporated cities and towns are financially responsible for police, fire, streets, library and other services under the direction of the Mayor and Council. The Sheriff's Office is only responsible for providing services to UNINCORPO-RATED areas of the Countv. The Sheriff cannot assume a total police role in any incorporated city or town short of a financial-service agreement or as back-up help with a mutual aid agreement.

Minor injuries for person in single car accident

A single-car accident sent one person to the hospital Wednesday, June 10.

The accident happened on Highway 77 at milepost 96 near Willow Springs Road, Oracle, at approximately 2

Arizona Department of Public Safety reported that a single vehicle ran off the road into a ravine. One person was transported to a Tucson hospital where they were treated and released.

Golder Ranch Fire Department responded and assisted at the scene.

Due to drastic reductions and cost-shifting to cities, towns and counties by Governor Ducey and the State legislature, many small towns and Counties are finding themselves in dire straits. Some small towns including Mammoth have also misspent Highway dollars in the past, and Mammoth alone now owes the State over one million dollars in HURF funds. This does not help in balancing small town budgets either.

At the public meeting the Mammoth Mayor read an email from the Chief of Police in Kearny, Az., that they are also looking to financially contract with the Pinal County Sheriff's Office for police services. I hope Mammoth and Kearny are able to continue involving the citizens of their communities and reach a decision that the majority of their citizens support.

Respectfully, /s/ Pete Rios **Supervisor and Vice** Chair **Pinal County BOS**

Drivers should be aware of cyclists on the road

By John Hernandez San Manuel Miner

The Tri-Community has become a popular place for cyclists. Bicycle riders can be seen going up and down Highway 77 and on the back road from Oracle to San Manuel. Oracle is now a site for a collegiate race which has drawn hundreds of cyclists. Clubs are using the roads for training and recreational cycling.

The recent tragic death of Dr. Ralph "Rafe" Sagarin, 43, in a vehicle-bicycle collision on Highway 77 between the Biosphere 2 and Oracle was avoidable. Gary L. Colvin was allegedly driving his truck while impaired when it struck Sagarin's bike from the rear.

Dr. Sagarin was an associate University of Arizona research scientist working at Biosphere 2. He was to lead the ocean ecosystem and had plans to convert the ecosystem to be something more like the Sea of Cortez which lies within the Sonoran Desert.

The accident brings up questions about the public awareness of motorists and bicycle safety. Some rules for motorists and bicyclists to follow that make sharing the road safer are compiled here:

Safety Tips for Motorists

- By law, cyclists are deemed to be drivers of vehicles and are entitled to the same rights as motorists while on the road.
- When the situation calls for it, give cyclists the right of way as you would a pedestrian.
- Always yield to bicyclists at crosswalks (marked or unmarked) especially when turning right on red.
- When you pass a cyclist always reduce your speed and allow as much room as possible with a minimum of at least three feet between your vehicle and the bicycle.
- Slow down near schools, parks and residential areas. Children can be unpredictable when riding their bicycles.
- Stop behind the stop bar at all intersections. Do not stop in the crosswalk.
- Don't blast your horn when approaching bicyclists. This may startle them and cause them to swerve or crash in front of you.

Safety Tips for Cyclists

• Familiarize yourself with all traffic laws and cycling rules. Do not run stop signs or red lights or use the wrong

- side of the street. Always use your hand signals when making a turn or changing lanes.
- When riding in groups it is best to ride single file. Sometimes there are times it is safe to ride two abreast provided you are not blocking traffic. Riding responsibly and following traffic laws fosters respect and a friendlier environment between motorists and cyclists.

When riding in traffic, stay as far to the right as practical. Always allow yourself enough room for an emergency and do not ride so far to the right that you run the risk of hitting the curb or of running off the pavement. Sometimes you may encounter a situation where there is not enough room on the right of a traffic lane. You may need to enter the traffic lane. Do so as safely as possible making sure you use the proper hand signals when entering the lane.

- · Always wear a safety helmet.
- Drive defensively. Make sure you are aware of your surroundings and watch for hazards on the road. It is unsafe to wear headphones while riding. Be aware of weather and make sure to check your breaks before going down steep hills.
- Make your presence known. Wear bright color clothing. Make eye contact with motorists when possible. Let them know you are there. At night or in inclement weather you should have a headlight on your bike and use reflective lights in the front, side and rear that make you visible from all directions.

