Pinal County Sheriff's Report

The Pinal County Sheriff's Report is taken from the daily logs, based on the information provided by deputies. All persons arrested are presumed innocent until proven guilty in a court of law.

June 9

Burglary was reported in the 60000 block of E. Black Crest

Loop, SaddleBrooke. The reporting person returned home to find the front door unlocked and the light that is normally left on at night off. PCSO responded and checked the property and found nothing amiss.

June 10

Kasi K. Svejovsky, 32, San Manuel, was arrested in the 600 block of Second Ave., San Manuel, on a warrant for probation violation. She was transported and booked into the Pinal County Jail in Florence.

Roy Lovelady, 43, San Manuel, was arrested in the 200 block of E. Fourth St., San Manuel, and was charged with threatening/intimidation, assault and disorderly conduct. He was transported and booked into the Pinal County Jail.

Criminal damage was reported in the 5000 block of N. Dudleyville Rd., Dudleyville. A wall appeared to have been knocked down by a vehicle.

OBITUARIES

Molly Ardell Parisot

Molly Ardell Parisot died peacefully Sunday morning, June 15, 2014, from natural causes. She was 91.

She was the devoted wife of Robert Parisot, who passed away 27 years ago.

She was an accomplished seamstress and hairdresser, always put family first and was strong in her faith.

She was born in Denton, Texas, to John Calvin Denton and Minnie Pearl (who had 10 children) and moved to Arizona as a young child. She became a longtime resident of San Manuel as a young married woman.

Ardell has one sister, Mabel, in Gardengrove, Calif. and two brothers, Grants Denton of Globe and John of Pecos, Texas. She has many descendants and friends who will miss her.

She is survived by sons, Carl Jr. Matthews, Max C. Parisot and Danny A. Parisot, all of San Manuel; 10 grandchildren, 22 great-grandchildren and four great-great-grandchildren.

Services for Mrs. Parisot will be held Saturday, June 21, at 10 a.m. at the Church of Jesus Christ of Latter-day Saints in San Manuel with burial services to be held at the Evergreen Cemetery in Tucson.

Carlos Garcia

Carlos Garcia, 69, of Catalina, Ariz., went to heaven on June 3, 2014. He was suffering from a long term illness.

He married Stella Cota in 1968 and had four children, Carlos, Stephanie, Sandy and John Paul. He married Charlotte in 1992 and helped raise four stepchildren, Tom, William, Aaron and Aimee.

Carlos is survived by his wife, Charlotte; his children, Carlos (Julie) of Safford, Stephanie (Mike) of Tucson, Sandy of Oracle, John Paul (Maribel) of Arlington, TN; stepchildren, Tom (Sheila), William (Jerry), Aaron, and Aimee (Ross) all of Prescott; 25 grandchildren and two great-grandchildren; siblings, Carmen (Sam) and Benji of York Valley, Frank of Tucson, and Marta (Pete) of Chandler, AZ.

He enjoyed camping and outdoors. He loved camping at the White Mountains.

Carlos was proud to have served his country in the Airborne US Army, Fort Benning, GA Carlos belonged to the 82nd Airborne.

LETTER TO THE EDITOR

Questions raised regarding unorthodox landing zone for medical helicopter

On June 5, there was an incident at the Mammoth Community Center. My prayers go out to the family involved.

A helicopter had to be called in, and, because procedure wasn't followed, many children and adults were put in harms way. The Town of Mammoth was not involved in anyway, so I am told.

A meeting was scheduled and posted at the Mammoth Fire Department for June 12 at 10 a.m., at the Mammoth Town Hall. I showed up at the Town Hall just before 10 a.m. and was told by the receptionist that there was no meeting scheduled. I went up to the Fire Department and I was told that the meeting was to be held at the Town Hall. I went back to the Town Hall and people were gathering for the meeting.

The Town Manager came out and told us she had been ordered not to participate in the meeting; she was in tears. The manager told us we were free to use the meeting room if we wished. I was talking to the Town Manager in her office, when the Vice Mayor, Regina Medina, stormed into the hallway, yelling at the Town Manager; something to the effect that "I told you not to get involved" and that we, the citizens of Mammoth, could not use the hall.

Since the meeting was canceled, I asked Rick Sanchez to reschedule for the next day and he refused, so I asked Mr. Ponce and he said he would.

