OBITUARY

Guy W. Bryant

Guy W. Bryant died June 9, 2015 at his home in Superior following a lengthy illness. He was born on May 4, 1923 in Pleasant Ridge, Kentucky. He was 92 years old at the time of his death.

He worked his family's farms until he was 21 years old, moving to Superior in 1945 for health reasons. Guy owned the Neighborhood Market on the corner of Hill and Stone for a period of time, was the Rainbow Bread Salesman several years, then bought the Union 76 Service Station. He retired from Union Oil 30 years later in 1988, and then went to work for the owner of the new Express Stop until he was 88 years old.

Guy was very active at the local, county, and state level. He was elected to the Superior School Board for over 20 years, serving as its president several years, and he was president of the Pinal County Board of Education several years. Guy also served at the county and state level on the Housing and Urban Development Program (HUD), helping institute low income housing projects at the county and state level, was appointed to serve

on an advisory committee to the Arizona School Board Association, and served on the Pinal County Highway Advisory Board. During the 60's and 70's he was the July 4th Parade Director, attracting entries from all over Arizona and from several western states. He also helped raise money for the July 4th Fireworks and helped make sure it went off to everyone's delight. Guy was an active member of the Rotary Club, Lions Club, Miami Elks Lodge, Superior Sportsmen's Club, and the Saddle Club.

Guy was an avid hunter, fisherman, and water skier. He and two other friends developed methods and tackle for deep sea fishing in Mexico which resulted in many successful fishing trips and numerous, perhaps exaggerated, fish stories for all to tell. He loved introducing young people to the work field and to the sports of hunting, fishing, and water skiing.

Guy traveled about the USA, rode camels in Morocco, walked sunlit streets in Spain, made countless trips to Mexico, and hunted and fished to his heart's content. His tombstone reads, "Been there, done that." He loved people and enjoyed family functions and social gatherings. Guy was a good storyteller and was happiest when others were having a good time. He was notoriously afraid of lightning which was the source of many stories. He lived a long and full life. He treasured family and friends.

Guy is survived by his son, Guy W. Bryant Jr. of Superior; his daughter, Leslie Bryant of Queen Valley; and a sister, Midge Cole of Sonoita, Arizona. He also has seven stepchildren, Bart, Kathy, Michele, Carrie, Wayne, Delores, and Victoria. He has a slew of grandchildren, great-grandchildren, nephews and nieces, all of whom he was very proud. He was preceded in death by his parents, Guy and Christine Bryant; his brother, Paul Bryant; and a sister, Jean Crutchfield.

A memorial service for Guy is planned on Tuesday, June 23, 2015 at 1 p.m. at the Superior High School Gym, followed by lunch for family and friends at the home of Guy Bryant Jr. at 216 Smith Dr. in Superior.

Superior Police Report

According to state law, police may arrest suspected offenders by two methods. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damage amounts are estimates.

Items are given to *The Superior Sun* by the Superior Police Department and

reflect information available at the time the report is compiled.

June 5

A sex offense was reported in the 500 block of Heiner Dr.

Theft was reported in the 800 block of Hwy. 60.

June 6

Theft was reported in the 500 block of Lime St.

Violation of a court order was reported in the 100 block of Richard Ave.

Violation of a court order was reported in the

100 block of Stansberry Ave.

Theft was reported in the area of Spray St.

June 8

Christine Velasquez, 45, Superior, was arrested in the area of Mitchell Dr. and Arnett Dr. on a failure to appear warrant issued out of the Maricopa County Sheriff's Office. She was transported and booked into the Pinal County Jail in Florence.

June 9

Violation of a court order was reported in the 300 block of Magma Flats St.

Child abuse was reported in the 100 block of

Richard Ave.

Assault was reported in the 200 block of Kellner Ave.

Ruby K. Contreras, 34, Superior, was arrested on five failure to appear warrants issued out of the Pinal County Sheriff's Office. She was transported and booked into the Pinal County Jail.

June 11

Jacob M. Cardenas, 36, Superior was arrested and charged with driving on a suspended license. He was cited and released.

LETTER TO THE EDITOR

Dedicating Father's Day

"To those brave men" When we hear this phrase, it brings to mind a man who is not afraid. A man that faces whatever the world brings. A man who is capable of defending himself from his foes.