Near the location where Rafe Sagarin died, friends have put up a memorial. It is a bike painted completely white. Someone also left flowers, a sea shell and toy fish. This memorial is known as a "Ghost Bike". The idea is similar to the "Desconsados" or crosses and memorials you see on the roadsides, only the Ghost Bikes are also used to remind motorists and cyclists to drive/ride safely and share the road.

Candidates sought for two board vacancies

The Mammoth/San Manuel Unified School District Governing Board has two vacancies. The vacancies will be filled by appointment made by Pinal County School Superintendent, Jill Broussard.

The successful candidates will be seated until Dec. 31, 2016.

Any eligible resident within the Mammoth/San Manuel Unified School District who is interested in being appointed can apply online at http://bit.ly/1feNicP. The application can be completed online, but it must be printed out, signed, notarized and the original mailed or hand delivered by the deadline. The deadline for applying is no later than 5 p.m. on Friday, July 10, 2015.

You may also submit a request for an application by calling or writing to: Brenda Katterman, Pinal County School Superintendent's Office, P. O. Box 769, Florence, AZ 85132; Email: bkatterman@pinalcso.org; Phone: (520) 866-6565.

Sea Lions win Florence swim meet

The San Manuel Sea Lions traveled to Anthem Merrill Ranch Swimming Pool in Florence to compete against the Parkside Piranhas and the Florence Sharks on Saturday. The Sea Lions won the meet with 922 points, the Piranhas finished second with 571 points and the Sharks finished third with 73 points.

It was the first away meet of the season for the Sea Lions and a good tune up for what will be the most competitive dual meet of the season next week in Coolidge. The Sea Lions looked spectacular in the relays. In the Medley Relay, where each of the 4 swimmers swim a different competitive stroke, the Sea Lions won relays in 8 of the 10 age groups contested.

Three swimmers entered the maximum number of events and won them all. Tabitha Kellam (11), Evan Apuron (12), and Gianna Sweeney (14) each won all 8 events they swam.

The following swimmers had first place finishes on Saturday:

Kayla Lambiotte, 6, (Fly, Breast, Medley Relay);

Jessica Rouse, 7, (Medley Relay); Juliana Ramirez, 8, (Medley Relay); Nevaeh Derrick, 9, (Medley Relay, Free Relay); Rocky Andrade, 9, (Free Relay);

Joey Castellanos, 9, (Free Relay);

Mason Stewart, 9, (IM, Breast, Medley Relay, Free Relay):

Emerik Zovko, 10, (Medley Relay); Ashlee Parker, 10, (Medley Relay, Free Relay); Briana Castellanos, 10, (IM, Fly, Back, 100 Free, 50 Free, Medley Relay, Free Relay); Mia Dale, 10, (Breast, Medley Relay, Free Relay);

Ben Fister, 10, (Fly, Back, 100 Free, 50 Free, Medley Relay);

Robert Sanz-Anton, 10, (Medley Relay); Riley Stewart, 11, (Medley Relay, Free Relay); Hunter Hill, 11, (Medley Relay, Free Relay); Rianna Estrada, 11, (Free Relay); Brianna Mullens, 11, (Medley Relay); Star Chavez, 12, (Medley Relay, Free Relay); Tabitha Kellam, 11, (IM, Fly, Back, 100 Free, Breast, 50 Free, Medley Relay, Free Relay);

Evan Apuron, 12, (IM, Fly, Back, 100 Free, Breast, 50 Free, Medley Relay, Free Relay); Aubrey Bridges, 12, (Free Relay);

Nate Fister, 12, (Medley Relay, Free Relay); BaiLee Hill, 13, (Free Relay);

Kayla Parker, 13, (Medley Relay, Free Relay); Darien Apuron, 14, (Medley Relay, Free Relay);

Gianna Sweeney, 14, (IM, Fly, Back, 100 Free, Breast, 50 Free, Medley Relay, Free Relay); Jayden Smith, 13, (Medley Relay, Free Relay); Andres Valenzuela, 13, (Medley Relay, Free Relay);

Jessi Rice, 14, (Medley Relay, Free Relay); Michael Primero, 14, (IM, Fly, Back, 100 Free, 50 Free, Medley Relay, Free Relay); Raya Woods, 15, (IM, 100 Free); Will Newman, 15, (IM, Fly, Back, 100 Free, Breast, Medley Relay, Free Relay); Colbey Stratton, 16, (50 Free, Medley Relay,

Taylor Woods, 17, (Medley Relay, Free Relay)

Robert Sanz- Anton was named Sea Lions Beast of the Week. Robert enthusiastically works hard at every practice to improve his swimming technique. At the meet he was able to successfully complete all 8 events in his age group for the first time. His improved racing start and Freestyle technique paid big dividends at the meet. His Freestyle leg during the Medley Relay was good enough to bring his relay team from behind for a win. After the grueling schedule to complete all the events, Robert

was still beast enough to swim two legs on the final relay.