On June 6, the second meeting was held at the Mammoth Fire Department at 6 p.m. In the meeting it was brought out by witnesses that the children were hiding, behind cars and trees, from the flying debris. Rick Sanchez and a Mammoth police officer were directing traffic, and Rick Sanchez was directing the helicopter pilot. No warning was given to the pool manager, so that he could get the children out of harm's way. "The dust was so thick that I could not see anything," stated one witness. The children were within two hundred feet of the helicopter. Thank God, no eyes were put out and no one was injured.

The Mammoth Fire Department, volunteers did no wrong as far as what came out in the meeting. Neither did the helicopter pilot. Only one person was responsible for putting the children in harm's way and that is the person who directed the helicopter pilot to land at the Community Center and not the soccer field. The soccer field is the designated spot for landing, and, from what I understand, a member of the Mammoth Fire Department was at the soccer field waiting for the helicopter.

The incident has to be fully investigated and the person responsible should be reprimanded and/or discharged. The results should also be sent to Pete Rios.

On June 5, there was a budget meeting at the Town Hall at 6 p.m. The Mayor wants to cut employee hours of work from 40 a week to 32. I told them I wanted a Layoff that would take us back to where we were before they started hiring and raising wages.

The last time they cut the hours of work, only the senior employees worked 32 hours. The Family worked 40-plus overtime, in many cases. Senior employees were doing the labor work, while the Family were driving the equipment. I really believe that they wanted the senior employees to

quit so the Family would move up in the line of flow.

When I told the Mayor and the Manager that I wanted to cut back, the Manager's response was "We don't have to lay off by seniority," and the Mayor stated something to the effect "That's right. Some of the employees don't know how to finish cement."

We all know that they went all the way to Tucson to hire his brother-in-law, because no one in this area knows how to finish cement. Oh, he is way down on the

seniority list. Maybe that's why they don't want to lay off by seniority.

Funny thing, when I went down to the Town Hall to look at all the applicants that applied for employment with the Town of Mammoth, they couldn't find them.

Why do they have laws against hiring family? Because, things will happen to violate people's rights, just like they are happening here.

Got swarms? Leave them BEE!

By Bud Paine

Pinal Rural Fire Rescue

This is the time of year that honeybees are splitting up and moving around to establish new honeycombs. A clustered swarm of many bees may appear frightening, but most spring swarm clusters of European honey bees—the common honey bees here in our area—are extremely docile. It takes quite a bit of aggravation, such as being hit by sticks and stones or squirted with a hose, to create defensive behavior.

The reason a bee swarm looks like a clump of bees is because all of the workers are gathered around the queen, forming a clump. The queen is not the strongest of flyers, and so will need to rest at some point, perhaps on a branch, fence, or the side of a house. Meanwhile, 'scout bees' will be sent out to look for a suitable new place for the colony to live.

Are swarms dangerous? They are focused on finding a new nest, not on attacking. That said, it is important to keep your distance from swarming bees, because if the bees feel threatened, then it is possible they will attack. A swarm may stay around for a few days, depending on

how quickly the scout bees find a suitable new home. This could happen very quickly, even within a day.

If the bees don't find a new nesting location, they may begin producing beeswax and forming combs at the spot where the cluster formed, such as a tree limb, the overhang of a house, or another unusual place. These "exposed comb" colonies may exist until fall (or year-round in warm-winter areas), but robbing bees, hungry birds, and inclement weather usually put an end to these colonies and their combs very quickly.

So, the point is...let them be and they will most likely just fly away to a new place. A swarm requires a large

cavity, 4-9 gallons in size, to establish a new comb, so unless they have that where you see them they will leave. If you anger them by spraying water or knocking the swarm they will very well retaliate!

We have responded to several homes in Mammoth where the same swarm is slowly moving from property to adjacent property trying to find a new home. Pinal Rural Fire and Rescue will remove a swarm if it has stayed for several days, but usually we will just "wait and see" if it moves again.

Once it stays, and makes no sign to be leaving after 4-5 days, we will take care of the swarm for you. But, please, remember all the

good honey bees do as they pollinate and create honey before you just try to destroy the swarm. If a

swarm stays for more than 3-5 days, call PRF&R at 520-465-5300, and we will help you remove the swarm.