Father's Day comes and I want to dedicate the phrase, today, to these brave men. I know that their goal is not always easy. They carry, on their backs, the care of their wife and children, to give what is necessary and more. My respect to those men who rise early each day to go earn the bread of each day, tired and even sick, who aren't held back because love of family is bigger than their own tiredness or sickness. To these dads that, up to now, have passed years living like this.

How many dads are there, already tired, that continue working with the energy of a young man. Many younger men don't even reach halfway to these men's ages, and, they pass their lives in complaining. Our dads have committed errors that we can't forgive, but, who are we to judge? Remember that life will give back what you give. One thing that we owe them is to remember to thank those persons that are the reason why we exist? Good or bad, it was instrumental, so that we could live and with that done, being alive today, it is the biggest blessing from God to us.

On one occasion, I visited a nursing home and I was filled with sadness to see so many old men alone, sad and sick. They said no one visits them, and, even though I was a stranger to them, they felt happy for a while. I wore a western hat, and, as I walked in, one commented "A cowboy!", and some of them smiled or laughed. These are dads that gave the best of their years, and, now that they are older, are forgotten.

We don't need to go so far as to a nursing home. Some that we know, neighbors and friends, are in the same situation. The same as a mother, a father is just as important in the family. A lot of times, we forget to remember that. Having our parents is a giant blessing that we don't value like we should. When we lose a loved one, it is at that moment when we know how important he or she is in our lives. Those who have the opportunity to have their dad, celebrate this Father's Day to the max. In the following days, secure and learn to teach the many things we need to teach.

For some reason, God gave us this ability, here in this world, to those He calls or called "Dad". You can also convert an adopted son of a forgotten Dad. You can have him pass a happy while that, for him, is unforgettable. Many times, to be a family doesn't mean through blood, but, the love and care that is shared and given.

God bless all the Fathers, not only on this day, but, always.

Best wishes,
/s/ **Sylvia Perez**

Free blood lead and urine arsenic testing offered

Cobre Valley Superior Clinic, along with the Arizona Department of Health Services, is offering free blood lead and urine arsenic testing to those who are eligible.

Arizona Department of Health Services is conducting a Community Lead Screening Project which is part of a four-state consortium including: Utah, Colorado, New Mexico and Arizona. A summary of statistics will be shared with them, and with the Center for Disease Control, but individual results will be kept confidential. All children 6 years old or younger, as well as pregnant women, living in high risk zip codes should receive a blood lead test. Urine arsenic testing will also be available for children 6 years old and older who drink from a private well. For those living just outside of high risk zip codes, a questionnaire will be available in order to determine risk.

Lead poisoning can cause learning disabilities, interference with growth, and behavioral problems in children. Arsenic can cause gastro-intestinal upset, skin changes, and kidney malfunction. Testing is free, so please get checked with a blood lead test or a urine arsenic test.

Please call 602-364-3847 or email kaleb.tsang@azdhs.gov for testing which will be available at the Cobre Valley Superior Clinic on Aug. 7 and 8 from 9 a.m. to 4 p.m. both days.

For more information or if you have any questions, please feel free to call the Arizona Department of Health Services, at the number above.

Two vie for St. Francis Fiesta Queen title

By Yolanda Nájera-Ewing
Superior Sun

Felicity Boltarez and Jordan Danielle Lopez are the two faithful young ladies who have agreed to campaign and vie for the position of Queen for the 36th Annual Saint Francis Church Fiestas Patrias to be held September 12th and 13th.

Jordan resides locally on Richard Avenue with her family, while Felicity and her family reside on Greenwich in Kearny. The girls and their families have been busy consulting with Marcella Garcia who is the queen candidates' director and coordinator of their fund raising activities. These fund raising events will continue until the week before the Annual Fiesta. Both candidates and their families will be selling fiesta tickets which count as votes for the candidates.

Felicity is 10 years old and the daughter of Richard Wade and Liberty Bailey. Felicity will be attending 5th grade at Ray

Unified School District #3 Elementary School in Kearny. She is the eldest of four children, and according to her parents, Felicity executes her role as the "big sister" very well. Her eldest brother, Junior, is eight and in the third grade. Her sister, Abigale, is four years old, and baby brother, Aidyn, is only two.

Queen Candidate Felicity enjoys doing math which is her favorite school subject. She has played baseball for three years and basketball for one. Additionally, she is a cheerleader at her school. Felicity's favorite movie is Pitch Perfect. She also likes listening to country music and visiting with her friends. Pizza, burros and hamburgers are the foods she likes the best.