The Sea Lions will travel to Coolidge on Saturday, June 20, for the battle of the two remaining undefeated teams in the league. Coolidge would love to be the ones to end the Sea Lions 8 year winning streak.

There is still time to join the team - contact Alex or Wendy Gort at 896-2190, stop by the San Manuel Pool between 4:30 and 6:30 p.m. (Monday-Friday) or check sealionswimteam.com for more information.

Ashlee Parker (10) is ready for the Backstroke race.

Vince Apuron | Miner

More postseason honors for Copper Corridor baseball, softball players

By Andrew Luberda Copper Area News

Two more media outlets released their list of baseball and softball players who received recognition for their performances on and off the field during the recently concluded seasons.

Sports360AZ.com and azcentral sports announced their respective All-Academic and All-Arizona Teams.

The following is a list of Copper Area players, by school, who received postseason honors from the aforementioned outlets:

Ray Baseball

- azcentral sports Division IV All-Arizona First Team: Destry Yocum and Derek Pacheco
- azcentral sports Division IV All-Arizona Second Team: Cole Yocum
- \bullet azcentral sports Division IV All-Arizona

Honorable Mention: Douglas McPeak and Jordan Pace

• Sports360AZ.com Division III/IV All-Academic First Team: Derek Pacheco – 4.0 GPA

Are you ready for the summer heat?

By John Hernandez Copper Area News

Summer is almost here (June 21) and with it comes the brutal heat that Arizona is known for. Yes, it may be a dry heat but it is still hot, darned hot!

The 100 plus degree temperatures will be starting this week and with it some harmful effects that can even be deadly. In Arizona over 2,000 people end up in the emergency room every year for treatment of heat related illnesses. These illnesses include sunburn, heat rash, heat cramps, heat exhaustion, heat stroke and even death. Over 1,500 people in Arizona died from heat related illnesses between the years 2000-2012, over 100 each year!

Those people with the highest risk of suffering heat exhaustion include the elderly, young children (age o-4), those with high blood pressure, those using alcohol, prescription drugs, or illicit drugs and those people that work or exercise in a hot environment. Please do not leave a child or pet in your car unattended.

Sun Life Health Center has provided information to make the public aware of heat related illnesses and how to identify heat stroke and help prevent it. Their information follows:

The majority of heat-induced stress in Arizona usually occurs during outdoor activities. Help protect yourself and your family this summer from heat/sun stroke and dehydration with some basic precautionary measures:

Drink water: Individuals who are outdoors in the summer heat should drink 1-2 liters of water, and those doing strenuous activity should drink up to 4 liters. Avoid coffee or alcohol, which will dehydrate you.

Protect your skin: Always wear sun screen if you will be out under the sun for more than 20 minutes. Wear lightweight, light-colored clothing to reflect the heat. Other options are hats or umbrellas.

Take it slow: Try to keep strenuous activity during the cool morning times (between 4-7am). If you are doing hard labor during the hottest times of the day, take frequent breaks in a shaded place to cool down.

Eat more, eat less: Eat smaller meals more often throughout the day. This keeps your energy up, but does not overwork your body. It's advised to especially avoid protein (meat, sea food, eggs, dairy, beans) which can raise your body temperature as you digest it. Also it is wise to eat room temperature or raw foods so that your body does not have to work to keep your body temperature

The sun promises to be brutal this summer. Are you ready?

ACTOS?

equilibrium.

Despite our best efforts, children and our elderly population are at most risk during the summer months. Knowing what to look for can help save lives. Signs of heatstroke are vomiting, mental confusion, throbbing head, decreased alertness, loss of consciousness, high body temperature (as high as 105 degrees), hot and dry reddish skin, a rapid and weak pulse, rapid, shallow breathing, and seizures. If a loved one begins to show these signs, seek medical attention immediately.

Behind the Scene at Kids' Closet

By Patrick Polencheck Special to Copper Area News

It's summer in our wonderful SaddleBrooke community and many of our dedicated volunteers are gone for the season. But there is still much work behind the scene to be done prior to reopening Kids' Closet for the fall/winter school year.