Pinal Rural Fire Rescue forming district

By John Hernandez
San Manuel Miner

Pinal Rural Fire Rescue is forming a new fire district. The new district will be known as the Pinal Rural Fire Rescue and Medical District. Pinal Rural has filed an Impact Statement with the Clerk of the Pinal County Board of Supervisors which is the first step in the process of transforming from a 501 (c)(3) to a Special Tax District per Arizona Revised Statutes 48-261.

The creation of a fire district will allow Pinal Rural Fire and Rescue (PRF&R) to provide dedicated service by a permanent fire district. It will allow for capital planning based on a known annual budget. Added revenues will allow PRF&R to hire shift firefighters and provide the ability to pay stipends to local volunteer staffing.

Property owners living in the district will be assessed a secondary tax of \$3 per \$100 of assessed value of their property. There is little difference in the tax fees and the current

subscription fees. The new district will allow property owners to get fire insurance and/or have a positive impact on fire insurance fees. In some cases the savings in fire insurance premiums exceeds the tax assessed. Once the district is approved and set up, board members will be elected from property owners in the district. If you would like to follow the progress of the process for creating the district or learn more about Pinal Rural Fire and Rescue, visit their website at www.pinalruralfireandrescue.webs.com.

Construction begins on SR 77 north of Tangerine Road

The Arizona Department of Transportation has begun construction activities on Oracle Road (State Route 77) from Tangerine Road to the Pinal County line.

to one lane between Tangerine and Wilds roads from 9 p.m. to 5 a.m. daily Monday, June 16, through Wednesday, June 18, for installation of temporary concrete barriers. The speed limit will be reduced to 35 mph during this time. Once in place, the

concrete barrier will separate the work zone from the roadway.

During the project, drivers can expect the following:

- Two lanes of travel in each direction will be maintained through the work zone during the day.

- The speed limit will be 45 mph during the day, but may be reduced at other times.
- Additional lane restrictions throughout the work boundaries.
- Cyclists will need to merge safely onto the traffic lane during shoulder closures.
- Drivers are reminded to share the road, be cautious and slow down while traveling through the work zone.

In addition to adding one new travel lane in each direction, additional improvements

include widening the shoulders making it easier for cyclists to ride in the area, constructing raised medians, making traffic signal improvements and installing a shared-use path on the east side of Oracle Road from Wilds Road to

Eagle Crest Ranch Boulevard. Two wildlife crossing structures will also be constructed as a part of the project, which are designed to keep motorists safe by reducing vehicle-animal collisions.

Construction is anticipated to be completed by spring 2016.

For more information, please visit azdot.gov/TangerinetoPinal or email projects@azdot.gov or call the ADOT project information line at 1-855-712-8530.

Stargazing and music to mark summer solstice at Oracle State Park

On Saturday, June 21, 2014, celebrate the summer solstice at Oracle State Park with live music and stargazing as the park extends its hours and presents the Tucson band "Undercover" starting at 6 p.m. and telescopes aimed at the skies from 8 to 10 p.m.

Mars and Saturn will be on view, the asteroids Ceres and Vesta, plus star clusters, nebulae and galaxies. During the evening, the Milky Way will rise over the eastern horizon.

"Undercover" is a variety dance band known for great sound in an eclectic mix of songs and styles from the '60s through today. Tunes range from the Beatles to Van Morrison to the Stones, usually with a bit of jazz and country tossed in.

Visitors are welcome to bring a personal telescope, and are encouraged to bring their picnic and beverages, a comfortable outdoor chair, and flashlight.

The event, free with park admission of \$7 per car, is being presented in collaboration with Friends of Oracle State Park and the Oracle Dark Skies Committee. The Committee will be on hand to discuss its work to have Oracle State Park designated a Dark Sky Park by the International Dark Sky Assn.

The park is open year around on Saturdays and Sundays from 8 a.m. to 5 p.m. and on weekdays for group reservations. Information about this and other summer events, plus driving directions to the park, is at www.azStateParks.com/Parks/ORAC.

The Summer Solstice Celebration at Oracle State Park will be held on the patio of the Kannally House. John Hernandez | Miner

Sea Lions win swim meet in Florence

The San Manuel Sea Lions traveled to Anthem Merrill Ranch Swimming Pool in Florence to compete against the Parkside Piranhas on Saturday. The Sea Lions won the meet with 1035 points, while the Piranhas finished with 553 points.