Felicity's church activities include visiting her neighbors who are homebound and making cookies for them. She volunteers policing and cleaning areas of her community, and she loves reading books to the younger students at

her school.

Felicity decided to run for Fiesta Queen because she feels that fund raising with the other girls will be fun; and she wants to help her church. "Win or lose, I think it will be great to be a queen or a princess for a weekend," smiled Felicity.

Jordan is 11 years old and the daughter of Mario and Jaclynn Lopez. She will be starting the seventh grade at Superior Junior-Senior High School. She too is the "big sister" to three siblings. She has a 10-year-old brother, Adam, in the sixth grade; a six-year-old brother, Caleb, in the first grade; and a little sister, Lauryn, who is four years old. "The younger children can't lose track of her for very long before they start asking for her and looking for their big sister," said her mother Jaclynn. This fiesta queen candidate likes math as well and loves America's favorite pastime, baseball. Jordan has been a Little League player for six years, and has played basketball for two years. She has participated in the JFK Nature Club and JFK Student Council. In student council, she has served as Class Representative and as Treasurer. She enjoys listening to hip hop and her favorite movie is The Little Rascals. Her favorite food is Spanish rice.

Jordan has attended religious education classes at St. Francis since she was in kindergarten. She is also a regular at Vacation Bible School. She makes a practice of visiting those who are ill and homebound. Her community involvement includes helping the Optimist Club with different events. About being a queen candidate, Jordan wrote, "I look forward to dedicating my time to raising funds for our beautiful church. Representing Saint Francis of Assisi Church has been one of my top most goals, and I am so happy that now I will have a chance to do it." She went on to explained that she feels very lucky to be part of a loving family and a supportive community.

As director of the queen candidates and their projects, Garcia is still accepting queen candidate registrations. She can be reached at 480-939-1313. Other available contacts for the queen candidates are fiestas co-chair Steve Lopez (689-5059), fiestas co-chair Olga Lopez (520-827-4119), and the church office (689-2250). Anyone wanting to make a donation to the queen candidates or to help in their fund raising is asked to call one of the numbers listed above.

Felicity Boltarez

Jordan Lopez

Volunteers Needed

Are you a people person? Want to give unto others and assist those experiencing a challenging time?

Copper Communities Hospice is looking for volunteers that are interested in visiting with patients. Volunteers attend an 8-hour training session, must be able to pass a background check, have a driver's license, current auto insurance and their own reliable transportation. TB skin test is required (we will provide).

Volunteers devote a minimum of 2 hours a week.

If your organization or group would like more information or would like to have a Hospice Presentation detailing the hospice volunteer services, please feel free to call Debra Green, Volunteer Coordinator, at 520-391-3000. We will gladly set up arrangements.

Volunteers "Plant Seeds of Kindness." PICK UP AN APPLICATION TODAY! We would love to have you join our dedicated group of volunteers.

US 60 passing lane project east of Superior starts this week; Intermittent closures for blasting work will be necessary

PHOENIX — The first of a series of planned improvement projects along US 60 between Superior and Globe will start Wednesday, June 17, when the Arizona Department of Transportation begins work to construct a new passing lane from Devils Canyon to Oak Flat (mileposts 231-233), along with other improvements.

When completed, this \$8.8 million safety improvement project will make it easier for motorists to pass large trucks and slow-moving vehicles whose speed drops because of the sustained grades along this stretch of highway from Devil's Canyon to the Oak Flat area.

There will be minimal impacts to the traveling public during this initial phase of the project prior to Fourth of July holiday weekend.

Construction of the passing lane and some shoulder widening will require US 60 to be closed during blasting,

which will start after the Independence Day holiday weekend.

The project will include the following:

- Construction of a new westbound passing lane from Devil's Canyon to Oak Flat (mileposts 231-233)
- Widening shoulders in the Devil's Canyon area (milepost 233-234)
- Improvements to the Waterfall Canyon bridge (milepost 229)
- Box culvert drainage improvements (milepost 242 just west of Miami)

Work hours will be 6 a.m. to 6 p.m. Monday through Thursday. Work crews may also be working at night during different phases of the construction. The project is anticipated to be completed by summer 2016.

Removing several areas of rock embankment will

require blasting during the project. The first phase of blasting is being planned for the week after the Fourth of July holiday weekend during morning hours around 9 a.m. The exact day has not been determined. Blasting will occur about every five to seven days in a five-month period until it is completed. Closures during the initial blasts may be up to three hours. As blasting continues there will be a lesser impact on traffic and delays will be reduced.