This year's opening will be on Thursday, Sept. 17, and continue through Nov. 23, 2015.

To prepare for this season, KC's four buyers are hard

at work determining the items that for their shopping list in preparation for their buying trip to Las Vegas in August. Based on the 2,732 children clothed during the 2014-15 session, KC's team of buyers, Jo Sauvegeau, Jeanette Wollinka, Nancy Moore and Karen Haddock, is working diligently to assess our needs for this session by taking into account some of the latest fashion trends that children from pre-K through grade 8 would like to wear to school. Starting with underwear, socks, footwear, shirts, pants hats and jackets for each child is one large order. That is just for starters!

Once these items are purchased, they now have to be processed. That is where our receiving managers Richard and Lori Snead see to it that all the clothing is verified and then sorted into like sizes and binned for its trip to the Kids' Closet in Mammoth (30 miles north of SaddleBrooke).

After they arrive, our two warehouse managers Pat Schlote and Melanie Stout will check it in and place it in the appropriate sections. This is a big task taking many hours of work so that once Kids' Closet opens for business, everything is ready to go.

What would we do without these dedicated volunteers? There are many more volunteer jobs available. If you are interested, please contact: SaddleBrooke Community Outreach located in Suite "L" in the commercial center or call: 520-825-3302. Kids' Closet is open on Mondays, Thursdays and occasional Saturdays.

Simple precautions by motorists can prevent wildfires

As temperatures heat up, the Arizona Department of Transportation is asking drivers to take extra precautions to prevent roadside wildfires.

Low humidity, high winds and hot temperatures are a dangerous combination that can lead to the rapid spread of wildfires. More than 50 percent of wildfires in Arizona are human caused according to the Arizona State Forestry Division.

"We are all responsible for preventing wildfires. Drivers should take a few extra precautions to prevent roadside fires from igniting," according to Arizona State Forester Jeff Whitney. "It can be as simple as ensuring your trailer tow chains are

secure and not dragging on the ground."

ADOT suggests motorists follow these tips to prevent wildfires along Arizona's roadways:

- · Avoid driving or parking your vehicle in
- · Never throw a lighted cigarette out of a vehicle.
- When pulling a trailer, attach safety chains securely; loose chains can drag on the pavement and cause sparks, igniting roadside fires.
- · Look behind you before driving away from fire-sensitive locations such as areas with tall grass or campsites to check for signs of a developing fire.

- Observe "Red Flag" fire weather warnings. These warnings are issued when weather conditions are conducive to the easy start and rapid spread of wildfires.
- Always use a spark arrestor on internal combustion engines.

Drivers should also remember these tips when driving through smoke from wildfires:

- Drive with lights on low beam. High beams will reflect back off the smoke and can reduce your visibility even more.
- Look out for slow-moving and parked vehicles. Other cars may be traveling slowly due to reduced visibility. Emergency vehicles may be parked along the side of the

- Increase the distance between your vehicle and the vehicle in front of you. Don't rush or speed to get out of the smoke.
- If you're having trouble seeing the roadway, use the right edge of the pavement or the painted edge line stripe as a guide.

For more on wildfires, visit azein.gov, the state's online source for real-time emergency updates, preparedness and hazard information. Another source for wildfire information is wildlandfire.az.gov, which is supported by a collaboration of federal and state agencies.

You can also go online to Oraclefire.org for more information on how to make your home and property FireWise.

San Manuel man faces felony charges in drug seizure

By John Hernandez San Manuel Miner

Wade Jerod Corley was arraigned on seven felony counts on May 29, 2015 at the Pinal County Superior Court.

The seven felonies stem from a

search and seizure at a business in Oracle and Corley's home in San Manuel. Over 150 marijuana plants, several pounds of marijuana and marijuana growing equipment were seized in the two searches. The searches were initiated from a tip provided by

the Oracle Neighborhood Watch to the Pinal County Sheriff's Office on April 21.

According to the Pinal County Attorney's Office, Corley has been charged with two counts of Possession of Marijuana for Sale; two counts of Producing

Marijuana; Possession of Narcotic Drug for Sale; Possession of **Equipment for Manufacturing** Narcotic Drug; and Possession of Drug Paraphernalia.

Corley's first Pre-Trial Conference is tentatively scheduled for July.