The Sea Lions were ready to swim as the meet began with the Individual Medley (IM) Events. In every age group Sea Lions swimmers not only won the race, but had multiple swimmers earn points by finishing in the top six places. The IM is considered the all-around event of swimming since competitors swim one fourth of the race in each of the competitive strokes (Butterfly, Backstroke, Breaststroke, and Freestyle).

The coaches were pleased with the number of swimmers that competed in the IM at the meet. It takes a level of mastery to be able to swim all four competitive strokes and the conditioning to swim it since it is the longest race for all age groups in the summer league.

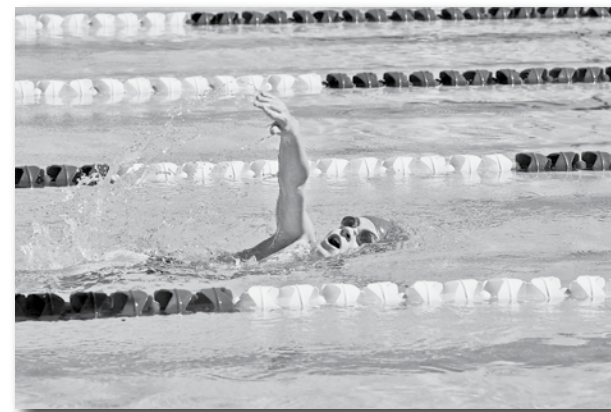

After showing that the Sea Lions had the best all-around swimmers, it was on to the Medley Relay events. Just as the IM is an indicator of an all-around swimmer, the Medley Relay is an indicator of team strength since each member of the relay swims a different competitive stroke. The Sea Lions won eight of the 10 Medley Relays leaving little doubt as to who was the better team.

Tabitha Kellam (10) and Will Newman (14) each swam the

maximum number of events and won all of them.

The following swimmers had first place finishes on Saturday:
 Nevaeh Derrick, 8, (IM, Fly, Back, 50 Free, Free, Medley Relay, Free Relay);
 Malayah Renteria, 8, (Medley Relay, Free Relay);
 Ethan Kellam, 8, (Medley Relay, Free Relay);
 Conner Dadow, 8, (Free Relay);
 Rocky Andrade, 8, (Fly, Medley Relay, Free Relay);
 Joey Castellanos, 8, (Medley Relay, Free Relay);
 Mason Stewart, 8, (IM, Back, 50 Free, Breast, Free, Medley Relay);
 Briana Castellanos, 9, (Medley Relay);
 Ben Fister, 9, (Medley Relay, Free Relay);
 Tabitha Kellam, 10, (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay);
 Evan Apuron, 10, (Fly, Back, 100 Free, Free, Medley Relay, Free Relay);
 Riley Stewart, 10, (IM, Breast, Medley Relay);
 Hunter Hill, 10, (Medley Relay);
 Genevieve Estrada, 10, (Free Relay);
 Rianna Estrada, 10, (Medley Relay, Free Relay);
 Brian Mulholland 10, (Medley Relay);
 Alicia Galarza, 11, (Medley Relay);
 Nate Fister, 11, (IM, Fly, 100 Free, Free, Medley Relay, Free Relay);
 BaiLee Hill, 12, (Medley Relay);
 Darien Apuron, 13, (Back, Medley Relay);
 Gianna Sweeney, 13, (IM, Fly, Breast, 100 Free, Free, Medley Relay);
 Jimmie Madrid, 11, (Medley Relay);
 Jayden Smith, 12, (Medley Relay);
 Garry Dadow, 12, (Medley Relay);
 Andres Valenzuela, 12, (Medley Relay, Free Relay);

More postseason recognition for Copper Corridor athletes

By **Andrew Luberd**
Copper Area News

Several baseball and softball players from the Copper Corridor earned more postseason honors with the release of the American Family Insurance Division IV Baseball and Softball Teams, as selected by azcentral sports.

Ray senior infielder Dominic Bravo and San Manuel junior infielder Shane Kelly were named to the first team. San Manuel senior pitcher Anthony Garcia was named to the second team.

San Manuel's Alvaro Alvarez, Christian Dietz, and Andy Garcia earned honorable mention honors. Ray's Derek Pacheco and Destry Yocum along with Superior's Ricky Longoria also earned honorable mention recognition.

