OBITUARY

Lorinda Sue Palmer Parr

Lorinda (Sue) Palmer Parr was born Nov. 1, 1949 in Ray, Arizona. She was the daughter of Clara and Loyd "Snuffy" Palmer Sr. of Ray. She attended grade school in Ray and high school in Kearny. She married Lathe Wesley McCollaum Sr. in 1966 and the couple resided in Oracle, AZ. Lorinda and Lathe had three sons, Lathe Jr, Daniel and Felix.

In 1976 the family moved to Buckley, Washington. Shortly after relocating to Washington Lorinda went to work at Ranier School for the developmentally disabled. Working with the handicapped became her lifetime passion and career.

After a divorce she met and married Harry Parr of Orting, Washington in August 1982. In 1996 Lorinda and Harry relocated back to Arizona,

residing in Riverside. After moving back to Arizona, Lorinda began working at the A.R.C (Eastern Pinal County Training Center) in Kearny and continued to do so until health issues forced her retirement in May of 2015. Lorinda was known for her dedication to her job and her caring approach when working with her clients. She was a talented artist, excelling in pencil sketching, pastels and painting. Much of the A.R.C training center is decorated with her art work for the enjoyment of all seeing it.

After a lengthy illness, Lorinda went to be with the

Lord on May 21, 2016 at 10:56 a.m. She was preceded in death by her husband Harry Parr, her father Loyd Sr. and mother Clara. Lorinda is survived by her three sons Lathe, Dan and Felix, ten grand children and three great grand children as well as her three brothers Loyd Palmer Jr, Roy Palmer and Mike Palmer and four sisters Sylvia Deen, Peggy Elmer, Wanda O'Brien and Lorie Wilson. At the time of her death, Lorinda was a resident of Piper Springs, south of Winkelman.

Memorial services are pending at this time.

Msg. Willie Jordan Transferred to Georgia

Kearny's loss is Georgia's gain, in a couple of ways. First and foremost, because the Marine Corps now supports ROTC only in schools which can provide 200 or more cadets each year, Master Sergeant Willie Jordan and his wife, April, began their move to a larger school in Georgia. Willie will have 300 cadets in the program there. Second, Ray High School's experience is that Willie Jordan and April Jordan were inspired and caring people, so they will continue their good work.

Even as I give thanks for all they did, and what ROTC did in the lives of our children over the decades, I grieve that "bigger is better" is still the American credo. I question that belief, because I think small towns have the power to reach deeply into our family and social fabric in a positive way. Small? Yes, in comparison to other places in Arizona and the United States, our ROTC program was small. But it influenced Kearny and the Copper Basin in depth, something not possible in larger places. The program here was smaller, but it was also better.

The fact is that small towns in Arizona are beset on all sides. Our schools are poorer because of our student count, and for no other reason. Our banks are disappearing, taking cash and loan availability with them. Our families suffer because the recession still affect rural Arizona deeply, and because multinational economic influences affect our larger industries, particularly mining and ranching.

We in the Copper Basin have taken some body blows in the past 10 years, and as a result our population has decreased. Our roads, water and sewer systems, and our proportionate loss of political representation are complicating factors.

Yet the whole of America faced similar situations during

MAYOR'S CORNER

the Great Depression. Families did not know from where their next meal would come. Banks closed; mines shut down; the stock market was a shadow of its former self.

Things now are not as bad as they were then. It's just that back then the suffering was a bit more egalitarian, with every family affected.

I don't want to just put on a happy face. I really do believe in the people here, who have a deep love of family, a desire to educate our children, and to create opportunities for years to come. Let's remember where we came from, and then set our face for the future of everyone here. Being small can also mean being better.

Dear Neighbor:

The Town of Hayden is conducting a survey to determine the average income of residents within the immediate area of San Pedro Ave. from 3rd to 7th streets and the blocks of 3rd -7th east and west of San Pedro Ave. The information will determine the amount of federal grant money that can be made available for this specific project. Community Development Block Grant monies may be used for public infrastructure, community facilities, housing, public services, and economic development.

Please help! In order for the information from this survey to be valid, we must have everyone respond. Work on SR 77 to begin in fall 2017

Florence - The Arizona Department of Transportation (ADOT), in coordination with the Federal Highway Administration have announced a "Paving Preservation Project" for State Route 77 in the community of Mammoth, within Pinal County.

The District 1 Supervisor, Pete Rios, said the project is

to replace the existing pavement that has deteriorated in recent years creating a rough driving surface for vehicles traveling through the area. The project will begin in the Fall of 2017 and begins at milepost 113.7 approximately 1 mile south of Mammoth city limits and continues to milepost 120.4, approximately 3 miles south of the Aravaipa Bridge.

Construction is expected to last 3 months.

"Many of you have contacted my office regarding the horrible road conditions. However, this is a State Highway and not a county road and does not come within Pinal County's jurisdiction. Nevertheless, I will continue to be your liaison and advocate in this area's best interest," Supervisor Rios stated.