Wade Corley

THOMPSON LETTER

Continued from page 4

Some of which, no doubt will be those that are themselves, involved in the criminality referred

Whether it be an occasional and recreational use of Pot, the use of prescription drugs or the Meth/Heroin that has permeated our nation, their attempts to justify and/ or denigrate the conclusions of this will be evident. But, what one cannot deny, are the facts. The phenomenal increase in crime within the tiny community of Oracle is destroying us and if something isn't done soon about the illegal drugs, Oracle will be able to compare itself to the likes of other drug cartel controlled places like Ciudad Juarez-El Paso, Tx., Tijuana, Brownsville-Matmoros, Tx., etc. where violence and degeneracy rule.

We residents of Oracle and members of the neighborhood watch, refuse to accept the inevitability of the insidious evil that portends our future if the current trends continue of apathy and ambivalence. Our families, friends and law abiding neighbors are too valuable to allow the criminal elements continue to operate with impunity.

It is at this time, we are announcing our new Community Policing Program that involves

our working with like minded residents, businesses, schools and organizations, utilizing a well established and time proven strategy, to work hand-in-hand with law enforcement, to provide a safe and secure environment for our residents.

The Oracle Neighborhood Watch will be doing a cook out at the Oracle Park in the center of town (Nuestro and Bonita streets) on June 26, at 6:30pm to kick off its new program and is cordially inviting select members to attend. At that time, some of the specifics of our tactical approach will be discussed.

There is no charge and families/children are invited. Hamburgers, hotdogs, chips and drinks will be provided. Any additional guests, friends, etc. can attend upon request of those invited. Please RSVP as to how many will be attending so that we have plenty of food and

Position Announcement Case Manager I Location: Casa Grande, Arizona

The Central Arizona Governments (CAG) is seeking a Case Manager I for its Workforce Development programs. With our central office located in the City of Apache Junction, CAG is a regional governmental planning agency serving 11 communities, two Native American tribes, and a total population of 402,000 throughout Pinal County. Workforce Development programs serve an important role for the region and provide over one-half million dollars in Workforce Innovation and Opportunity Act funds annually.

The successful candidate will provide support to WIOA eligible program participants to ensure their successful completion of training and/or employment objectives by performing the following duties:

Determines eligibility and in conjunction with the client, formulates an Individual Employment Plan (IEP) which identifies vocational goals, barriers to employment and supportive service needs. Also determines the appropriate course of action to overcome identified barriers and records information on training and/ or supportive service needs, and reviews IEP on a regular basis to ensure continued progress in training or job search programs. Maintains accurate and complete case notes to outline client progress and to provide reference for all staff involved with the client. Provide counseling to clients to furnish information, resolve problems, motivate and encourage the client. Coordinate with various public service agencies throughout the satellite office's area, to establish effective networking linkages and to gather referral information necessary for clients. Prepare supportive service forms for approval by WIOA Program Manager. Collect information necessary in the preparation of case files. Contact clients to provide information regarding possible employment opportunities. Conduct workshops, orientations and job clubs, and provide ongoing data entry into state's data collection program.

The position requires a minimum of 3 years of experience in client case management, an associate's degree in public administration, social work or an appropriate related degree. Any equivalent combination of experience and training which provides the required knowledge, analytical and communication skills will be considered. Travel throughout the CAG Region is required. Occasional travel in state and out of state may also be required.

CAG provides a small office working environment and conducts business on a four day (10 hours per day) work week, Monday through Thursday.

Salary range is \$28,000 to \$35,000 DOQ with a competitive benefit package provided.

Send detailed resume and three work related references to: Andrea Robles, Central Arizona Governments (CAG), 1075 S. Idaho Road, Suite 300, Apache Junction, AZ 85119 or e-mail arobles@cagaz.org.

First review of applications will occur on June 29, 2015. Recruitment will remain open until position is filled. CAG is an EOE-male/female, handicapped affirmative action employer.