A total of five softball players from the Copper Corridor were named to the Division IV Softball First Team. San Manuel sophomore pitcher Lyana Waddell and junior infielder Alyssa Cuellar as well as Ray sophomore pitcher Stormee Galka earned first team honors. Superior junior infielder

Cierra Navarrette and junior outfielder Hunter Flanagan also earned first team recognition. Five more softball players were named to the Second Team. San Manuel junior infielder Felicia Medina, senior outfielder Angelica Zuniga, and sophomore DH Ashley Vargas earned second team honors. Hayden senior catcher Devin Estrada and Superior sophomore infielder Gabby Salcido were also named to the second team.

San Manuel's Felicia Gomez, Mariah McBride, Kadi Monfred, Angela Navarro, and Mireya Tamayo earned

honorable mention honors. Superior's Ivie Lopez and Ray's Ashley Meza also earned honorable mention recognition.

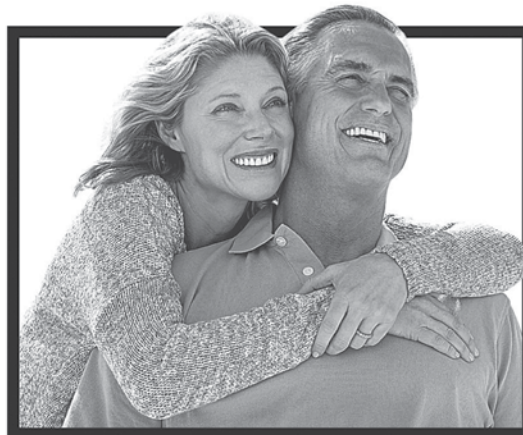

Baseball and softball teams from Ray, San Manuel, and Superior earned berths in the respective 2014 Division IV State Championship Brackets. Hayden's softball team also earned a berth in the playoffs and pulled off one of the biggest upsets in this year's tournament in the first round. The San Manuel Miners won their second straight Softball State Championship and ninth title overall.

Wildfire destroys one home,

By John Hernandez
San Manuel Miner

At approximately 4 p.m. on Thursday, June 12, the Oracle Fire Department received a call of smoke being seen in the area of John Adams and Paseo Encino streets. An engine was sent and arrived within five minutes. They observed a brush fire near some homes. The firefighters that had responded saw that the fire would get away from them and immediately ordered outside resources contacted through the state dispatch system. They ordered engines and brush trucks. Coronado Fire ordered more engines and a helicopter equipped with a water bucket. The helicopter would be used later as their eye in the sky. “My firefighters did exactly what they were supposed to do,” said Oracle Fire Chief Larry Southard. “We’ve been planning for this type of fire for many years. Even though

‘My firefighters did exactly what they were supposed to do. We’ve been planning for this type of fire for years.’

Larry Southard
Oracle Fire Chief

we’re ready for it, it quickly got out of what we could handle and we called in our neighboring fire departments,” said Chief Southard. “My instruction to my firefighters during this extreme fire season has been that they are only going to get one chance and if a fire gets away from them to call in every available resource through the state dispatch system and Coronado Fire.” The fire rapidly went around a house and

jumped Paseo Encino igniting more dry brush. It then jumped John Adams Street and began climbing a slope pushed by the wind and headed for a home at the top of the hill. The house caught fire. As more firefighters and resources arrived a decision was made to contain the fire. “We decided early in the fire to draw a line at Cody Loop Road and to do whatever it took to not let the fire jump across Cody Loop,” said Chief Southard.

Fourteen different agencies responded. At one point 85 firefighters were on the ground. Traffic and evacuation quickly became a major problem. Pinal County Sheriff Paul Babeu sent 30 deputies to Oracle including himself. The affected fire area was quickly blocked off. Pinal County deputies and the Oracle Fire Department worked

effectively together to evacuate six to eight homes in the area.

Smoke rises over the scene of a wildfire in Oracle last week. More than 80 firefighters battled the blaze.

John Hernandez | Miner

effectively together to evacuate six to eight homes in the area.

The fire was effectively contained by 7 p.m. It covered four acres in the John Adams/Paseo Encino/Cody Loop area. One home and several sheds burned down. The home was owned by Barbara and Ron Chatham. Six homes were impacted by the fire although damage was limited to their yards. Four of the homes were saved by the firefighters actions, two of the houses were saved as the result of following the Firewise program. The house that burned down did not have a defensible perimeter of 30 feet as recommended by the Firewise program. The home owners were new to the area and had been planning on using the program to clear brush around their home.