ADOT will work to minimize the traffic impacts as much as possible, including scheduling some nighttime work.

There will be narrow traffic lanes, wide-load restrictions and a reduced speed limit through the work zone. Flaggers and pilot cars will be used at different times throughout the project. Drivers are asked to use caution, watch for construction equipment and personnel, and allow extra time for your commute.

ADOT works to inform the public about planned highway restrictions, but there is a possibility that unscheduled closures or restrictions may occur. Weather can also affect a project schedule. To stay up to date with the latest highway conditions around the state, visit the ADOT Traveler Information System at az511.gov or call 5-1-1.

Pet vaccination clinic deemed a success; 50 pets vaccinated

About 50 dogs and cats were vaccinated for rabies and other things in Superior on Saturday. Purrfurred Pets set up a mobile clinic for these low cost vaccinations and it was a great success. They are working toward low cost spaying and neutering, which all of our small towns need desperately.

Season ends for Superior Little League;

The regular season is over and the All-Stars Tourneys are about to begin. Superior Little League has been selected to host the District 4, 11-12 Year Old Baseball All-Star Tournament. Tournament dates are June 29 to July 7. Volunteers are needed for Umpiring, Game Day Field Preparation, Scorekeeping, Pitch Counting, Game Announcers, Concession and Clean-up. Please contact Arlene Diaz-Gonzalez at 480-309-4049 or Martin Navarrete at 928-701-7451. Our thanks to Cathy Sommers and Angel Preciado for the photos of closing ceremonies.

Superior to host All-Stars 11-12 Tourney

Are you ready for the summer heat?

By **John Hernandez**
Copper Area News

Summer is almost here (June 21) and with it comes the brutal heat that Arizona is known for. Yes, it may be a dry heat but it is still hot, darned hot!

The 100 plus degree temperatures will be starting this week and with it some harmful effects that can even be deadly. In Arizona over 2,000 people end up in the emergency room every year for treatment of heat related illnesses. These illnesses include sunburn, heat rash, heat cramps, heat exhaustion, heat stroke and even death. Over 1,500 people in Arizona died from heat related illnesses between the years 2000-2012, over 100 each year!

Those people with the highest risk of suffering heat exhaustion include the elderly, young children (age 0-4), those with high blood pressure, those using alcohol, prescription drugs, or illicit drugs and those people that work or exercise in a hot environment. Please do not leave a child or pet in your car unattended.

Sun Life Health Center has provided information to make the public aware of heat related illnesses and how to identify heat stroke and help prevent it. Their information follows:

The majority of heat-induced stress in Arizona usually occurs during outdoor activities. Help protect yourself and your family this summer from heat/sun stroke and dehydration with some basic precautionary measures:

Drink water: Individuals who are outdoors in the summer heat should drink 1-2 liters of water, and those doing strenuous activity should drink up to 4 liters. Avoid coffee or alcohol, which will dehydrate you.

Protect your skin: Always wear sun screen if you will

be out under the sun for more than 20 minutes. Wear lightweight, light-colored clothing to reflect the heat. Other options are hats or umbrellas.

Take it slow: Try to keep strenuous activity during the cool morning times (between 4-7am). If you are doing hard labor during the hottest times of the day, take frequent breaks in a shaded place to cool down.

Eat more, eat less: Eat smaller meals more often throughout the day. This keeps your energy up, but does not overwork your body. It's advised to especially avoid protein (meat, sea food, eggs, dairy, beans) which can raise your body temperature as you digest it. Also it is wise

to eat room temperature or raw foods so that your body does not have to work to keep your body temperature equilibrium.

Despite our best efforts, children and our elderly population are at most risk during the summer months. Knowing what to look for can help save lives. Signs of heatstroke are vomiting, mental confusion, throbbing head, decreased alertness, loss of consciousness, high body temperature (as high as 105 degrees), hot and dry reddish skin, a rapid and weak pulse, rapid, shallow breathing, and seizures. If a loved one begins to show these signs, seek medical attention immediately.

The sun promises to be brutal this summer. Are you ready?

