LETTER TO THE EDITOR

Senator Sinema – A Leader Arizona Can Count On

COVID-19 has turned our world upside down, we all understand that life as we knew it, will never be the same. There is not one community across Arizona, the United States of America and even the World, that has not been affected by this ruthless pandemic. In these times of crisis and great uncertainty everyone needs strong, consistent and concise leadership. These trying times call for leaders who are looking out for their constituents, leaders who can lead with facts while showing empathy for everyone affected.

Sen. Kyrsten Sinema has provided the clear leadership that is desperately needed to help our communities navigate this crisis.

Her caseworkers consistently check in with local elected officials and other constituents to ensure that Arizonan's do not lost in the shuffle. When the shelves on our grocery stores in rural Arizona were not being filled, she and her staff helped to find solutions. When local businesses in the Copper Corridor were not receiving answers on their Paycheck Protection Program loans and other SBA related programs, she and her staff followed up, once again making sure that we were not left behind.

Her weekly calls with Mayors and County Supervisors are important to my weekly schedule, these calls have provided me and other local leaders with clear understanding and most importantly she is listening to our concerns and fighting for every Arizona city and town to ensure that we receive the support we need.

What is most appreciated is her willingness to work across the aisle, finding solutions and her fearless honesty. These are all qualities that have made leading my local community much easier.

Prior to the COVID-19 Pandemic, I have had the opportunity to meet with Senator Sinema twice, regarding complex issues affecting Superior. Her focus and attention to detail is impeccable, she is concerned for everyone in Arizona. She understands and leads with balance, for Arizona to maintain a strong and healthy economy, we must have strong and healthy communities.

We are fortunate in the Copper Corridor (Congressional District 1) to also have the leadership of Rep. Tom O'Halleran. He has also been supportive and effective in ensuring our communities have what we need. He knows the complexities of our needs in the Copper Corridor and his staff is always accessible.

As we continue to navigate these challenging times in our Communities, State and Nation, it is important that we have leaders who are truly willing to work for the people, leaders who will listen and leaders who actually engage with their constituents and fellow leaders.

Residents Urged to Review Evacuation Plans

With the pandemic/COVID 19, protests across the country, unemployment and all the craziness of 2020 thus far, the last thing we want to think about are wildfires. But did you know at this same time there have been several wildfires in Arizona with some not very far away! If you go to inciweb.nwcg.gov, you will find their location, the amount of personnel necessary to fight the fires and their status in Arizona.

In past articles, town hall meetings, etc. we have encouraged residents to remove dead vegetation, reduce ladder fuels, create a “lean and clean” property and maintain the vegetation on your property.

Even with taking those measures, wildfires occur and can happen here. It is important, that each of us seriously look at where we live:

Is the street you live on, a one way in and one way out street?

If so, if a fire occurs at the beginning of the street and you live at the end, how are you going to evacuate your home? What is your plan?

Do you have an elderly neighbor that would need assistance?

Do you have a pet cat or dog, chickens, horses, etc? What is your plan to evacuate them?

If your children are not home or at a friend’s home, how will you communicate with them that you are evacuating your home?

Are your medications in a convenient place (maybe already in an emergency bag) ready for you to walk out the door?

What about your important papers? Or

ORACLE FIREWISE

Special to the San Manuel Miner

pictures that can’t be replaced? Maybe your computer?

Do you have cash handy to buy gas because you may not be able to use a debit or credit card?

What about food and/or maybe lodging?

What is your evacuation plan?

It seems like we never think seriously about these things until a wildfire is near by or destroys a community. It might be too late to think about it then. Maybe today is the day you put together your evacuation plan and share it with your family. Practice evacuating. When the fire is at our door, it will be too late to develop a plan.

If you need additional information or have questions, please feel free to contact the Oracle Fire District at 520-896-2980 or tacosta@oraclefire.org or the Oracle Firewise Board.

Jennings, Villalba take top two spots for Oracle's Mountain Vista promoting eighth graders

Transitioning from junior high to high school can be a trial, even in the best of circumstances. For students at Mountain Vista School in Oracle it can be even harder with classmates and friends heading to two different schools: Canyon del Oro or San Manuel High School.

This year's promoting class of 2020 has faced a year like no other in the history of Mountain Vista School.

The traditional school year ended and everyone found new ways to adjust and try to keep the school spirit going.

For the first time, Oracle students didn't have the traditional promotion ceremony. Teachers, family and friends tried to make it special for students with parades and special signs planted in each of the promoting students' yards.

Avery Jennings

For two young ladies, it meant that they weren't able to give their speeches to classmates, teachers, family and friends. Over the past several years, Mountain Vista has recognized the top two students as valedictorian and salutatorian of their class. This year Avery Jennings and Mariah Villalba have been named valedictorian and salutatorian, respectively, for their class.

Avery Jennings is the daughter of Robert and Andrea Jennings. She has three siblings, Ashley, Angel and Aiden.

Avery has been very active at Mountain Vista School. She played volleyball and basketball and was involved in cheerleading. She is also a member of the National Junior Honor Society.

She plans to attend high school at CDO in the fall and is really undecided about any future career plans. She is looking forward to meeting many new people in the next phase of her life and in 10 years, she sees herself in college.

Mariah Nicole Villalba is the daughter of Scott Waltermire and Stephanie Gutierrez. She is the granddaughter of Luis and Edilia Gutierrez, Fred and Rose Molina, and Domingo and Maria Vega. She has four siblings, Joshua, Joseph, Jordan and Anastacia.

Mariah, too, was very involved in sports in junior high. She ran track and cross country, played club and school softball, basketball and volleyball. She is a member of the National Junior Honor Society and was on Student Council.