A power pole burned down and a gas meter was put out of commission when plastic parts melted leaving two homes without power or gas. Oracle fire crews remained on the scene overnight. Thirty-nine firefighters spent the night at the Mountain Vista gymnasium in case they were needed. On Friday morning crews were at the scene of the fire removing debris and uncovering hot spots underneath the rubble which were then doused with water. Firefighters remain on alert in the area including the Wildland Fire Crew out of Florence. The cause of the fire was investigated by Golder Ranch Fire Department and the point of ignition appears to be a small cotton

cloth with linseed oil. It was left out to dry on a line. It apparently ignited and hot embers fell on the nearby grass. The breezy conditions then accelerated and spread the fire. No other details were available.

During the fire, three fire fighters overheated and had to sit in an ambulance to cool down and rehydrate. Their blood pressure was monitored until it was felt they could go back on the line. There were no other injuries to firefighters or to civilian personnel reported. Oracle’s Community Emergency Response Team (CERT) members brought bottled water and Gatorade for the firefighters. About five hours into the incident they delivered 27 pizzas to 75 hungry firefighters.

Fire Chief Southard said, “I am very proud of my crew. They did an excellent job! I am extremely pleased with the neighboring fire departments and agencies that came to help us and would like to thank them. I made a neighborhood tour with Bud Bristow this morning. We visited with the affected homeowners who indicated how appreciative they were for our efforts. I’ve heard nothing but praise for Oracle firefighters and CERTs. We’ve had a number of people come into the station today eager to get on the Firewise program.”

Reporter’s Note: As a witness to some of the firefighting, I was impressed by everyone’s professionalism and the way the incident was managed. The tenacity of the

several outbuildings in Oracle

The fire peeled the lettering off the street sign.

John Hernandez | Miner

firefighters in fighting the fire was enlightening. Fighting a fire in 100 degree temperatures while wearing the heavy protective gear is demanding physically and mentally. Not to mention that these people put their health and lives on the line to protect our communities. If this isn't a wake up call for people in Oracle to be Firewise, I don't know what is. If you would like to learn more about or join the Oracle Firewise Program contact the fire station at 520-896-2980 or visit the Oracle Fire Department website: www.oraclefire.org.

Firefighters from Oracle Fire Department were first on the scene of the brush fire that rapidly burned a neighborhood in the area of John Adams and Paseo Encino streets in Oracle.

John Hernandez | Miner

The wildfire consumed the home of Barbara and Ron Chatham.

John Hernandez | Miner

Only a few walls remain after a wildfire destroyed the Chatham residence.

Elks plan Tri-Community happenings

San Manuel — For over 40 years San Manuel Elks Lodge #2007 has been a wonderful resource to the Tri-Community area. Among other things, we have provided parties and dinners for Veteran's Recognition, graduations, Christmas and more, free of charge. Helping members of the community with financial aid, house repairs, clothing, food donations and other needed services or items has also been a focus of the local Elks.

Unfortunately, the unemployment rate has taken its toll on everyone and the Elks, who would love to remain in the fore front in the fight against the devastation caused by a weakened economy, are no exception.

As they have for almost half a century now, the local Elks have been working hard to raise money to help the community (including you, when and if you need it), organizing contests, dinners, rummage sales and other events. But, there is no such thing as a free lunch; someone has to pay for it and the Elks are only as strong in ability as they are in membership.

"Please consider joining the lodge and becoming an active member. We have so many fun and satisfying things for you to choose from, and we would love to have you be a part of our membership. If you feel you are not able to join at this

time, at least think about coming down to help with an event. You don't have to be a member to help with Taco Night, for instance. Talk to any Elk! We'll be happy to bring you on board! Or, you could keep track of what we are doing in the Que Pasa section of The Miner and come out to participate in our events!" said a spokesman for the San Manuel Elks Lodge #2007.

A great way to get to know the Elks, and find out if you want to be one, or more about volunteering, is to come on down to an event or two and see how well they mix the business of caring for the community with the pleasure of dining, dancing and playing with the citizens.