Rios seeks re-election to Board of Supervisors

Supervisor Pete Rios has announced that he will seek re-election to Pinal County Supervisor District 1. The district includes Florence, Superior, Kearny, Dudleyville, Mammoth, Oracle, San Manuel, Cactus Forest, SaddleBrooke Ranch, Eloy, Picacho, Randolph and Coolidge.

Rios has served as a State Senator for 20 years and is a past Senate President. He has served two terms as Supervisor for District 1 and has both a University

Bachelor's and Master's Degree. Rios is a permanent resident of Dudleyville with temporary residences in Superior and Apache Junction.

Rios is well known in political circles for his knowledge of government and parliamentary procedure and being results oriented. He takes pride in helping constituents with individual cases as well as implementing policy and programs to improve the quality of life for all Pinal County residents.

He has provided his communities, with recycling services; vouchers for debris disposal; chip sealing roads, health clinics and funding for home delivered meals to the elderly. He has supported and fought for maintaining college campuses throughout the county and has succeeded in bringing in economic development to different parts of district 1. Many businesses are locating

in the valley area of Dist. 1 due to the proximity of Interstate Freeways and railroad.

In the mountain area of the district Eco-tourism; Zip-lines; new mining projects and expansions and Apache Sky Casino are and will be providing new jobs. Inland port; power plants; Union Pacific Reclassification Yard; landfills; prisons; plastics plants and other projects have come or will locate to the valley part of district. Rios states "Local jobs are extremely important to Pinal County families."

Supervisor Rios served as Chairman and Vice Chairman of the Board and served as the county's member to the State's Legislative Policy Committee for seven years, due to his vast legislative experience.

Opposition is expected by Rios from SaddleBrooke Ranch in both the General and Primary Election. Rios states, "This is America; anyone that meets the lawful requirements is entitled to seek public office."

Kearny Pool opens for the summer

Kearny - Before the opening of the Kearny Pool, Mayor Sam Hosler took the opportunity to say a few words on the meaning of Memorial Day. After which, he brought the attention of all who were

gathered to the remembrance of the soldiers, men and women, of the United States of America, who have given their lives for this country so that their fellow citizens can enjoy such simple freedoms as

were being enjoyed on this day.

Following the mayor's speech, Pastor Joe Palmer of the Fellowship Baptist Church offered the invocation, and, the pool managers had the honor of cutting the

ribbon.

Mayor Hosler announced that there will be an official pool dedication on Monday, July 4, involving the many contributors who made it possible for the pool to reopen.

Some mighty cool (and wet) ribbon holders keep the ribbon steady as the Kearny Pool Managers cut it during the grand reopening of the Kearny Pool Monday.

Chamber to have planning retreat Saturday

Summer vacations are underway; activities tend to slow down but it is a good time for planning activities for the next year. Join the members of the Copper Basin Chamber of Commerce Saturday, June 4, at West End Café at 9 a.m. in their new addition. Share with us your ideas.

The Copper Basin Chamber of Commerce has to undergo several changes this year starting with the change in summer hours which are 11 a.m. to 1 p.m. until September.

Over the past 56 years, the main activity was Pioneer Days which was started by the Kearny Women's Club (who turned it over to the Kearny Booster Club which eventually became the Kearny Chamber and is now the Copper Basin Chamber). Proceeds from Pioneer Days has traditionally covered the Director's salary (which is minimal to say the least), office expenses and taxes.

There is an old adage which states, "It takes money to make money" and through the years the proceeds have carried us to December when membership dues and Pioneer Days revenue begins to come in. This year as in any year when Pioneer Days falls during Holy week and Easter Sunday the proceeds were down tremendously. Major expenses include the Queen contest, portable restrooms, maintenance, t-shirts, and advertising to name a few. Since 2000 the Chamber has added the Car Show, Back to School campaign, took over Oktoberfest from an Arts and Crafts group, Electric Light parade, Women's Expo, Copper Basin Idol, Swap meet and food sales whenever necessary.

Under the current circumstances we need people to step up with new ideas and the desire to chair a project and or serve on committees. We need additional Board members who are willing to put in the time to help rejuvenate the Chamber or we will have to cancel most if not all of the yearly activities.

The Copper Basin area cannot be compared to neighboring communities. Our three local towns have budget restraints; young families are moving to the Valley and those who live and work here want to keep the towns alive. When we do sponsor an activity it is with the desire to bring in people to the area and our businesses do great. We were able to have a Car Show again when Rip Vache from NAPA stepped up to organize the ones the past two years and we are thankful to him for that.

Plan to attend the planning retreat and join us for breakfast and lunch (your menu choice and you pay your own). We hope to finish shortly after lunch and no later than 2 p.m.

SEE YOU SATURDAY, JUNE 4.