Position Announcement Program Coordinator Location: Casa Grande, Arizona

The successful candidate will provide training and oversight support to WIOA staff and eligible program participants to ensure successful completion of training and/or employment objectives by performing the following duties:

Ensures compliance to federal/state program regulations at provider and administrative entity level. Responsible for preparation and presentation of numerous reports. Attends meetings of the Workforce Investment Board and its sub-committees and disseminates information to CAG staff and committees. Coordinates local job training activities with other related programs (i.e. social services, economic development). Acts as liaison between staff and educational institutions, related state agencies, federal agencies, CAG's elected officials, municipal staff, and citizen advisory groups. Other duties to include special projects, grant writing, and designing of training programs related to WIOA program needs. This position is responsible for setting an example for other CAG staff regarding CAG procedures as described in the Employee Manual. Manages 3 Case managers and 1 Community Outreach Specialist. Is responsible for overall direction, coordination, and evaluation of these units. Carries out supervisory responsibilities in accordance with the organization's policies and applicable laws. Responsibilities include assisting the Program Manager in interviewing and hiring employees in the Social Services Department. Recommends hiring and disciplinary action of staff to the Program Manager. This position is responsible for planning, assigning, and directing work; meeting performance standards, and appraising performance; addressing complaints and resolving personnel and operational problems with the department. Responsible for file monitoring and oversees Rapid Response under the Dislocated Worker program.

This position requires a Bachelor's degree (B.A./B.S.) within a related field or equivalent from a four year accredited college or university; or four years related experience and/or training; or equivalent combination of education and experience. Any equivalent combination of experience and training which provides the required knowledge, analytical and communication skills will be considered. Travel throughout the CAG region is required. Occasional travel in state and out of state may also be required.

CAG provides a small office working environment and conducts business on a four day (10 hours per day) work week, Monday through Thursday.

Salary range is \$40,000 to \$57,000 DOQ with a competitive benefit package provided.

Send detailed resume and three work related references to: Andrea Robles, Central Arizona Governments (CAG), 1075 S. Idaho Road, Suite 300, Apache Junction, AZ 85119 or e-mail arobles@cagaz.org.

First review of applications will occur on June 29, 2015. Recruitment will remain open until position is filled. CAG is an EOE-male/female, handicapped affirmative action employer.

Mammoth resident Beverly Howell - 'Sister on the Fly'

So much color even on the inside of Beverly Howell's home away from home.

Nina Crowder | Miner

By Nina Crowder San Manuel Miner

It's a bit of a misnomer since the Sisters on the Fly don't actually fly anywhere. They caravan. And one local lady is lucky enough to be a part of it, proudly touting herself as "Sister 1855."

Beverly Howell of Mammoth participates in the Sisters on the Fly Program.

The Sisters on the Fly consist of over 6,000 members in the United States. They plan events from camping to domestic and international travel, hiking, fishing, horseback riding, wine tasting, dancing and whatever else sounds fun!

The caravan recently took a Route 66 tour some of the members started in Illinois and the tour will end in Ventura, California. They plan their trips and stay overnight at many locations. During the Route 66 tour they stayed overnight in Winslow, Arizona, there were a total of 123 camper trailers with a police escort into Winslow. While they were there, they ate at local restaurants, bought gifts from local stores, went dancing and just had a great time

"We dress up in bright colored tutus,

boots, fun outfits to go out on the town in," Beverly said. "The Mayor of Winslow greeted the Sisters on the Fly and thanked us for planning a trip through Winslow as it boosts the economy and is fun for everyone."

Beverly joined Sisters on the Fly because of the similar interests the ladies in the group have with her interests. There are no men, no animals, no kids and the rule is to be nice. If you are unable to do the full trip you can just pop in at any location along the way. The women share stories and enjoy their adventure at each stop. Many of the women have small travel trailers that are comfortable, colorful and a representation of what they enjoy. Sisters on the Fly is the largest outdoor women's adventure group and certainly worth checking into.

The membership fee is \$60 a year and they do not discriminate against race, religion, sexual preference, etc. But you do have to be a woman. If you are looking for a group of women to participate and travel with to fun destinations, please feel free to visit their website www.sistersonthefly. com and check out some of the adventures they have experienced to date.

One simple call to 811 gets underground utility-owned lines marked for FREE.

Whether you're a homeowner or professional excavator, every digging job requires a call — even small projects — so be sure to:

- Call 811 at least two days before starting any digging project
- Respect the marks
- Dig w
- · Wait for the site to be marked

· Dig with care

Not calling can be life threatening and costly. You can harm yourself or others, disrupt natural gas service to an entire neighborhood, and potentially be responsible for injuries, repair costs, and criminal penalties.

Natural gas lines can be buried anywhere. If you ever suspect a natural gas leak, call **911** and Southwest Gas at **1-877-860-6020** immediately, whether you're our customer or not.

For more information about natural gas pipeline safety, visit **swgas.com/safety** or call **1-877-860-6020**.

Beverly Howell's travel trailer has one of the best paint jobs ever.