On Friday, July 4, the Elks will be having an Old-Fashioned Fourth of July celebration. "Bring a lawn chair and some towels, and spend the afternoon with us, playing water games, participating in contests and enjoying picnic fare," said an Elk spokesman. "We will have music and karaoke by our super DJ, Dave Martin, and maybe even a ground display of fireworks as soon as it gets dark enough, around 8 or 8:30 p.m. Feel free to bring your own fireworks to share and help make this a sparkling event!" Admission is \$5 for adults, \$3 for children under 12. Children must be accompanied and supervised by an adult.

On Saturday, June 21, the Elks Summer Solstice party, from 5 p.m. to 7 p.m., will be the place to be for family fun. The public is welcome to join them for a tasty picnic/barbecue, with great sides and fixings, as well as the water games, prizes, music and maybe even a few surprises. Afterward, there will be karaoke in the bar, starting at 7 p.m., spun by DJ Dave Martin. Admission is \$5 for adults, and \$3 for children under the age of 12. Children must be accompanied and supervised by an adult. Bring your sunscreen, and of course towels and a different set of clothes, if you are planning on getting wet. Bring a lawn chair too, to maximize your comfort.

More events will be coming soon, and the Elks are brimming with ideas, such as a separate nonsmoking lounge, Family Fun Nights, dinner and a movie and themed dinner. Planned to start in October are Friday Night Dinners, which are often followed by karaoke.

"As always, we will be having Wednesday Taco Night every week except perhaps for a few weeks in summer. We will soon be adding churros to the menu! We have been hearing a lot of praise for our new flour tacos," said the Elks spokesman.

He continued, "If you have any ideas for events, please contact Deb at appydo1@msn.

com and we will be happy

to consider them for

future affairs. We

are also looking

for new members.

If you would like

to get involved

in helping the

Tri-Community,

talk to one of our

Elk members and

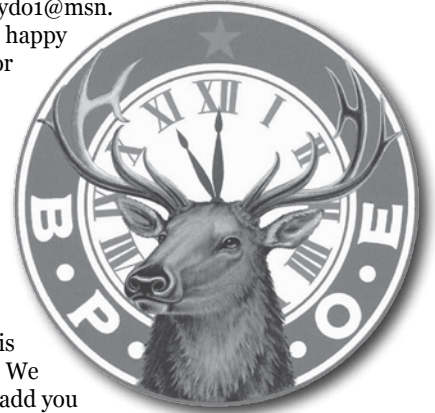

consider joining this

great organization! We

would be happy to add you

to our family!"

Keep your eye on the San Manuel Miner, Elk Happenings and Que Pasa to find out more about upcoming events as they are scheduled. Or, look out for the Elks new sandwich board near the plaza entrance, right after you pass the Salt and Pepper Market. The Elks are located at the end of the breezeway near the Vantage West Credit Union. Stop by, learn more, sign up, be a modest hero of the community and gain a lot of new family.

Submit information to miner@minersunbasin.com or call 520-385-2266. Listings are free. The Miner reserves the right to edit or refuse submissions. Submissions are due the Friday before Wednesday publication.

SEA LIONS

Continued from page 6

Raquel Ortiz, 13, (Fly, Back, 100 Free, Free);
Michael Primero, 14, (Medley Relay, Free Relay);
Antonio Darama, 14, (Medley Relay, Free Relay);
Will Newman, 14, (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay);
Jacob Christian, 15, (Medley Relay, Free Relay);
Colbey Stratton, 15, (Medley Relay, Free Relay);
Alisha Smith, 16, (Free Relay);
Taylor Woods, 16, (IM, Back, 100 Free, Medley Relay, Free Relay);
Jazelle Sanchez, 17, (Free, Free Relay);
Timothy Mulholland, 17, (Breast, Medley Relay, Free Relay).

This was the first swim meet for two swimmers on the team. After several weeks of practice Justin McBride (9) and Brianna Galarza (14) took the plunge and swam in their first competition. Both swimmers competed in the 50 Free at the meet and looked

good enough to add additional events next week.

Mason Stewart was named Sea Lions Beast of the Week. As an 8-year-old swimmer on a team full of great 8-year-old swimmers, Mason was able to win five hotly contested individual races at the meet. His teammates Rocky Andrade, Emerik Zovko, Joey Castellanos and Ethan Kellam pushed hard to close finishes, but Mason had what it took win the 100 Individual Medley, 25 Backstroke, 50 Freestyle, 25 Breaststroke and 25 Freestyle. Most races were decided by mere fractions of a second. Mason worked hard in practices during the week and was part of the winning Medley Relay team and swam double duty in the Freestyle Relay.