20. Help Wanted
**Position Announcement
Program Coordinator**
Location: Casa Grande, Arizona

The Central Arizona Governments (CAG) is seeking a Program Coordinator for its Workforce Development programs. With our central office located in the City of Apache Junction, CAG is a regional governmental planning agency serving 11 communities, two Native American tribes, and a total population of 402,000 throughout Pinal County. Workforce Development programs serve an important role for the region and provide over one-half million dollars in Workforce Innovation and Opportunity Act funds annually.

The successful candidate will provide training and oversight support to WIOA staff and eligible program participants to ensure successful completion of training and/or employment objectives by performing the following duties:

Ensures compliance to federal/state program regulations at provider and administrative entity level. Responsible for preparation and presentation of numerous reports. Attends meetings of the Workforce Investment Board and its sub-committees and disseminates information to CAG staff and committees. Coordinates local job training activities with other related programs (i.e. social services, economic development). Acts as liaison between staff and educational institutions, related state agencies, federal agencies, CAG's elected officials, municipal staff, and citizen advisory groups. Other duties to include special projects, grant writing, and designing of training programs related to WIOA program needs. This position is responsible for setting an example for other CAG staff regarding CAG procedures as described in the Employee Manual. Manages 3 Case managers and 1 Community Outreach Specialist. Is responsible for overall direction, coordination, and evaluation of these units. Carries out supervisory responsibilities in accordance with the organization's policies and applicable laws. Responsibilities include assisting the Program Manager in interviewing and hiring employees in the Social Services Department. Recommends hiring and disciplinary action of staff to the Program Manager. This position is responsible for planning, assigning, and directing work; meeting performance standards, and appraising performance; addressing complaints and resolving personnel and operational problems with the department. Responsible for file monitoring and oversees Rapid Response under the Dislocated Worker program.

This position requires a Bachelor's degree (B.A./B.S.) within a related field or equivalent from a four year accredited college or university; or four years related experience and/or training; or equivalent combination of education and experience. Any equivalent combination of experience and training which provides the required knowledge, analytical and communication skills will be considered. Travel throughout the CAG region is required. Occasional travel in state and out of state may also be required.

CAG provides a small office working environment and conducts business on a four day (10 hours per day) work week, Monday through Thursday.

Salary range is \$40,000 to \$57,000 DOQ with a competitive benefit package provided.

Send detailed resume and three work related references to: Andrea Robles, Central Arizona Governments (CAG), 1075 S. Idaho Road, Suite 300, Apache Junction, AZ 85119 or e-mail arobles@cagaz.org.

First review of applications will occur on June 29, 2015. Recruitment will remain open until position is filled. CAG is an EOE-male/female, handicapped affirmative action employer.

**Position Announcement
Case Manager I**
Location: Casa Grande, Arizona

The Central Arizona Governments (CAG) is seeking a Case Manager I for its Workforce Development programs. With our central office located in the City of Apache Junction, CAG is a regional governmental planning agency serving 11 communities, two Native American tribes, and a total population of 402,000 throughout Pinal County. Workforce Development programs serve an important role for the region and provide over one-half million dollars in Workforce Innovation and Opportunity Act funds annually.

The successful candidate will provide support to WIOA eligible program participants to ensure their successful completion of training and/or employment objectives by performing the following duties:

Determines eligibility and in conjunction with the client, formulates an Individual Employment Plan (IEP) which identifies vocational goals, barriers to employment and supportive service needs. Also determines the appropriate course of action to overcome identified barriers and records information on training and/or supportive service needs, and reviews IEP on a regular basis to ensure continued progress in training or job search programs. Maintains accurate and complete case notes to outline client progress and to provide reference for all staff involved with the client. Provide counseling to clients to furnish information, resolve problems, motivate and encourage the client. Coordinate with various public service agencies throughout the satellite office's area, to establish effective networking linkages and to gather referral information necessary for clients. Prepare supportive service forms for approval by WIOA Program Manager. Collect information necessary in the preparation of case files. Contact clients to provide information regarding possible employment opportunities. Conduct workshops, orientations and job clubs, and provide ongoing data entry into state's data collection program.

The position requires a minimum of 3 years of experience in client case management, an associate's degree in public administration, social work or an appropriate related degree. Any equivalent combination of experience and training which provides the required knowledge, analytical and communication skills will be considered. Travel throughout the CAG Region is required. Occasional travel in state and out of state may also be required.

CAG provides a small office working environment and conducts business on a four day (10 hours per day) work week, Monday through Thursday.

Salary range is \$28,000 to \$35,000 DOQ with a competitive benefit package provided.
