Town of Superior will host laser show for Fourth of July

The Superior Town Council approved a contract on Thursday to hire a laser light show for

the Fourth of July. Due to high fire risks the council voted in May to pursue the laser show

and not host a traditional fire show. The laser show will be held the evening of Sunday, July 4th.

More details will be released as plans are finalized.

Local First Arizona Partners with Pipeline AZ to revitalize the rural job market in Pinal County

Local First AZ and Pipeline AZ are pooling their resources to optimize how rural job seekers and businesses in Pinal County connect in an ever-evolving, competitive, and fast-paced job market. The rural employment portal found at localfirstaz.pipelineaz.com provides one centralized platform for rural career exploration, posting available jobs, and one-on-one career consultation with intent to keep rural talent working in or near their hometowns.

Over the next 10 years, the Maricopa Association of Governments (MAG) estimates that Pinal County will see between 1,800 and 3,400 new jobs each year as well as a 50% population growth. These numbers mean that an estimated 4,850 of Pinal County residents may find new employment in their local region instead of relocating to Maricopa County.

LocalFirstAz.PipelineAz.com is working to connect these workers to jobs that match their skills and interests.

“Pipeline AZ is a rural workforce initiative in Pinal County that Local First Arizona is launching to showcase education and career opportunities that exist locally,” said Lexie Krechel, rural community development manager at Local First Arizona. “Being from a rural community, I know firsthand that often it doesn’t seem possible to get the required training and find a career that you qualify for or are interested in locally. Our goal is to break that cycle. We want those seeking employment in Pinal County to know that local opportunities do exist. Through a quick

ACF activates Disaster Relief Fund in response to Telegraph and Mescal fires

PHOENIX—Following the emergency declarations issued by Governor Ducey last week, the Arizona Community Foundation has activated its Disaster Relief Fund to respond to the Telegraph and Mescal fires in eastern Arizona. ACF will seed the fund with \$10,000 to support recovery efforts.

The fund will address post-fire recovery, repair, and community rebuilding efforts. These needs may include environmental and infrastructure projects, community clean-up, support for displaced families, animal care, and/or rehabilitation and rebuilding of damaged buildings or homes resulting from the Telegraph and Mescal fires.

ACF has a successful track record of deploying disaster relief funds to address long-term needs, particularly in response to wildfires. In the wake of the Yarnell Hill Fire in 2013, \$1.14 million was deployed to address the most critical post-emergency needs including help for the underinsured, unmet needs of fire victims, and aid to the Yarnell Water Improvement Association and the Yarnell and Peeples Valley fire departments. ACF deployed a similar strategy in the wake of the Monument Fire in

skills assessment on Pipeline AZ that links candidates directly to local training and career pathways, we are able to show job seekers the track to attain their career goals in their hometown.”

Registration is easy for job seekers and employers. For those seeking jobs, the four step process includes creating their candidate profile, taking a skills assessment, and being matched to jobs in Pinal County where their skills can be applied. Encourage integrated and unified design and function of the various uses comprising the MP-CMP; 5. Encourage a more productive use of land consistent with the public objectives and standards of accessibility, safety, infrastructure and land use compatibility; and 6. (Ord. No. PZ-C-001-16, § 1) 2.360.030. - Minimum land/development requirements. The minimum land/development requirements for a MP-CMP zoning district are: A. Shop at Home: Porters Saloon & Grill

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 72 businesses in the Copper Corridor.

Local restaurants faced some of the toughest challenges when the pandemic

hit; they were forced to reduce their services to take out only and limit their capacity when they were finally allowed to re-open.

Porters Saloon is located at 695 Main Street. This restaurant began with humble beginnings when the late Lynn Heglie began the Porters concept when he opened the Porters Cafe in the original Porters Building located further east on Main Street. When he opted to retire, a local couple decided to keep the restaurant open and now they have moved everything that everyone loved about Porters to the new location.

The new Porters Saloon location still features the same menu of salads, sandwiches, their famous burgers and a wide selection of beer and drinks. The new venue offers ample outdoor seating, modern with a touch of rustic interior seating and with views looking into the Queen Creek corridor and the historic foot bridge. Porters Saloon has one of the most unique locations in Town. They are also dog friendly so for those who like to walk their dogs, it is a perfect place to stop. The

new location of Porters is also adjacent to the Legends of Superior Trail (miners and ranchers segment), making it easy to walk to their new location from all over town. Sundays feature bottomless mimosas and brunch. Friday nights there is often Karaoke by DJ Supie Town and during the day there is often live musicians playing, especially in the cooler months.

The staff and owners are friendly and their adjacent lot next door also provides

more space for events and fundraisers. Recently the team at Porters hosted a benefit horseshoe tournament for the victims of the Margo Fire in Dudleyville.

Porters also offers take out and catering options along with private parties can be planned at their venue. The restaurant is open 11 a.m. to 10 p.m. Monday through Thursday. Saturdays and Sundays, they are open from 8 a.m. to 11 p.m. and Sundays they are open 8 a.m. to 9 p.m.