The Sea Lions will host a meet against Eloy and Florence on Saturday, June 21 at the San Manuel Pool beginning at 9 a.m. There is still time to join the team - contact Alex or Wendy Gort at 896-2190 or stop by the San Manuel Pool between 4 and 6 p.m. (Mon-Fri) for more information.

PCSO REPORT

Public Notice

Expedited Rulemaking Board of Supervisors Public Hearing
Pinal County Air Quality proposes that the Board of Supervisors amend existing rules pertaining to air quality control. Additionally, the rulemaking proposal will formally ask the EPA to approve the revisions as elements of the Arizona State Implementation Plan. The proposed revisions are to address an Environmental Protection Agency (EPA) limited disapproval (7R66398) of Pinal County Air Quality Rules related to the Infrastructure State Implementation Plan (I-SIP) CAA requirements for the 1997 8-hour ozone and 1997 and 2006 fine particulate matter (PM2.5) National Ambient Air Quality Standards (NAAQS). In particular, the EPA partially disapproved the portion of the Arizona I-SIP pertaining to the conflict of interest provisions in CAA sections 100(a)(2)(E) (ii) and 128. A formal notice, including the full text of the proposed revisions was published in the June 6, 2014 edition of the Arizona Administrative Register, which is available on-line at www.azsos.gov. Given the obligatory nature of the proposed rulemaking, this rule adoption will follow the expedited rulemaking process defined in A.R.S. 49-471.08. Following publication of the notice of expedited rulemaking and a 30-day public comment period, the proposal along with the a summary of any comments will be submitted to the Board of Supervisors for consideration and possible adoption. The date, time and location for the hearing-of-adoption before the Board of Supervisors is July 23, 2014, 9:30 a.m., at the Pinal County Administrative Complex, Board of Supervisors Hearing Room located 135 N. Pinal Street, Florence, AZ 85132.

Oracle naturopath opens clinic in Catalina

By **John Hernandez**
San Manuel Miner

Dr. Michael Miles has opened his Catalina Clinic located at 15601 N. Oracle Rd. in Catalina. It is located behind Golf Cars of Arizona. Dr. Miles is a licensed Naturopathic Doctor. He received Bachelor's degrees in psychology and pre-med before completing his education in medicine at Bastyr University in Seattle, Wash. Bastyr is a globally respected institution of natural health arts and science. Dr. Miles offers a holistic, integrative approach to treating all ailments. His practice focuses on treating chronic and degenerative diseases, digestive disorders and hormonal imbalances, as well as allergies and infections of all types. The Catalina Clinic is dedicated to promoting optimal health through diet and life style coaching.

Chelation therapy which is used in the treatment of cardiovascular disease is a special interest of Dr. Miles and he is very active in cancer research. Drugs are considered "alternative medicine" at his

clinic. He prefers in allowing the body to heal itself using non-toxic treatment methods such as botanical medicine, clinical nutrition and homeopathy, but when appropriate will offer pharmaceutical remedies. His services include hyperbaric oxygen therapy, chelation therapy, herbal medicine, heart health, hormone balance and IV nutrition. Dr. Miles is compassionate and sincere in his approach in treating his patients. He will be a strong advocate for your health.

Dr. Miles lives in Oracle. He grew up in California and lived for a while in Colorado. He enjoys outdoor activities including cycling. He is a pilot and keeps his tail dragger plane at the San Manuel Airport. He likes to sail and has taken his boat to Rocky Point and San Carlos, Mexico. He is a contributor to the *Oracle Towne Crier* newspaper, writing articles on health issues.

The Catalina Clinic is open Monday, Wednesday and Friday from 9 a.m. to 5 p.m. Dr. Miles will be hosting an Open House on Saturday, July 12 from 2 p.m. to 6 p.m. Come and meet Dr. Miles and

his associates. You can learn more about the Catalina Clinic and Dr. Miles by visiting the website: www.catalinaclinic.com.

To contact Dr. Miles or make an appointment at the clinic call 520-825-8100.

Dr. Michael Miles stands next to the hyperbaric chamber at his clinic.