She plans to attend high school at CDO and wants to be an orthodontist. In 10 years, she sees herself in college realizing her dream of becoming an orthodontist.

COVID-19 changed their end of year plans. Both girls believe that this pandemic will bring out the best in their classmates.

"My promoting class will show people our strengths and to always stay positive through rough times," Mariah told the Miner. "There will always be obstacles in life but it is how you get through them that matters."

Avery agreed.

"I think that we will all make the best out of the worst situations," she said.

Both girls will miss their favorite teachers.

"I am going to miss all of the teachers and the fun memories I have made with everyone," Avery said.

"I'm going to miss most about Mountain Vista is the teachers and the short drive there," Mariah said.

There are also things they WON'T miss about junior high school.

"I am not going to miss is the size of the school and the lunches they serve," Mariah said.

For Avery, she said, "I will not miss our half days. They made the day seem so much longer."

Both girls have a vision for their community.

Looking forward 10 years, Avery said she'd like to see the school be updated and the sports fields be improved.

Mariah would like the community to retain its small

town atmosphere and attitude.

"In the next 10 years I hope to see people value our community and lives the way they used to," she explained. "My family is here so this will always be my home."

The future is bright for these two new high school students and their experiences with COVID-19 has taught them flexibility, patience and understanding – all critical skills for navigating lives challenges.

Editor's note: Copper Area News - San Manuel Miner congratulates Avery and Mariah and their families for this top academic accomplishment. Due to COVID-19, interviews were conducted remotely via email written replies.

Trail Riders replace girl's stolen bicycle

On Sunday, June 7, 2020, the members of the Trail Riders of Southern Arizona (TRS) presented a brand new mountain bike, bike lock and a gift certificate to purchase a helmet to Alicia Nichole of San Manuel. Alicia's bicycle had been stolen a few weeks before and Alicia had been

devastated. The news of the theft was posted on social media.

The Trail Riders of Southern Arizona responded to the post by raising funds to replace the bicycle. Within two days, TRS members had raised the necessary funds. They got together with Oro Valley Cyclists

who provided a discount on the new bike.

President of TRS, George Wysopal said, "TRS has a special bond with residents of San Manuel where it hosts the annual San Manuel Copper Classic, a statewide motorcycle race as part of the Arizona Motorcycle Riders Association State

Championship Series (AMRA) and wanted to immediately respond to the community."

TRS is known for giving back to the communities they interact with. The San Manuel Copper Classic provides funding

Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

Mammoth Pool is Open

Your input is important to us and will go a long way in helping us plan for our upcoming school year. Just use your phone to scan the QR code above. Thank you.

Sea Lions open season with boys versus girls meet

Normally, the Central Arizona Swimming League opens the season with a meet involving all the teams. This year due to virus concerns each team started the season with a Boys vs Girls Meet at their home pool. The Sea Lions Boys outscored the Sea Lions Girls 353 – 339 at the meet on Saturday, June 13.

The Sea Lions have a group of 6 and under boys that are very good. Asher Riekofski, Gabriel Hudson, Gabriel Marquez, and Alex Ervin have all improved tremendously over last season and look to be the strength of the team for years to come.

In the 9-10 Girls, Annie Nemons and Jocelyn Hudson are some of the fastest swimmers in the League. They were both considerably faster than the end of last season and looked very good at the meet.

Lily Axe, 12, swims in her first meet.

If there was an age group that represents the strength of the Sea Lions, it would be the 11-12 Boys. Ethan Erickson, Cooper Dale, and Athan Riekofski won the relay by large margins. Ethan and Cooper swam some times that were faster than many of the older boys at the meet.

The following swimmers had first place finishes on Saturday: Alex Ervin, (6), (Fly, Back, Breast, Free); Alianna Rinney (7), (IM, Back, 50 Free, Free, Medley Relay, Free Relay); Kori Andrade (7), (Fly, Breast, Medley Relay, Free Relay); Arizona Axe (8), (Medley Relay, Free Relay); Annie Nemons (9), (Breast, Medley Relay, Free Relay); Jocelyn Hudson (10), (IM, Fly, Back, 100 Free, Free, Medley Relay, Free Relay); Cooper Dale, (12), (Back, Medley Relay, Free Relay); Athan Riekofski, (12), (Medley Relay, Free Relay); Ethan Erickson, (12), (IM, Fly, 100 Free, Breast, Free, Medley Relay, Free Relay); Julie Ramirez, (13), (Fly); Mason Stewart, (14), (IM, Back, 100 Free, Breast, Free, Medley Relay, Free Relay); Robert Sanz-Anton, (15), (Medley Relay, Free Relay); Evan Apuron, (17), (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay);

This was the first swim meet for Alianna Rinney (7) and Lily Axe (12). They participated in all the events that they could complete, earned ribbons, and made the team proud.

Alianna Rinney was named Sea Lions Beast of the Week. She works hard in practice every day. In her first meet she swam all the events and won six of them! She even swam double legs on the relay teams.

The Sea Lions have won the League Championship for 12 out of the last 14 years (with 2 Second Place Team finishes the other years). Coach Alex Gort is optimistic about the team this year.

“We have many young swimmers who are improving rapidly, and that is always a good recipe for building a strong team in the future,” he said.

The Sea Lions will compete against the Tucson Aquabears Team at the La Cueva Aquatic Center (2045 W. Omar Dr) in Tucson on Saturday, June 20.

The Sea Lions still need a few more swimmers to fill out relay teams. There is still time to join the team - contact Alex or Wendy Gort at 896-2190 or stop by the Mammoth Pool between 4 and 5:30 p.m. Monday through Friday for more information.
